ALLEGHENY COUNTY  
JAIL OVERSIGHT BOARD MEETING

Thursday

July 6, 2023

Gold Room

4th Floor

Allegheny County Courthouse

436 Grant Street

Pittsburgh, Pennsylvania 15219

1        **MEMBERS OF THE BOARD IN ATTENDANCE:**

2        Judge Elliot Howsie

3        Judge Beth Lazzara

4        Bethany Hallam for Councilman Catena

5        Jennifer Liptak for County Executive

6                Richard Fitzgerald

7        Ryan Herbinko for Controller O'Connor

8        Sheriff Kevin Kraus

9        Gayle Moss

10       Abass Kamara

11

12

13

14       **JAIL ADMINISTRATION IN ATTENDANCE:**

15       Warden Orlando Harper

16       Chief Deputy Warden Jason Beasom

17       HSA Dr. Ashley Brinkman

18       Deputy Warden of Administrative Operations and

19                Employee Development Blythe Toma

20       Deputy Warden Clark

**WELCOME, CALL TO ORDER AND RULES**

JUDGE HOWSIE: All right. Good afternoon, everyone. I want to first begin by welcoming you and saying before we go any further, Terri Klein -- unfortunately, her mother passed, so she will not be present at tonight's meeting. I ask that you keep her in your -- and her family in your prayers and your concerns and your thoughts.

With that being said, we're going to call the meeting to order. I'd ask that everyone extend the same courtesy and respect to everyone in the meeting that you would expect in return. There will be no over-talking, yelling, or inappropriate remarks. If you engage in that behavior, we unfortunately will have to ask you to leave the meeting. So I'd please ask that you extend the same respect and courtesy to others that you would expect in return.

With that being said, Abass Kamara?

MR. KAMARA: Here.

JUDGE HOWSIE: County Controller  
Corey O'Connor?

1 MR. HERBINKO: Ryan Herbinko for  
2 Controller O'Connor.

3 JUDGE HOWSIE: Thank you, sir.  
4 Richard Fitzgerald?

5 MS. LIPTAK: Jennifer Liptak here  
6 for County Executive Fitzgerald.

7 JUDGE HOWSIE: Judge Lazzara?

8 JUDGE LAZZARA: Present.

9 JUDGE HOWSIE: Sheriff Kraus?

10 SHERIFF KRAUS: Here.

11 JUDGE HOWSIE: Gayle Moss?

12 MS. MOSS: Present.

13 JUDGE HOWSIE: County Council  
14 President Pat Catina?

15 MS. HALLAM: It's Bethany Hallam.

16 JUDGE HOWSIE: All right. With  
17 that being said, we will --

18 MS. HALLAM: Also, Judge Howsie.  
19 For the record, I just want to object to the  
20 participation of two illegal designees,  
21 Mr. Herbinko for Controller O'Connor and  
22 Ms. Liptak for County Exec Fitzgerald.

23 JUDGE HOWSIE: That being said,  
24 we'll now hear from County Corrections. We'll  
25 have the Passages to Recovery Report.

1        COMMUNITY CORRECTIONS REPORT

2                    MS. MORRIS: Good afternoon,  
3 everyone. I'm Michele Morris from Passages to  
4 Recovery. It's M-I-C-H-E-L-E M-O-R-R-I-S.

5                    And since our last report here, we  
6 currently have a census of 32 clients. And of  
7 those 32 clients, we have 27 DOC clients. We've  
8 had 13 admits since June 6th, and 7 successful  
9 discharges.

10                   Currently, we have around 4 clients  
11 who are currently working. And we just started  
12 implementing a new program through PAR, which  
13 is -- I think it's Parents in the Know. They are  
14 doing a trauma support group and a parenting  
15 group as well. So that just started last week.

16                   And we are also strengthening our  
17 relationship with UPMC. We have a few of our  
18 clients who are currently enrolled in their  
19 training programs.

20                   So any questions? Yes.

21                   MS. HALLAM: Hi. You mentioned  
22 that you had seven successful discharges.

23                   MS. MORRIS: Yes.

24                   MS. HALLAM: Did you have anybody  
25 that got sent back to jail?

1 MS. MORRIS: We had a few, I  
2 believe, like two or three. Yes.

3 MS. HALLAM: Okay.

4 MS. MORRIS: Yes.

5 MS. HALLAM: And do you keep track  
6 of any overdoses at your facility? Is that a  
7 number --

8 MS. MORRIS: So I thought you would  
9 ask me that question today, so since January,  
10 we've only had two, and they were seen in the  
11 emergency room and released back to the program,  
12 and then they were ultimately returned to the  
13 county jail.

14 MS. HALLAM: All right. That's all  
15 I have. Thank you so much.

16 MS. MORRIS: Okay. Thank you.

17 JUDGE HOWSIE: Any other questions?  
18 (No response.)

19 JUDGE HOWSIE: Thank you, ma'am.

20 MS. MORRIS: Thank you.

21 JUDGE HOWSIE: We will now hear the  
22 report from the Renewal Center.

23 MR. HOOD: Good afternoon,  
24 everybody. Darren Hood with Renewal,  
25 Incorporated, D-A-R-R-E-N H-O-O-D.

1                   Census for Renewal in our work  
2           release is 79, 23 inpatient, giving us a total of  
3           102.   Employment percentage is 71 percent right  
4           now.   The average wage is \$14.28 an hour.

5                   Some special things to point out.  
6           Out of two essay contestants, I'm happy to report  
7           that a county reentrant who is currently  
8           attending CCAC studying in the field of Social  
9           Work won Renewals Annual Betty Esper Scholarship  
10          Contest.   Contestants must write an essay on how  
11          they would use the scholarship to better  
12          themselves, along with past and present  
13          accomplishments they are making and striving to  
14          become more responsible and successful citizens  
15          reentering the communities.   He will be awarded  
16          \$1,000 towards his cost of schooling as a result  
17          of his outstanding essay.

18                   Also, Get Paid is a sister company  
19          of Renewal, Incorporated.   Get Paid stands for  
20          Gaining Employment Through Planning and Advocacy  
21          Initiative and Dedication.   It's a six-month  
22          on-the-job training program for individuals  
23          reentering the workforce.   Get Paid is also in  
24          partnership with Downtown -- or Pittsburgh  
25          Downtown Partnership, the guys in the yellow

1 jackets, T-shirts, cleaning up the streets.  
2 Again, I'm pleased to report that one of our  
3 Renewal county reentrants is completing his  
4 Get Paid employment training and will be  
5 obtaining full-time employment with Pittsburgh  
6 Downtown Partnership's Clean Team as a result.

7 That's all I have.

8 JUDGE HOWSIE: Any questions?

9 Ms. Hallam.

10 MS. HALLAM: Hi. Yeah, same  
11 question. How many folks in the past month were  
12 sent back to jail?

13 MR. HOOD: Total number, I don't  
14 have those numbers.

15 MS. HALLAM: Okay. Can you ask if  
16 yinz can start bringing those to the meetings  
17 just so we can keep track of how many people were  
18 successfully completing versus how many people  
19 were not?

20 MR. HOOD: I can do that.

21 MS. HALLAM: Thank you. And then,  
22 do you know of any overdoses that have happened  
23 in the facility since the last meeting?

24 MR. HOOD: There has been none.

25 MS. HALLAM: There haven't been any

1 at all?

2 MR. HOOD: None.

3 MS. HALLAM: Okay. Thank you very  
4 much.

5 MR. HOOD: You're welcome.

6 JUDGE HOWSIE: Ms. Moss?

7 MS. MOSS: I didn't hear the  
8 total -- what was your total?

9 JUDGE HOWSIE: Hey, sir.

10 MS. MOSS: What were your total  
11 that were successful? I didn't get what you  
12 said.

13 MR. HOOD: I don't have the exact  
14 numbers for total successful and unsuccessful. I  
15 can bring those to the next meeting.

16 MS. MOSS: Okay.

17 JUDGE HOWSIE: I missed it. How  
18 many people do you currently have in Renewal  
19 Center?

20 MR. HOOD: 102 current reentrants  
21 as of this morning, correct.

22 JUDGE HOWSIE: All right. Thank  
23 you. Thank you, sir.

24 MR. HOOD: You're welcome.

25 JUDGE HOWSIE: Electronic

1 Monitoring.

2 Steve. He told me earlier this  
3 week he would be unavailable for the meeting, but  
4 I assumed he would send someone else.

