ALLEGHENY COUNTY  
JAIL OVERSIGHT BOARD MEETING

Thursday  
January 5, 2023

Gold Room  
4th Floor  
Allegheny County Courthouse  
436 Grant Street  
Pittsburgh, Pennsylvania 15219

1     **MEMBERS OF THE Board IN ATTENDANCE:**

2     Judge Elliot Howsie

3     Judge Beth Lazzara

4     Bethany Hallam for Councilman Catena

5     Stephen Pilarski for County Executive

6             Richard Fitzgerald

7     Controller Corey O'Connor

8     Sheriff Kevin Kraus

9     Terri Klein

10    Gayle Moss

11

12

13    **JAIL ADMINISTRATION IN ATTENDANCE:**

14    Warden Orlando Harper

15    Chief Deputy Warden Jason Beasom

16    HSA Dr. Ashley Brinkman

17    Deputy Warden of Administrative Operations and

18             Employee Development Blythe Toma

19

20

21

22

23    Kevin Kordzi - Passages to Recover

24    Adam Zak - The Renewal Center

25

1        **PUBLIC SPEAKERS:**

2        Reverend Rod Tate

3        Lisa Pegues

4        Terri Minor Spencer

5        John Kenstowicz

6        Alan Guenther

7        Brian Englert

8        Marion Damick

9        Sharon Bonavoglia

10       Tanisha Long

11       Darwin Leuba

12       Reverend Dave Swanson

13       Dominic Rometo

14       Dan Grzybek

15       Roy Blankenship

P R O C E E D I N G S

(4:00 o'clock p.m.)

**WELCOME, CALL TO ORDER AND RULES**

JUDGE HOWSIE: All right. Are we ready? We're going to call the meeting to order.

Good evening. Happy holidays. I hope everyone had a safe and enjoyable holiday season. I want to welcome you to the meeting.

I want to begin by calling the meeting to order and then doing roll call.

County Controller Corey O'Connor.

CONTROLLER O'CONNOR: Here.

JUDGE HOWSIE: Judge Lazzara?

JUDGE LAZZARA: Here. Sorry.

JUDGE HOWSIE: Terri Klein.

MS. KLEIN: Here.

JUDGE HOWSIE: Abass Kamara.

(No response.)

JUDGE HOWSIE: Richard Fitzgerald?

MR. PILARSKI: I'm Steve Pilarski.

JUDGE HOWSIE: Sheriff Kraus?

SHERIFF KRAUS: Here.

JUDGE HOWSIE: Gayle Moss?

MS. MOSS: Here.

JUDGE HOWSIE: Pat Catena?

1 MS. HALLAM: You pronounced my name  
2 wrong. This is Bethany Hallam from County  
3 Council.

4 JUDGE HOWSIE: Everyone is here.  
5 So I would remind you all that our rules are that  
6 we'd ask that you treat everyone with the same  
7 respect that you would expect in return. We have  
8 a number of public comments, and we want everyone  
9 to have an opportunity to speak. To that end, we  
10 limit Public Comments to three minutes, so after  
11 three minutes, we'll -- unfortunately, we will  
12 have to ask you to step aside if you are still  
13 talking so that everyone will have an opportunity  
14 to speak.

15 But again, we try to treat everyone  
16 with the same respect that we would expect from  
17 others. And there's no swearing, no yelling, no  
18 cursing, no name calling. If you're unable to  
19 abide by those rules, we'd ask that you leave the  
20 meeting at this time.

21 So with that being said, we'll hear  
22 first from Community Corrections, Passages to  
23 Recovery.

24 MR. KORDZI: Good afternoon. Kevin  
25 Kordzi with Passages to Recovery.

1 All right. Currently, in the month  
2 of December, we had 16 admissions. We presently  
3 have 24 men and 9 women in the residential  
4 program; 8 men and 3 women in the transitional  
5 living.

6 JUDGE LAZZARA: Repeat those  
7 numbers again. I'm sorry.

8 MR. KORDZI: 26 total admissions  
9 for December. Currently in residential, we have  
10 24 men and 9 women. In transitional living, we  
11 have 8 men and 3 women.

12 Over the past month, we've had 2  
13 people move from residential to transitional  
14 living. Six have successfully completed the  
15 program. Six have left the program against  
16 advice. They escaped. Three were revoked, and 1  
17 was released by the Court.

18 Clients are continuing to be  
19 involved in GED Classes through Goodwill of  
20 Pittsburgh. We're finalizing plans with -- to  
21 bring in a fatherhood program through Goodwill,  
22 which would also include job readiness and  
23 training services.

24 Community support passes, visiting  
25 with family members in the community is

1 continuing. Family visits are continuing, and we  
2 recently had Christmas and New Year's  
3 celebrations.

4 JUDGE HOWSIE: Any questions?

5 MS. KLEIN: I'm just going to  
6 ask -- I'm sorry, I should know this. Can you  
7 explain the difference between residential and  
8 transitional housing?

9 MR. KORDZI: Basically, what  
10 happened was in the past when we would have  
11 someone there on a sentence, and let's say they  
12 complete residential treatment in three or four  
13 months, if the sentence was six months, in the  
14 past, they would have to go back to jail to  
15 complete the remainder of their sentence. So we  
16 made an arrangement with Drug and Alcohol  
17 Licensing to create these transitional living  
18 beds to where someone completes residential, move  
19 into that bed, is able to work full-time, go to  
20 outpatient treatment because they're closed in  
21 residential, and then serve the remainder of  
22 their sentence until they're released.

23 MS. KLEIN: Is that physically  
24 located on the --

25 MR. KORDZI: Yes. Yes.

1 MS. KLEIN: Thank you.

2 MR. KORDZI: Yeah. So they  
3 continue with the same case manager they've had  
4 the entire time, still have access to all the  
5 services, take their meals there, just sleep  
6 there.

7 JUDGE HOWSIE: Any additional  
8 questions?

9 MS. HALLAM: Yes.

10 JUDGE HOWSIE: All right.  
11 Ms. Hallam.

12 MS. HALLAM: I have a question  
13 going off of Ms. Klein's question. Is there any  
14 opportunity -- is there like a work-release type  
15 program at all? So is there a fee -- like, is  
16 there a certain amount that is taken from their  
17 paychecks?

18 MR. KORDZI: Not anymore. Not  
19 anymore. There was in the past, but I think  
20 about six or eight months ago, Allegheny County  
21 Jail waived that fee, so there's no longer a cost  
22 to them.

23 MS. HALLAM: So you're not doing  
24 that either. Okay. Great. Thank you.

25 MR. KORDZI: Typically, when

1 someone reaches Phase III, which is about four  
2 weeks prior to discharge, they're able to work  
3 part-time. So they're able to -- and part of  
4 that process is talking with staff about how  
5 you're going to balance out work plus remain in  
6 treatment, going to meetings, support, things  
7 like that, no different than if I'm on the street  
8 and I've got to work those things out.

9 MS. HALLAM: Actually transitional,  
10 right?

11 MR. KORDZI: Yes.

12 MS. HALLAM: Got it. Thank you so  
13 much.

14 JUDGE HOWSIE: Thank you very much,  
15 sir.

16 We will now hear from the Renewal  
17 Center.

18 MR. ZAK: Good afternoon. Adam Zak  
19 reporting for the Renewal Center. We currently  
20 have 100 county males in our program, 79 are in  
21 work release, and 21 are in our drug and alcohol  
22 inpatient unit.

23 As far as females, we have 14  
24 total, 9 in work release and 5 in inpatient  
25 treatment.

1           Out of our employable reentrants,  
2           those are the reentrants in our work release  
3           program who are not disabled and have been here  
4           over 30 days; we are at 61 percent who are  
5           employed. Now, that number is a little low, but  
6           we had a plethora of intakes in this past month  
7           from the jail, so a lot of new people coming in.  
8           They're still getting their feet wet, and they  
9           should have jobs in the next month or so.

10           In December, we've had one  
11           individual reentrant who had COVID. He had mild  
12           symptoms. He quarantined, and he's out of  
13           quarantine and doing well. So just one COVID  
14           case.

15           And a couple weeks ago, just in  
16           time for Christmas, we had a sizable clothing  
17           donation from Jailbreak Pittsburgh. You know,  
18           some of these guys that come in from the jail,  
19           they're able to make a phone call, have their  
20           spouse or their parents are able to come in and  
21           drop them off clothing and money. Some guys come  
22           in and they have nothing at all. So this was  
23           a -- this is a tremendous donation. It's much  
24           appreciated, and it was a tremendous help to our  
25           reentrants.

1                   That's all I have.

2                   JUDGE HOWSIE: Questions?

3                   Ms. Klein.

4                   MS. KLEIN: Is Renewal withholding  
5 any money from paychecks anymore?

6                   MR. ZAK: They -- we collect  
7 10 percent, and the 10 percent goes towards their  
8 court costs, fines and restitution.

9                   JUDGE HOWSIE: Any other questions?

10                  Ms. Hallam.

11                  MS. HALLAM: When people no longer  
12 owe any court costs, fines, or restitutions, do  
13 you continue taking 10 percent of their pay?

14                  MR. ZAK: Absolutely not. And then  
15 if they -- if a 10 percent is taken out, then  
16 they get reimbursed whatever, you know, they put  
17 in -- you know, what they owe.

18                  MS. HALLAM: I'm sorry. I don't  
19 understand that. They get reimbursed.

20                  MR. ZAK: So if we find out that  
21 they don't owe anything and we were collecting,  
22 they get reimbursed the 10 percent.

23                  MS. HALLAM: Okay. And there's no  
24 portion of that that Renewal keeps? All of the  
25 entirety of that 10 percent goes towards court

1 costs, fines and fees that that individual owes?

2 MR. ZAK: Correct.

3 MS. HALLAM: All right. Thank you  
4 very much.

5 JUDGE HOWSIE: Thank you. Last but  
6 not least, Electronic Monitoring.

7 Is there anyone here from house  
8 arrest?

9 (No response.)

10 **PUBLIC COMMENTS**

11 JUDGE HOWSIE: No. All right. We  
12 are going to get into the Public Comments. I  
13 want to apologize in advance if I mispronounce  
14 any of your names. Some of your handwriting is  
15 not the best.

16 We'll hear first from Reverend  
17 Rod Tate.

18 REVEREND TATE: Good evening.

19 JUDGE HOWSIE: Good evening.

20 REVEREND TATE: My name is Reverend  
21 Rod, and I am the program organizer for PIIN  
22 Colorful Background Expo Program, and I am  
23 Associate Pastor at Bidwell Presbyterian Church.  
24 And I'm also someone who was formerly  
25 incarcerated. I know firsthand what it is like

1 to serve and serve time in an institution. I  
2 also have loved ones who have spent time in the  
3 Allegheny County Jail.

4 While we all appreciate the efforts  
5 made by individuals on the J-O-B, PIIN and other  
6 community groups have asked on record for a  
7 public meeting with the whole Jail Oversight  
8 Board. Now, there's been no response. We are  
9 asking again for another opportunity to have a  
10 conversation with the Board and also with the  
11 Warden. We have asked quite a few times, and we  
12 appreciate it if you would just -- yes -- give us  
13 a yes or a no if you would like to meet with us.  
14 This is PIIN and also other programs that are  
15 involved in this jail issue.

16 Thank you.

17 JUDGE HOWSIE: Thank you.

18 And I will remind you, you have  
19 three minutes to speak. We'd ask that when you  
20 come up, you state your first name, spell your  
21 last name for the record, if you don't mind.  
22 Thank you.

23 Next, we'll hear from, I believe  
24 this is Lisa Pegues.

25 MS. PEGUES: Good evening.

1 JUDGE HOWSIE: Good evening.

2 MS. PEGUES: My name is Lisa, last  
3 name Pegues, P-E-G-U-E-S. And the purpose that  
4 I'm here is because I'm the mother of a person  
5 who is incarcerated at Allegheny County Jail. My  
6 son was incarcerated at the beginning of  
7 November. I immediately went down, signed up for  
8 visitation so I could put money on his books and  
9 receive phone calls. About a week after that, I  
10 found out that he was not allowed to have visits,  
11 and I recently found out that he's not allowed to  
12 have mail either. I've been calling, trying to  
13 speak to someone to find out why. No one has  
14 returned my calls. I've called every single day.  
15 I just started calling random numbers, making  
16 them up, calling, and I can't get a response.

17 AUDIENCE MEMBER: What's your name?

18 MS. PEGUES: My name is Lisa  
19 Pegues. So that's all. I just want somebody to  
20 talk to me and explain why my son is not allowed  
21 to have visitors, why he's not allowed to have  
22 mail, and also why he was -- he had a physical  
23 altercation with a gentleman recently. He got  
24 out of the hole. He was put in a unit. Then  
25 yesterday, he was put into the unit where the

1 person he had the altercation with is, so of  
2 course, he's back in the hole because he was now  
3 jumped. So I just want some answers. I don't  
4 think that's too much to ask.

5 JUDGE HOWSIE: If you'd please --  
6 if you're comfortable writing down his name  
7 and/or DOC number, we can look into that.

8 MS. PEGUES: I definitely will.  
9 Thank you so much.

10 JUDGE HOWSIE: And as well as a  
11 number where you can be contacted.

12 MS. PEGUES: Most definitely.  
13 Thank you.

14 JUDGE HOWSIE: Thank you very much.  
15 All right. We will now hear from  
16 Terri Spencer -- I'm sorry, Terri Minor Spencer.  
17 Forgive me.

18 MS. SPENCER: Thank you very much.  
19 My name is Terri Minor Spencer, S-P-E-N-C-E-R.  
20 I'm here -- I am the founder and executive  
21 director of WestEnd POWER. We are passionate  
22 about the rights of voting. As a formerly  
23 incarcerated woman, I'm asking that if we could  
24 partner with Warden Harper on making sure that  
25 the individuals inside Allegheny County Jail know

1 that if they have not been in front of a judge,  
2 if they have not been sentenced, that they have  
3 the power to vote. We want to work with the  
4 Warden on this, and we hope that the Warden will  
5 work with us.

6 I'm also affiliated with APA and  
7 PIIN, Pennsylvania Interfaith Impact Network. We  
8 are urging the Warden to please work with us on  
9 this issue, so every man and woman in the  
10 Allegheny County Jail know the power that they  
11 have to vote.

12 JUDGE HOWSIE: Okay. Thank you  
13 very much.

14 Mr. Kenstowicz.

15 MR. KENSTOWICZ: My first name is  
16 John. My last name is Kenstowicz,  
17 K-E-N-S-T-O-W-I-C-Z, Kenstowicz.

18 JUDGE HOWSIE: I'm sorry.

19 MR. KENSTOWICZ: Right. After all  
20 these months.

21 JUDGE HOWSIE: I apologize.

22 MR. KENSTOWICZ: That's okay.  
23 That's okay.

24 JUDGE HOWSIE: Forgive me. I'm  
25 sorry.

1 MR. KENSTOWICZ: As I stated in --  
2 as I stated in my June and July Public Comments  
3 last year, in the event of a death in our county  
4 jail, the National Commission on Correctional  
5 Healthcare requires our jail administration to  
6 conduct an administrative review, a clinical  
7 mortality review, and a psychological autopsy  
8 when there is a death by suicide. The purposes  
9 of the reviews are to investigate the cause of  
10 death, and as importantly to develop policies and  
11 practices to prevent further deaths.

12 A critical question of deep concern  
13 is how are these reviews being done considering  
14 the staffing crisis at the jail, and the fact  
15 that 17 people have died at the jail since April  
16 of 2020. Who will be conducting the oversight of  
17 these reviews to ensure that the reviews are  
18 being done in compliance with the standard and  
19 that policies and practices are being developed  
20 to prevent further deaths?

21 At some point in time, NCCHC will  
22 be coming to the jail to do an assessment of how  
23 well ACJ is complying with this JA09 standard  
24 regarding these reviews being done -- being done  
25 in the event of a death. Most probably, NCCHC

1 will be making recommendations. This could be  
2 very positive.

3           However, NCCHC are consultants.  
4 They will not be coming to the jail every time  
5 someone dies at ACJ. The oversight of these  
6 reviews on an ongoing basis is the statutory  
7 responsibility of the Jail Oversight Board. To  
8 best understand the Board's role in providing  
9 oversight of these reviews, I am recommending  
10 that a Board Member be present when NCCHC comes  
11 to the jail to do its assessment. The Board's  
12 comprehension of how these reviews are to be done  
13 is critical to enable the Board to provide  
14 effective oversight of the standard and a  
15 knowledge of how the jail can prevent deaths.

16           Our County Executive and our Warden  
17 need to open the jail doors to our Jail Oversight  
18 Board when NCCHC comes, and after every death  
19 that occurs at ACJ. What is more important?

20           The politics and resistance to  
21 change, it needs to stop. We are talking about  
22 life and death.

23           I appreciate your time.

24           JUDGE HOWSIE: Thank you. We will  
25 now hear from Alan Guenther.

1 MR. GUENTHER: Hi. Good afternoon.

2 JUDGE HOWSIE: Good afternoon.

3 MR. GUENTHER: My name is Alan  
4 Guenther, G-U-E-N-T-H-E-R, and I'm with the  
5 Pittsburgh Quakers, and the Pittsburgh Peace is  
6 Possible Coalition. I'm here today to  
7 congratulate Jail Oversight Board members Corey  
8 O'Connor and Terri Klein for taking the  
9 initiative and conducting two surprise visits to  
10 see for yourself what the conditions are like and  
11 to make public a report about the conditions you  
12 found.

13 If you haven't read the report,  
14 here's some of the highlights of what they found.  
15 In the Intake Unit, 149 people were in line to  
16 see a psychiatrist, with a waiting time as long  
17 as 71 days. Waiting times to see the dentist  
18 were painfully long. People have up to five days  
19 in the Intake Unit without a hot meal.  
20 Incarcerated people, especially the children,  
21 complained of being cold at night. In the  
22 kitchen, staff were concerned that food trays  
23 were not cleaned properly, and they reported  
24 seeing roaches where the food was prepared.  
25 Dinner is served early, medications are served

1 early. A long time passes before the people in  
2 jail have a chance to eat again, which explains  
3 why Pitt reported that they were hungry at night.  
4 And medications were not administered according  
5 to an appropriate time schedule. A woman's  
6 headscarf was seized, preventing her from  
7 practicing her religion in the facility.

8 Mr. O'Connor and Ms. Klein said  
9 that they found these conditions are resolvable  
10 from a practical standpoint. In other words,  
11 these problems could be solved if the Warden and  
12 his administration would acknowledge these  
13 problems and care about solving them.

14 What I'm asking you tonight, Terri  
15 and Corey, is to pass or propose a resolution  
16 requiring the Warden to respond in writing with  
17 an action plan that we can review at the next JOB  
18 meeting in February. Please take action on your  
19 great work.

20 Thank you.

21 JUDGE HOWSIE: Thank you.

22 We will now hear from Brian  
23 Englert.

24 MR. ENGLERT: Good evening. My  
25 name is Brian, B-R-I-A-N, Englert, E-N-G-L-E-R-T.

1 I'm here because I've been coming  
2 here for a year as Union President, and while  
3 it's fun to give the Warden his monthly beating,  
4 it's just like shooting fish in a barrel.  
5 Nothing changes. You can give this  
6 administration peanut butter, jelly, and bread,  
7 and they still couldn't make the sandwich. Why  
8 isn't the Board doing anything? I'm holding the  
9 Board accountable now at this point. I've seen  
10 no action from this Board. I've been talking  
11 about the staffing crisis for a year, and nothing  
12 has gotten better. Since October, we've had 40  
13 cadets come through that facility. 19 of them  
14 have resigned. No exit interviews. Nothing.  
15 I've had three officers with a year or more  
16 resign. No exit interview. Nothing. Why?

17 We have a Deputy Warden in charge  
18 of recruiting. She's in charge of a dozen other  
19 things including payroll and toner cartridges.  
20 Where am I getting my recruits at? Oh, we have  
21 virtual job fairs. Why isn't there a countywide  
22 law enforcement exam where everybody -- the  
23 Sheriffs and the County Police and the  
24 Correctional Officers all take the same test. We  
25 all take the same test. Isn't it better to get a

1 letter in the mail saying, hey, congratulations.  
2 We're going to offer you a job at the jail versus  
3 saying no, you've been denied at the Sheriff, and  
4 now we're going to have the jail cold call you?

5 By the way, these aren't new  
6 suggestions. These are suggestions that have  
7 been brought up to this administration. We were  
8 willing to change our pay scale to offer new  
9 hires more money upfront. Hey, we'll change our  
10 pay scale. Put more money upfront. No, nothing.

11 As a Board, you have -- you are  
12 represented by financial, legislative and  
13 judicial. Why don't you go to County Council  
14 like all the other cities facing staffing crisis  
15 and say we need hiring and retention bonuses? I  
16 mean, all three -- all three branches of  
17 government are represented up here. This Board  
18 does nothing but sit here and talk and discuss  
19 things.

20 Right now, I have an officer that  
21 just beat Stage IV cancer that can come back to  
22 work 40 hours a week, 16 hours of overtime.  
23 That's a hardship on the jail. They'd rather pay  
24 out \$2,000 in overtime replacing him five days a  
25 week instead of bringing this 32-year-old kid

1 that beat cancer back to work. What sense does  
2 that make? Summitt -- 352 eight-hour overtime  
3 shifts, 2,500 hours of overtime because the  
4 vendor can't come to work. The Controller can  
5 enforce the contract to make them pay the  
6 \$140,000 in overtime back. Guarantee you they  
7 find somebody to work.

8 Medical, we don't have \$4 more an  
9 hour to pay a medical assistant to clear the  
10 door? They're paying \$15.32 an hour. You can't  
11 pay them \$19 an hour? We don't have the money.  
12 We can't compete. You're paying a sergeant  
13 \$32,000 in overtime to clear the board down in  
14 Intake.