5 Well, I guess we will not hear from  
6 Electronic Monitoring.

7 All right. With that being said,  
8 we'll begin the Public Comments. We have a lot  
9 of people that have indicated that they would  
10 like to give public comments tonight. I'd ask  
11 that you limit your public comments to three  
12 minutes. When you hear the timer go off, I'd ask  
13 that you stop talking and give everyone an  
14 opportunity to speak and give their public  
15 comments as well.

16 So first we'll have Mr. Kenstowicz,  
17 John Kenstowicz.

18 MS. HALLAM: Judge Howsie, before  
19 the first public commenter goes, did we get any  
20 online public comments?

21 JUDGE HOWSIE: Not one.

22 MS. HALLAM: Okay.

23 JUDGE HOWSIE: And we re-corrected  
24 the system. We tested it, so there are no issues  
25 with our online system. There was a problem in

1 the past, and I apologize for any inconvenience  
2 that that might have caused people. We had no  
3 way of knowing. We just weren't receiving public  
4 comments, but when we tested it, there was an  
5 issue with the online public comments. It's been  
6 rectified. We did not receive any public  
7 comments on it.

8 MS. HALLAM: Thank you.

9 JUDGE HOWSIE: Sure.

10 MR. KENSTOWICZ: John Kenstowicz,  
11 K-E-N-S-T-O-W-I-C-Z.

12 The following is a summary and  
13 analysis of the ACJ Healthcare Staff Job  
14 Satisfaction Survey that was provided to our  
15 healthcare staff from June 7th to June 29th of  
16 this year.

17 Structure of the Survey. This  
18 survey includes 16 close-ended multiple-choice  
19 statements related to morale, pay, and benefits,  
20 safety, licensing, workload, relationship with  
21 administration, and training.

22 The survey also includes 4  
23 open-ended questions regarding staff retention  
24 and turnover, communication with administration  
25 and licensing, in which the staff could express

1 in their own words their insights and feelings  
2 about these very important matters.

3 Participation Rate. 31 healthcare  
4 staff participated in the survey out of a  
5 possible 39 staff, which is a 77 percent  
6 participation rate. Healthcare staff from  
7 contract agency did not participate in the survey  
8 because a different kind of survey will be  
9 designed and offered to them. Confidentiality is  
10 protected. Google Forms Program was used, which  
11 protects the identity of the person participating  
12 in the survey. The person's name who is  
13 completing the survey is not revealed to the  
14 person administering the survey.

15 Healthcare staff serious dilemma.  
16 The healthcare staff have a serious dilemma. The  
17 vacancy number of healthcare staff at our jail  
18 has reached 94. In this survey, you will hear  
19 healthcare staff talk about the tremendous  
20 challenge they have in attempting to provide a  
21 quality service to individuals in need with a  
22 burdensome workload, and yet they are obligated  
23 to follow the mandates of their licensure.

24 Goal of the Survey. The goal in  
25 providing this survey is to give a voice to the

1 staff on the front lines, hear their story, and  
2 give them a platform to articulate their needs  
3 and ideas about change. Our goal is to  
4 facilitate their responses.

5 Project Administration and  
6 Processing Results. This survey project was  
7 administered by myself with consultation of the  
8 results and presentation to the Jail Oversight  
9 Board by the Pennsylvanian Impact Interfaith  
10 Network, PIIN.

11 Section 1, Results of Close-Ended  
12 Statements in Pie Chart Form. The first part of  
13 our survey is a presentation of results of our 16  
14 statements which have been made into colorful pie  
15 charts. Multiple choice of possible answers are  
16 strongly agree, agree, neutral, disagree, or  
17 strongly disagree.

18 I Feel Valued and Respected As a  
19 Healthcare Employee At the Allegheny County Jail:  
20 61.3 percent strongly disagree with that  
21 statement. Is that it?

22 JUDGE HOWSIE: Yes.

23 MR. KENSTOWICZ: I'll just finish  
24 this pie chart, okay? 29 percent disagree.

25 JUDGE HOWSIE: Thank you, sir.

1 Fran McDowell.

2 MS. McDOWELL: Fran McDowell,  
3 M-C-D-O-W-E-L-L.

4 JUDGE HOWSIE: Thank you.

5 MS. McDOWELL: Staff Morale is a  
6 Major Problem At the Allegheny County Jail:  
7 93.5 percent strongly agree.

8 I Am Fairly Paid for What I Am  
9 Asked to Do: 41.9 percent disagree, 38.7 percent  
10 strongly disagree, 12.9 percent were neutral.

11 I Am Safe Working at the Allegheny  
12 County Jail: 29 percent strongly disagree, 29  
13 percent disagree, 29 percent were neutral, and  
14 12.9 percent agree.

15 I Am Able to Complete All of My  
16 Responsibilities Throughout the Day While  
17 Providing Quality Healthcare to My Patients:  
18 41.9 percent strongly disagree, 38.7 percent  
19 disagree.

20 The Healthcare Administrator At the  
21 Jail is Qualified to Make Medical Decisions  
22 Regarding Patient Healthcare: 83.9 percent  
23 strongly disagree, 12.9 percent disagree.

24 Healthcare Management Communicates  
25 Effectively With Me and Answers Questions and

1 Concerns About Job Duties: 71 percent strongly  
2 disagree. 16.1 percent disagree.

3 There Are Enough Healthcare Staff  
4 to Fill All Shifts: 90.3 percent strongly  
5 disagree, and 9.7 percent disagree.

6 Change the chart, please.

7 Administration's Expectation of  
8 Time Management on My Job is Realistic: 54.8  
9 percent strongly disagree, 25.8 percent are  
10 neutral, 19.4 percent disagree.

11 Upon Starting Employment I Received  
12 an Adequate Orientation Regarding the Policies  
13 and Procedures of Our Jail: 38.7 strongly  
14 disagree, 32.3 were neutral, and 16.1 disagree.

15 I Have Been Properly Trained to  
16 Perform All of My Work Duties: 32.3 percent  
17 strongly disagree, 29 percent agree, 16.1 percent  
18 disagree, 16.1 percent were neutral.

19 The Demands of My Job Have  
20 Negatively Affected My Physical and/or Mental  
21 Health: 64.5 percent strongly agree, 16.1  
22 percent agree, 12.9 percent were neutral.

23 Change the chart, please.

24 Management Understands the  
25 Challenges I Experience While on the Job:

1 74.2 percent strongly disagree, 19.4 percent  
2 disagree.

3 Management is Receptive to My  
4 Feedback and Suggestions: 71 percent strongly  
5 disagree, 12.9 percent disagree.

6 I Am Informed of Corrective  
7 Information Regarding Critical Incidents Such As  
8 Deaths Or Suicides: 58.1 percent strongly  
9 disagree, 32.3 percent disagree.

10 Circumstances Exist At the  
11 Allegheny County Jail That Threaten the Licenses  
12 of Healthcare Staff: 77.4 percent strongly  
13 agree, 9.7 percent agree.

14 JUDGE HOWSIE: Thank you, ma'am.  
15 Thank you.

16 I'm not sure of this last name, but  
17 it's Marianne as -- I don't know if that's Noy  
18 or --

19 MS. NOVY: "Novy." It's like Navy  
20 with an O.

21 JUDGE HOWSIE: It looks like a U.  
22 I'm sorry. Marianne Novy.

23 MS. NOVY: Yes, thank you.

24 JUDGE HOWSIE: Thank you.

25 MS. NOVY: And my first name is

1 spelled M-A-R-I-A-N-N-E. Thank you.

2 Section 2 is a summary of the 16  
3 close-ended multiple-choice statements.

4 Staff Morale. Healthcare Staff  
5 Recognize a Serious Problem of Morale Working At  
6 the Allegheny County Jail. 91.3 percent of  
7 respondents strongly agree with the statement  
8 staff morale is a major problem at the Allegheny  
9 County Jail.

10 Also 91 percent -- 3 percent  
11 strongly disagree with the statement I feel  
12 valued and respected as a healthcare employee at  
13 the Allegheny County Jail.

14 Morale and being valued in the  
15 workplace profoundly affect the staff's sense of  
16 purpose in why am I working here. Excessive  
17 workloads. The lack of staffing, the large  
18 workloads that are assigned is a major problem.

19 100 percent of respondents  
20 disagreed or strongly disagreed with the  
21 statement there are enough healthcare staff to  
22 fill all shifts.

23 Over 78 percent of respondents  
24 disagreed with the statement I'm able to complete  
25 all of my responsibilities throughout the day

1 while providing quality care to my patients.  
2 Feeling rushed through their shifts and not being  
3 able to spend quality time with their patients  
4 affects their sense of duty and responsibility to  
5 their patients.

6                   Related to this work overload  
7 problem, over 78 percent disagreed or strongly  
8 disagreed with the statement: Administration's  
9 Expectation of Time Management on my Job is  
10 Realistic. No one agreed with that statement.  
11 Serious staff shortage significantly contributes  
12 to this high response.

13                   Communication with healthcare  
14 administration. Communication with healthcare  
15 administration is also cited as a major problem.  
16 95 percent of respondents disagreed or strongly  
17 disagreed with the statement that healthcare  
18 management communicates effectively with me and  
19 answers questions and concerns about my job  
20 duties.

21                   87 percent of respondents disagreed  
22 or strongly disagreed with the statement that  
23 management is receptive to my feedback and  
24 suggestions. No one agreed with that statement.

25                   All the respondents disagreed with

1 the statement that management understands the  
2 challenges I experience on my job. What  
3 respondents are saying is that communication  
4 occurs in a top-down relationship, highly  
5 directive, with healthcare staff not having the  
6 opportunity to contribute their expertise in how  
7 operations can improve or how they are coping  
8 with the many challenges on their job. This kind  
9 of relationship can seriously affect morale and  
10 staff's tolerance to manage the many challenges  
11 of their job.

12 91 percent disagreed or strongly  
13 disagreed with the statement I'm informed of  
14 corrective information regarding critical  
15 incidents such as deaths or suicides. No one  
16 agreed. This correlates with what NCCHC found in  
17 its mortality investigation of our jail.

18 JUDGE HOWSIE: Thank you, ma'am.

19 Jane McCafferty.

20 MS. McCAFFERTY: It's

21 M-C-C-A-F-F-E-R-T-Y.

22 JUDGE HOWSIE: Thank you.

23 MS. McCAFFERTY: HSA

24 Qualifications. The relationship is also  
25 affected by the healthcare staff's belief that

1 the healthcare administrator is not qualified to  
2 make healthcare decisions regarding patient care.  
3 With no one agreeing with the statement, the  
4 healthcare administrator at the jail is qualified  
5 to make medical decisions at the jail.

6 Healthcare licensure. Related to  
7 this response is the belief that staff's licenses  
8 are threatened working at our jail with over 90  
9 percent agreeing that the statement that  
10 circumstances exist at the Allegheny Jail that  
11 threaten the licenses of healthcare staff.

12 Healthcare licensure seriously  
13 affects staff's livelihood. Having a violation  
14 on their record can affect their pay, a  
15 promotion, and opportunities to find other work.  
16 Being confronted with an order to perform a duty  
17 that violates licensure protocol significantly  
18 raises staff's stress and vulnerability to  
19 negative consequences. This licensure problem  
20 can be a significant communication barrier  
21 between staff and administration. The licensure  
22 problem can also have a serious effect on staff  
23 turnover.

24 Staff's Physical and Mental Health.  
25 80 percent of staff agreed with the statement,

1 the demands of my job have negatively affected my  
2 physical and mental health. Balancing the major  
3 stressors at work with the stressors and  
4 responsibilities in staff's personal life will  
5 affect their decision to work at the ACJ.

6 JUDGE HOWSIE: Thank you, ma'am.

7 Patrick Tierney.

8 MR. TIERNEY: In Section 3,  
9 Open-Ended Questions and Answers.

10 First question, what are your  
11 recommendations that would reinforce your  
12 decision to continue work at the ACJ. Answers,  
13 "Adequate staffing and increase in wages  
14 comparable to what agency staff get paid." "Two  
15 consecutive days off instead of being split.  
16 Friday and Monday could be considered weekend  
17 days to help with this." "Adequate staffing is  
18 of utmost importance. Proper training of new  
19 staff is currently nonexistent. New employees  
20 are overwhelmed by the lack of communication and  
21 training. Existing employees are continuously  
22 training new staff that either quit or are fired,  
23 which is incredibly draining." "The feeling of  
24 being valued as frontline workers, acknowledgment  
25 of the difficulties we endure as frontline

1 workers. Significant considerations of how the  
2 job impacts our lives, respect and acknowledgment  
3 of non-work-related commitments. Alignment  
4 between what is said and what is actually done.  
5 Perspectives of frontline workers must be taken  
6 seriously." "Management needs to change. Having  
7 people who have absolutely no medical experience  
8 or licensure overseeing and overruling  
9 physicians, nurse practitioners and nurses and  
10 their decisions in patient care is completely out  
11 of line, unethical, and unsafe. Management only  
12 communicates with each other, not the staff  
13 beneath them who are their frontline." "Having  
14 medical management and frontline staff working  
15 together instead of medical management hiding on  
16 the fifth mezzanine level in their offices.  
17 Frontline staff cannot do their jobs properly  
18 when a non-medical manager is instructing them on  
19 what they must do. Training is provided on the  
20 computer. The training online does not provide  
21 an opportunity to ask questions or raise  
22 concerns." "Increase staffing, pay shift  
23 differential, education, knowledgeable medical  
24 management. Obtainable goals, availability of  
25 equipment needed, availability of providers,

1 medical and mental health when needed. Safety.  
2 Methadone and Suboxone administration by outside  
3 agencies that are familiar with administration."  
4 "Staff the building. Employees are hired. They  
5 just aren't able to keep them because of the way  
6 they're treated. Management does not care about  
7 quality of work. All they care about are the  
8 numbers and how many inmates can be seen in a  
9 shift. Inmates are not getting proper care.  
10 Management is too punitive and constantly writing  
11 employees up for petty, petty things."

12 JUDGE HOWSIE: Thank you.

13 John Bolanos.

14 MR. BOLANOS: "Bolanos."

15 JUDGE HOWSIE: Bolanos.

16 MR. BOLANOS: Spelled B as in boy,  
17 O-L-A-N-O-S.

18 JUDGE HOWSIE: Thank you.

19 MR. BOLANOS: For your peers that  
20 terminated employment at ACJ, why do you think  
21 they left? "Low morale, inadequate staffing,  
22 poor unqualified management, hostile work  
23 environment, sexual harassment, management that  
24 gossips and repeats personal information to other  
25 frontline staff. Forced to falsify

1 documentation, fear of discipline, fear of  
2 targeting if they didn't agree with an illegal  
3 and unethical decision." "Mental and physical  
4 exhaustion, safety concerns, poor wages, fear of  
5 losing their licenses." "Hostile work  
6 environment. Severe sexual harassment resulting  
7 in false rumors about employees, affecting  
8 relationships outside of work, underpaid and  
9 highly overworked." "They were overwhelmed, and  
10 inadequate training was key. The work burden was  
11 too much." "Toxic work environment and unethical  
12 practices." "Because of poor attitudes from  
13 management, being required to complete tasks that  
14 put their licenses at risk. Low staff morale,  
15 poor working environment." "Lack of training.  
16 Licenses are being put in jeopardy. Overwhelming  
17 assignments because management can't staff the  
18 building. Harassment and bullying by upper  
19 management." "Non-medical leadership, poor  
20 management, micromanaging, lack of training,  
21 inconsistent schedules, lack of respect, not  
22 feeling safe, toxic environment, lack of staff  
23 causing multiple unsafe duties of another  
24 employee. Poor pay, working overtime and not  
25 receiving it, scared to lose their license, lack

1 of communication from management."  
2 "Communication is difficult because we just can't  
3 handle all of the inmates' needs. Many are  
4 actually legitimate, and they wait and wait with  
5 no end in sight for even a necessary prescription  
6 to be filled. The nurses are all burned out  
7 because the clinic and medical housing unit  
8 cannot operate efficiently due to the cramped  
9 size of the Medical Department and the fact that  
10 there are not enough providers and nurses ever.  
11 The pharmacy is too small to meet the jail's  
12 needs. Oftentimes the nurses can't give meds  
13 because the pharmacy hasn't gotten them in yet.  
14 This creates frustration and resentment for  
15 employees who have to try to explain to inmates  
16 over and over again that they are waiting for  
17 meds to come in."

18 JUDGE HOWSIE: Thank you, sir.

19 Laura Perkins.

20 MS. PERKINS: Hi, there. Laura,  
21 L-A-U-R-A, Perkins, P-E-R-K-I-N-S.

22 JUDGE HOWSIE: Thank you.

23 MS. PERKINS: Question. Do you  
24 have any recommendations on how to improve  
25 communication between management and staff?