15 You can get four more MA -- I mean,  
16 I have a degree in Economics and Finance. You  
17 can give an MA \$4 more an hour and get four more  
18 MAs. This Board is to listen to problems and  
19 solve them, and in a year, I haven't seen any  
20 problems solved. We just come here and beat up  
21 on the Warden every month. Nothing has changed.  
22 I still don't have officers. The jail is still  
23 dangerous.

24 For the first time in my seven  
25 years on a housing unit, I had two multiple

1 inmate fights back-to-back in a week for the  
2 first time in seven years.

3 We don't have staffing. We don't  
4 have training. I've been talking about this for  
5 a year. It falls on deaf ears.

6 We have mental health inmates.  
7 Judge Lazzara, we e-mail you all the time. It's  
8 like you don't get our e-mails. We have mental  
9 health inmates signing into protective custody  
10 because they're not being kept in mental health.  
11 Why? We have mental health units. Why? Why do  
12 these e-mails go ignored?

13 What is the function of this Board  
14 if you just listen to everybody complain about  
15 the Warden but don't solve any problems? You  
16 can't get the dietician to show up. You mean you  
17 don't have subpoena power? If the coroner -- if  
18 the coroner holds an inquisition, he has subpoena  
19 power. You can't even get the County Executive  
20 to show up. This Board is a toothless board, and  
21 it has produced no results in the year that I've  
22 been here.

23 And I've got to say it. I'm kind  
24 of disappointed.

25 JUDGE HOWSIE: Mr. Englert, you

1 have greatly exceeded your time.

2 MR. ENGLERT: I'm just going to  
3 continue for five more seconds. You can have me  
4 removed or whatever. I'm really disappointed  
5 that we don't have exit interviews. I'm really  
6 disappointed that we do not have exit interviews.  
7 For two years now, you said you were going to  
8 have them. You don't have them. How are you  
9 solving the crisis of getting officers to work  
10 there? The Warden will tell you I'm the reason  
11 that nobody wants to work there. That's his  
12 answer. Me coming here and talking about these  
13 things is the reason nobody wants to work there.  
14 That's crazy.

15 JUDGE HOWSIE: Thank you. Thank  
16 you very much.

17 MS. HALLAM: I actually have a  
18 question for him since you asked that question at  
19 a previous Public Comment. I'd actually like --

20 JUDGE HOWSIE: We don't ask  
21 questions.

22 MS. HALLAM: You did ask a question  
23 about --

24 MR. ENGLERT: I'll ask you a  
25 question.

1 MS. HALLAM: Can you get me a list  
2 of the employees who have left? Because we have  
3 requested that and haven't received it. If you  
4 can get me names and contact info of the  
5 employees who have recently left. They don't  
6 even need to all be opened at exit interviews,  
7 but just giving us the contact info so that we  
8 can start those dialogs.

9 MR. ENGLERT: All I can give you is  
10 names. I don't have their phone numbers. I can  
11 do my best.

12 MS. HALLAM: I have ways of getting  
13 phone numbers. Can you get me names?

14 MR. ENGLERT: Yeah. You can Right  
15 to Know request their phone numbers from -- like  
16 I do.

17 MS. HALLAM: I can get them other  
18 ways. Can you just get me the names?

19 MR. ENGLERT: There's 19 people  
20 plus 3 people that resigned and 1 person that was  
21 fired.

22 JUDGE HOWSIE: Mr. Englert --

23 MR. ENGLERT: Thank you, Brian.

24 JUDGE HOWSIE: If you would like to  
25 have a side conversation, you're more than

1 welcome to --

2 We'll now hear from Marion Damick.

3 MS. DAMICK: Okay. I know the  
4 routine. Here I am. Okay. D-A-M-I-C-K, Damick.  
5 What he says is actually true. You've done  
6 nothing, and that's really a criminal -- a  
7 criminal offense, I would say. However, what I'm  
8 particularly going to do -- okay. Remember last  
9 time, last month, I mentioned something about  
10 trying to get students, med students from Pitt.  
11 I just thought of -- another way that you could  
12 get -- induce them is to help pay for their  
13 education debt. You'll get quite a few med  
14 students who will be willing to try to work in  
15 your facility if you do try that. And you should  
16 have -- you have -- we have -- the county has  
17 enough money to help do this. And I think you  
18 really ought to get onto it as quickly as  
19 possible, at least while I'm alive. You know,  
20 I'm 97. How long do I -- how many times do I  
21 have to come over here to bring me on my -- in my  
22 funeral, and I'll be talking to you.

23 Okay. It was terrific that you  
24 made Corey and Terri -- you made the visit.  
25 That's excellent. More of you should do it, and

1 you should report at every meeting at the  
2 beginning what the Board has accomplished. No  
3 wonder we haven't heard anything. You haven't  
4 done anything. Do something. You can report it.  
5 I think that's why we're sitting here all waiting  
6 to hear what you've done. I won't live long  
7 enough. Come on. Before I die, let me hear  
8 it -- something you have done. Really.

9 And I also would endorse Mr. K's  
10 request for a report -- someone to report what  
11 the review is. You are hearing people every  
12 month. I can't really understand how you can go  
13 home and not see some actual results. We can't,  
14 and we hope you can't either.

15 Thank you.

16 JUDGE HOWSIE: We will now hear  
17 from Sharon Bonavoglia.

18 MS. BONAVOGLIA: You got it this  
19 time, Judge.

20 JUDGE HOWSIE: Thank you. It's  
21 written much more legibly.

22 MS. BONAVOGLIA: It's been typed  
23 several times.

24 JUDGE HOWSIE: No, it's never been  
25 typed. It's been written.

1 MS. BONAVOGLIA: My name is Sharon  
2 Bonavoglia, B-O-N-A-V-O-G-L-I-A. I'm a taxpayer,  
3 a member of City View Church, and a member of the  
4 Pittsburgh -- Pennsylvania, I'm sorry, Interfaith  
5 Impact Network. And PIIN is making a request for  
6 an update on the National Commission on  
7 Correctional Healthcare Resources' historical  
8 review of the fatalities at the jail that was  
9 announced by Rich Fitzgerald, who can't seem to  
10 make it to these meetings. He announced it on  
11 August 15th of last year after the death of  
12 Ronald Andrus. We think it's important for the  
13 community to have an update on what's happening  
14 with that.

15 And in the month of January, when  
16 as a nation, we finally honor the life, work and  
17 legacy of Reverend Dr. Martin Luther King, Jr., I  
18 think it fitting to remind the Board and the  
19 Warden and his administration of the biblical  
20 call to care for the incarcerated, and that when  
21 we do, we are indeed caring for Christ himself.

22 And with that, I will also include  
23 today the names of those who died under your  
24 watch and your care. Richard Lenhart, Robert  
25 Blake, Cody Still, Daniel Pastorek, John Brady,

1 Martin Bucek, Robert Harper, Vinckley Harris,  
2 Justin Brady, Paul Allen, Roger Millspaugh, Paul  
3 Spisak, Gerald Thomas, Jerry Lee Ross, Jr.,  
4 Victor Joseph Zilinek, Ronald Andrus, and Anthony  
5 Talotta. And may their friends and family be  
6 blessed with fond memories of them, and may you  
7 all never forget one of their names as you move  
8 forward.

9 JUDGE HOWSIE: Thank you.

10 We will now hear from Tanisha Long.

11 MS. LONG: Thank you. My name is  
12 Tanisha Long, T-A-N-I-S-H-A L-O-N-G.

13 Thank you, guys, those of you who  
14 choose to attend, which we all know is not  
15 Rich Fitzgerald because he has things to do.

16 I would like to address some of the  
17 things I read in Ms. Klein and Mr. O'Connor's  
18 surprise visits. I want to start with the most  
19 vulnerable of the jail population, which is the  
20 children. You have kids in jail, which should be  
21 enough to make anyone upset. Kids don't belong  
22 in an adult facility. I don't care what the  
23 cause. They don't belong there. But they  
24 especially don't belong in adult facilities where  
25 COs are making them feel uncomfortable when

1 they're strip-searched. Why do we have adults  
2 strip-searching kids? They should not be in an  
3 adult facility where they -- where it is notably  
4 cold. They're receiving their laundry back wet.  
5 They don't have enough blankets, and they're not  
6 receiving coats until the end of November.  
7 School time is not rec time. I didn't have that  
8 much fun in school. I doubt they do either.

9 I observed an Interest of Justice  
10 Hearing just this week where a young man reported  
11 that he went out of jail because he wasn't even  
12 going to high school anymore. He wasn't  
13 receiving his schooling in the jail because it  
14 was a safety issue. This man was also fresh off  
15 of suicide watch. What is going on in that jail  
16 that it makes our young people want to kill  
17 themselves? And if the youngest of us are  
18 feeling that way, I'm sure the old people are.  
19 I'm sure the sick people are, the disabled people  
20 are. I'm sure anyone who is experiencing Warden  
21 Harper's Hell Cells are feeling that way.

22 The only thing that gave me a  
23 slight chuckle in that report is that they went  
24 looking for the library. I am happy to report  
25 that they did find several hundred of the 20,000

1 books and also an empty space where the library  
2 used to be. What didn't make me chuckle is that  
3 a Muslim lady had her headscarf taken away so  
4 that she could not pray. That communal prayer  
5 does not happen -- that we don't prioritize all  
6 religions. These are not things that are okay.  
7 It's not okay to receive your night meds that  
8 close to your morning meds. It's not okay for  
9 your last meal to occur around 4:30, and you  
10 don't get one until the early morning. None of  
11 this is acceptable. And if it's not something  
12 you would like to happen to your family members,  
13 then you should not want it to happen for anyone  
14 else's son, parent, kid, child, grandfather,  
15 grandmother. This is not okay.

16 And just to end, I would like to  
17 thank the Book Subcommittee for meeting and  
18 getting some work done on that, because if we  
19 only got several hundred books, I'm sure it would  
20 help if we could mail some in.

21 Thank you.

22 JUDGE HOWSIE: Thank you.

23 Darwin Leuba.

24 MR. LEUBA: Hi. My name is Darwin  
25 Leuba. I'd like to split my comment into two

1 parts. First, I want --

2 JUDGE LAZZARA: Spell your last  
3 name first, please.

4 MR. LEUBA: L-E-U-B-A.

5 JUDGE LAZZARA: Thank you.

6 MR. LEUBA: First, I want to make  
7 it clear that any progress in the jail is going  
8 to come from this Board. There was an interview  
9 today with Rich Fitzgerald and WASA, and I'd like  
10 to play a one-minute portion of that.

11 (Playing audio from phone.)

12 " Q. How the county houses and  
13 treats incarcerated people.

14 A. Well, we'll wait to see what  
15 the experts make in that recommendation.

16 Q. So do you have any suggestions  
17 for them?

18 A. I'd like to hear what the  
19 experts have to say.

20 Q. Well, what have you seen?

21 A. I'd like to know what the  
22 experts have to say. Sir, I'd like to hear what  
23 the experts have to say.

24 Q. Okay. What have you learned  
25 about the jail over the course of these 11-plus

1 years?

2 A. Well, they've made some major  
3 changes and major improvements. And I'm glad to  
4 see that the jail is one of only two jails in the  
5 State that actually has an accreditation.

6 Q. Are you happy with the Warden?

7 A. Well, you know, I'm not going  
8 to get into personnel issues right now. I'm  
9 sorry. Was this -- I didn't see this on the -- I  
10 didn't see this Kevin, in the things that we  
11 were -- got -- that you sent to me ahead of time.

12 Q. Well --

13 A. This was something that you had  
14 said you were going to stay with these questions.

15 Q. Yes. And I said --

16 A. And we were going to about the  
17 12 years.

18 Q. Yes. And I said other  
19 questions would be added.

20 A. Okay.

21 Q. And that as the leader of the  
22 county, you know, your thoughts on --

23 A. We'll take a look at it. I  
24 don't -- I'm not going to get involved in  
25 personnel issues around Directors of where things

1 are going.

2 Q. We spoke last year about the  
3 im --"

4 So it's very clear that anything  
5 that's going to happen is going to come from this  
6 Board. Now you've all heard it. You can't deny  
7 that you haven't heard it.

8 So a few very quick things that the  
9 Board can do. I think Brian Englert made a great  
10 point that the Controller needs to force Summit  
11 to pay overtime. So, Corey, you know, I might be  
12 running against you. I'll be bashing you about  
13 that if I do, so, you know, get on that.

14 In terms of books, the library, the  
15 entire library network should be accessible to  
16 everyone within the jail. I think that's  
17 something that the Board could work on  
18 partnerships with. You can also partner with  
19 other advocacy and faith groups that want to  
20 provide food. There are tons of groups that have  
21 wanted to provide food to the incarcerated  
22 individuals in the jail to help solve some of the  
23 food problems. We should be monitoring in  
24 realtime the temperature within the jail, the  
25 temperature of the water within the jail, take

1 money from the Inmate Welfare Fund by sensors.  
2 Have that live and online so people can see it at  
3 all times. I also think we need to have maximum  
4 wait times for healthcare.

5 As the Board, you have the  
6 statutory authority to enforce and require these  
7 things and if the jail doesn't do it, take them  
8 to court. I think Brian Englert makes a lot of  
9 great points about the need to act and enforce.  
10 And the statutory authority is with this Board  
11 today. We know the executive is not going to do  
12 anything about it, so the lives of the folks in  
13 the jail are dependent upon the quickness of this  
14 Board to act because we know that there's not  
15 going to be any action from administration over  
16 the next year.

17 Thank you.

18 JUDGE HOWSIE: We will now hear  
19 from, I believe it's Reverend Dave Swanson.

20 REVEREND SWANSON: Hello, there.  
21 My name is Reverend Dave Swanson. It's spelled  
22 D-A-V-E S-W-A-N-S-O-N. I'm a member of  
23 Allegheny County. I live in Swissvale. I  
24 also -- I'm pastor at Pittsburgh Mennonite  
25 Church, and I am here with the Pittsburgh

1 Interfaith Impact Network.

2 I've come to ask you all to include  
3 PIIN and other community groups in the Phase III  
4 of rethinking the Allegheny County Jail facility.  
5 We have been coming here for about six months and  
6 hearing about this mysterious thing that is out  
7 there called the Rethinking the Jail, and we want  
8 to be part of the process. We would like to --  
9 you to include the public in the form of specific  
10 community groups. PIIN is dedicated to the  
11 well-being of our neighbors that are in the jail,  
12 and we want to work with you to -- as you work on  
13 this project of rethinking the jail. And so we  
14 are officially asking that you include us and  
15 other stakeholders, many of whom are represented  
16 in this room right now and have been speaking to  
17 you in your process. We need people outside the  
18 system who are caring citizens, who are  
19 taxpayers, who are invested in the wellbeing of  
20 our community, not just bureaucrats and folks on  
21 the inside. You need the voice of people on the  
22 outside. So include us in your process. We ask,  
23 we beg. People are dying. We hear about this  
24 month after month. Let's make these changes.  
25 Let's work together.

1 Thank you.

2 JUDGE HOWSIE: Thank you. We'll  
3 now hear from Dominic Rometo.

4 MR. ROMETO: Excuse me. Good  
5 evening. My name is Dominic Rometo, R-O-M-E-T-O.  
6 I hope everyone had a good holiday. I thought I  
7 was going to have a good holiday. My fiancée got  
8 arrested September 12th. I don't know, some  
9 people were here. I was here last month, but she  
10 was told -- it was a retail. Her drug court or  
11 probation violated. They never arrested her for  
12 it since they said -- so she goes to a  
13 preliminary. They'll fine or ticket or whatever,  
14 and she'll be back out and back home.

15 Well, she was denied alternative  
16 housing by the Warden, and she told drug court,  
17 well, I want to sign -- I want to resentence --  
18 get closed out of drug court and get resentenced.  
19 All of a sudden, the next day, the Warden lifted  
20 the restriction for her. Well, that means drug  
21 court, and the Warden must be best of besties.  
22 So it's so -- you know, I've been denied  
23 alternative housing by him five different times,  
24 and he never changed it for me. So all of a  
25 sudden, the next day, she got interviewed. She

1 got court for that preliminary October 27th.  
2 October 26th, she arrives at Passages. It's a  
3 five-day quarantine. All right? They never sent  
4 the paperwork over to her magistrate to postpone  
5 her. So I was wondering what was taking so long  
6 for this reschedule, because she thinks drug  
7 court, her probation officer, Passages are all on  
8 her side. They're all trying to help her get on  
9 the -- they're supposed to do their job because  
10 they're getting paid to do it, and obviously,  
11 they're not. Because I called the magistrate  
12 December 27th and asked about rescheduling her  
13 hearing, and they're like, where is she? We  
14 don't know where she's at. I said, what do you  
15 mean? She's been in jail. We don't know. She  
16 never showed up to court. So they basically  
17 unconstitutionally been holding her hostage  
18 basically for two months. Nobody knows where  
19 she's at. I'm going to -- that's  
20 unconstitutional for me. And that's not even the  
21 worst part.

22 The worst part about it is they  
23 didn't give her her medications for five days  
24 when she got -- went from the jail to Passages,  
25 the DOC halfway house, and she had a miscarriage

1 with my child. And I was here last month, and I  
2 told her I'll keep -- and I wasn't going to come,  
3 because I'm a nobody. I don't have no  
4 organization. I don't have credits, and all  
5 these Ph.D. doctors, but like I wasn't going to  
6 come because like the one guy said, nothing is  
7 getting done, you know. But I know people. I'll  
8 get on the news quick; you know what I mean?  
9 I'll make a good statement, and I'll say what is  
10 wrong, and I'll try to make it right. But you  
11 guys have all the power to make it right. I  
12 don't. There are people that are getting paid,  
13 and they're not doing their job.

14 And then, to be honest, when I came  
15 last month, they won't let me come see her.  
16 I'm -- the First Amendment is free speech, and  
17 because of what I said last month, they said I  
18 was talking shit on their program, and that they  
19 didn't want me to come. So my last visit was  
20 Christmas, and they won't let me come no more.  
21 And they start making all these other reasons  
22 why. They target her. They flip her room four  
23 times in a week. You know, like, they're trying  
24 to get her in trouble because they know they  
25 messed up big time. Multiple different reasons.

1 And she -- if she says something, she gets  
2 punished. She won't -- they won't let her use  
3 the phones or whatever to call me, so I have to  
4 do it. And I'm going to keep doing it until  
5 something happens because I feel like she's being  
6 held hostage. Like, this is months. She was  
7 supposed to be out -- is my time up?

8 JUDGE HOWSIE: Yeah.

9 MR. ROMETO: Yeah. I think I made  
10 my point, and I appreciate everyone's time and  
11 consideration.

12 JUDGE HOWSIE: We will now hear  
13 from Dan Grzybek.

14 MR. GRZYBEK: Grzybek. My name is  
15 terrible, so I'll give you that one.

16 JUDGE HOWSIE: What is it, Grzybek?

17 MR. GRZYBEK: Grzybek, yeah.

18 JUDGE HOWSIE: Go ahead.

19 MR. GRZYBEK: My name is Dan  
20 Grzybek, G-R-Z-Y-B-E-K. Good evening, Board.

21 I'm asking the Board today to  
22 expand the Public Comment Policy. As you can see  
23 here, there are quite a number of people in the  
24 room, and clearly, the public cares about this.  
25 But I think a difficulty for a lot of people is

1 that the meetings are at 4 p.m. on a Thursday and  
2 a lot of people have work or other obligations  
3 that they can't attend. I think it would be a  
4 good showing of good faith by the Board, and your  
5 willingness to really hear from the public to  
6 expand the Public Comment options to include  
7 something like maybe a call-in comment. It would  
8 be at very minimal cost to the Board, and it  
9 would really allow more of the public to  
10 participate. I do appreciate the online comment  
11 form that you all have, but it's only 750  
12 characters. I timed it. Myself reading, it was  
13 about 40 seconds. You really can't make much of  
14 a substantive point in 750 characters or 40  
15 seconds. So really, anyone who is not able to be  
16 in this room isn't able to have their voice  
17 heard.

18 My second item that I'd like to  
19 speak on is in regards to incarcerated  
20 individuals', I guess, employment. Specifically,  
21 I'd like to address Section 205§20 of Allegheny  
22 County Code, which unfortunately allows for  
23 required manual labor without pay. So in other  
24 words, slavery, for eight hours per day on  
25 highways, parks and other Allegheny County

1 facilities. I've been informed that individuals  
2 incarcerated in the Allegheny County Jail are  
3 being forced to work Sundays and holidays. This  
4 is directly in contradiction of Section 205§22(b)  
5 of Allegheny County code, which prevents  
6 incarcerated individuals from being forced to  
7 work on those days. Similarly, I've been told  
8 that incarcerated individuals are -- who are  
9 awaiting trial, who have not yet been convicted  
10 of a crime, are being forced to work, which  
11 violates Section 205§22(a) of Allegheny County  
12 Code as well as the 13th Amendment of the US  
13 Constitution. If the Board could please look  
14 into those issues and see if they are indeed  
15 occurring. I mean, this is hearsay on my point.  
16 I haven't been able to verify it myself, but I  
17 would assume that you would all be very concerned  
18 if that was occurring and would want to do  
19 everything in your power to stop it from  
20 occurring.

21 Furthermore, I would encourage the  
22 Board to support the resolution that Councilwoman  
23 Hallam has previously proposed to pay the  
24 individuals incarcerated in the jail for the  
25 labor that they do perform. While the 13th

1 Amendment does allow for slavery in the event  
2 that someone is duly convicted of a crime, you  
3 know, that doesn't make the practice morally  
4 justifiable.