1 "Management needs to be competent in their  
2 position and not gaslight staff or be  
3 unresponsive when questions or crises occur." "I  
4 would suggest that they ask the nurses' opinions  
5 before they make changes by having multiple  
6 meetings so we could all attend." "Not possible  
7 with current management who are focused on  
8 maximizing their own power and control." "They  
9 need to come out of their offices and show their  
10 faces in the Medical Department." "They are not  
11 willing to communicate. They refuse to respond  
12 to e-mails and walk away when they are approached  
13 by an employee asking a question they can't  
14 answer. With the staffing issues at the jail,  
15 every member of management should be in there  
16 every shift helping out. That never happens."  
17 "How about they listen since they are not the one  
18 doing the work. Include staff. Not having  
19 monthly meetings out as we have done this or  
20 that." "Monthly meetings. They need to be  
21 around more often instead of hiding in their  
22 offices." "Management who actually answer  
23 e-mails rather than leave them unanswered for  
24 weeks and sometimes months at a time, if at all.  
25 Listen to the frontline staff who work on the job

1 on a day-to-day basis. Respond with care to the  
2 needs of employees and inmates." "Management  
3 should do rounds with the employees at least once  
4 and actually see what goes on day by day. It's  
5 easy to dictate when you're not actually doing  
6 the job, but when you're physically there, maybe  
7 they will have a better perception of your daily  
8 routine. You can't tell someone to do their job  
9 if they don't even know what their job entails."  
10 "For starters, aside from the ADON, management no  
11 longer shows their face anywhere other than on  
12 5-M, the Employee Lounge and the Town Hall  
13 Meetings. Maybe they could be present in order  
14 to communicate. If there's a reason that medical  
15 staff can't get the daily -- is there a reason  
16 that the medical staff can't get the daily  
17 operations report? Many times we aren't told  
18 when the jail is on lockdown and are expected to  
19 pre-pour meds after we have attempted to start  
20 our pass."

21 JUDGE HOWSIE: Thank you, ma'am.

22 Thank you, ma'am.

23 Megan Heim.

24 MS. HEIM: Thank you. If you agree  
25 or strongly agree with the question above,

1 circumstances exist at the Allegheny County Jail  
2 that threatens the licenses of healthcare staff,  
3 please elaborate on these circumstances. "The  
4 jail tries to force healthcare staff to complete  
5 tasks that are outside of their scope of practice  
6 due to the staffing crisis which is unethical.  
7 Any person who is licensed and completes a task  
8 out of their scope of practice is liable to lose  
9 their license and face legal scrutiny. Also,  
10 when a staff is qualified in a practice,  
11 management will not listen to them or acknowledge  
12 them when they discuss an unethical practice.  
13 They believe their policies overrule State and  
14 Federal laws." "MH staff with no medical  
15 background, education, or training are forced to  
16 triage inmate medical complaints. This is  
17 unsafe. This is putting inmates' health in  
18 jeopardy." "Absolutely without proper staffing,  
19 our licenses are threatened. Staff are forced to  
20 pre-pour medications. This is illegal."  
21 "Insisting that a non-RN individual perform RN  
22 required components of tech care notes. Failure  
23 of a supervisor to provide adequate supervision  
24 and guidance for limited permit licenses. Having  
25 mental health and medical personnel perform

1 duties that fall outside of the realm of their  
2 education or experience, example, segregated  
3 rounds, restrain policy and procedure." "Nurses  
4 have been asked to do certain things with PICC  
5 lines that they should be sent to the hospital to  
6 have done. Just one example that if a nurse  
7 refuses, they can be retaliated against by  
8 management. There is discord and mistrust, also  
9 frustration that management without medical  
10 backgrounds are in charge of the whole medical  
11 department." "There's typically one RN working  
12 in the medical housing unit. Most days, that is  
13 the only healthcare employee working in there.  
14 No MA, no LPN and no other RN. At times this  
15 nurse may also have to complete a med pass  
16 leaving the unit unattended. The RN is  
17 responsible to go to all the medical emergencies,  
18 again, leaving the unit unattended."

19 Thank you.

20 JUDGE HOWSIE: Thank you, ma'am.

21 Kyna James.

22 MR. JAMES: Kyna James. Last name  
23 J-A-M-E-S.

24 MS. LIPTAK: I'm sorry. Can you  
25 spell your first name for me, please?

1 MR. JAMES: K-Y, N as in Nancy,  
2 sorry, A.

3 MS. LIPTAK: Are you okay?

4 MR. JAMES: Yeah, I'm good. You  
5 know, raspy voice problems. "The HSA put out a  
6 policy that states an RN and an unlicensed  
7 personnel can count narcotics, which is against  
8 the American Nurses Association Guidelines, not  
9 to mention against the Pennsylvania State Board  
10 of Nursing Policy. It must be two licensed  
11 nurses. The DHSA Amy Shaw, RN, also stated it is  
12 okay for a nurse to pour meds for another nurse  
13 to pass. This is illegal, and you can lose your  
14 nursing license." "Supervisors have forced staff  
15 to falsify documentation. Doctors are no longer  
16 employed -- doctors who are no longer employed  
17 have had their signatures used without consent.  
18 Tech care staff have removed notes from charts."  
19 "Multiple days a week on multiple shifts one RN  
20 is responsible for all five inmate units, three  
21 of them acute. This is dangerous, and nurses are  
22 not able to abide and complete all of their  
23 tasks. This is putting their license in jeopardy  
24 and impacting inmate care. This is how mistakes  
25 are made by being forced to do work that is not

1 able to be completed." "Management does not care  
2 about the licenses of the employees. They make  
3 policies that directly go against nursing  
4 licenses, and they knowingly attempt to force  
5 people to do things that go against licenses.  
6 The strong-willed employees push back and will  
7 refuse, but the weaker employees will oftentimes  
8 go along. The strong-willed will inevitably get  
9 targeted by the administration." "Intake is  
10 chronically understaffed. If there is an RN  
11 there, it's typically only one in the entire  
12 Intake area. A medical assistant, captain, or  
13 sergeant frequently medically clears the inmates  
14 for incarceration. By the time inmates get back  
15 to Processing to see the RN, it could be two to  
16 three days they have been in Intake without  
17 medication and without seeing Medical at all.  
18 Mental health is also lacking in the Intake area.  
19 They are supposed to be there 24 hours a day. A  
20 plethora of shifts go unattended without inmates  
21 in Intake every week."

22 JUDGE HOWSIE: Thank you.

23 Ann McStay.

24 MS. McSTAY: Ann McStay, A-N-N

25 M-C-S-T-A-Y.

1 JUDGE HOWSIE: Thank you.

2 MS. McSTAY: Okay. This is the  
3 section about analysis of the data. So as we've  
4 heard, this -- and this is a summary. Higher  
5 pay. Several of the responses mention the need  
6 for higher pay and that their pay is not  
7 competitive with other workplaces. Considering  
8 that the market demand for healthcare staff is  
9 high and we have 94 healthcare staff vacancies at  
10 ACJ, it appears these statements need to be taken  
11 very seriously.

12 Training. Several responses in the  
13 survey talked about the ineffective "checking the  
14 box" computer training. Relevant in-person  
15 training is asked for with special emphasis on  
16 training new staff who have a significant risk of  
17 terminating without needed orientation and  
18 training. They're unprepared.

19 Concern for Physical Safety.  
20 Several of the responses emphasize the problem of  
21 healthcare staff not being safe. A couple of  
22 responses mentioned cases of sexual harassment.  
23 The staffing crisis of the correctional officers  
24 can seriously affect the healthcare staff's  
25 concerns for safety. If staff believe they are

1 not working in a safe environment, it can affect  
2 their performance and their relationship with  
3 their patients.

4 Burdensome Workload and  
5 Administration's Expectations. This problem of  
6 having too much to do on a work schedule and not  
7 being able to provide quality care to patients is  
8 an overriding concern. Healthcare staff can  
9 experience added custodial and patient concerns,  
10 which extend their work schedule. Respondents  
11 claim that administration's expectations are not  
12 in line with the demands of the job. They are  
13 asking for administrators to listen to their  
14 experience and recognize their expertise  
15 regarding how best to perform on the job.

16 Authoritarian Structure  
17 Communication Between Administration and Staff.  
18 Throughout the survey, a top-down structure of  
19 communication was cited with staff having very  
20 limited opportunity to provide feedback because  
21 of the directive mode of communication being used  
22 by administration. The suggestion for  
23 administrators to spend time in the blocks  
24 supporting frontline staff and seeing the many  
25 challenges of healthcare staff can start to

1 change this authoritarian relationship.  
2 Administrators actually performing work duties  
3 would be even more efficient in changing that  
4 relationship.

5           During Laura Williams' tenure,  
6 administration assisted with performing some work  
7 duties. When she terminated employment at ACJ in  
8 February of 2022, the vacancy for healthcare  
9 staff was at 52, which is almost half of what it  
10 is now.

11           Lack of Medical Expertise on the  
12 Health Services Administrator. The health  
13 service administrator does not have a medical  
14 background. She has a Doctorate in Philosophy.  
15 Therefore, a collaborative model of communication  
16 between administration in general and frontline  
17 staff, professionals sharing each other's  
18 expertise, is even more important to ensure  
19 proper, safe medical practices.

20           Healthcare staff licensure is being  
21 threatened. The survey provided many examples of  
22 administrative orders violating licensing  
23 protocols representing a list of 21 situations of  
24 duties that are assigned, which staff recognize  
25 as violating licensure protocol, and that was

1 provided to you all yesterday. Forcing staff to  
2 violate licensure regulations is just -- you're  
3 asking people to leave the job that you just  
4 hired them for.

5 JUDGE HOWSIE: Thank you very much.  
6 Shabaka Gay.

7 MR. GAY: Andre Shabaka Gay,  
8 S-H-A-B-A-K-A.

9 In conclusion, healthcare staff at  
10 our jail are in a perilous situation with how  
11 we -- burdensome workloads, safety concerns,  
12 conflict with administration, licensure  
13 interference, and high staff turnover.

14 The Jail Oversight Board,  
15 Administration, and the public needs to rally to  
16 give the healthcare staff the support they need  
17 to continue to dedicate to the work many of them  
18 love, providing quality healthcare to those in  
19 need. The Board needs to initiate a staff  
20 retention committee in which they open up lines  
21 of communication with frontline staff, healthcare  
22 staff, and correctional officers. If the Board  
23 is truly concerned about preventing the high  
24 number of deaths, and the staff turnover at our  
25 jail, then they need to get serious about working

1 on the staffing problems of our jail.

2 The survey revealed that many  
3 residents are not being serviced. We also need  
4 to start preparing for the future of our jail  
5 with the need to educate and elicit support from  
6 the new administration and warden. This survey  
7 will be provided to the Search Committee for a  
8 new warden.

9 Thank you.

10 JUDGE HOWSIE: Thank you, sir.

11 I just want to say thank you to  
12 Mr. Kenstowicz for your time and energy and  
13 effort that you put into these two surveys.

14 Thank you. I know it was  
15 burdensome to undertake those efforts. So thank  
16 you.

17 With that being said, Sister  
18 Barbara Finch.

19 MS. FINCH: Sister Barbara Finch,  
20 F-I-N-C-H.

21 As stated before, I worked for ten  
22 years at the Allegheny County Jail from 2008  
23 until 2018. Special message to Mr. Fitzgerald,  
24 if you will. I tried to have conversations  
25 multiple times of his first mistake, to remove

1 Bruce Dixon and Dana Phillips from the Health  
2 Department and inside the jail years ago. I was  
3 hired out of the Health Department.

4 Second major mistake was him having  
5 Corizon run the jail.

6 Under the Health Department, these  
7 are the things that we had. It wasn't perfect,  
8 but we were trying to build to make it more  
9 perfect. You had Dana Phillips, who was a COO.  
10 Now, she had administration skills. She was not  
11 a medical person, but we had a Director of  
12 Nurses, we had an Assistant Director of Nurses,  
13 we had a Medical Director. Dr. Patterson was  
14 probably the best medical director we ever had at  
15 Allegheny County Jail. We had an RN that was  
16 head of training. We had pharmacy services. We  
17 had an RN inside the pharmacy. We had laboratory  
18 services. We had some women's services. As much  
19 as possible, staff performed duties that they  
20 were trained for.

21 I was hired as a sick call nurse.  
22 Every day that I walked in under the Health  
23 Department, I worked as a sick call nurse. When  
24 Corizon came into being, I was taken off. I was  
25 put into Intake, in the medical housing unit, the

1 mental health unit, so forth, and so on. We also  
2 had a podiatrist that came in.

3 We had x-ray services. There was  
4 an attitude that purveys and still purveys that  
5 just because our friends do not take care of  
6 themselves on the outside, that we don't have to  
7 bother to provide services for them, extend  
8 services inside the jail. We are legally and  
9 morally responsible for them to do this. It  
10 doesn't matter what they do on the outside. As  
11 long as they're confined and can't do anything  
12 for themselves, we're responsible for it.

13 Poor nutrition, problem with  
14 delivery of meds. There's not enough nurses to  
15 deliver all the meds. Morning meds are being  
16 delivered in the afternoon. Medically you should  
17 deliver meds when they should be given so that  
18 they're effective, that they actually treat the  
19 conditions that we're medicating for.

20 We have inconsistency with dealing  
21 with addiction protocols, safety issues. I  
22 violated a safety issue because I continued to do  
23 my sick calls sometimes in my sick call room  
24 without an officer standing out because morally,  
25 I was responsible for my patients, and I cared

1 deeply for them that they would get their care.

2 HIPAA violations constantly. There  
3 was no appreciation of staff with -- that they  
4 had a personal life or responsibilities. One  
5 person, her house was on fire, and she was told  
6 if she left the building, she would be fired. So  
7 those are some examples.

8 Violation of solitary confinement.  
9 My last statement, my suggestion more than  
10 anything, let's create a committee of JOB and  
11 healthcare specialists and try to explore models  
12 of delivery of healthcare. Let's work together.  
13 That's all we want to do is to work together.

14 JUDGE HOWSIE: Thank you, ma'am.  
15 William Mistick.

16 MR. MISTICK: William Mistick,  
17 M-I-S-T-I-C-K. Does anybody here think  
18 Orlando Harper should be running our jail?

19 AUDIENCE: (No.)

20 MR. MISTICK: The authoritarian way  
21 of manning a jail, it just doesn't work. It's --  
22 it's terrible. We need to reach out, like Sister  
23 Barb said and others say, for outside help. John  
24 Rago, a Professor at Duquesne, is the Executive  
25 Director of the Criminal Justice Advisory Board.

1 He wanted to come in and help. Blocked. We need  
2 to bring more drug and alcohol services in for  
3 the residents. The Onala Club wanted to partner,  
4 give us literature, bring in meetings. Blocked.  
5 For what reason? The only people to bring drugs  
6 in the jail are dirty officers, and we weed them  
7 out.

8 AUDIENCE: (Applause.)

9 MR. MISTICK: You know, we need to  
10 work closely with the union too and settle all  
11 these grievances, these petty grievances. These  
12 kids, young people, are working four days a week,  
13 16 hours a day with one uniform. It's  
14 ridiculous.

15 We need to come up with a plan to  
16 bring more help in. We need to find places to  
17 recruit people, other jails maybe, maybe law  
18 enforcement academies, what have you. But we  
19 need to improve the morale down there. And it's  
20 a sad state of affairs, and nobody seems to care.  
21 A couple people care, but nothing ever gets done.  
22 Why can't we bring in outside agencies? Why  
23 can't we bring in drug and alcohol help? There's  
24 volunteers. The therapeutic value of one addict  
25 helping another is without parallel. We bring in

1 people in recovery. Then when people are  
2 released from jail, they have someone to call to  
3 get on the right track. It's all blocked. It's  
4 sad. We have one small drug and alcohol program,  
5 and it's not even a 12-step program. 12-step  
6 programs have been in existence for many, many  
7 years, helped millions and millions of people.

8 Running a jail isn't reinventing  
9 the wheel. There's best practices out there.  
10 We're just not doing them. We need to put a  
11 panel together of outside people, the union, the  
12 JOB, just like Sister Barb said, and create new  
13 policies emphasizing keeping people alive, number  
14 one. And, you know, the excuse is, well, people  
15 that come to jail aren't in the best health.  
16 Yeah, but they're our responsibility. It's time  
17 to make a change. God willing. The rumor mill  
18 is that Orlando will be gone in August or  
19 October. It can't come soon enough.

20 (Audience applause.)

21 MR. MISTICK: There's some good  
22 people in the jail, people over at that other  
23 table there. Deputy Beasom, he's a good man, but  
24 the authoritarian -- everybody's got a thumb on  
25 them. Everything is discipline. Harper told

1 me this isn't the kind of job you retire from.