5 If the jail wishes to be truly  
6 progressive and innovative, as Warden Harper has  
7 said that it already is, I don't know how you can  
8 reconcile that with allowing slavery to occur  
9 within the jail.

10 Thank you very much for your time.

11 JUDGE HOWSIE: All right. I'd like  
12 to hear from Roy Blankenship.

13 MR. BLANKENSHIP: Good evening,  
14 Board. My name is Roy Blankenship, Community  
15 Organizer with the BPEP, the Black Political  
16 Empowerment Project. Before I start --

17 JUDGE HOWSIE: Spell it.

18 MR. BLANKENSHIP: That's  
19 B-L-A-N-K-E-N-S-H-I-P.

20 JUDGE HOWSIE: Thank you.

21 MR. BLANKENSHIP: Before I start, I  
22 would like to possibly hand you guys, everyone on  
23 the Board a copy of the survey that was done by  
24 Pitt. Just -- it highlights the atrocities that  
25 were happening, and this is the actual published

1 survey.

2 JUDGE HOWSIE: We do -- we have it.

3 MR. BLANKENSHIP: Okay. So if you  
4 have it, you understand.

5 JUDGE HOWSIE: Yes, sir.

6 MR. BLANKENSHIP: And moving  
7 forward, I myself also, and most of you may know  
8 me throughout the years. I grew up in the City  
9 in the streets of Pittsburgh, so I've had my  
10 share of bouts with the criminal justice system,  
11 court system and whatnot. There were words that  
12 resonate still to me today that I always heard  
13 along the way, and that was "care, custody and  
14 control." All right, now this was something that  
15 was a widely used thing and widely used thing by  
16 the county jail. Judging from these surveys, we  
17 see that a lot of those premises that were spoken  
18 by the Warden in his progressiveness are not  
19 happening. BPEP would like to also say that we  
20 also stand with the APA, PIIN, Abolitionist Law  
21 Center, the Quaker Working Group against Racism,  
22 the Pittsburgh Peace is Possible Coalition. And  
23 we're also standing with them to ask that there  
24 be a response to this. There's no need to keep  
25 getting letters from people. There's comments

1       happening, and as the gentleman said, a monthly  
2       beating that goes nowhere. I mean, mom said  
3       this -- before she dies. This lady, obviously,  
4       she's been attending these hearings for more  
5       times than we were kids, most of us probably. So  
6       if she's asking, and one of our elders, that  
7       means that she's been through generations of  
8       seeing things happen with residents in this city.  
9       Whether you're from Pittsburgh, you grew up here,  
10      or you moved here for a job opportunity, please  
11      be respectful of the culture of people. We are  
12      all human, and because someone is incarcerated,  
13      they only have a limited expectation of their  
14      liberties. But they're not convicted, and that's  
15      those that aren't. And they do -- they are  
16      human. The constitution protects them.

17                So a lot of the things I was going  
18      to cover all of my partners and friends in the  
19      audience, I thank you guys -- you covered  
20      everything. But speaking directly from as Tim  
21      Stevens said, this is atrocious, and we ourselves  
22      at BPEP and our partners -- and I know I speak  
23      well when I say the City of Pittsburgh and  
24      Allegheny County, is asking that the Board be  
25      proactive. As many have said, you guys have the

1 opportunity to step up, make a decision and do  
2 something. Nothing is being done.

3 Thank you.

4 **REVIEW OF MINUTES FOR DECEMBER 1, 2022**

5 JUDGE HOWSIE: With that being  
6 said, has everyone had an opportunity to review  
7 the minutes from the last meeting?

8 (No response.)

9 JUDGE HOWSIE: Is there a motion?

10 MS. HALLAM: So moved.

11 CONTROLLER O'CONNOR: Second.

12 JUDGE HOWSIE: All in favor?

13 (Chorus of ayes.)

14 JUDGE HOWSIE: Any opposed?

15 (No response.)

16 JUDGE HOWSIE: All right. The  
17 Motion carries.

18 There are a number of Board Members  
19 that have prior obligations. In fact, someone  
20 has to attend a funeral this evening, so we're  
21 going to go out of order and have Ms. Hallam  
22 present her Motion.

23 MS. HALLAM: Okay. I also want to  
24 say that -- something that will involve a Motion  
25 that I was planning to do under Old Business.

1 Since it's the Book Subcommittee, should I also  
2 address that now as well?

3 JUDGE HOWSIE: Well, the Motion was  
4 never -- I mean, there's a format for presenting  
5 Motions.

6 MS. HALLAM: I mean, there's  
7 literally not, and you know that there's not.  
8 And so every time that we do reports on Old  
9 Committees, that's when we do the Motions from  
10 the committees, and that's not on Old Business.  
11 You only put Incarcerated Individuals Welfare  
12 Fund and not the Book Subcommittee.

13 JUDGE HOWSIE: I'd like for you to  
14 present the Motion ahead of time just like you  
15 did this one.

16 **NEW BUSINESS - PRESENTATION OF MOTION**

17 MS. HALLAM: Okay. We'll do it  
18 now, then. Okay. So the first Motion is a  
19 Motion to request money from the Incarcerated  
20 Individuals Welfare Fund to be put on the joint  
21 tablet and commissary accounts of each person.  
22 At the time of the drafting of this Motion, there  
23 were 1,372 folks currently incarcerated in the  
24 jail. At \$125 for each person, that's a total  
25 cost of \$171,500. And I would like to move to

1 approve and ask for a second.

2 MS. MOSS: I second.

3 JUDGE HOWSIE: I'd like to offer an  
4 amendment to that Motion. You make that Motion  
5 every month, which is appropriate, but the  
6 problem that occurs is that it takes time to  
7 process the paperwork and pay the incarcerated  
8 individual. So I'm making a friendly amendment  
9 that the Motion be for a quarter, for a period of  
10 at least three months, and it will be based on  
11 the population for each -- the first day of each  
12 month, so that it will carry for three months, so  
13 that the paperwork can be processed in an ongoing  
14 fashion to prevent any delay from people  
15 receiving their money.

16 MS. HALLAM: I reject that  
17 amendment. I don't think it was friendly at all.  
18 But what I will say is that that presents  
19 multiple problems. And also, why didn't you  
20 submit it in writing ahead of time?

21 JUDGE HOWSIE: So the problem is  
22 that whenever you present the Motion in this  
23 format, there is a delay that occurs in being  
24 able to process the request and pay the  
25 incarcerated individuals. If you want to

1 continue to present it in the way you have done  
2 so, it's only going to delay them receiving their  
3 money.

4 MS. HALLAM: So that's not true.  
5 So for many, many, many, many months, there was  
6 no problem at all getting money onto the  
7 incarcerated individual's welfare fund. In fact,  
8 when I go and do my surprise visits, it's one of  
9 the first questions I ask people is have you got  
10 your money for this month. There was one month  
11 where there was a bottleneck, and there was an  
12 issue, and I have been assured that it has been  
13 resolved.

14 The problem, multiple problems with  
15 your amendment is that, one, we have no idea what  
16 the population is going to be in the jail from  
17 month to month.

18 Two, we have no idea if people are  
19 going to then get it on a quarter. So if you're  
20 there for less than a quarter, how do you get the  
21 money?

22 JUDGE HOWSIE: It will be  
23 calculated on the first day of each month based  
24 on the population, and the money will be  
25 processed and paid --

1 MS. HALLAM: Oh, well, if that's  
2 the case, then -- I misunderstood your amendment.  
3 Let's just do it forever going forward and not --  
4 I'm sick of having to introduce it over and over  
5 again when we do it every month.

6 How about I will actually friendly  
7 amend your amendment and just ask that in  
8 perpetuity, we put \$125 a month on everybody's  
9 account on the first of the month, and it will be  
10 reported to the Board how much money was taken  
11 from the Incarcerated Individuals Welfare Fund  
12 for that month.

13 Yeah. I like that. Good idea,  
14 Judge Howsie. Thank you. Yeah. Why not? We do  
15 it every single month. We've never seen a  
16 problem with the Welfare Fund. Yeah. He wants  
17 to do it quarterly. I just say we just do it  
18 forever, and we don't have to do a Motion again.  
19 That's great.

20 I will second the amendment to do  
21 this in perpetuity, put \$125.

22 JUDGE HOWSIE: You can't second  
23 your Motion.

24 MS. HALLAM: Oh, yeah. So I do  
25 need a second on my Motion. You're right. That

1 was my amendment. And I'd ask for a second to  
2 just say \$125 every month on the commissary  
3 accounts. We originally did it month by month as  
4 kind of a trial run to see how it worked, and it  
5 seems to be going over great. So why keep having  
6 to do it every month? So I'd ask for a second  
7 for the amendment to just every month, \$125 on  
8 every person's commissary account at the  
9 beginning of the month and ask for a second.

10 CONTROLLER O'CONNOR: I'll second  
11 it. But I have a question.

12 MS. HALLAM: Sure. Thank you for  
13 the second.

14 CONTROLLER O'CONNOR: For the year,  
15 what's the -- I'm new to the Board. You guys  
16 started this. I'm getting the background here.  
17 So if you did it a year out, would that create a  
18 problem, or would it --

19 JUDGE HOWSIE: My concern with  
20 doing it a year out is you don't know what the  
21 fund balance may be. You don't know what's  
22 involved with that, and that was why I suggested  
23 it on a quarterly basis.

24 JUDGE LAZZARA: Especially because  
25 the liaison will be coming out of that fund.

1 MS. HALLAM: Right. So I have  
2 no -- I'm not asking to do it for a year. I'm  
3 asking to just forever going forward -- if the  
4 Board ever in the future votes to undo it, then  
5 that would happen. If you ever have a concern  
6 about the fund balance of the Incarcerated  
7 Individuals Welfare Fund, okay.

8 But if you look at the numbers, I  
9 mean, revenues are growing in the Incarcerated  
10 Individuals Welfare Fund, and we're giving out  
11 \$180,000 every month, and revenues are still  
12 growing, because the reality is they're spending  
13 that money in the jail.

14 CONTROLLER O'CONNOR: Yes.

15 MS. HALLAM: So this account is  
16 purely funded by the profits that we receive off  
17 of that money being spent. So it hasn't had any  
18 effect on the balance. You can clearly see that  
19 in front of us. It's one of the things we get  
20 every month. I'd say we just do it going forward  
21 every month, \$125 a month, and if this Jail Board  
22 or any future Jail Boards decides to vote to stop  
23 it, then that will obviously happen. I don't  
24 think a month or a year at a time when we've  
25 proven a super successful pilot program...

1           So if you're ready to make it for  
2 forever, I'd say --

3           MR. PILARSKI: Deputy Toma, I think  
4 you want to say something? I mean, I know you  
5 help process these invoices.

6           DEPUTY WARDEN TOMA: So the  
7 appropriation that comes from the Inmate Welfare  
8 Fund that can be spent on an annual basis is  
9 approved by County Council, which Ms. Hallam  
10 would know because she sits on the budget --

11          MS. HALLAM: I do --

12          DEPUTY WARDEN TOMA: -- for County  
13 Council.

14          MS. HALLAM: I do.

15          DEPUTY WARDEN TOMA: So you cannot,  
16 in my opinion, put something into perpetuity for  
17 which there has not been a Motion by County  
18 Council for the appropriation for future years.  
19 So -- excuse me, if it's --

20          MS. HALLAM: You're wrong but...

21          DEPUTY WARDEN TOMA: -- you are.  
22 But for financial responsibility, you don't know  
23 that there's going to be that money in the fund,  
24 as you stated. You see it growing, but you also  
25 see our population decreasing. So if your

1 population decreases, your spending decreases, so  
2 you would not see the same growth in that  
3 account.

4 So my concern is you're making a  
5 Motion for which the budget would not support and  
6 would not be financially responsible of the Board  
7 to be making something in perpetuity.

8 CONTROLLER O'CONNOR: So what --

9 MS. HALLAM: No, I actually would  
10 like to respond to that since, as you so  
11 eloquently pointed out, I am on the Budget and  
12 Finance Committee for County Council, and I do  
13 approve the County's budget every year. So what  
14 I would like to say is that when we approve --  
15 when contracts are entered into, for example,  
16 union contracts, they're not single-year  
17 contracts, but yet they guarantee a certain  
18 number of salaries, a certain pay for salaries.  
19 That is all guaranteed for multiple years.

20 When we are presented with a  
21 budget, if that amount needs to be amended, there  
22 is no problem whatsoever to amend that, but the  
23 Incarcerated Individuals Welfare Fund is not an  
24 amount that the County allocates as much as it is  
25 a revenue that the County brings in, and

1           therefore this argument is moot.

2                         JUDGE LAZZARA:   The problem,  
3           Ms. Hallam, is, as we have discussed in the  
4           Inmate Welfare Subcommittee, the Incarcerated  
5           Individuals Welfare Subcommittee before is that  
6           there is no guarantee that this fund will  
7           continue to be the Incarcerated Individuals  
8           Welfare Fund.  We've talked about that.  This  
9           fund could be taken by the County and put into  
10          the General Fund, and it would then become  
11          totally gone.

12                        MS. HALLAM:   Uh-huh.

13                        JUDGE LAZZARA:   And so then our  
14          funding of the liaison would be gone.  Our  
15          funding of this amount of money would be gone.  
16          And if we do something like we're going to do  
17          this in perpetuity when it was not started as a  
18          pilot program -- it was started as an amount to  
19          be given every month during the pandemic to ease  
20          communication issues, to ease food issues, that's  
21          why we started it.

22                        So if you want to suddenly change  
23          it to in perpetuity, my concern is that County  
24          Council or the County Executive, or the powers  
25          that be, will simply take the fund, and then we

1 will lose the ability that we currently have to  
2 use that fund for the good of the inmates.

3 MS. HALLAM: So you want to do it  
4 for one year only, for 2023, and not have to  
5 present it again?

6 JUDGE LAZZARA: I say we start with  
7 three months, and we see how things are going.  
8 We should hopefully have our jail liaison hired  
9 in three months. You know, this way, the  
10 paperwork is easier for the jail. People get  
11 their money faster. We don't have to wait until  
12 this happens five days into the month. We can  
13 get that going faster. So the original, let's do  
14 it three months, let's see how it goes. We can  
15 reconsider it in three months.

16 But what I don't want to do is risk  
17 the fact that the Incarcerated Individuals  
18 Welfare Fund will be taken out of the control of  
19 this Board and put into in General Fund.

20 MS. HALLAM: Within the next 12  
21 months?

22 JUDGE LAZZARA: That's what I don't  
23 want to have happen.

24 MS. HALLAM: And why do you think  
25 that that would happen if we did this as opposed

1 to before, especially when it shows how much the  
2 revenues for the County is growing by them  
3 utilizing these funds?

4 JUDGE LAZZARA: There is a risk.  
5 There's going to be an election. There's going  
6 to be people hired. There's going to be new  
7 people coming in.

8 Let's do it three months. Let's  
9 see what happens. See if it makes it easier on  
10 the jail to get the money into people's hands so  
11 that they can use it.

12 MS. HALLAM: What -- then I would  
13 like to ask, what is the hang-up with getting it  
14 in, because there's never been a hang-up before?  
15 So what is the problem?

16 JUDGE LAZZARA: There's always a  
17 delay. They always get it later because we have  
18 to approve it. Then they have to go through and  
19 do it. And we don't approve it until the middle  
20 of the first week -- almost the end of the first  
21 week.

22 MS. HALLAM: Right. So let's say  
23 they get it on the 20th of every month. They're  
24 still getting it once a month. That's not as  
25 much as they're --

1 JUDGE LAZZARA: Because some people  
2 will be gone by the 20th, and they wouldn't get  
3 it at all.

4 MS. HALLAM: Okay.

5 JUDGE LAZZARA: They're allowed to  
6 take it out. So if they get discharged on the  
7 15th -- and it was approved on the 5th, they get  
8 discharged on the 15th, but the money doesn't  
9 come until the 20th, they're not getting the  
10 money.

11 MS. HALLAM: Okay. And if --

12 JUDGE LAZZARA: So if you just have  
13 it on an automatic basis for the first three  
14 months, let's see how it goes. You want to talk  
15 about a pilot program, let that be the pilot  
16 program, the three months, and let's see how it  
17 goes.

18 MS. HALLAM: Okay. What is the  
19 argument against the full year then? If the  
20 argument was the budget, what is -- I just  
21 haven't seen a problem for which you're trying to  
22 solve. So if the solution is we shouldn't have  
23 to do this every month, hell, I agree. I'm the  
24 one who has to remember to write it every month  
25 before we come to this meeting. I am not against

1 that at all. I mean, I just don't understand why  
2 three months. If we want to extend it, let's  
3 make it six months.

4 JUDGE LAZZARA: Then keep it every  
5 month, but I will not support a year.

6 MS. HALLAM: Will you support six  
7 months?

8 JUDGE LAZZARA: I am worried about  
9 what's going to happen to the fund.

10 MS. HALLAM: Will you support --

11 JUDGE LAZZARA: And I don't want to  
12 see us lose control over the fund, which is a  
13 possibility. And then you lose an awful lot of  
14 the stuff that we are hoping to be able to do  
15 with the fund.

16 MS. HALLAM: Okay. So six months?  
17 Is that -- I just -- I just would better like to  
18 understand what the problem is.

19 JUDGE LAZZARA: Bethany, I'm not  
20 going to sit here and debate you. I would agree  
21 to three months as a pilot, and that's what I  
22 would vote for.

23 MS. HALLAM: Okay. Cool.

24 JUDGE LAZZARA: That would be it.

25 MS. HALLAM: Okay. Cool. Cool.

1 JUDGE LAZZARA: So if you want to  
2 do it further than that --

3 JUDGE HOWSIE: Do you want to --

4 MS. HALLAM: Sure. Motion -- make  
5 a Motion, and I will second it. Sure.

6 So then nothing changes, 125 bucks  
7 a month on the first of every month to every  
8 person in the jail from the Incarcerated  
9 Individuals Welfare Fund for the next three  
10 months.

11 JUDGE LAZZARA: Correct.

12 MS. HALLAM: So I just got to put a  
13 little alert on my calendar to remind me to write  
14 it every three months as opposed to every month.

15 MS. MOSS: We already have a  
16 friendly amendment.

17 JUDGE HOWSIE: Someone has seconded  
18 that Motion.

19 JUDGE LAZZARA: Well, that was your  
20 friendly amendment. If she's accepting the  
21 friendly amendment, then I don't think we need a  
22 second.

23 MS. HALLAM: Under duress, but yes.

24 JUDGE HOWSIE: So the Motion -- all  
25 in favor.

1 (Chorus of ayes.)

2 JUDGE HOWSIE: Any opposed?

3 (No response.)

4 JUDGE HOWSIE: Motion is approved.

5 With that being said, we'll now go  
6 to the Warden --

7 MS. HALLAM: Okay. So can we  
8 include that we get a report on how much it was  
9 every month since we're not going to know now?

10 JUDGE HOWSIE: Sure.

11 JUDGE LAZZARA: Yeah.

12 MS. HALLAM: Thanks.

13 MR. PILARSKI: Deputy Toma.

14 DEPUTY WARDEN TOMA: Since the  
15 friendly amendment was to reflect the population  
16 of the first of the month, for this month are we  
17 using the current population as just our  
18 guideline for it?

19 MS. HALLAM: No, I thought you  
20 were -- you said you were going to do it every  
21 month.

22 JUDGE LAZZARA: For the first of  
23 every month. So for this month, if the first of  
24 the month was 1,372, then that's the number.

25 For next month, if it's not 1,372,

1 that would be whatever the population is on the  
2 first of the month.

3 DEPUTY WARDEN TOMA: Got it.

4 MS. HALLAM: And can we consider  
5 after the first three months if everything goes  
6 great extending it for longer? I just want to  
7 make this a permanent program. It has worked.  
8 It has not drained the Incarcerated Individuals  
9 Welfare Fund balance. That's what the fund is  
10 for.

11 I just -- every month, I worry, oh,  
12 is it going to pass this month, and it's like,  
13 why would we not just make this a forever thing.

14 JUDGE HOWSIE: Thank you,  
15 Ms. Hallam.

16 Warden, your report.

17 JUDGE LAZZARA: Just present the  
18 Motion.

19 **WARDEN'S REPORT**

20 WARDEN HARPER: Happy New Year and  
21 good afternoon, Board Members.

22 The first thing I would like to  
23 talk about is the Reentry Services. A total of  
24 16 individuals completed asbestos removal  
25 training on December 16th through the Reentry

1 Center. All 16 individuals received the  
2 Pennsylvania Department Of Labor Asbestos  
3 Occupation Certificate.

4 The Reentry Center also held a lead  
5 abatement training class on December 28th through  
6 the 30th. This was the second time this program  
7 has been offered at the jail, and 16 individuals  
8 participated.

9 Our Reentry Center staff also met  
10 with Career Link and Partner-4-Work for a new  
11 program that will begin in January. Career Link  
12 staff will be coming to jail to offer career  
13 counseling and coaching following release. They  
14 will make presentations on the housing units and  
15 will be available to speak individually to  
16 incarcerated individuals.

17 Inmate Programs. Our Inmate  
18 Program Department oversaw the return of our  
19 County Veteran Service to the Veterans pod on  
20 December 7th. County representatives presented  
21 on the Veterans Pod and shared information about  
22 services offered to incarcerated veterans  
23 following release. This included information  
24 about Federal benefits through the VA,  
25 Pennsylvania State benefits, and Allegheny County

1 benefits, as well as information about discharge  
2 upgrade requests and additional available  
3 community resources. Inmate Programs plans to  
4 expand programming opportunities for the Veterans  
5 Pod in the coming months.