2 This is the kind of job you get fired from.

3 Absolutely.

4 AUDIENCE MEMBER: What?

5 MR. MISTICK: Absolutely. That's a  
6 quote.

7 Good day. Thank you.

8 JUDGE HOWSIE: Robbie Judy Bardack?  
9 Robbie Judy Bardack?

10 All right. Alan Guenther? Alan  
11 Guenther?

12 Marion Damick.

13 MS. DAMICK: Okay. D-A-M -- you  
14 know how to spell it. Damick. All right. In  
15 doing some --

16 JUDGE HOWSIE: Hold on. If you  
17 could spell it, please. Sorry.

18 MS. DAMICK: D-A-M-I-C-K.

19 JUDGE HOWSIE: Thank you very much.

20 MS. DAMICK: Got it. Okay. In  
21 looking through my -- trying to -- trying to sort  
22 myself, I found something of interest which  
23 happens to include -- or includes one of your  
24 members. You may not recognize the person  
25 because he never shows up. I am showing you a

1 picture, three pages, same picture, same picture.  
2 Right, all the great things that he says he's  
3 going to do. You don't feel badly about it. He  
4 hasn't showed up for any of the other -- when  
5 I've been here at meetings when you met  
6 downstairs. He didn't -- he showed up for one.  
7 So that's one of him. He doesn't do so well. I  
8 know he had a rep. I don't know what the rep  
9 says, but it doesn't matter. The point is what  
10 he even promises doesn't -- hasn't come true. He  
11 promised Allegheny County control is -- these  
12 will -- wait -- he is -- in an interview he said  
13 establish statewide reviews of the county jail  
14 failure. This was in 2023, just last year.  
15 Proposed other -- our jail would include medical,  
16 corrections, judicial, professional review teams.  
17 It should also include one or two former  
18 prisoners. Even that's what's here. What else  
19 did he say? There's also reports on how many  
20 have died here, which is more than other jails --  
21 or others. That means knowing every prisoner's  
22 death -- under county and custody and justice is  
23 a national problem.

24 About nearly 1,000 unreported  
25 facilities a year, and we are one of the ones who

1 do underreporting. Most prisoners, jail  
2 prisoners are pretrial detainees who haven't been  
3 convicted of -- is all -- and too poor to be in,  
4 ended up. The real problem is indifference and a  
5 shocking lack of political will to solve the  
6 problem. I quote, the last one, lucky for you --  
7 we already commented on -- in theory, the County  
8 Jail Oversight Board should investigate the  
9 deaths but bad blood between Board members and  
10 jail administration would sabotage the effort.  
11 The jail would not cooperate with the Oversight  
12 Board, and political grandstanding, along with  
13 the usual bickering, would likely hinder under  
14 any constructive effort for reform.

15 So this is what you have from a  
16 member of your staff of the Board, whom I don't  
17 have to point out, for 50 times does not appear.  
18 His -- whatever they call it. He does appear  
19 usually, and presumably, before nothing comes  
20 from him. You know he won't be here next time,  
21 but let's hope the next -- our next director of  
22 the County understands what goes on at the county  
23 jail and helps to do it instead of making things  
24 up in the newspaper.

25 I thank you.

1 JUDGE HOWSIE: Thank you. Thank  
2 you.

3 JUDGE HOWSIE: Dean Damick.

4 AUDIENCE MEMBER: No.

5 JUDGE HOWSIE: Okay. Tanisha Long.

6 MS. LONG: I'm a little taller.

7 Before I begin, I would like to pass out  
8 something to the Board members if that's okay.

9 JUDGE HOWSIE: (Nodding head).

10 MS. LONG: Yeah? Thanks. Cool.

11 All right. Tanisha Long. I'm  
12 ready to start.

13 Recently the Abolitionist Law  
14 Center wrote a medical advocacy letter on behalf  
15 of Mr. Aaron Tipton, an incarcerated person at  
16 the Allegheny County Jail. Mr. Tipton was  
17 prescribed Gabapentin for nerve pain when he went  
18 into the Allegheny County Jail. This diagnosis  
19 was confirmed by jail staff, and Aaron Tipton was  
20 removed from that medication for no reason.

21 Aaron Tipton then suffered -- I  
22 don't even want to say suffered. Aaron Tipton  
23 then had his arm broken by a correctional officer  
24 at the Allegheny County Jail. There are x-rays  
25 included in there. He again needed Gabapentin

1 for nerve pain. Doctors at the jail noted it in  
2 his chart that he needed this medication, the  
3 jail's own doctors, and he still was not given  
4 this medication.

5 To date, Aaron Tipton has not  
6 received the medication he needs. We wrote a  
7 letter on his behalf a year ago. No one from the  
8 jail has responded despite the fact that the  
9 Abolitionist Law Center, some of our lawyers have  
10 medical clearances, medical permission  
11 clearances.

12 It makes me wonder why  
13 Warden Harper is set on denying medication that  
14 is not -- it's not an opioid. It's not  
15 addictive. It seems that this is to punish  
16 Aaron, and when we talk about punishment, I don't  
17 want this public comment to end in retaliation  
18 because it has happened before, especially in  
19 regards to Mr. Tipton. This man had his arm  
20 broken by one of Warden Harper's correctional  
21 officers, and the pain he suffers from it today  
22 he cannot properly get treated because  
23 Warden Harper will not allow him to have the  
24 medication he needs. This isn't acceptable.  
25 This is a violation of his civil rights, his

1 human rights, his constitutional rights, and this  
2 can't be the type of jail that we have in  
3 Allegheny County, where correctional officers are  
4 able to break the arm of a man and then deny him  
5 the medication he needs to have pain relief.

6 There's no reasonable explanation  
7 for denying Aaron Tipton Gabapentin. There  
8 isn't. And as we heard from the healthcare  
9 workers at the Allegheny County Jail, they're not  
10 the ones who get to make the choices. They're  
11 not the drivers, and that's problematic. No one  
12 with a Doctorate in Philosophy should be running  
13 your healthcare -- your healthcare services.  
14 That's -- I'm sorry. That's laughable.

15 However, we need people who know  
16 what they're doing in place making these  
17 decisions, and we need to make sure that people  
18 like Aaron Tipton get the medication he needs.  
19 We say this with Denzel Kendrick. We saw this  
20 with several other of our ALC clients-ish, not  
21 even clients, to be honest, but the Allegheny  
22 County Jail continues to fail to provide adequate  
23 medical care to incarcerated people. And I say  
24 adequate because that's the minimum. They're not  
25 even meeting the minimum, and they are killing

1 people. We have people in this room today who  
2 have lost their children to the Allegheny County  
3 Jail and Warden Harper's choice to be a doctor.

4 If that's the career you were  
5 seeking, Warden Harper, after your termination,  
6 hopeful termination, or your retirement, then I  
7 suggest you go get a medical degree that would  
8 allow you to make the decisions that you are  
9 making for the lives of the people in the  
10 Allegheny County Jail. Because right now, what  
11 you're doing is unacceptable, inhumane, and  
12 illegal.

13 And if we're holding incarcerated  
14 people to the standard that they not break the  
15 law, and we're telling them that their punishment  
16 is to be incarcerated, why is Warden Harper a  
17 free man?

18 (Audience applause.)

19 MS. LONG: Thank you.

20 JUDGE HOWSIE: Josh Thieler,  
21 "Theiler."

22 MR. THIELER: Hello. My name is  
23 Josh Thieler. It's spelled T-H-I-E-L-E-R.

24 JUDGE HOWSIE: Thank you.

25 MR. THEILER: I'm here to speak

1 about the Allegheny County Jail's continued  
2 refusal to provide medical care consistent with  
3 the needs of the incarcerated community.

4 Warden Harper has confused his position as a  
5 warden with that of a medical doctor, a position  
6 we all know he would also fail at.

7 Doctors with medical degrees,  
8 practices, and years of experience prescribe  
9 their patients medications to help them manage  
10 their medical conditions. Warden Harper, the man  
11 responsible for 19 deaths in the past two years,  
12 has decided he is more knowledgeable than a  
13 medical doctor. Warden Harper has made it clear  
14 that he does not care about the incarcerated  
15 people in the Allegheny County Jail. He places  
16 people with mental health issues in solitary as  
17 punishment. He has a policy of strip-searching  
18 children. Sorry. He attempts to hide deaths at  
19 the jail. This sadistic pattern of behavior is  
20 what we will remember Warden Harper for.

21 When it comes to Aaron Tipton,  
22 Warden Harper has decided that Aaron does not  
23 need Gabapentin, a non-addictive medication used  
24 to treat nerve pain that Aaron was prescribed  
25 before entering the Allegheny County Jail. After

1 Warden Harper allowed a member of his staff to  
2 break Aaron's arm, he continues to deny him  
3 medication to lessen the pain Aaron suffers.  
4 Warden Harper wants to teach Aaron Tipton a  
5 lesson. He wants Aaron to suffer because that's  
6 how he runs his jail.