6 On December 15 the Inmate  
7 Programming Reentry Service Department hosted a  
8 tour of West Allegheny County High School  
9 criminal justice students. They toured the  
10 Housing Unit, Intake Department, Reentry Center,  
11 and the Education Department, which included a  
12 presentation from one of our incarcerated  
13 juveniles outlining the program.

14 Reintegrative Services. The  
15 Reintegrative Service Department held a three-day  
16 medication-assisted treatment training program in  
17 December with the jail's alternative housing  
18 partners, reentry, and caseworker teams. A total  
19 of 89 individuals applied for benefits in the  
20 Medical Assistance Program in December. So far,  
21 76 have active insurance, and 13 applications  
22 remain under review. This is a part of a pilot  
23 program that seeks to enroll all eligible  
24 individuals in a healthcare plan prior to their  
25 release from our facility.

1                   For the year, the Reintegrative  
2 Service Department has transferred 644  
3 individuals to alternative housing, and 235 to  
4 inpatient treatment through our diversion  
5 program.

6                   Training. A total of 329 staff  
7 members have completed training in verbal  
8 deescalation and interpersonal communication  
9 through our partnership with the Department of  
10 Human Services. Trainings are continuing into  
11 the new year.

12                   Chaplaincy. The Foundation of Hope  
13 packed and distributed 1,800 holiday gift  
14 packages to incarcerated individuals. Packing  
15 occurred on December 7th, and the distribution  
16 occurred on December 14th. Interested  
17 individuals can watch a video documenting the  
18 process on our county social media channels.

19                   The Chaplain's Department also  
20 mailed two holiday greeting cards free of charge  
21 for all incarcerated individuals.

22                   Discharge and Release Center. We  
23 welcomed our new director for the Discharge and  
24 Release Center in December. Ms. Megan Owens  
25 takes over the department. Ms. Owens previously

1 worked in the jail's records department.

2 In December, the DRC saw 143  
3 individuals and issued 160 bus passes and 34  
4 boxes of Narcan.

5 Facilities. On December 5th, an  
6 incarcerated individual's loved one called the  
7 jail and said that their loved one's cell on  
8 Pod 1 Bravo was so cold that her breath could be  
9 seen. We immediately dispatched two captains to  
10 the unit to take temperatures. The temperature  
11 in the individual's cell was recorded at 70.7  
12 degrees Fahrenheit. The temperature in the day  
13 room was recorded at 71.5 degrees Fahrenheit.  
14 The individual remained in the unit in the cell.

15 On December 16th, an incarcerated  
16 individual complained about the heat on 3 Bravo.  
17 Jail administration was dispatched to the pod and  
18 took temperatures that registered in the low 60s.  
19 Facilities was alerted. Began working on the  
20 heating issue, and the temperature was raised to  
21 71 degrees by 7 p.m. that evening.

22 Please note that the jail has  
23 implemented the following procedures when  
24 receiving temperature complaints. Based on the  
25 National Institute of Corrections recommendations

1 that temperatures should always be between 69  
2 degrees to 76 degrees on the pods and in the  
3 cells. Captains have been issued temperature  
4 gauges and will take the ambient air temperature  
5 in the day room, and on three cells on the lower  
6 tier, and three cells on the upper tier.

7 The jail has also ordered 1,000  
8 additional suicide blankets. And finally, the  
9 jail has ready two currently unused pods should  
10 the incarcerated individuals need to be moved due  
11 to temperature concerns.

12 Employee of the Month. We would  
13 like to congratulate our employees of the month  
14 for December. They are registered nurse Michael  
15 Warner and our new Discharge and Release Center  
16 Coordinator Megan Owens, who is recognized for  
17 her work in her previous role as a records clerk.

18 I would like to turn it over to  
19 Deputy Toma to discuss adding the JOB minutes to  
20 the tablets. Deputy Toma.

21 DEPUTY WARDEN TOMA: So at the last  
22 Jail Oversight Board meeting, there was a Motion  
23 approved for the addition of the Jail Oversight  
24 Board meeting minutes to be added to the tablets.

25 In conversation with the vendor,

1 ViaPath, who oversees the use and the programming  
2 of the tablets, we identified the best mechanism  
3 to distribute this was through facility  
4 messaging. So all minutes have been added to the  
5 tablets.

6 Additionally, to communicate to the  
7 incarcerated population that the minutes are  
8 there, we also have issued a facilities message.  
9 That will be seen on the tablet any time a new  
10 individual were to log on for the first time,  
11 informing them that this resource is here. So  
12 rather than just putting the tablet, the minutes  
13 on the tablets where they may not know that  
14 resource is there, this message will appear every  
15 time they log in so that they know it is  
16 available, informing them of the history of the  
17 use of those minutes.

18 MS. HALLAM: Thank you for that.  
19 That's very cool.

20 WARDEN HARPER: Bagged Meals. At  
21 the last meeting, the Board requested information  
22 pertaining to Policy 315, our bag meal policy.  
23 This policy is in effect to provide meals to  
24 individuals that have used their food trays as  
25 weapons to assault correctional employees and

1 other incarcerated individuals. These are the  
2 same bag meals that are provided to individuals  
3 that leave our facility and that go to court when  
4 they are housed in our Intake Department.

5 The State Department of Corrections  
6 also have an alternative meal policy for the same  
7 reasons.

8 Use-of-Force Numbers. We received  
9 an e-mail from Ms. Hallam requesting information  
10 regarding the use-of-force numbers. Chief Beasom  
11 has provided a written copy document, the number,  
12 type, and pod of each instance. Due to safety  
13 and security concerns, we will not be providing  
14 details surrounding each use of force in this  
15 setting, but we will be more than happy to  
16 discuss these issues in an executive session.

17 Jail Oversight Board Inspection.

18 MS. HALLAM: No, I don't have a  
19 written copy of it. Am I missing it?

20 JUDGE HOWSIE: I e-mailed a copy of  
21 it. It was e-mailed. I e-mailed it.

22 MS. HALLAM: When.

23 JUDGE HOWSIE: Today.

24 MS. HALLAM: Like just before the  
25 meeting?

1 JUDGE HOWSIE: Like earlier today  
2 when I received it.

3 MS. HALLAM: Like when you sent the  
4 agenda at 10 a.m.?

5 JUDGE HOWSIE: Like when you sent  
6 your Motion yesterday at the last minute. It  
7 happens. I'm in court.

8 Continue, Warden.

9 WARDEN HARPER: Yes, sir.

10 Jail Oversight Board Inspections.

11 Finally, we wanted to thank the  
12 Jail Oversight members for visiting our facility  
13 so that they can take a firsthand look at the  
14 operations. We appreciate the feedback provided  
15 by the members of the JOB and from incarcerated  
16 individuals themselves. We take those comments  
17 seriously, and we work thoroughly to evaluate our  
18 processes and procedures to maintain the safety  
19 and security of both our employees and our  
20 incarcerated individuals.

21 Having said that, we would like to  
22 provide clarity on certain concerns that were  
23 raised during the recent written report.

24 Dr. Brinkman will -- I would like to present

25 Dr. Brinkman.

1 HSA DR. BRINKMAN: There were a  
2 couple of things that were a little bit unclear  
3 what the issues were that were raised.

4 So there was a reference that 149  
5 in Intake were waiting for -- to see a  
6 psychiatrist. So that number would have been  
7 waiting across throughout the whole facility. Is  
8 that what you were finding?

9 (Controller O'Connor and Terri  
10 Klein nodded yes.)

11 HSA DR. BRINKMAN: Okay. So when I  
12 estimated what our grand population was around  
13 the time that you guys were there, that's about  
14 11 percent of our population. So overall, we  
15 have much higher amounts who would be involved  
16 with mental health services.

17 So at that time also, we were  
18 experiencing a turnover with our behavioral  
19 health provider team, which I had brought up in  
20 my reports in the meetings throughout the fall.

21 So since that time, the team has  
22 almost entirely been refilled between advanced  
23 practice practitioners and the psychiatrist that  
24 we have on-site.

25 So just to jump ahead, so you know

1 where we're at right now. We had -- when I left  
2 for the meeting, we had 76 people waiting, with  
3 the longest waiting 11 days. So there's a lot  
4 that has happened since that point in time.

5 AUDIENCE MEMBER: It's still  
6 unacceptable. Unacceptable.

7 HSA DR. BRINKMAN: So it was also  
8 unclear what other mental health wait times that  
9 you guys were finding. Generally speaking, the  
10 non-emergency wait times that we have would be  
11 for various reasons, whether it's clinical  
12 reasons that we've scheduled them out or -- so  
13 I'm not entirely sure what other kind of mental  
14 health wait times you were seeing for delays.

15 In regards to the time spent in  
16 Intake, we have talked about a variety of issues  
17 that influence how long somebody is in Intake,  
18 particularly up until the point that they're  
19 booked into our facility. So that could be  
20 awaiting things from the arresting agencies,  
21 waiting on court proceedings, pretrial services,  
22 all those kinds of things. So we do prioritize  
23 after they are booked to our facility to do our  
24 best to get them out of the Intake Holding up  
25 into Intake Housing around 24 hours and I monitor

1 that each shift, so there was a reference of five  
2 days. And I have -- personally haven't ever seen  
3 that, so I would want to know more information  
4 about that.

5           There was a reference about the  
6 staffing complement in Intake regarding  
7 healthcare. So I went back, and I wasn't able to  
8 verify a time that we had ever had four nurses in  
9 Intake, so what I was wondering -- it's pretty  
10 common in our facility, all of our healthcare  
11 staff wear black scrubs that someone might think  
12 just because they're in black scrubs, they're a  
13 nurse. I don't know if that was a previous  
14 misconception of thinking that in the past, we  
15 had four nurses down there. Could have been  
16 mental health specialists, medical assistants and  
17 things like that.

18           Our nursing staffing has decreased  
19 for a lot of different reasons, but we also had  
20 never had a mental health nurse in Intake. So  
21 those mental health nurses were dedicated up to  
22 the mental health units that we have.

23           And then I am interested to know  
24 what kinds of decision-making there was concern  
25 that healthcare was not able to make

1 independently. So there was a reference that  
2 administration influences medical  
3 decision-making.

4 So I can say that there -- I have  
5 not seen an instance where clinical decisions  
6 were made by non-clinical practitioners, but  
7 there are processes and procedures and  
8 collaboration that maybe processes were  
9 influenced. So that I wanted to speak to a  
10 little bit.

11 WARDEN HARPER: Next, I would like  
12 to address comments about the kitchen. Both  
13 members noted that the kitchen appeared clean.  
14 As we reported previously, the exterminator comes  
15 twice a week, and that food staff is instructed  
16 to ensure that quality food meets expectations.

17 Regarding staffing, the number of  
18 Summit employees is a contract issue, so this is  
19 the perfect time to address that we are currently  
20 rewriting our request for proposal for our next  
21 food vendor. Deputy Toma can provide more  
22 information.

23 DEPUTY WARDEN TOMA: At the October  
24 NCCHC Conference, which Dr. Brinkman attended,  
25 there was a topic of discussion on expectations

1 to support patients' outcomes, including dietary  
2 services, was addressed. This discussion not  
3 only looked at those with medical conditions, but  
4 universal standards as a tool to improve overall  
5 health. The universal standards exceeded that of  
6 the USDA daily nutrition recommendation and food  
7 pattern recommendations which were included in  
8 the original RFP that we put out.

9 Because these new expectations were  
10 so much more in detail, we rejected the proposals  
11 that were submitted with the original RFP with  
12 the intent to publish a new RFP including those  
13 new standards and the vendor-friendly timeline  
14 for proposal submissions, for review, and award  
15 for the vendor to demonstrate compliance with the  
16 required RFP requirements prior to the start date  
17 that the contract would resume.

18 WARDEN HARPER: We would like to  
19 thank the Board for bringing the coats on the pod  
20 to our attention. Coats will be made available  
21 earlier in the year going forward, as well as new  
22 policies I mentioned earlier designed to ensure  
23 enforcement of NCCHC temperature guidelines.

24 Lastly, the jail is committed to  
25 addressing all issues immediately. We welcome

1 the JOB members who toured the facility. We also  
2 appreciate being notified when an issue is  
3 encountered so that we can take immediate action  
4 if not raised in another way.

5 Your Honor, I'm available for -- we  
6 are available for questions.

7 JUDGE HOWSIE: Mr. O'Connor.

8 CONTROLLER O'CONNOR: Yeah.  
9 Quickly. Thank you for doing the coats. That's  
10 a good thing. I mean, what we were told is at  
11 the end of November. So thank you for doing  
12 that.

13 Just a couple of things. Where we  
14 got those staffing issues in Intake was from  
15 colleagues yourself. So as we were talking to  
16 nurses down there, that's where we were gathering  
17 that information. So it came directly from what  
18 they had seen, people had been there for a while.

19 And I know you mentioned the food  
20 vendor. Can we have a copy -- I know you're  
21 redoing the RFP. Can we get a copy of what the  
22 new standards would be?

23 DEPUTY WARDEN TOMA: The ones from  
24 the NCCHC conference?

25 CONTROLLER O'CONNOR: Yeah, for the

1 new food service vendor.

2 DEPUTY WARDEN TOMA: Well, what  
3 came from the conference was the oral discussions  
4 from the sessions.

5 CONTROLLER O'CONNOR: Oh, okay.  
6 Sorry. I thought in the new --

7 DEPUTY WARDEN TOMA: I wish I could  
8 give them to you.

9 CONTROLLER O'CONNOR: -- RFP there  
10 would be higher standards, but...

11 DEPUTY WARDEN TOMA: There is. We  
12 are in the process of writing that, along with a  
13 couple other elements that we're addressing. So  
14 once the RFP is completed, as previously we did,  
15 we'll supply it to the Board.

16 CONTROLLER O'CONNOR: Okay.  
17 Perfect. And then the -- I just have a couple  
18 questions because, unfortunately, I have to go.

19 But the NCCHC, I know that we can't  
20 get a draft, but I'm wondering if the Board and  
21 the jail is willing to do maybe even an executive  
22 session just for an update on where that process  
23 would be, because we ask the questions all the  
24 time. I think it's good to at least get that  
25 information. So again, Judge Howsie can probably

1 set that up if you're willing to. I know we  
2 can't get a draft, but I think it's good to keep  
3 us in the loop of that.

4 WARDEN HARPER: Mr. O'Connor, I  
5 will assure you that before the next JOB meeting,  
6 you guys will have a copy of that report.

7 CONTROLLER O'CONNOR: Oh, it's  
8 going to be done -- it will -- oh, okay.

9 WARDEN HARPER: Before the next  
10 meeting, you guys will have it in your hand.

11 CONTROLLER O'CONNOR: Oh, okay.  
12 All right. So the NCCHC report will be here next  
13 month, okay.

14 WARDEN HARPER: For the suicide  
15 review is what I'm discussing.

16 CONTROLLER O'CONNOR: Okay. Okay.  
17 That's good. That's good to have.

18 I also wondered on the inspection,  
19 I know there's a draft. Can we -- we can't talk  
20 about the draft report.

21 WARDEN HARPER: I would prefer not  
22 to talk about a draft report.

23 CONTROLLER O'CONNOR: Yeah. Right.  
24 No, what I'm asking on, instead of discussing the  
25 draft report, is there -- can we do exec session

1 on that, just where they are, how far along it  
2 is?

3 MS. HALLAM: Controller O'Connor, I  
4 just want to warn you that anything that's  
5 presented to us in executive session, we are not  
6 allowed to talk about in a public setting. So I  
7 would, like, shy away from executive session.

8 CONTROLLER O'CONNOR: Okay -- I  
9 just --

10 MS. HALLAM: That is something that  
11 really needs to be discussed here.

12 CONTROLLER O'CONNOR: I just wanted  
13 to get some information to see where we are, but  
14 I'll wait for the public.

15 So next month we'll have the  
16 suicide by, what's our meeting, February 5th,  
17 somewhere in there. So we'll have that report  
18 from them.

19 WARDEN HARPER: Yes, sir.

20 CONTROLLER O'CONNOR: Then just two  
21 other things. AA at the jail itself. So I know  
22 that Hope has been doing their project. Are we  
23 now doing internal? I know we used to have -- I  
24 think his name was Jack used to do that. We are  
25 back on him staffing and doing?

1 HSA DR. BRINKMAN: We have visitors  
2 coming in for AA meetings.

3 CONTROLLER O'CONNOR: Okay. But  
4 internally, we don't do that anymore?

5 HSA DR. BRINKMAN: What do you mean  
6 internally?

7 CONTROLLER O'CONNOR: Didn't we  
8 have an internal process? So we're bringing the  
9 Hope Organization to come in and have those  
10 meetings.

11 HSA DR. BRINKMAN: No, no.  
12 Alcoholics Anonymous is happening by a  
13 representative for Alcoholics Anonymous.

14 CONTROLLER O'CONNOR: Is coming in.  
15 Yeah, but internally did we not do programs like  
16 that in the past?

17 HSA DR. BRINKMAN: They were on  
18 pause throughout the pandemic. We did them.  
19 They're just back on-site.

20 CONTROLLER O'CONNOR: On-site now.

21 HSA DR. BRINKMAN: Yeah.

22 CONTROLLER O'CONNOR: Okay. Got  
23 it.

24 I think those are all my questions  
25 for right now. Thank you.

1 JUDGE HOWSIE: Any additional  
2 questions.

3 Ms. Klein.

4 MS. KLEIN: I guess my head is a  
5 little spinning over the visit from high school  
6 students to ACJ. I'm just wondering -- I guess  
7 if you could explain why the jail did it, what  
8 the benefit was to the people who are  
9 incarcerated or the staff who work there?

10 WARDEN HARPER: The school  
11 requested the tour for the child- -- I mean, for  
12 the students to come to our facility. They felt  
13 that it was important to see our jail. We took  
14 them to an empty pod, Reentry Services and  
15 Intake.

16 So we just felt as though it was  
17 really important for students to see our jail and  
18 what happens when you come to jail. I know we've  
19 done it before, you know what I'm saying, before  
20 the pandemic, and it was really good to see that  
21 we are starting that back again.

22 AUDIENCE MEMBER: This isn't Scared  
23 Straight?

24 WARDEN HARPER: We do not do Scared  
25 Straight programs.

1 AUDIENCE MEMBER: I hope not.

2 MS. KLEIN: Did you say they met  
3 with a juvenile?

4 WARDEN HARPER: They did have a  
5 conversation with a juvenile. Yes, ma'am.

6 AUDIENCE MEMBER: (Yelling.)

7 JUDGE HOWSIE: Excuse us.

8 MS. KLEIN: I just want to confirm  
9 that there was consent or -- I guess, did you get  
10 consent from a parent of them to be able to talk?

11 WARDEN HARPER: We don't need  
12 consent from a parent for us -- them to have a  
13 conversation with a juvenile.

14 MR. PILARSKI: No, I think she  
15 means consent from the people coming to do the  
16 tour.

17 MS. KLEIN: No, no, no. I meant.

18 MR. PILARSKI: Sorry. I  
19 misunderstood. Sorry.

20 MS. KLEIN: I mean, could you  
21 get -- did you get consent from the parents to  
22 have their --

23 JUDGE HOWSIE: The school would get  
24 the consent.

25 MS. KLEIN: Their child talked

1 to --

2 WARDEN HARPER: I would have to  
3 check into that. I will check into that,  
4 Ms. Klein.

5 MS. KLEIN: I would just like to  
6 publicly state that I'm concerned about high  
7 school students, maybe it's a policy, and I need  
8 to be better educated, coming in and especially  
9 meeting with juveniles.

10 WARDEN HARPER: I will have more  
11 information about this at the next meeting, okay?

12 MS. KLEIN: Thank you.

13 And my one other question was, do  
14 we have a number -- it says zero juvenile contact  
15 visits. Do we have a number of the juvenile  
16 visits, the family?

17 WARDEN HARPER: No one in our jail  
18 received contact visits. Everyone receives  
19 non-contact visit.

20 MS. KLEIN: Right. And do we get  
21 any number of juveniles who received non-contact  
22 visits?

23 WARDEN HARPER: The juvenile count  
24 is included in those numbers.

25 MS. KLEIN: Okay. Okay. Thank

1       you.

2                   JUDGE HOWSIE:  Ms. Hallam.

3                   MS. HALLAM:  Yeah.  Okay.  First of  
4 all, I just want to clarify, how did you know  
5 about the meeting with the juvenile?  I just saw  
6 the pictures.  I didn't know about that they were  
7 talking with a child that was incarcerated.

8                   MS. KLEIN:  I just heard it.  He  
9 just said it.

10                  MS. HALLAM:  But a meeting.  I  
11 thought it was just they peered in and saw it.  I  
12 didn't know they, like, had a conversation.

13                  JUDGE LAZZARA:  That's what the  
14 Warden indicated, that the juvenile that is  
15 incarcerated spoke with the people from the high  
16 school.

17                  MS. HALLAM:  Okay.  Not just the  
18 parent.  Their lawyer -- was their lawyer asked?  
19 That is, like, I mean basic 101.  You're having  
20 an incarcerated individual, who is in the county  
21 jail because they are pending trial, so they have  
22 an upcoming trial, and they spoke with a group of  
23 students --

24                  AUDIENCE MEMBER:  On their guilt.

25                  MS. HALLAM:  -- before even going

1 to trial without a lawyer present, without parent  
2 or guardian consent. I just can't even believe  
3 that that's something that crossed anybody's mind  
4 to do.

5 Is everyone in here welcome to come  
6 and get the same tour of the jail? I mean, that  
7 was a question. Sorry. I will rephrase it in a  
8 more classy way.

9 So what is the criteria for someone  
10 to come in and tour the jail, to receive that  
11 tour that you get, they gave?