7 He feeds incarcerated people  
8 roaches. He ignores sick calls. He lets people  
9 suffer from overdose until they die in their  
10 cells. That's who he is.

11 We can't fix Warden Harper. We can  
12 only get rid of him and hope he experiences even  
13 a fraction of the trauma he has inflicted on the  
14 people in the Allegheny County Jail.

15 The only people who can help Aaron  
16 Tipton right now are sitting in front of us.  
17 We've told you time and time again that the  
18 medical treatment in jail is causing unnecessary  
19 suffering, permanent disfigurement, mental health  
20 issues, and trauma. What is the Jail Oversight  
21 Board going to do to ensure that the Allegheny  
22 County Jail complies with the directive of  
23 Aaron Tipton's doctors? When will we use common  
24 sense and acknowledge that Warden Harper is unfit  
25 to make medical choices? I ask you individually,

1 will you help Aaron Tipton receive the medicine  
2 his doctor prescribes?

3 Judge Howsie, will you help?  
4 Judge Lazzara, will you help? Kevin Kraus, will  
5 you help? Bethany, I know you will.

6 MS. HALLAM: Oh, I will definitely  
7 help. I'm just like, I didn't hear anything from  
8 the people you asked previously.

9 MR. THIELER: And that's --

10 MS. HALLAM: Okay.

11 MR. THIELER: -- honestly in line  
12 with everything that I think we see. When all of  
13 us take time out of our days to come before you  
14 and ask that you do something to help our  
15 neighbors in that jail.

16 Thanks.

17 JUDGE HOWSIE: Alex Phillips.

18 MR. PHILLIPS: Alex Phillips,  
19 P-H-I-L-L-I-P-S.

20 Hello, Members of the Board. In  
21 keeping with the theme today, we're going to be  
22 talking about some medical issues at the ACJ.  
23 I'm here to talk to you about one person in  
24 particular, although it's obviously indicative of  
25 a much larger problem that exists at the

1 Allegheny County Jail. We talked about Aaron  
2 Tipton, who you just received the letter of  
3 medical advocacy from the Abolitionist Law  
4 Center. It just wrote about him.

5 Mr. Tipton suffers from both  
6 physical and mental disabilities that he  
7 sustained in an injury in 2010 and had to take  
8 medication for the pain. He is prescribed  
9 Gabapentin, which is not an opioid, and it's not  
10 addictive. He had been prescribed this  
11 medication by his doctor and remained on it until  
12 he was incarcerated in 2017. It should go  
13 without saying that he still needs this  
14 medication. Going to jail doesn't change medical  
15 conditions, but at some point, someone in the ACJ  
16 determined that he didn't need it anymore and  
17 took him off that Gabapentin. They gave a bunch  
18 of different reasons why, but in the end, it  
19 doesn't really matter. A man is suffering  
20 because of the horrible decisions and the  
21 horrible leadership there.

22 This isn't justice enough, but, you  
23 know, it's Allegheny County Jail, so of course,  
24 everything has to be worse than it possibly could  
25 be.

1           Last September, he was assaulted by  
2 a correctional officer and suffered a spiral  
3 fracture in his arm as a result. A spiral  
4 fracture means that, at most, charitably, this  
5 correctional officer knew that he very likely  
6 could have broken Mr. Tipton's arm. This is a  
7 man who already suffers from chronic pain, and  
8 that is then exacerbated by being assaulted in  
9 the place that's supposed to take care of him.

10           The doctor then -- he saw the  
11 doctor, obviously, and he was once again  
12 prescribed Gabapentin, and once again, he is  
13 taken off of this. This is already -- I mean, in  
14 the letter you have, this is already illegal.  
15 There is plenty of casework that shows that this  
16 is illegal, and there is plenty of room for legal  
17 action to be taken against the Allegheny County  
18 Jail, but that's not my question. It's pretty  
19 much determined that this is illegal. This is a  
20 moral matter, and I'm sorry, but how is this  
21 acceptable? This man was already suffering  
22 before he was put in your care, and then you  
23 exacerbate that suffering. And then on top of  
24 that, you take away his only means of alleviating  
25 that suffering that is not an opioid, and it's

1 not addictive. I understand you don't want those  
2 there, but why are you taking this away from this  
3 man? This is the only way to alleviate that?

4 We already know the conditions in  
5 the ACJ are pretty much hell. So I really am  
6 just -- like, what about this is going to make  
7 sure that Mr. Tipton doesn't offend again? What  
8 about this is making him a better citizen? And  
9 what about this is rehabilitative, which is, you  
10 know, the actual reason that we, you know,  
11 supposedly put people in jail?

12 I'm disgusted, and I really hope  
13 that, Warden Harper, that -- you better hope that  
14 this is the most justice that you'll ever see  
15 because I guarantee you if you saw any real  
16 justice, you'll be facing far worse than anything  
17 you've put people through in Allegheny County  
18 Jail.

19 Thank you.

20 JUDGE HOWSIE: Thank you.

21 Sam Lew.

22 MS. LEW: I'm not as tall. Hello,  
23 my name is Sam, and I am here to remind the Jail  
24 Oversight Board and the Jail Administration that  
25 Allegheny County voters passed a legally binding

1 referendum banning solitary confinement in the  
2 jail. Each month the jail releases a legally  
3 mandated segregated housing support and lists why  
4 people are placed in solitary confinement. The  
5 report for June is available. The jail states  
6 that three individuals were not given their  
7 legally required out-of-cell time because one had  
8 court, one was being transferred to restricted  
9 housing, and one was denied time due to  
10 behavioral issues. None of these are legally  
11 allowed reasons for the jail to deny an  
12 incarcerated person their right to time out of  
13 their cell.

14 Warden Harper knows that solitary  
15 confinement cannot be used as punishment, and his  
16 decision to violate the law due to unspecified  
17 behavioral issues is a crime. Nowhere in the  
18 referendum does it give the warden the power to  
19 decide when the referendum makes sense and when  
20 he should follow it. This is a clear and  
21 inarguable violation of the law, and the warden  
22 is flaunting his ability to violate it because he  
23 knows that no one is doing anything to prevent  
24 him from doing so. He does not fear  
25 accountability because the Board had failed to

1 enforce the referendum.

2 On the report, the jail lists full  
3 facility lockdowns for every weekend in June.  
4 I'm not sure how the Board is so comfortable with  
5 letting Warden Harper use solitary confinement to  
6 solve his staffing issues. Human and civil  
7 rights do not take breaks on the weekends, even  
8 if judges do. Every member of this Board has  
9 access to the Segregated Housing Report and can  
10 pinpoint the clear violations of this referendum.  
11 Then jail is not even pretending to follow the  
12 law anymore. They are boldly telling you that  
13 they refuse to do so.

14 No matter your thoughts about the  
15 referendum, you do not have the right to violate  
16 it. When we addressed the solitary confinement  
17 of individuals with mental health issues, a Board  
18 member defended the practice. You don't get to  
19 defend the jail's decision to break the law. It  
20 is deeply hypocritical to incarcerate people for  
21 allegedly breaking the law but then defend their  
22 jailers when they do the same. We are demanding  
23 that members of the Jail Oversight Board do their  
24 job and respect voters' choice by enforcing the  
25 ban on solitary confinement because now you are

1       complicit in continuing the civil and human  
2       rights violations of the people incarcerated at  
3       the Allegheny County Jail.

4               Thank you.

5               (Audience applause.)

6               JUDGE HOWSIE:   Brian Englert.

7               And that last name was Lew, L-E-W  
8       for anyone who didn't have it.

9               MR. ENGLERT:   My name is Brian  
10       Englert, E-N-G-L-E-R-T.   I represent the  
11       Correction Officers Union.   I actually was  
12       prepared to help John today.   I didn't have  
13       anything prepared, but I'll wing it.

14               We'll do the good, the bad, and the  
15       ugly.   The good is Officer Jack Feese, who was  
16       retired in 2017.   He won his case at the State  
17       Supreme Court, and the jail owes him roughly  
18       \$13,360.   You have 14 days to pay.   It's at  
19       6 percent interest.   I'd like to see a check  
20       mailed to his house Deputy Warden Toma.   I mean,  
21       he's been gone for five years now.   Can we get  
22       him his money before he dies?

23               Also good, food service.   The new  
24       food service vendor, everybody seems to like it.  
25       The inmates are pleased.   The food is good.   I

1 haven't heard one complaint.