12 WARDEN HARPER: They would have to  
13 put a request into me for approval. They would  
14 have to be vaccinated, and they would have to  
15 state the nature of their request for the tour,  
16 and we would make a determination as to whether  
17 or not it would be approved.

18 MS. HALLAM: Okay. And by what  
19 grounds do you decide approval?

20 WARDEN HARPER: Ms. Hallam, I will  
21 get you all that information at the next meeting.  
22 I don't have all of that right now, but I've just  
23 given you a preliminary summary as to what is  
24 needed.

25 MS. HALLAM: Yeah. I mean, you

1 just have to understand my frustration when you  
2 say that every meeting, I'm going to get you all  
3 those answers, and then we don't get them. There  
4 was one month, I think it was last month, was it  
5 guys, where we got actual answers to our  
6 questions prior to the next meeting. So I  
7 just -- I'm just really concerned.

8 Okay. So along those lines, you  
9 know, Controller O'Connor had asked about 12-step  
10 meetings. So I have had an organization that has  
11 been reaching out to me, and they want to bring  
12 in additional 12-step meetings to offer more  
13 variety, to make them more frequent.

14 Can you explain to me what the  
15 process is to get them approved to do that?

16 HSA DR. BRINKMAN: We have been  
17 working with some other organizations, so they  
18 may be overlapping. I don't know for sure.

19 MS. HALLAM: I know this one isn't,  
20 because he has told me that he --

21 HSA DR. BRINKMAN: Oh, okay.

22 MS. HALLAM: -- has been ignored.  
23 So I'm just wondering if a 12-step meeting wants  
24 to come into the jail, what is the procedure for  
25 them being allowed to do that?

1                   HSA DR. BRINKMAN: Any one of us  
2 can connect them with how we're organizing the  
3 12 steps.

4                   MS. HALLAM: Okay. So you just  
5 want me to send you their contact information?  
6 Is that what you're --

7                   HSA DR. BRINKMAN: You can do it  
8 that way. That's fine.

9                   MS. HALLAM: Okay. Or send an  
10 e-mail connecting the two of yinz?

11                   HSA DR. BRINKMAN: Sure.

12                   MS. HALLAM: Okay. All right.  
13 Lots of questions here. So the first thing is --  
14 so I just want to understand -- I know Controller  
15 O'Connor and Ms. Klein had mentioned something  
16 about, like, they had heard an update about the  
17 NCCHC when they were at their visit. And so I'm  
18 just wondering is there any more investigation  
19 review left in -- not the one specifically about  
20 the update for the suicide prevention, but more  
21 about jail deaths.

22                   WARDEN HARPER: No.

23                   MS. HALLAM: So all of the  
24 investigation, all of the tours, all of the  
25 inspections have all been completed, and we're

1 just -- there's a draft? That was just the first  
2 reference I had heard.

3 WARDEN HARPER: NCCHC has reported  
4 to the jail, and they have done their review of  
5 the mortalities at our jail.

6 MS. HALLAM: And the timeline for  
7 the next step?

8 WARDEN HARPER: I don't have that  
9 available at this time.

10 MS. HALLAM: Okay. So we paid them  
11 all this money, and they never said we will have  
12 that done by this date?

13 DEPUTY WARDEN TOMA: So Ms. Hallam,  
14 I'd like to remind you that that contract for the  
15 death review was entered in with the County  
16 Manager's Office. So as the Warden stated, they  
17 have completed their review at the facility for  
18 which we coordinated. So we would have to defer  
19 the completeness of that timeline back to who  
20 entered into that contract with NCCHC.

21 MS. HALLAM: And do you see anybody  
22 in this room from that office?

23 MR. PILARSKI: Yes. You can just  
24 ask me.

25 MS. HALLAM: Well, it's just I

1 don't want to refer to you as a member of the  
2 Board because I'm getting real frustrated about  
3 that.

4 MR. PILARSKI: But -- okay. But I  
5 don't have that answer, but I can look. But I  
6 don't know -- I know we have a draft report. I  
7 don't know when it will be finalized, but I could  
8 try to work on getting you that answer.

9 MS. HALLAM: So one member of this  
10 Board has a draft report, but the rest of us do  
11 not?

12 MR. PILARSKI: I didn't say I had  
13 the draft.

14 MS. HALLAM: No, I know. You're  
15 not a member. I mean your office of the County  
16 Executive has a draft?

17 I'm truly not trying to be, like,  
18 snippy or anything. I really just want to know  
19 why one member of this Board has a draft of a  
20 report that is so crucial to our work here, and  
21 no one else does.

22 JUDGE HOWSIE: And he indicates  
23 that he does not have the report.

24 Do you have another question?

25 MS. HALLAM: Yeah, I do have a lot

1 of other questions.

2 Okay. So the public commenter has  
3 brought up having voting information on tablets.  
4 And so Ms. Toma, you actually gave me a good idea  
5 about how you said you sent an alert out about,  
6 hey, meeting minutes are on here. We're going to  
7 let you know every time you log on.

8 Could you do the same thing about  
9 voting rights and voting information and election  
10 dates and --

11 DEPUTY WARDEN TOMA: We already  
12 did. As reported previously, we did that as  
13 well, as we had it on the monitors on the pods.  
14 So that's something we've already had a program  
15 for, which was reported on at previous meetings.

16 But we will continue to do that for  
17 every election as we have, as well as the -- our  
18 caseworkers going around, and our AIU staff going  
19 around to get people registered, as well as the  
20 day of voting. So we will continue that  
21 procedure.

22 MS. HALLAM: Yes. I very much  
23 understood that it has been done in what you  
24 refer to as election season, but I'm wondering if  
25 it's something that we could, like, have as an

1 ongoing thing that -- like, so that people always  
2 know what their rights are.

3 DEPUTY WARDEN TOMA: So that notice  
4 would have -- the incarcerated individuals do not  
5 appreciate having that notice every time you log  
6 onto a tablet, because it's something they have  
7 to go through. It's actually feedback we've  
8 gotten. So the notice that we're putting on is  
9 for that first time they log on that tells them,  
10 hey, this resource is there. So that material  
11 is -- I believe, and I'll have to confirm it -- I  
12 believe it is always on the tablet.

13 MS. HALLAM: It is.

14 DEPUTY WARDEN TOMA: So what you  
15 ask is to have that notice every time they log  
16 on, so they're going to have to walk through it  
17 every single time?

18 MS. HALLAM: Not as much the notice  
19 as the information always being accessible to  
20 them.

21 DEPUTY WARDEN TOMA: Yeah. I  
22 believe it is, but I'll confirm that that  
23 information is on the tablet. I will confirm  
24 that.

25 MS. HALLAM: And that's not just

1       how to register, but also who is eligible, what  
2       each office is that could appear on your ballot.  
3       That's all of that information that you think is  
4       there?

5                   DEPUTY WARDEN TOMA:   I would have  
6       to look into it.

7                   MS. HALLAM:   Okay.   Next question  
8       is -- I'm really concerned -- this is now the  
9       second time from Ms. Klein and Controller  
10      O'Connor's report that we've heard about  
11      religious practices.   I actually sent out an  
12      e-mail to the full Board and the entire  
13      administration here about another issue I had  
14      heard.

15                   I don't know if you want me to  
16      repeat it or if you just got the e-mail and  
17      ignored it, but it was reported to me by an  
18      individual's attorney that they had converted to  
19      Buddhism about seven months ago -- more than 60  
20      days after they had been incarcerated, and that  
21      they were told that they cannot get a vegan diet  
22      in accordance with religious accommodations  
23      because they did not make that request within 60  
24      days of being incarcerated, but they converted  
25      while they were incarcerated, so they wouldn't

1 have made that request when they came in.

2 So I'm just wondering what are --  
3 can you speak to these various denials of  
4 religious accommodations, the lack of communal  
5 prayer, the woman that had her headscarf  
6 confiscated, and the man who was denied vegan  
7 diet in accordance with his Buddhist religion?

8 WARDEN HARPER: I'm going to  
9 respond to the e-mail that you sent to us.

10 MS. HALLAM: Sure.

11 WARDEN HARPER: And my response is  
12 this: Currently, individuals must contact the  
13 Chaplains Department within 30 days of  
14 incarceration should they choose to convert to  
15 another religion and request a special religious  
16 diet. This policy is designed to prevent people  
17 from changing religions to get different meals --  
18 to get different meal trays which has occurred in  
19 the past. This individual is currently under  
20 review. In this case, this individual contacted  
21 the Chaplain's Department eight months after his  
22 committal. He first requested meal changes from  
23 the Healthcare Department and food vendors when  
24 he was denied by both. He then sought the same  
25 meal change but the meal for religious purposes.

1                   Individuals are free to practice  
2 any religion they choose and can change their  
3 religion with the Chaplain's Department at any  
4 time. The 30-day window applies only to meal  
5 changes. ACJ administration and the Chaplain's  
6 Department and the Law Department will be meeting  
7 this week to review the specifics of this policy.

8                   And you guys -- you guys were  
9 e-mailed this also today.

10                  MS. HALLAM: I don't check my  
11 e-mail an hour before coming here. I'm getting  
12 ready for the meeting, and I'm commuting here.  
13 Anyways -- so wait. I just want to confirm, so  
14 that if you change your religion after you have  
15 been incarcerated for 30 days, according to the  
16 current policy, you will not be afforded any  
17 dietary restrictions that are in accordance with  
18 your religion.

19                  WARDEN HARPER: Ms. Hallam, I am  
20 going to stick to the e-mail that I just read.  
21 Any further conversations pertaining to this we  
22 will have to do in executive session.

23                  AUDIENCE MEMBER: Nope.

24                  MS. HALLAM: Okay. So that was a  
25 very simple question. You -- I just wanted to

1 clarify what you had already said, because again,  
2 I did not see this e-mail. You must have sent it  
3 this afternoon. The --

4 You must change your dietary  
5 restrictions within 30 days of being  
6 incarcerated, or you cannot change them again,  
7 regardless of if it's for a religious  
8 accommodation?

9 WARDEN HARPER: Again, did you want  
10 me to read the e-mail again?

11 MS. HALLAM: Yeah, actually, would  
12 you read the e-mail, please? That would be  
13 helpful.

14 WARDEN HARPER: I will read the  
15 e-mail again.

16 MS. HALLAM: Yeah.

17 WARDEN HARPER: Currently,  
18 individuals must contact the Chaplain's  
19 Department within 30 days of incarceration should  
20 they choose to convert to another religion and to  
21 request a special religious diet. This policy is  
22 designed to prevent people from changing  
23 religions to get different meal trays, which has  
24 occurred in the past.

25 This individual request is

1 currently under review. In this case, the  
2 individual contacted the Chaplain's Department  
3 eight months after his committal. He first  
4 requested meal changes from the health staff and  
5 food vendors when he was denied by both. He then  
6 sought the same meal change but the meal for  
7 religious purposes.

8 Individuals are free to practice  
9 any religion they choose and can change their  
10 religion with the Chaplain's Department at any  
11 time. The 30-day window applies to only meal  
12 changes. The ACJ Administration, the Chaplain's  
13 Department and the Law Department will be meeting  
14 this week to review the specific request of this  
15 policy.

16 Anything else about this request we  
17 would have to talk about in executive session  
18 when I finish reviewing this with the Law  
19 Department.

20 MS. HALLAM: Yeah. So religion is  
21 not something that is covered under exceptions --  
22 you know, like that needs to be discussed in  
23 executive session. This is not a safety or  
24 security concern, and this is not a personnel  
25 matter. So we're not going to talk about

1 everything that you don't want to talk about in  
2 executive session. We're going to talk about it  
3 in this forum that we get to talk about it.

4 So I want to say, is one, are you  
5 saying that there's a religion registry with the  
6 Chaplain's Office that you maintain of -- sorry.  
7 End. Is there a religious registry?

8 WARDEN HARPER: I'm not going to  
9 speak any more about this subject, ma'am.

10 AUDIENCE MEMBER: Wow.

11 MS. HALLAM: Are you aware that  
12 some religions require specific dietary  
13 restrictions?

14 WARDEN HARPER: I am aware.

15 MS. HALLAM: Okay. Oh, my God.  
16 Sorry. I just wasn't expecting that to be the  
17 answer.

18 Okay. Next question is -- so is  
19 there -- are there any situations in which the  
20 schooling for the children in the Allegheny  
21 County Jail is withheld? Like, is there any time  
22 where if they're in the hole or the pod, you  
23 know -- there's some reason why schooling is  
24 withheld from individuals?

25 CHIEF DEPUTY WARDEN BEASOM:

1 Anybody that's in disciplinary housing.

2 MS. HALLAM: I can't hear.

3 CHIEF DEPUTY WARDEN BEASOM:

4 Anybody -- any juvenile under disciplinary  
5 housing, the teachers, the school is brought to  
6 that individual on the housing unit, because we  
7 can't mix them in with the other juveniles down  
8 in the classrooms.

9 MS. HALLAM: Right. But the actual  
10 schooling, the education is never paused?

11 CHIEF DEPUTY WARDEN BEASOM: No.

12 MS. HALLAM: Okay. The next  
13 question is about meals since we've been talking  
14 about that. Who works in the kitchen on Sundays  
15 and holidays? Warden Harper, who staffs the  
16 kitchen on Sundays and holidays.

17 CHIEF DEPUTY WARDEN BEASOM: We  
18 have our Summit vendor, and the inmate workers  
19 are down there.

20 MS. HALLAM: Okay. So incarcerated  
21 individuals are staffing the jail on holidays and  
22 Sundays.

23 CHIEF DEPUTY WARDEN BEASOM: Yes.

24 MS. HALLAM: Okay. Cool. Well,  
25 not cool, but, you know. Do you keep a record of

1 the times that meals are served to each pod in  
2 the same way that -- I think you had referenced  
3 in the past that you do keep a record of like  
4 when medications are passed to each pod. Is  
5 there a record that is kept about meals  
6 delivered?

7 CHIEF DEPUTY WARDEN BEASOM: It  
8 would be logged in the individual housing unit  
9 logbooks that's maintained by the corrections  
10 officers on it.

11 MS. HALLAM: Okay. And so how much  
12 time -- is there a policy that the jail has about  
13 how much time there is to be between meals?

14 CHIEF DEPUTY WARDEN BEASOM:  
15 Between meals?

16 MS. HALLAM: Yeah. Like, for  
17 example, is there any policy that says no meals  
18 should be served less than four hours apart? No  
19 meals should be served more than 12 hours apart?

20 CHIEF DEPUTY WARDEN BEASOM: I  
21 don't have the policy in front of me. I can  
22 review that.

23 MS. HALLAM: But there -- I'm just  
24 asking if a policy exists that dictates time  
25 between meals?

1 CHIEF DEPUTY WARDEN BEASOM: Not  
2 that I'm aware of.

3 MS. HALLAM: Okay.

4 CHIEF DEPUTY WARDEN BEASOM: So in  
5 the inspection report that was filed by Ms. Klein  
6 and Mr. O'Connor, it stated that folks were  
7 concerned because they were receiving dinner at  
8 3 o'clock.

9 MS. HALLAM: Uh-huh.

10 CHIEF DEPUTY WARDEN BEASOM: We  
11 don't start preparing the dinner trays to be  
12 placed into the meal carts and sent upstairs to  
13 the pods until 4 p.m., so.

14 MS. HALLAM: Ms. Klein.

15 MS. KLEIN: Well, I was just -- I  
16 would.

17 JUDGE HOWSIE: You have to turn  
18 your mic on.

19 MS. KLEIN: I don't have my notes  
20 in front of me, but I was just repeating what the  
21 Summit people told us when we were there.

22 CHIEF DEPUTY WARDEN BEASOM: They  
23 might start cooking the meals at 3 o'clock, but  
24 they're not plated and put on the carts for  
25 delivery until 4 p.m. We have to -- we have to

1 deliver to 26 housing units, so there is --  
2 there is a time gap from 4 p.m. until the last  
3 cart goes out. But that's the process.

4 MS. HALLAM: And then what time do  
5 you start serving breakfast in the morning?

6 CHIEF DEPUTY WARDEN BEASOM: The  
7 first cart goes out a little after 6 a.m. That's  
8 for our disciplinary housing units, and then the  
9 other housing units follow those.

10 MS. HALLAM: Okay. And so are you  
11 sure to make sure that the people who got dinner  
12 at 4 are the people who get dinner (sic) the  
13 earliest and the people who get dinner last --  
14 like is there a --

15 CHIEF DEPUTY WARDEN BEASOM: It's  
16 the same lineup.

17 MS. HALLAM: It's the same lineup  
18 every time?

19 CHIEF DEPUTY WARDEN BEASOM: Yes.

20 MS. HALLAM: Okay. And what other  
21 nutritional products are provided in that 14-hour  
22 period that no food is served, that 14-hours, 4  
23 p.m. to 6 a.m. I know math isn't really, like,  
24 my forte, but that's 14. So what -- what is  
25 provided to incarcerated individuals, food,

1 beverages between 4 p.m. and 6 a.m.?

2 CHIEF DEPUTY WARDEN BEASOM: \$125  
3 worth of commissary.

4 MS. HALLAM: You give them an extra  
5 125 bucks?

6 CHIEF DEPUTY WARDEN BEASOM: No, we  
7 don't.

8 MS. HALLAM: Oh, yeah.

9 CHIEF DEPUTY WARDEN BEASOM: The  
10 jail doesn't provide anything past dinner.

11 MS. HALLAM: Okay. Cool. So  
12 from --

13 MS. MOSS: Do they get lunch?

14 MS. HALLAM: Yeah, they get lunch,  
15 but I'm just talking about the gap between dinner  
16 and breakfast.

17 MS. MOSS: So is it -- what time --  
18 what time do you serve lunch?

19 CHIEF DEPUTY WARDEN BEASOM: Lunch  
20 goes -- lunch starts about 11 a.m.

21 MS. HALLAM: Okay. All right.  
22 Yeah. I would really appreciate if we could get  
23 those. If you need me to put this in an e-mail  
24 so that yinz like remember the things that we  
25 request in here, I can start doing that. I just

1 thought you would be taking notes throughout our  
2 meetings. But could you bring us those logs on  
3 times that meals are served?

4 CHIEF DEPUTY WARDEN BEASOM: From  
5 the individual units?

6 MS. HALLAM: Uh-huh.

7 CHIEF DEPUTY WARDEN BEASOM: That  
8 would be way too burdensome to gather that  
9 information.

10 AUDIENCE MEMBER: What?

11 MS. HALLAM: But, I mean, you  
12 already have the information. I'm just asking  
13 that you give it to us.

14 CHIEF DEPUTY WARDEN BEASOM: We  
15 don't maintain that. That's on each individual  
16 housing unit.

17 MS. HALLAM: Uh-huh.

18 CHIEF DEPUTY WARDEN BEASOM: By  
19 each shift.

20 MS. HALLAM: Uh-huh.

21 CHIEF DEPUTY WARDEN BEASOM: By  
22 each officer that logs those things in there.

23 MS. HALLAM: And where do those  
24 logs end up?

25 CHIEF DEPUTY WARDEN BEASOM: Where

1 do they end up?

2 MS. HALLAM: Uh-huh.

3 CHIEF DEPUTY WARDEN BEASOM: When  
4 the logs are full?

5 MS. HALLAM: Yeah. After they're  
6 filled out on the housing unit, they stay on the  
7 housing unit until they're full.

8 CHIEF DEPUTY WARDEN BEASOM: Now,  
9 this is the daily activity logs --

10 MS. HALLAM: Uh-huh.

11 CHIEF DEPUTY WARDEN BEASOM: --  
12 that the corrections officer maintains every day.  
13 It's a book.

14 MS. HALLAM: Okay. So there is no  
15 tracking in the kitchen of when the meals go out?  
16 Like, the kitchen doesn't keep track on, okay, we  
17 sent the first dinners out at 4? We sent the  
18 first breakfast out at 6?

19 CHIEF DEPUTY WARDEN BEASOM: I'd  
20 have to follow up with Summit.

21 MS. MOSS: And the same for lunch.

22 MS. HALLAM: Okay. Yes, and the  
23 lunch, yeah. I'm forgetting lunch because that's  
24 the biggest gap is 14 hours of no food, no  
25 drinks, nothing. I mean.

1           Yeah. So either if there is a  
2 kitchen log of when meals are served, yes, please  
3 provide that to us, but if not, then, yes, the  
4 daily logs will do.

5           Okay. Next question is -- hold on.  
6 Oh, okay. So we heard today from an individual  
7 who said that folks are -- were coming into the  
8 jail and being denied visitors and mail in the  
9 instance that they were entering the jail.

10           Can you -- someone speak to why  
11 someone would enter the jail and not be allowed  
12 visits or mail?

13           WARDEN HARPER: We would not be  
14 able to answer that until we get the name of the  
15 individual, et cetera, et cetera. So when we're  
16 provided with that information, I think  
17 Mr. Pilarski said that he's going to get the  
18 information.

19           MS. HALLAM: Yes, I understand  
20 that. I believe it's being held up behind you,  
21 but I'm asking if you could just speak to -- I  
22 know you're going to speak to that person about  
23 her individual situation with her child, but I'm  
24 wondering if you could speak broadly to a --  
25 situations where someone would enter the jail and

1 on Day 1 of the jail be told no visits, no mail.

2 WARDEN HARPER: I will provide that  
3 information at the next meeting.

4 MS. HALLAM: Does anyone here know  
5 that?

6 JUDGE HOWSIE: Do you have another  
7 question.

8 WARDEN HARPER: We will provide  
9 that information at the next meeting, Ms. Hallam.

10 MS. HALLAM: Okay. Can you speak  
11 to how separation orders happen? If there's an  
12 altercation between two incarcerated individuals,  
13 is there no mandatory separation order put in  
14 place?

15 CHIEF DEPUTY WARDEN BEASOM: If  
16 there's an altercation on a housing unit, either  
17 the staff member involved with dealing with that  
18 situation can put the Keep Separates in, or the  
19 Classification Department can.

20 MS. HALLAM: Okay. But there is  
21 no -- like, there is a physical altercation,  
22 "these people should not be housed together  
23 anymore" policy.

24 CHIEF DEPUTY WARDEN BEASOM: We --  
25 yeah. That's what I just described.

1 MS. HALLAM: Okay. So every time  
2 there is a physical altercation it is not a  
3 definite separation. You're saying --

4 CHIEF DEPUTY WARDEN BEASOM: No, it  
5 absolutely is a definite separation.

6 MS. HALLAM: Okay. We heard from  
7 someone earlier who spoke of there being an  
8 altercation and no separation. So I'm just  
9 wondering if there's any instance where that  
10 would happen.

11 CHIEF DEPUTY WARDEN BEASOM: If we  
12 had more specific details, we could research  
13 this.

14 MS. HALLAM: Which, again, you will  
15 be getting that, but I'm asking if there's any  
16 specific situation in which there could be a  
17 physical altercation between two individuals, and  
18 they would still continue to be housed on the  
19 same pod after they were put in the hole.

20 CHIEF DEPUTY WARDEN BEASOM: On the  
21 Segregated Housing Unit, they can be on the same  
22 unit because we have physical separations. When  
23 they time out from there, go back to general  
24 population, they should not be on the same unit.

25 MS. HALLAM: Okay. And you're

1 going to look into that one.

2 All right. Next question is  
3 about -- I'm sorry. I'm going to bring up the  
4 book subcommittee later, but I didn't know if we  
5 planned to do a report on the jail visits that we  
6 got the written report on, or if I should ask any  
7 questions to the administration that I have on  
8 that now. Are you going to be presenting like  
9 verbally? No, it's just the writing.

10 Okay. So, you know, we heard that  
11 there is -- there has been times, at least in  
12 these instances, where there's no night shift for  
13 mental health staff. And I know you spoke to  
14 that that's never the case in Intake, but I'm  
15 wondering if -- what is the plan for dealing with  
16 a mental health crisis where -- whenever there is  
17 no mental health staff?

18 HSA DR. BRINKMAN: I didn't say  
19 there was never an instance where there was  
20 someone not there. What I had said earlier is  
21 that there are -- there may be instances someone  
22 mistook a mental health specialist for a nurse.  
23 So we -- it's not that we don't have someone  
24 on -- I'm not sure I understood your statement.

25 MS. HALLAM: So if I remember, what

1       you were referencing here is that people might  
2       have mistook somebody else in black scrubs as  
3       being a different position. That's like, kind of  
4       like what I thought, but I'm saying that we got a  
5       report that there was no night shift for mental  
6       health staff.

7                   HSA DR. BRINKMAN: Uh-huh.

8                   MS. HALLAM: And I'm wondering, is  
9       there at least one mental health practitioner on  
10      staff 24/7 at the jail?

11                  HSA DR. BRINKMAN: We've worked to  
12      cross-train our night shift to be able to, at  
13      least at minimum, notice and respond to the  
14      emergency situations. So there may be an  
15      Assistant Director of Nursing on-site or other  
16      positions that would be able to respond.

17                  MS. HALLAM: But is there a mental  
18      health practitioner on staff in the jail 24/7?

19                  HSA DR. BRINKMAN: Are you talking  
20      about a prescriber at that level?

21                  MS. HALLAM: No, I'm talking about  
22      a mental health practitioner, not just someone  
23      who has been cross-trained in it because we had  
24      no staff to give instead.

25                  AUDIENCE MEMBER: The answer is no.

1 MS. HALLAM: I know the answer is  
2 no. I'd just really like to hear it myself.

3 HSA DR. BRINKMAN: I'm not being  
4 disrespectful to you. I would appreciate --

5 MS. HALLAM: You're not being  
6 disrespectful at all. I just would really like  
7 the question answered.

8 HSA DR. BRINKMAN: No, but I feel  
9 like you are to me, so that's why I am --

10 MS. HALLAM: I am so sorry.

11 HSA DR. BRINKMAN: -- asking you  
12 not to be.

13 MS. HALLAM: I am so sorry. I did  
14 not mean to make you feel that way. But could we  
15 just answer the questions that I ask? Is there  
16 always a person on staff that is a certified  
17 mental health practitioner?

18 HSA DR. BRINKMAN: The way you're  
19 asking the question, no.

20 MS. HALLAM: Okay. Thank you very  
21 much. I appreciate that answer.

22 Then another thing is, so over the  
23 weekend, it says that there was no nurse  
24 stationed in Intake. Is there a nurse in Intake  
25 24/7?

1                   HSA DR. BRINKMAN: We do not have  
2 24/7 coverage. There are times that we have  
3 gaps.

4                   MS. HALLAM: Okay.

5                   HSA DR. BRINKMAN: But we have  
6 nurses in the building, and we have people  
7 trained to be able to respond. We have protocols  
8 set in place when those things are not the case.

9                   MS. HALLAM: Okay.

10                  HSA DR. BRINKMAN: So the questions  
11 you're asking are very pointed, but they're also  
12 not the whole picture.

13                  MS. HALLAM: Correct. But they are  
14 intentionally very pointed because I would like  
15 pointed answers. That's the only reason. I  
16 don't mean at all to ever come across as  
17 disrespectful. I just really want some pointed  
18 answers.

19                  The next question I have is -- so  
20 the report -- I know you had spoke to there was  
21 some turnover about staff. And so in this  
22 report, 149 people were in line to see a  
23 psychiatrist, with the longest wait to be seen 71  
24 days. So what I'm wondering is since you say  
25 that's now been resolved -- and I think it is 11

1 now -- 7, 11, okay, and there's, I think, half  
2 that number of people in line you reported.

3 MS. MOSS: 76.

4 MS. HALLAM: 76, yeah. So 76  
5 people in line and 11 days is the longest wait  
6 time. How long did we go -- like, how high did  
7 wait times get up to during that overlap with no  
8 staff?

9 HSA DR. BRINKMAN: It was  
10 approximately around the same ballpark,  
11 timeframes.

12 MS. HALLAM: Okay. And what  
13 specifically was the cause for that? There was  
14 just a person being trained, or there was a hole  
15 that you were trying to fill staffing-wise?

16 HSA DR. BRINKMAN: There was  
17 turnover in our behavioral health provider team.

18 MS. HALLAM: Okay. And you had  
19 explained that that is no longer the case because  
20 we have hired someone, correct?

21 HSA DR. BRINKMAN: Correct.

22 MS. HALLAM: The next thing is  
23 about the fans in the kitchen. There was a  
24 report that the fans don't work in the kitchen.  
25 I was wondering if somebody could speak to if

1 that was a maintenance issue that was on your  
2 plate and if you plan to fix it.

3 CHIEF DEPUTY WARDEN BEASOM:

4 It's -- it's been fixed. So the -- we had to  
5 disable the exhaust fans for a short period of  
6 time because it was affected by the roofing  
7 project. Okay. The fans where they came out,  
8 that roof was being replaced. We had to disable  
9 the fans to make it a safe working environment  
10 for the folks on the roof.

11 MS. HALLAM: Okay.

12 CHIEF DEPUTY WARDEN BEASOM: Once  
13 that was complete, they were reenergized.  
14 They're back to work.

15 MS. HALLAM: Okay. So it wasn't  
16 that the fans were broken. They were turned off  
17 while you were doing construction on the roof?

18 CHIEF DEPUTY WARDEN BEASOM:

19 Correct.

20 MS. HALLAM: Okay. Cool. The next  
21 thing I'm wondering is about the trays because we  
22 hear -- I've seen how gross they are. We hear  
23 how gross they are. And the machine from this  
24 report was not properly cleaning the trays, and  
25 then they were having to be cleaned multiple

1 times because food material was present after  
2 they came out of the cleaner. I know yinz have  
3 probably seen this before. Has there been any  
4 discussion about a new dishwasher? I mean, my  
5 dishwasher doesn't do that? Anyone?

6 DEPUTY WARDEN TOMA: So the trays  
7 would have been sterilized. They would have  
8 still gone through a heating process. So, yes,  
9 though, we don't want to see food on the tray.  
10 It would have been sterilized because of the  
11 temperature, which the machine does wash the  
12 dishes.

13 And in regards to purchasing a new  
14 dishwasher, we're always looking at those through  
15 our capital funding. So that is something that  
16 we are looking into.

17 MS. HALLAM: Okay. I appreciate  
18 that. And then I know we kind of got into it  
19 with the meals and meal requests for religious  
20 accommodations, but can somebody speak to the  
21 policy for headscarves and people using  
22 headscarves in the jail for religious needs?

23 WARDEN HARPER: At this time, I  
24 don't think that we can speak about that. We  
25 would have to look at our policy and get back to

1 you at the next meeting.

2 MS. HALLAM: Do you think it would  
3 be helpful if we just like brought a book of  
4 policies to every meeting? You know, it's just  
5 something -- I'm not trying to stop the questions  
6 or anything. I'm just like hearing a lot of  
7 things that are really concerning, and I'm  
8 wondering if anybody else up here has any ideas  
9 for how we can get these answers in each meeting.

10 AUDIENCE MEMBER: Amen.

11 JUDGE HOWSIE: Do you have another  
12 question?

13 MS. HALLAM: I do have some more  
14 questions, actually.

15 So the other question I have was  
16 about the library, right? So in Old Business, I  
17 am going to discuss our book subcommittee that  
18 met and some questions that we had as a result of  
19 it, but I -- I know we just keep hearing all the  
20 time that there are these 20,000 books. But it  
21 sounds like Ms. Klein and Controller O'Connor  
22 looked really, really hard for them, and I'm  
23 wondering if you could tell us for future  
24 references, like when one of us come for our next  
25 visit, where exactly they are located in the jail

1 so I can observe?

2 DEPUTY WARDEN TOMA: The new  
3 library is physically located in AIU on the  
4 eastern part of the AIU facility in a new-built  
5 room adjacent to commissary.

6 MS. HALLAM: Adjacent to  
7 commissary. Okay. And how many books are there?

8 DEPUTY WARDEN TOMA: Again, we are  
9 inventorying the books that we have, the library  
10 that's downstairs and the ones that are up on the  
11 pods. So as per previous meetings, we've stated  
12 we're trying to inventory all of them because  
13 they weren't previously inventoried for what was  
14 downstairs as well as what was deployed to the  
15 pods.

16 MS. HALLAM: And so where did that  
17 20,000 number come from if they weren't  
18 inventoried?

19 DEPUTY WARDEN TOMA: It was the  
20 physical count done by the individual at the time  
21 back in 2020 of the facility. And we -- and like  
22 we mentioned, we are still working to extract  
23 that information from the app that we are using  
24 to digitize the library catalog, and only  
25 reflective of those books that were physically

1 downstairs and not those that were distributed  
2 throughout the facility.

3 MS. HALLAM: And where were they  
4 when Ms. Klein and Controller O'Connor came to  
5 visit?

6 DEPUTY WARDEN TOMA: They were  
7 there. I would -- I would -- I mean, I  
8 physically -- myself am rebuilding that library.  
9 And it's moved. So for them to say that there  
10 are only a couple hundred, I --

11 MS. KLEIN: I didn't count the  
12 books. Personally, I didn't comment on the  
13 number of books, so I don't want -- I don't want  
14 to ask -- be asked about that. I did see --

15 MS. HALLAM: Okay.

16 MS. KLEIN: -- the bookshelves  
17 and --

18 DEPUTY WARDEN TOMA: And the books  
19 are triple stacked in them.

20 MS. KLEIN: And the books are --  
21 yeah.

22 DEPUTY WARDEN TOMA: And the books  
23 are -- increased the capacity with the new build  
24 to be double the amount of book shelving. So if  
25 you only looked at the surface value, they do

1 stack on one shelf three deep.

2 MS. HALLAM: Okay. And what about  
3 strip searches? This was the first I've heard  
4 about kids being strip-searched. Can someone  
5 speak to that, what that looks like, why those  
6 would ever happen?

7 CHIEF DEPUTY WARDEN BEASOM: The  
8 individuals -- the individuals are housed as  
9 adults in our facility. They're committed under  
10 Act 33. So anybody in the facility is subject to  
11 a search at any time.

12 MS. HALLAM: And do you have  
13 different policies for strip-searching kids under  
14 the age of 18 than you do for strip-searching  
15 adults 18 and older?

16 CHIEF DEPUTY WARDEN BEASOM: No.

17 MS. HALLAM: Same policy for a  
18 14-year-old and a 50-year-old?

19 CHIEF DEPUTY WARDEN BEASOM: Yes.

20 MS. HALLAM: And what would be a  
21 reason for a strip search?

22 CHIEF DEPUTY WARDEN BEASOM: To  
23 ensure nothing is being concealed on them.

24 MS. HALLAM: And let's see if I  
25 have any more questions. Oh, okay. One of the

1 things I wanted to ask about, the NCCHC, you said  
2 at the conference, the food guidelines. You said  
3 that it was just a verbal presentation, so you  
4 don't have written anywhere what those new  
5 guidelines are?

6 HSA DR. BRINKMAN: It was a -- a  
7 session that I had attended where they were  
8 talking about recommendations of not necessarily  
9 limiting the nutrit- -- the increased nutritional  
10 standards to someone who is on a hypertensive  
11 diet or things like that but offering that same  
12 quality of dietary services across the board.

13 So those were the types of  
14 discussions. It wasn't like a handbook of  
15 standards. They were talking about, you know,  
16 just better practices and improving healthcare  
17 outcomes as a result of your dietary services.

18 MS. HALLAM: And are those  
19 published anywhere?

20 HSA DR. BRINKMAN: No, it was a  
21 conference session. No.

22 MS. HALLAM: Okay. But I mean, is  
23 there like data or anything that backs it up that  
24 we could read? I'm just looking for something  
25 tangible to be able to see and read.

1 DEPUTY WARDEN TOMA: So as we  
2 stated, Dr. Brinkman went to the conference in  
3 October, and we're working through the RFP. So  
4 looking at those guidelines from healthcare where  
5 it states like this is a heart-healthy meal that  
6 should be given to those individuals with  
7 hypertension, taking that same information and  
8 looking at it across for our expectations for the  
9 population as a whole.

10 So what you're asking for is a  
11 theory of thought. It's not just increase the  
12 monetary value of a meal and increase a quality,  
13 it's increasing the healthy quality of that meal.  
14 So we have to look at those individual medical  
15 dietary needs and then extrapolate those over the  
16 entire population. So it's not a single  
17 standard. It's a philosophy. So that's  
18 something that we're trying to establish within  
19 the RFP to address that.

20 MS. HALLAM: Okay. All right. The  
21 next thing is about the tier system for mental  
22 healthcare. So I know that you guys talk a lot  
23 about the NCCHC and how you follow their  
24 standards. I'm just reading from the NCCHC  
25 standards for mental healthcare. They state that

1 inmates who are seriously mentally ill should not  
2 be confined under conditions of extreme  
3 isolation; rather, alternative programs that  
4 address underlying mental health programs should  
5 be considered.

6 And so, you know, we've talked a  
7 lot about the tier system, and you have indicated  
8 that there are tier systems where they are not  
9 allowed to have visits, or tablets, or rec. And  
10 have you all heard of this NCCCHC standard for  
11 mental healthcare before?

12 HSA DR. BRINKMAN: Yes. That's one  
13 portion of it.

14 MS. HALLAM: Yes. Oh, no. I have  
15 the whole thing. That was just like the one I  
16 wanted to point out. So are people who are  
17 incarcerated and classified under mental health  
18 Tiers IV and V in isolation?

19 HSA DR. BRINKMAN: I think we, as a  
20 group, have all identified that isolation is  
21 different across the board. So we've talked  
22 about solitary confinement versus isolation.  
23 They are not in 100 percent isolation, no.

24 MS. HALLAM: Okay. How much --  
25 what isolation are they on? How much rec time do

1 you get on Tiers IV and V? How much time out of  
2 their cell a day do you get if you're on those  
3 higher tiers? Do you want me to repeat it?

4 HSA DR. BRINKMAN: So what --  
5 there is reduced out-of-cell time as assessed and  
6 determined by the providers that are assessing  
7 those patients. So it's going to vary based on  
8 clinical input and assessment.

9 MS. HALLAM: So -- but for the  
10 Tiers IV and V --

11 HSA DR. BRINKMAN: Uh-huh.

12 MS. HALLAM: -- are any people in  
13 those tiers in isolation because of their tier of  
14 mental health classification?

15 HSA DR. BRINKMAN: They would be  
16 offered up to four hours of rec a day.

17 MS. HALLAM: Can folks --

18 HSA DR. BRINKMAN: Can you -- the  
19 look on your face.

20 MS. HALLAM: No, I didn't want to  
21 be -- you said I was disrespectful, and I'm  
22 trying to be respectful.

23 HSA DR. BRINKMAN: I believe that,  
24 but the, like, look on your face makes me think  
25 that I misunderstood what you're asking.

1 MS. HALLAM: No, it just makes me  
2 think that WARDEN HARPER whispered that in your  
3 ear for you to say as opposed to --

4 HSA DR. BRINKMAN: No, no.

5 MS. HALLAM: Okay. I'm sorry for  
6 assuming that. That's just what it seemed like.

7 HSA DR. BRINKMAN: No, it's okay.  
8 Can you ask your question again because now I'm  
9 concerned that I answered it wrong.

10 MS. HALLAM: Okay. No, that's  
11 super fair. Do you -- do people who are  
12 incarcerated under mental health Tiers IV and  
13 V --

14 HSA DR. BRINKMAN: Okay.

15 MS. HALLAM: -- are there people in  
16 those tiers, who because of that tier status, do  
17 not get time out of their cell?

18 HSA DR. BRINKMAN: They would have  
19 been -- those people would have been assessed  
20 that they are at risk of hurting themselves or  
21 others, so they may not have time out-of-cell.

22 MS. HALLAM: Okay. That is what I  
23 was asking, yes. Thank you very much. I'm sorry  
24 if I asked that in a confusing way.

25 HSA DR. BRINKMAN: That's okay.

1 MS. HALLAM: And would you call not  
2 getting time out of the cell a condition of  
3 extreme isolation?

4 HSA DR. BRINKMAN: It's also a  
5 medical emergency. So there are -- there are  
6 multiple variables in this equation here.

7 MS. HALLAM: Okay. And do those  
8 people on Tiers IV and V get tablets?

9 HSA DR. BRINKMAN: No.

10 MS. HALLAM: Would you say that not  
11 being able to communicate with the outside world  
12 would be a form of extreme isolation?

13 HSA DR. BRINKMAN: I think this is  
14 a conversation way bigger than this meeting would  
15 allow for.

16 MS. HALLAM: I know. I just am  
17 hearing a lot about NCCHC standards and how,  
18 like, that's what we're striving to follow. And  
19 yet I have a standard in front of me that I think  
20 it's pretty clear that our current policies  
21 aren't following, and I'm -- you know, instead of  
22 asking eight million questions about why that is,  
23 I'd rather ask pointed questions to get pointed  
24 answers.

25 HSA DR. BRINKMAN: I understand the

1 pointed questions, but the pointed questions are  
2 very different when you're looking at a clinical  
3 situation that is very different patient to  
4 patient.

5 MS. HALLAM: I understand.

6 HSA DR. BRINKMAN: And this is only  
7 one portion of the picture. And it's painting a  
8 very one-sided outcome in this setting -- the way  
9 we're having this conversation.

10 MS. HALLAM: Okay. So then I guess  
11 the broad question would be is that not  
12 individual diagnoses but the broader  
13 categorization, somebody is in Tier IV or Tier V,  
14 are they getting tablets? Can they exercise in  
15 the gym? Are they having social interactions  
16 with other people in the pod? Can they  
17 participate in jail programs? Like are there  
18 restrictions that are placed broadly based off of  
19 your classification of mental health tier?

20 HSA DR. BRINKMAN: There are, and  
21 there are also allowances for severe mental  
22 illness, and acutely severe mental illness. It's  
23 different than your general person who is more  
24 stable. There are -- these are very different  
25 populations that we're talking about.

1                   So your interpretation and what  
2                   you're reading from that standard is very  
3                   incomplete.

4                   MS. HALLAM:   What -- I mean, it  
5                   says in here seriously mental -- mentally ill  
6                   should not be confined under conditions of  
7                   extreme isolation and that alternative programs  
8                   should be used.  I'm just trying to find out what  
9                   alternative programs are being used since it's --

10                  JUDGE LAZZARA:   But Bethany,  
11                  there's a difference between somebody who has a  
12                  serious mental illness.

13                  MS. HALLAM:   Uh-huh, and?

14                  JUDGE LAZZARA:   And somebody who is  
15                  basically 302-able.

16                  HSA DR. BRINKMAN:   Right.

17                  MS. HALLAM:   That's what I'm trying  
18                  to understand.

19                  JUDGE LAZZARA:   And I think they're  
20                  talking about people in Tier V who are, if they  
21                  were outside, could probably be 302'd.  They are  
22                  people in acute crisis who are a danger to  
23                  themselves or others.  So no, they don't get rec  
24                  because you don't want them to kill themselves  
25                  during rec, whereas somebody who is a

1 schizophrenic who is very seriously ill but is  
2 not at that point of an acute crisis would be  
3 able to have rec. And I think that's what she's  
4 trying to tell you in a way.

5 HSA DR. BRINKMAN: Right.

6 JUDGE LAZZARA: So, I mean, you  
7 know, it's -- maybe it's because we're trying to  
8 use this vague language. That doesn't help. So,  
9 you know, it is somebody who is acutely ill, who  
10 is not going to have the rec time because they  
11 are basically acutely ill and in crisis. They  
12 are 302-able. They're not going to have rec time  
13 at Western Psych if they get taken to  
14 Western Psych on a 302.

15 MS. HALLAM: Okay, but...

16 JUDGE HOWSIE: No, they will not.

17 JUDGE LAZZARA: And I think that's  
18 what -- that's what Tier V is, correct?

19 HSA DR. BRINKMAN: It is.

20 MS. HALLAM: And so then, can I ask  
21 how long -- what is the average time that someone  
22 is classified on a Tier IV or Tier V status?

23 HSA DR. BRINKMAN: I don't have a  
24 length of stay.

25 JUDGE LAZZARA: It's going to

1 depend on their illness and when they are out of  
2 that crisis mode.

3 MS. HALLAM: Okay. Yeah, I would  
4 appreciate that information, too, if this is  
5 somebody that people are on acutely or if this is  
6 something that they are on for long term.

7 HSA DR. BRINKMAN: Oh, they're not  
8 on it for long term. We're trying our best to  
9 move them and stabilize them. I know that to be  
10 true. I just don't have a number in front of me.  
11 I don't know what the average is.

12 MS. HALLAM: Okay. Yeah, I  
13 understand you don't have it in front of you.  
14 Yeah, I would just appreciate it in the future.

15 Another question is we had agreed,  
16 as a Board, and I thought the administration,  
17 that anytime someone had a medical crisis or  
18 something that sent them out of the facility to  
19 the hospital, that we would be informed about it,  
20 not just when someone dies inside the jail. And  
21 I got report from multiple staff members that  
22 there was an altercation that sent somebody to  
23 the hospital, and I never received a report on  
24 it. I don't know if anyone else on the Board  
25 did. So I'm just wondering if you could talk

1 about that, if you have been notifying us every  
2 time someone has been sent to the hospital?

3 AUDIENCE MEMBER: Or their  
4 emergency contact.

5 WARDEN HARPER: My understanding is  
6 that it had to be a medical emergency that is  
7 going to be life-sustaining is what I was  
8 supposed to report.

9 MS. HALLAM: That is incorrect. Do  
10 you all remember us saying if someone goes to the  
11 hospital for a medical emergency, we need to know  
12 about it? Not --

13 HSA DR. BRINKMAN: It wasn't if  
14 somebody goes to the hospital. It was for a --

15 MS. HALLAM: Emergency, because we  
16 had the debate about what was an emergency.

17 HSA DR. BRINKMAN: Yeah, serious  
18 incident. Thank you. That's what it --

19 MS. HALLAM: So do you think that  
20 someone getting the crap beat out of them is a  
21 serious incident? Do you think that someone  
22 going to the hospital is ever not a serious  
23 incident?

24 WARDEN HARPER: I think the Board  
25 just really needs to put in writing exactly what

1 they want from us so that we can comply.

2 MS. HALLAM: But I literally have  
3 done that before, and I don't get it. I  
4 literally have put in a --

5 WARDEN HARPER: We have not gotten  
6 anything in writing.

7 MS. HALLAM: -- very clear e-mail  
8 that I wanted use-of-force statistics at this  
9 meeting and didn't get them. I have put in a  
10 clear e-mail that I wanted information about a  
11 man who was denied religious accommodations for  
12 food, and I did not get it.

13 We have put many things in the  
14 meeting minutes. Everything we discuss in here  
15 is in writing in the meeting minutes. You have  
16 that all. I mean, heck the people in the jail  
17 have that now. So it is in writing, everything  
18 that we discuss here. And I know you take notes  
19 because we ask you and you say would you like  
20 that for the next meeting, and we say yes. And  
21 you write it down, and we don't get it.

22 JUDGE HOWSIE: Responses were sent.  
23 They were e-mailed.

24 Do you have another question?

25 MS. HALLAM: No, I would like

1 somebody up here to back me up and say that they  
2 are supposed to tell us when someone goes to the  
3 hospital and that they have not is all I am  
4 asking for.

5 JUDGE HOWSIE: That's what they  
6 said is they misunderstood.

7 AUDIENCE MEMBER: (Yelling.)

8 JUDGE LAZZARA: They're not going  
9 to tell us every hospital. Some people go to the  
10 hospital because they have a visit with a doctor  
11 that is scheduled.

12 MS. HALLAM: Sure.

13 JUDGE LAZZARA: At Allegheny  
14 General Hospital across the river. They're not  
15 going to tell us about that. So why don't we  
16 clearly define what we're looking for, any  
17 emergency situation that somebody is emergently  
18 taken to a hospital, we should know about. And  
19 then serious incident, we should sort of define  
20 serious incident. There are those definitions in  
21 the law. It's not that hard for us to find it,  
22 and then we will provide that to them, and we  
23 will get that information.

24 JUDGE HOWSIE: Thank you.

25 MS. HALLAM: Do you -- does no one

1 believe that that was what was made clear to  
2 them, that for emergency situations, we were to  
3 be notified?

4 JUDGE HOWSIE: But even -- I think  
5 even if it was made clear, they didn't understand  
6 it that way. So if you can provide -- we can  
7 come together with definitions specifically  
8 regarding what we would like.

9 JUDGE LAZZARA: We are not taking  
10 comments from the audience anymore.

11 JUDGE HOWSIE: And if we --

12 JUDGE LAZZARA: And what we're  
13 trying to do is get to other business that needs  
14 to be taken care of before everybody has to  
15 leave.

16 JUDGE HOWSIE: If everyone  
17 continues to have these outbursts, we're going to  
18 ask you to leave, because when you gave your  
19 public comments, no one cut anyone off. Everyone  
20 was permitted an opportunity to speak. So I'd  
21 ask that you extend the same courtesy to everyone  
22 else.

23 Do you have another question?

24 MS. HALLAM: Yes. In the past  
25 month, have there been any medical emergencies

1 that sent an incarcerated individual to the  
2 hospital?

3 WARDEN HARPER: We've had  
4 incarcerated individuals sent to the hospital.

5 MS. HALLAM: In the past month,  
6 have there been any medical emergencies that sent  
7 someone who is incarcerated to the hospital?

8 HSA DR. BRINKMAN: Yes. But what  
9 is -- what kind of emergencies are you talking  
10 about?

11 MS. HALLAM: I am not talking about  
12 doctor's appointments.

13 HSA DR. BRINKMAN: Can we come back  
14 to a defined expectation?

15 JUDGE LAZZARA: So the question  
16 again, Ms. Hallam, medical emergency could be  
17 somebody that had, you know, really low blood  
18 sugar and they took them into the hospital for  
19 precautionary reasons, or it could be that they  
20 were suffering cardiac arrest. The question we  
21 have to decide as a Board is do we want both of  
22 those.

23 MS. HALLAM: Yes.

24 JUDGE LAZZARA: And so that's what  
25 we need to decide. And as a Board, we need to

1       decide that and provide it to them so that  
2       they're getting the --

3                   Part of the problem is they're not  
4       getting consistent -- what does the Board want  
5       versus what does just Ms. Hallam want?

6                   MS. HALLAM: I don't think that  
7       should matter.

8                   JUDGE LAZZARA: Well, part of  
9       that --

10                   JUDGE HOWSIE: That's -- that's --

11                   JUDGE LAZZARA: Well, part of  
12       that --

13                   MS. HALLAM: I'm an equal member of  
14       this Board.

15                   JUDGE HOWSIE: That does matter.

16                   JUDGE LAZZARA: But what that  
17       does -- they can't necessarily answer questions  
18       for every single one of us and provide it all at  
19       every meeting. If we can be consistent and say  
20       this is what we want, then we'll get more  
21       information and be able to move on.

22                   MS. HALLAM: But this was a thing  
23       that we voted on to say that we consistently want  
24       every month. And I hope that I'm not the only  
25       person on this Board who wants these answers.

1 JUDGE LAZZARA: Ms. Hallam, we all  
2 want those answers, but they need to understand  
3 what we want. So let's sit down and figure out  
4 what is a medical emergency, what kind of medical  
5 emergency do we want? Maybe we want them all,  
6 but that's something we should all talk about.  
7 We can send an e-mail around discussing that and  
8 be able to provide that to them.

9 MS. HALLAM: This is why people are  
10 so frustrated that we don't get anything done.  
11 This is like the one day a month that we're  
12 supposed to get stuff done. I will rephrase my  
13 question for the third time.

14 In the past month, have there been  
15 any medical emergencies that warranted a trip to  
16 the hospital such as blood sugar dropping too  
17 low, such as a physical altercation that landed  
18 somebody in the hospital, such as a heart attack?

19 WARDEN HARPER: Right now, we don't  
20 have that information to provide. But you just  
21 stated, Ms. Hallam, that you got a report about  
22 an altercation that somebody was sent to the  
23 hospital. So we would just ask for you guys to  
24 give us the definition, and we'll provide you  
25 with what you want. But we've got to know

1 exactly what you want.

2 MS. HALLAM: I don't want to have  
3 to ask every single time I hear about it through  
4 the grapevine. I want you to be proactive and to  
5 tell us about it before we have to ask. I  
6 promise, if everyone is sick of Bethany asking a  
7 million questions, then give us the information  
8 before we get here.

9 I am also as equally frustrated as  
10 everyone else here. I'm as equally frustrated as  
11 you are for having to sit here for three hours  
12 every single month, but the reason is because I'm  
13 asking the same questions. When I prepare my  
14 notes for this meeting every month, very few  
15 things do I even have to change because I have to  
16 keep asking the same questions. I should not be  
17 the only person who is frustrated by it. And  
18 frankly, I will not allow anybody to act like I  
19 am being a certain type of way for asking for  
20 answers that we deserve, and we have a right to.

21 JUDGE LAZZARA: But that's what  
22 we're saying -- that's why we're saying, Ms.  
23 Hallam, is if the Board -- if the Board provides  
24 a thing to the Warden that says this is what we  
25 want, the Board wants medical emergencies as well

1 as serious incidents, and here's how we define  
2 them, and then if we don't get -- we should get  
3 them every time. You won't have to ask those  
4 questions.

5 So let's, as a Board, have a  
6 discussion, figure out what that is, and provide  
7 it to him.

8 MS. HALLAM: But that means that  
9 all of the Board members need to agree on it. I  
10 have an equal right to information as every other  
11 single person on this Board. I won't say  
12 anything about that but...

13 JUDGE LAZZARA: We all -- we all  
14 agree to that, but let's make sure they  
15 understand what we mean. That's all we're  
16 saying, is let's define it.

17 MS. HALLAM: Then when --

18 JUDGE LAZZARA: You're in law  
19 school. You understand the Definition Section of  
20 a statute is sometimes the most important  
21 section. So let's define it for them so that  
22 there is no wiggle room, and we get what we want.

23 MS. HALLAM: Okay. I personally  
24 will write all of the things that I want the  
25 Warden and his team to bring to these meetings

1 every month. I will define them. I will make  
2 the greatest Definition Section of all time, and  
3 I will make sure that it is very clear, and I  
4 will send it around to the Board to let you know  
5 what I'm requesting -- not ask for permission to  
6 request it. I am going to let you know what I'm  
7 requesting, because I don't want this to be a  
8 battle. I don't want this to be a battle. I  
9 just want information.

10 JUDGE HOWSIE: That's not how the  
11 Board works, Ms. Hallam.

12 MS. HALLAM: That is how this  
13 works.

14 JUDGE HOWSIE: No, that's  
15 absolutely not how this works.

16 AUDIENCE MEMBER: It should.

17 MS. HALLAM: That is -- I do not  
18 want this to be a battle. I simply want  
19 information. I want people to stop being hungry.  
20 I want people to stop dying. I want people to  
21 stop having to come here every single meeting.  
22 Every meeting. You don't want these people in  
23 the room to act like this. They wouldn't come if  
24 they got their questions answered ever.

25 JUDGE HOWSIE: Right.

1 MS. HALLAM: We never do that.

2 JUDGE HOWSIE: There has to be a  
3 consensus regarding what the information that we,  
4 as a Board, are requesting.

5 Do you have another question?

6 MS. HALLAM: No. That's all I  
7 have. It's a general principle of just yinz let  
8 this happen.

9 MS. KLEIN: I am willing to do a  
10 little research on medical emergencies and write  
11 something up, and I'll submit it to the -- to  
12 Judge Howsie, and he can forward it around, and  
13 we can -- I do think there is value in coming to  
14 a consensus.

15 JUDGE HOWSIE: Absolutely.

16 MS. HALLAM: But you can see how  
17 hard it is for us to come to a meeting, just a  
18 subcommittee meeting, or to pick a liaison, or  
19 all of this is taking so long.

20 JUDGE LAZZARA: But that's why we  
21 can do it by an e-mail. We all get our e-mails.  
22 We all respond to our e-mails. Having us all  
23 with our different schedules meet is very  
24 difficult. I acknowledged that.

25 MS. HALLAM: Which is why this is

1 the day we meet every month to get those answers.

2 JUDGE LAZZARA: But if we can  
3 provide it in advance, we'll actually get answers  
4 instead of hearing we'll hear it next week --

5 MS. HALLAM: But remember --

6 JUDGE LAZZARA: -- we'll hear it  
7 next month. That's why we want it provided in  
8 advance. So if we can all come to those  
9 definitional agreements, we give it to them.  
10 We're going to have it for the next meeting.  
11 That's all we're all saying.

12 MS. HALLAM: Okay. And do you  
13 remember that at the last meeting, I had made  
14 very clear that we wanted use-of-force statistics  
15 by pod? I even sent out a reminder e-mail  
16 because I know the holidays had happened, and I  
17 did not get them.

18 JUDGE HOWSIE: The e-mail was sent.  
19 Maybe you didn't have a chance to get it. Maybe  
20 it was sent out later than you would have liked.  
21 The information was sent.

22 MS. HALLAM: No. Just like the  
23 agenda cannot be sent at 10 a.m. the day of the  
24 meeting, that information also can't if we're  
25 going to be discussing it and deliberating it.

1 JUDGE HOWSIE: Do you have another  
2 question?

3 JUDGE LAZZARA: That's true. We  
4 should all have it earlier.

5 MS. HALLAM: Yes.

6 JUDGE LAZZARA: There's no doubt.  
7 We should not be getting stuff later. And that's  
8 also something that we have, that we need to  
9 discuss in our operating procedures that we all  
10 want to put into place, which will provide for so  
11 many days in advance --

12 JUDGE HOWSIE: Absolutely.

13 JUDGE LAZZARA: -- that we have all  
14 of this, so that's --

15 MS. HALLAM: Correct.

16 JUDGE LAZZARA: -- what we're all  
17 working towards.

18 MS. HALLAM: Correct. But yet,  
19 month after month after month, it still doesn't  
20 change. I'm not just talking about this should  
21 happen. I'm talking about us breaking the law.

22 JUDGE LAZZARA: Ms. Hallam, did you  
23 provide us with any of the changes that you had  
24 on those procedures?

25 JUDGE HOWSIE: No.

1 JUDGE LAZZARA: None of us did  
2 because we were --

3 MS. HALLAM: You said we were  
4 having an executive session meeting about it.

5 JUDGE LAZZARA: We were supposed to  
6 all provide them in advance.

7 JUDGE HOWSIE: The point is,  
8 everyone is busy, and no one --

9 JUDGE LAZZARA: So we can talk  
10 about them.

11 JUDGE HOWSIE: Exactly.  
12 Can you ask another question,  
13 please?

14 MS. HALLAM: What do you want me to  
15 ask a question about?

16 JUDGE HOWSIE: I don't if you don't  
17 have one. Does anyone else have a question?

18 MS. KLEIN: I don't have a  
19 question. I'd just like to make a quick comment.  
20 I've been sort of thinking in my head about the  
21 school visit, and I guess what I'm concerned  
22 about is issues of confidentiality for the  
23 juvenile who was -- who was interviewed, or --

24 I mean, I go. I talk to juveniles,  
25 but I know I'm not going to share any

1 information. So I'm just putting that out as a  
2 concern that I have about these visits. Thank  
3 you.

4 JUDGE HOWSIE: Deputy Beasom, Chief  
5 Deputy Beasom, excuse me.

6 CHIEF DEPUTY WARDEN BEASOM: Thank  
7 you, Your Honor. So under Staffing, since the  
8 last meeting, we've had no recent promotions  
9 under jail operations.

10 Currently, we have four cadets in  
11 the academy who are scheduled to graduate on  
12 February 3rd.

13 There are physical agility tests  
14 coming up on January 10, 12, 14, 17 and 19th.  
15 This is for the cadet class scheduled to begin in  
16 late February. Currently, we have 48 individuals  
17 signed up to participate.

18 I'm happy to report that the  
19 suicide-resistant cell project is complete, okay?

20 State Transfers. Currently, we  
21 have 16 males, 1 female with 300B's in the  
22 facility; 4 males with detainers; 4 males with  
23 open cases.

24 The longest wait time on the 300B's  
25 right now was received on December 16th, and the

1 shortest wait time was received yesterday,  
2 January 4th, and we have four scheduled transport  
3 dates, this month, January.

4 Those numbers don't include  
5 anything that came down from court actions today,  
6 obviously, okay?

7 Use-of-force numbers from November  
8 of 2022 were 24.

9 I'm going to pass it on to Deputy  
10 Warden Toma to continue the Deputy Report.

11 DEPUTY WARDEN TOMA: So as it was  
12 mentioned at the last meeting, we are working to  
13 separate the policy that previously was the mail  
14 policy that also incorporated in the books. We  
15 are separating that out to have a governing  
16 document to oversee the literature review or  
17 to-be-named policy document that will govern how  
18 the books are reviewed upon receipt through the  
19 mail but also govern our curation of the physical  
20 or the digital library that we have. So we're  
21 still -- that is still in draft form.

22 We did meet with DIT in regards to  
23 a procedure so that we can accept electronic  
24 receipts so that we can facilitate receiving  
25 those books at the time of delivery -- they don't

1       come with receipts, but that we can still get  
2       those so that that can be passed along.

3               To date, there is still no books  
4       that have been presented to the committee for  
5       review for content, and we are continuing to add  
6       books to the E-library based on the book request,  
7       workflow that was put on the tablets.

8               We did do a delivery yesterday, on  
9       Wednesday, of books that were requested through  
10      the book request of specific genres to the pods.

11              Oh, and I already reported on the  
12      food contract.

13              HSA DR. BRINKMAN: So for updates  
14      with COVID-19, for the -- currently there are  
15      five incarcerated individuals presently positive  
16      in the facility. None are hospitalized due to  
17      COVID-19. The total amount of incarcerated  
18      individuals tested for COVID during December was  
19      1,287. Of those, 21, or 2.48 percent, were found  
20      to be positive.

21              As of January 1st, throughout the  
22      pandemic, we have had 332 staff report positive  
23      results. And of our vaccinated incarcerated  
24      individuals, currently, 579 have received the  
25      full series, which is 41.5 percent.

1           For medications for opioid use  
2       disorder and expansion of those efforts, during  
3       the month of December, there were 13 prescribed  
4       Naltrexone, with 1 receiving the Vivitrol  
5       injection prior to his -- their community  
6       release. 99 individuals treated with Suboxone,  
7       and 6 treated with Sublocade. Of those, 7  
8       patients transitioned from Suboxone to Sublocade.

9           And for methadone continuation  
10      services, we have treated 15 individuals in  
11      December, currently having 16.

12           Related to Torrance commitments,  
13      during December, we had 4 admitted to -- admitted  
14      and transferred to Torrance State Hospital; 5  
15      committed to Torrance State Hospital. None had  
16      their commitment rescinded. And currently, 23  
17      are awaiting admission with the longest since  
18      October 7th.

19           In December, we had 5 individuals  
20      identified as Tier V; 23 unique ones were  
21      identified as Tier IV.

22           And for our non-emergency  
23      healthcare appointments, sick call requests for  
24      medical were -- have -- as of today, we had 40  
25      with the longest waiting four days.

1           For sick calls for mental health,  
2 we had 2 with the longest waiting one day. I  
3 already mentioned the psychiatrist, 76 waiting  
4 11; and mental health specialists, 7 waiting two  
5 days.

6           For the rest of my report, I wanted  
7 to do a bit of a review for 2022 for Healthcare  
8 Services. When I reflected on the year, the  
9 entire focus of our department was improvement.  
10 We took concerns shared by staff, the public,  
11 Jail Oversight Board, as opportunities to grow.  
12 And we have many goals, all which present  
13 opportunities. So that said, I'd like to  
14 summarize our progress toward the growth, and not  
15 that we have accomplished all of the goals, only  
16 that we are closer than we ever have been before.

17           So for areas of success that we've  
18 had, medication assisted treatment services for  
19 those impacted by substance use disorders has  
20 greatly expanded throughout 2022. Our  
21 MAT services saw the expansion of Methadone  
22 services from previously only treating females,  
23 pregnant females, to now any person presenting to  
24 ACJ currently on methadone services.

25           So for the year, we have treated

1 nearly -- actually over 750 patients on a form of  
2 medication-assisted treatment, which would  
3 support their journey for recovery as well as  
4 overall fatality, overdoses, post-incarceration.

5 Our suicide prevention mitigation  
6 in response to the 2019 visit that we had from  
7 NCCHC Resource, Incorporated, their previous  
8 suicide prevention program assessment, we were  
9 able to complete over 85 percent of the  
10 recommendations prior to their visit. And in  
11 initial feedback from just anecdotal, not  
12 necessarily from the report, were that they were  
13 commending us as the first institution to  
14 re-invite them for reassessment of those  
15 mitigation and efforts and recommendations that  
16 they've made.

17 The improvement in this area, I  
18 feel personal pride for our facility to have  
19 accomplished this. Having done so has allowed  
20 our facility to build upon the momentum and  
21 continue that success and turn energies into  
22 supportive services now that we have made so many  
23 improvements with suicide prevention.

24 Areas of improvement, our quality  
25 improvement measures have been able to improve

1 overall with the stabilization of staffing and  
2 expansion of the staff infrastructure.  
3 Additional focus has been allowed to be placed on  
4 quality improvement measures. It's allowed for  
5 QI activities to be more routinely applied with a  
6 proactive approach to process improvement.  
7 QI activities assisted in identifying workflow  
8 barriers and their connections to staff workloads  
9 and retention, as well as clinical outcomes.

10 Taking these conclusions, the  
11 healthcare teams corrective action plans included  
12 many ways to address concerns, one of which was  
13 the pilot that I previously talked about for  
14 interdisciplinary teams presented where we've  
15 expanded that pilot program since August.

16 Our interdisciplinary collaboration  
17 has seen a variety of efforts culminate in  
18 supporting a lot of -- a lot of different tasks  
19 in 2022. The pilot, like I mentioned,  
20 expanded -- while it still continues to expand to  
21 allow for more ancillary services, we've had  
22 incredible input about patient wait times and  
23 staff retention.

24 Effects of this have led to  
25 immediately observed -- oh, I just said that.

1 Collaboration with other ACJ departments led to  
2 improved care. For example, collaboration with  
3 Reintegrative Services has led to reduced waits  
4 processing alternative housing admissions.

5 Collaboration with the Education  
6 Department has facilitated the return of  
7 Alcoholics Anonymous, like I had mentioned  
8 earlier.

9 Other areas of concern and the  
10 responses that we've had throughout the year, for  
11 staffing, we've seen root issues related to ACJ  
12 healthcare staffing, including national shortages  
13 for healthcare professionals, specifically  
14 nurses, psychiatrists, therapists. Our  
15 orientation of new staff with a reduced veteran  
16 team, retention rates due to a variety of issues.

17 Throughout 2022, ACJ healthcare has  
18 hired 85 professionals in a variety of capacities  
19 ranging from contractors to permanent employees.  
20 Of those, we have had contracts ended or staff  
21 resign for 12. 31 left for other reasons.

22 I found out on reporting that the  
23 national healthcare retention staff report  
24 indicated a retention nationally of 74 percent in  
25 2021. So for 2022, healthcare's retention rate

1 was 75 percent for county employees.

2 While our permanent employee  
3 vacancies, as you have seen throughout the year  
4 increasing in our monthly report, what has also  
5 increased is the supplemented staff through  
6 agency contracts. So that went well for the  
7 improved workloads for staff across almost all  
8 job classifications.

9 While our team has also observed  
10 anecdotal statements indicating the morale is  
11 higher than at the start of 2022, and we know we  
12 have room to grow, it is difficult to objectively  
13 measure what that would look like. One formal  
14 way that we have been able to see improvements is  
15 a severe reduction in employee grievances  
16 reducing more than half.

17 With the addition of town hall  
18 meetings that we're having with our staff and  
19 other team building activities, we continue that  
20 focus into '23 for retention.

21 And then finally, healthcare wait  
22 times I've already talked a little bit about. A  
23 variety of questions have arisen regarding those  
24 wait times.

25 There are multiple access to care

1 points in our health system. Generally speaking,  
2 we have emergent, urgent and non-emergent  
3 responses based on clinical triaging. All direct  
4 contact ACJ employees are required to be trained  
5 in basic life support and mental health first-aid  
6 to be able to identify health emergencies.

7 Medical emergencies are called for  
8 our team to respond, to which our healthcare team  
9 responds in under four minutes consistently. At  
10 that time, we can, with triage and -- urgent  
11 issues can be identified by any contractor or  
12 staff, all of whom are trained to contact the  
13 healthcare team. At that time we can triage and  
14 determine what needs exist for the patient.

15 The remainder of our services are  
16 delivered on a non-emergency basis. This may  
17 include follow-up, specialty consultation,  
18 typical primary care visits, and discharge  
19 coordination. Of the non-emergent appointment  
20 types that I've reported out over the year, our  
21 wait times that averaged about 45 days at the  
22 start of the year, have now decreased down to  
23 four and a half days at this time as an  
24 average -- on an average, with the longest wait  
25 time throughout the year having been 120 days,

1 but down to an average of four and a half days  
2 today.

3 JUDGE HOWSIE: Any questions?

4 Ms. Klein.

5 MS. KLEIN: I just have a comment.

6 I just really want to commend you on your MAT  
7 Program. I just think it's phenomenal how you've  
8 expanded it. Just thank you because I really  
9 think that's such an important service.

10 HSA DR. BRINKMAN: Thank you. I'm  
11 proud of the team.

12 JUDGE HOWSIE: Any other questions?

13 Ms. Hallam?

14 MS. HALLAM: Yeah. Like is there  
15 any more presentations?

16 JUDGE HOWSIE: Do you have any more  
17 questions? Now is the time.

18 MS. HALLAM: Yeah. Are there any  
19 other presentations? Is that the end?

20 I'm just wondering when we're going  
21 to get the update about the guard who was caught  
22 bringing contraband into the jail. I know that  
23 we got an e-mail literally the same minute that  
24 it was put out to the news.

25 I'm wondering if you can, you know,

1 go over what happened there and also let us know  
2 how many days before it was reported to us you  
3 all knew that an officer had been bringing  
4 contraband into the jail.

5 WARDEN HARPER: Ms. Hallam, we  
6 don't discuss personnel issues.

7 MS. HALLAM: It was on the news.

8 WARDEN HARPER: Ms. Hallam, we  
9 don't discuss personnel issues.

10 MS. HALLAM: It was on the news.  
11 You can repeat what was on the news to make sure  
12 that everybody up here knows about it.

13 WARDEN HARPER: Again, Ms. Hallam,  
14 we don't discuss personnel issues.

15 MS. HALLAM: Okay. So can you tell  
16 me why the jail knew for almost two weeks prior  
17 to it being announced that an arrest was being  
18 made that an officer had been bringing contraband  
19 into the jail? Why did you not let us know  
20 before it was released to the press? I'm not  
21 asking for any personnel answers. I'm asking why  
22 we were not being made aware of such a serious  
23 issue until much after the fact? Because I heard  
24 about it -- it wasn't two weeks -- ten days  
25 before it was actually reported.

1                   WARDEN HARPER: Ma'am, we don't  
2 report about investigations. We will not report  
3 about investigations that's being conducted by  
4 the police.

5                   MS. HALLAM: An officer was caught  
6 with contraband, and you did not tell us,  
7 correct?

8                   JUDGE HOWSIE: If it's an ongoing  
9 investigation and they're in the process of  
10 investigating it to make an arrest and to pursue  
11 some type of legal action, what would be the  
12 benefit or the upside of informing people outside  
13 of that circle regarding that behavior?

14                   MS. HALLAM: We are in that circle  
15 by statute. We are in that circle, and we were  
16 not informed of an investigation.

17                   JUDGE HOWSIE: Would that not  
18 jeopardize the investigation and their  
19 investigation?

20                   MS. HALLAM: He was caught.

21                   JUDGE HOWSIE: Was released.

22                   MS. HALLAM: I don't know. I'm not  
23 a cop. I have no idea. What I'm asking is why  
24 we were not in the loop that an officer was  
25 caught with contraband.

1 JUDGE HOWSIE: Right. And he gave  
2 you his answer.

3 MS. HALLAM: No, he said he will  
4 not discuss it.

5 JUDGE HOWSIE: Right. That's his  
6 answer. Do you have another question?

7 MS. HALLAM: And you're cool with  
8 that?

9 JUDGE HOWSIE: Do you have another  
10 question?

11 MS. HALLAM: No. I'm just -- it's  
12 wild to me that nobody has brought it up this  
13 entire meeting, but I got to read about it in the  
14 news.

15 JUDGE HOWSIE: Another question?

16 MS. HALLAM: I just said I don't  
17 have another question.

18 JUDGE HOWSIE: Okay. So you're  
19 done?

20 Any additional questions from  
21 anyone?

22 (No response.)

23 JUDGE HOWSIE: All right. With  
24 that being said -- thank you.

25 MS. HALLAM: No. We did not do Old

1 Business because we skipped out of order. We did  
2 not do Old Business.

3 JUDGE HOWSIE: With that being  
4 done, thank you for your presentations.

5 We will now move on to --

6 MS. HALLAM: Prick.

7 JUDGE HOWSIE: Pardon me? Did you  
8 just call me a prick?

9 MS. HALLAM: Yes, I called you a  
10 prick.

11 JUDGE LAZZARA: Oh, Bethany.

12 MS. HALLAM: That's like the  
13 least -- the nicest word I could say right now,  
14 the way you talk to me.

15 JUDGE HOWSIE: Okay. Fair enough.  
16 I hope everyone heard that. So now we'll go to  
17 Old Business. We'll go to Old Business.

18 Judge Lazzara, I believe that's  
19 you.

20 **OLD BUSINESS**

21 JUDGE LAZZARA: All right -- so the  
22 liaison position which we were hoping --

23 JUDGE HOWSIE: I was going to say  
24 is your mic on?

25 JUDGE LAZZARA: Sorry. I didn't

1 turn it on. I apologize, and my voice has been  
2 gone for a month, and it's not coming back,  
3 apparently, despite the antibiotics that aren't  
4 working.

5 So the liaison position which we  
6 are hoping will resolve some informational issues  
7 for this Board and provide us with a really great  
8 snapshot; we received over 50 resumes, as I told  
9 you guys last time. The members of the  
10 Incarcerated Individuals Welfare Fund has vetted  
11 those resumes, and each one of us had the  
12 opportunity to provide our top five to me, and  
13 then I calculated a top five that everybody had.  
14 It was really a remarkably great group, so we  
15 have five people that we would like to get  
16 interviewed. We are hoping to do that in the  
17 middle of January. I've asked for dates for  
18 those interviews, and I have two people that have  
19 responded for the dates for the interviews. And  
20 so we are going to get those interviews scheduled  
21 and get those people interviewed and hopefully be  
22 able to make a recommendation for hiring to the  
23 Board. So really -- really excited about that.

24 The second thing is I always  
25 provide to everyone the population information

1 for the jail. This is the status of the jail  
2 population as of 4:30 p.m. on January 4, 2023.  
3 At that time, there were 1,327 people in the  
4 Allegheny County Jail, and 153 people in  
5 alternative housing facilities. That does not  
6 include people with holds by the federal  
7 government. 6 percent of the people in the jail  
8 itself were serving a county sentence as the  
9 result of new conviction. That's 80 people.  
10 26 percent of people in alternative housing, that  
11 is 40 people, are serving a county sentence.  
12 19 percent of people, that's 258 people in the  
13 jail had a hold from an external jurisdiction  
14 including other counties or the state.  
15 44 percent of people, that's 585 people, were in  
16 the jail were detained by Allegheny County  
17 Probation. These individuals are detained for  
18 violating probation, a crime for which they had  
19 previously been convicted. Of those 585 people,  
20 88 percent, or 515 were of moderate or high risk  
21 to re-offend based on their probation proxy risk  
22 score. 24 percent of people in alternative  
23 housing, that is 36 of the 153, were detained by  
24 Allegheny County Probation, and of those 36, 29,  
25 that's 81 percent, were of moderate or high risk

1 of re-offending based on their proxy scores.

2 25 percent, or 329 people in the  
3 jail itself were held pretrial only, meaning that  
4 they had no other reasons such as external holds  
5 or detainers keeping them in the jail. Of these  
6 people, just over 2 percent screened as low risk  
7 for re-offense based on the Allegheny County  
8 Pretrial Risk Instrument, which is locally  
9 validated. 19 percent, that is 29 of 153 people,  
10 in alternative housing were held pretrial only.  
11 Only 1 of those people screened as low risk for  
12 re-offense. 74 individuals, approximately  
13 6 percent of the jail population, are currently  
14 being held in the Allegheny County Jail pretrial  
15 only on monetary bonds. Of these individuals,  
16 only 10 screened as low risk for new criminal  
17 activity, and all of these individuals were  
18 facing violent charges.

19 Only 2 of 153 people in alternative  
20 housing are held pretrial only on non-monetary  
21 bonds and neither screened as low risk for new  
22 criminal activity, and each was facing a violent  
23 charge. All pretrial monetary bond cases are  
24 reviewed for possible jail -- for possible bond  
25 modification.

1           So again, this shows a reduction  
2       from March 16th, before the pandemic, 2020, there  
3       were 2,075 people in the jail, including 1,859  
4       inmates of the jail itself, and 216 in  
5       alternative housing. So there has been a  
6       29 percent decrease in the jail population since  
7       that pre-pandemic mark, and there was a  
8       29 percent decrease also in the alternative  
9       housing population from that 2020 mark.

10           In terms of detainer population  
11       from pre-pandemic, again March 16th until Monday,  
12       Monday was January 4th? Was that Monday?

13           JUDGE HOWSIE: Yes.

14           MS. KLEIN: It was Tuesday.

15           JUDGE LAZZARA: Yeah, sorry. It  
16       was Tuesday. Monday was a holiday, right? It  
17       was a court holiday. Sorry about that.

18           So between March 16, 2020, and  
19       Tuesday, there was a 34 percent decrease in the  
20       detainer population in the jail.

21           So those are our current numbers,  
22       and I gave you a copy because I remembered those.

23           I do have to tell you that I may  
24       have some issues getting these numbers for  
25       February, March, and April. We're trying to work

1 on that not having -- being a problem, but I  
2 wanted to warn you in advance. The person who  
3 prepares these for me is expecting a baby and is  
4 supposed to go out on maternity -- paternity  
5 leave at the very beginning of February. He and  
6 I have already had a conversation. He's going to  
7 try to make sure he can have somebody else in his  
8 department run those and get those to me. So I  
9 will try very hard to remember to ask him before  
10 he leaves at the beginning of the month to make  
11 sure that I have the contact person to get those  
12 from, okay? But just to give you a warning that  
13 in case that doesn't go smoothly, which you know  
14 birth never does, I may have a problem providing  
15 them for the next meeting. But I'm going to try  
16 real hard to make sure that happens.

17 JUDGE HOWSIE: Any questions?

18 JUDGE LAZZARA: In fact, I have a  
19 To Do List. I'll put that on my To Do List.

20 JUDGE HOWSIE: Any questions?

21 SHERIFF KRAUS: Motion to adjourn.

22 MS. HALLAM: No. There's another  
23 Old Business, the Book Subcommittee.

24 AUDIENCE MEMBER: Hey, before I  
25 leave, just I want to thank Judge Lazzara. That

1 was actually what I wanted to hear, what you  
2 said, so you moved around the schedule in your  
3 report, do it before we have a  
4 question-and-answer report.

5 JUDGE LAZZARA: I appreciate that.  
6 I would like it to be earlier also, but that's a  
7 Chair decision. He has to decide what the order  
8 of business is. And so I think it would be  
9 helpful to have some of that business discussed  
10 in an earlier time.

11 AUDIENCE MEMBER: And it's very --  
12 it's very interesting, and we would relate -- get  
13 some idea of what's going on for that report,  
14 which is why everybody is asking to have somebody  
15 do that report, so.

16 JUDGE HOWSIE: Okay.

17 AUDIENCE MEMBER: Now that we have  
18 an answer, we ought to get answering.

19 JUDGE HOWSIE: Thank you.

20 AUDIENCE MEMBER: And everyone stay  
21 well.

22 JUDGE HOWSIE: You too. Thank you.

23 MS. HALLAM: So I wanted to give an  
24 update from Old Business from our book  
25 subcommittee that we held a meeting for.

1           So the meeting was me, Ms. Moss,  
2 Ms. Klein and Controller O'Connor. So this is a  
3 newly formed committee that we are doing to try  
4 to address the issues with books in the jail.

5           So in this first meeting we had the  
6 folks that I mentioned. Judge Lazzara,  
7 unfortunately, wasn't able to attend but we're  
8 filling her in on it. And then we also had  
9 Jodi Lincoln from the Pittsburgh Prison Book  
10 Project, Arlen Hess from -- the owner of City  
11 Books, and Sarah Shotland from Words Without  
12 Walls. And so a lot of information was  
13 discussed. I think Ms. Moss is going to present  
14 a Motion after the discussion, but I just wanted  
15 to lead up to how we got there.

16           So we had talked about what the  
17 book access had looked like prior to COVID, which  
18 was it seems a lot changed. We had talked about  
19 the various ones of us who had seen the book  
20 carts on the pods where the books were old,  
21 outdated, raggedy, missing pages. We talked  
22 about what we saw as our goals for the book  
23 subcommittee. This was really the first meeting,  
24 and so we really wanted to identify your goals,  
25 questions that we wanted to ask. So, I mean, our

1 goal for the short term is to get the books that  
2 the jail already has accessible to the people in  
3 the jail. And then for the long term, to make  
4 sure that there is a permanent library at the  
5 jail that has a robust catalog, that is funded  
6 adequately, ideally has staff that are paid to  
7 monitor it and to distribute the books, and for  
8 the ability for incarcerated individuals to  
9 access books as they please.

10 We also talked a lot about books,  
11 not just inside the jail in the library, but also  
12 being sent in from outside. I know the  
13 administration has discussed that they are  
14 working on this, but so are we, and hopefully, we  
15 can, like, get some solutions soon. But we  
16 talked about current jail policies that already  
17 exist that need to be followed, such as notifying  
18 the sender and recipient when a book is rejected,  
19 and also ensuring that there is an appeals  
20 process to that that can be followed.

21 We talked about potential policy  
22 changes; not saying necessarily that these are  
23 ones that we all agreed on, just ones that we all  
24 brought up collectively. Some of the folks who  
25 joined us had talked about hardback books and

1 that many other jails and prisons across the  
2 country allow hardback books, that the concern  
3 with hardbacks was not as much about the hardback  
4 of the book but about the binding of the book.  
5 We talked about needing more clarity and  
6 revisions to content restrictions, clarifications  
7 around content restrictions, what is the content  
8 that is restricted and why. We talked about  
9 expanding the number of vendors that are allowed  
10 to send in books. The standard in corrections is  
11 generally publishers and bookstores, and we  
12 talked about if that is too broad of a standard  
13 for the Allegheny County Jail to follow, that we  
14 could potentially create a process and an  
15 application for local bookstores to become  
16 approved vendors.

17 We would like the Jail Oversight  
18 Board to be part of that approval process and  
19 especially supporting local bookstores to be  
20 allowed to provide books into the jail. We also  
21 talked about the E-book platform and that we were  
22 looking for more information on how the book  
23 platform works and how people inside feel about  
24 E-books versus paper books. We, you know,  
25 we're -- shared with us by our consultants, a

1 link about the best practices for E-books in  
2 carceral institutions.

3 We have a few questions, which now  
4 I will submit in writing to the administration  
5 and get an answer next meeting, but our specific  
6 questions were where are those 20,000 books, how  
7 many are E-books, how many are physical books,  
8 who is in charge of the books? You know, we had  
9 talked with folks who dealt with books, again,  
10 prior to COVID that said there was never even  
11 before a very clear lineage of who was the keeper  
12 of the books, and so we wanted to know who that  
13 person is.

14 Additionally, who is the keeper of  
15 the book carts, how often are the book carts  
16 updated, how often are new books cycled through,  
17 is the keeper of the book carts trained, what  
18 type of training do they receive, is this in  
19 somebody's job description, how people request  
20 physical books that they went from the inventory  
21 that the ACJ has? Is there any line item in the  
22 jail's budget for library services or books? We  
23 want to see a copy of the rejection slip for  
24 books sent in, a copy of the appeal form for  
25 books sent in, and really, we agreed that we just

1 want more detail on what is the book review  
2 committee that we've heard referenced.

3 And I believe Ms. Moss has a Motion  
4 she wants to introduce about the jail's book  
5 review committee.

6 MS. MOSS: Well, according to  
7 protocol, we're supposed to -- I just found out  
8 we're supposed to have our Motion in two days  
9 prior to the meeting. So I'm going to forego it,  
10 and I will go according to the rules --

11 JUDGE HOWSIE: Thank you.

12 MS. MOSS: -- that we will have a  
13 Motion next month.

14 MS. HALLAM: Okay.

15 MS. MOSS: And in that time, we  
16 should have some more information because we'll  
17 have another meeting before our next meeting.

18 MS. HALLAM: Sure. I have no  
19 problem introducing it to Motion then. The  
20 Motion was for Ms. Moss, as a member of the book  
21 subcommittee, to be included on the book review  
22 committee so that the Jail Oversight Board has a  
23 person on the book review committee, and Ms. Moss  
24 has volunteered to be that person from the  
25 subcommittee who would be their representative.

1 JUDGE HOWSIE: There's a process  
2 for submitting Motions. We all agreed as a Board  
3 to the process.

4 MS. HALLAM: When?

5 JUDGE HOWSIE: We did. That's why  
6 you submit yours in writing two days before the  
7 meeting.

8 MS. HALLAM: I just said --

9 JUDGE HOWSIE: Anything else?

10 MS. HALLAM: You just said I didn't  
11 do that?

12 JUDGE HOWSIE: Is there anything  
13 else?

14 MS. HALLAM: I'm not arguing with  
15 you anyways.

16 JUDGE HOWSIE: Anything else?  
17 Sheriff.

18 **ADJOURNMENT**

19 SHERIFF KRAUS: Motion to adjourn.

20 (Whereupon, the meeting was  
21 concluded at approximately 7:45 p.m.)  
22  
23  
24  
25

C E R T I F I C A T E

I hereby certify that the proceedings and evidence are contained fully and accurately to the best of my ability in the notes taken by me via an audio recording of the within cause and that this is a true and correct transcript of the same.