2           Also, Laura Williams, a person I  
3 never thought in a million years I would say  
4 anything good about -- this is the same woman who  
5 told me I'm a horrible parent -- I watched her  
6 Prison Board Meeting, and I think she learned how  
7 to be a warden by working here because she does  
8 exactly the opposite of what she did in front of  
9 all of you. She answers questions. She brings  
10 required reports, and she holds people  
11 accountable, all things here that she ran out the  
12 clock on all of you on. She talked and talked  
13 and talked until her time was up. She does the  
14 exact opposite there, so she learned how to be a  
15 warden by being a deputy warden here, in a better  
16 way.

17           Also, as a President of the Union,  
18 myself and two other officers stopped the  
19 resignation of a newer officer. She had been  
20 forced 20 out of her last 23 days worked. All  
21 those overtimes were 8 hours except for one. We  
22 talked her out of it. She's a good officer. We  
23 encouraged her to stick with it. But the  
24 overtime for this new group is every single day.  
25 So nine officers getting forced every single day.

1                   Scheduling is only supposed to be  
2 five consecutive days. The crack scheduling team  
3 that the jail uses has scheduled some of these  
4 officers six and seven consecutive days in a row.

5                   Now the bad, Level 5 all page. For  
6 one year, I have been writing to this entire  
7 Board all the way up to Rich Fitzgerald, who  
8 doesn't care about anything, that the Level 5 All  
9 Page is broken. So you can't hear over the  
10 speakers on Level 5 or 5-M, and the control booth  
11 can't come over the panel if there's an  
12 emergency. No answer from anybody for a year.  
13 Does somebody have to die again for this to  
14 become a bigger issue? It's, we have a service  
15 contract. Get them out there to fix it. The  
16 end. This is not hard. This is basic blocking  
17 and tackling.

18                   There's a Job Fair. That's great,  
19 but it's really bad. It's in front of the jail.  
20 It's in front of the jail. If they wanted to  
21 work at the jail, they would have already  
22 applied. We now have a residency restriction  
23 that's lifted. Why are we not going to other  
24 counties and talking about how much we pay to get  
25 you to work there? Having a Job Fair -- that's

1       like having a car wash in front of a car wash.  
2       It makes no sense.

3                   And the ugly, the complaints in  
4       medical mirror the officer complaints from the  
5       same survey. The officers say that  
6       administration is inept and does not listen to us  
7       about our concerns. The medical survey mirrors  
8       that, and that's kind of terrible. You have  
9       somebody in charge of medical that's not  
10      qualified. That's like having a mechanic do your  
11      taxes. What sense does this make?

12                   JUDGE HOWSIE: Thank you, sir.

13                   MR. ENGLERT: As officers, we deal  
14      with the frustrations the inmates face. I have  
15      an inmate that had a chipped tooth, and I called  
16      the medical --

17                   JUDGE HOWSIE: Mr. Englert.

18                   MR. ENGLERT: This is very  
19      important.

20                   JUDGE HOWSIE: This is past your  
21      time.

22                   MR. ENGLERT: Well, you can have me  
23      removed. I called to get him a sick call, and  
24      they said we'll put in a sick call.

25                   JUDGE HOWSIE: Mr. Englert.

1 MR. ENGLERT: There were 1,419 sick  
2 calls in front of him since April. What sense  
3 does that make?

4 JUDGE HOWSIE: Thank you.  
5 Sharon Bonavoglia -- Bonavoglia,  
6 sorry.

7 (Audience applause.)

8 MS. BONA VOGLIA: Sharon Bonavoglia,  
9 B-O-N-A-V-O-G-L-I-A. This is the first that I'm  
10 hearing about Aaron Tipton, who I will remind all  
11 of us here is our neighbor, and I am desperately  
12 praying that he -- nor anybody else is added to  
13 this list.

14 We at PIIN would like to  
15 respectfully insist that this Board take action  
16 on the correctional officer survey and the  
17 healthcare worker survey presented tonight and at  
18 last month's meeting. It is quite clear that  
19 employees at the Allegheny County Jail have much  
20 to say to offer this Board and the administration  
21 at the jail that would help with retention of  
22 staff.

23 Also, we would like to shine a  
24 light, a spotlight on the need for exit  
25 interviews with any and all staff that leave

1 their positions anywhere in the Allegheny County  
2 Jail. Clearly, at the jail, as well as places  
3 like the Renewal Center, action on these surveys  
4 is life and death for anyone incarcerated under  
5 your care and oversight.

6 It is hard to find the patience  
7 with this Board and especially this  
8 administration, for which I will tell you sitting  
9 directly behind Warden Harper when Josh -- I  
10 don't know where he is -- when he was speaking,  
11 just when he was done speaking, there was  
12 something really amusing for Warden Harper. I'm  
13 not sure what it was, but he did share it with  
14 our Doctor of Philosophy, which I thought was  
15 pretty reprehensible, considering what the  
16 discussion was.

17 It is hard to find the patience  
18 with this Board and especially this  
19 administration, but I do hold on to the hope that  
20 the strength of your convictions, to uphold your  
21 mandate to care for those incarcerated in  
22 Allegheny County Jail, will give you the courage  
23 to act on these surveys.

24 And now, if you are physically  
25 able, please rise out of respect for the reading

1 of the names of the dead. I would personally  
2 invite the administration for the jail itself to  
3 rise. It's the least you could do.

4 Richard Lenhart, Robert Blake,  
5 Cody Still, Daniel Pastorek, John Brady,  
6 Martin Bucek, Robert Harper, Vinckley Harris,  
7 Justin Brady, Paul Allen, Roger Millspaugh,  
8 Paul Spisak, Gerald Thomas, Jerry Lee Ross, Jr.,  
9 Victor Joseph Zilinek, Ronald Andrus,  
10 Anthony Talotta, William Spencer, James  
11 Washington, Damon Leroy Kayes, and Tim Manino.

12 JUDGE HOWSIE: Thank you. Tim  
13 Stevens.

14 MR. STEVENS: Good afternoon. I'm  
15 urging --

16 JUDGE HOWSIE: Your name, please.

17 MR. STEVENS: Tim Stevens, Chairman  
18 of Black Political Empowerment Project, BPEP.

19 I'm urging that your entire Board  
20 agree to identify a time, date, place with  
21 sufficient time, preferably several hours, to  
22 fully review all the documents that were e-mailed  
23 to each of you today, or yesterday, July 5th, as  
24 well as any other documents that may have been  
25 shared with you over the past few months, and may

1 be shared with you today, all of which are aimed  
2 at identifying the various problems at the  
3 Allegheny County Jail, as well as possible  
4 solutions.

5 I'm also requesting that such an  
6 announcement be made at this afternoon's JOB  
7 meeting. The public has been pleading with you  
8 for months and requests that serious attention be  
9 given to the many issues and concerns that have  
10 been raised with regard to the conditions at the  
11 Allegheny County Jail. More importantly, the  
12 inmates who are housed at the Allegheny County  
13 Jail deserve this level of attention.

14 We've provided to each of you the  
15 following, the February 21, 2023, 19 Ways to Fix  
16 the Jail; the November 22, 2022, letter from the  
17 Black Political Empowerment Project to County  
18 Exec Rich Fitzgerald requesting a meeting with  
19 various community groups to share their concerns;  
20 the October 18, 2022, letter to County Executive  
21 Fitzgerald, Warden Harper, and the entire Jail  
22 Oversight Board requesting a review of the  
23 October 13, 2022, letter to BPEP from the mother  
24 of inmate Aaron Tipton.

25 The October 1, 2022, BPEP position

1 paper entitled An Open Letter Outlining Dangerous  
2 Conditions, A Plan for Action for the Allegheny  
3 County Jail; the March 2022 Pittsburgh Institute  
4 for Nonprofit Journalism article by Brittany  
5 Hailer, How Hard is it for Families to Get  
6 Information; the March 13, 2022, article by  
7 Brittany Hailer of the Pittsburgh Institute for  
8 Nonprofit Journalism entitled 13 Men Died After  
9 Going to the Allegheny County Jail; the  
10 September 16, 2021, press conference announcement  
11 to cancel the no-bid contract with Senior Team  
12 Leader Joseph Garcia and his company, Corrections  
13 Special Application Unit; the fall 2021  
14 University of Pittsburgh School of Social Work  
15 survey responses from individuals who were  
16 incarcerated.

17 In addition, BPEP also attached the  
18 new results analysis of the ACJ Healthcare Job  
19 Satisfaction Survey 2023 initiated by PIIN, which  
20 we found quite troubling and absolutely deserving  
21 of your collective attention.

22 It's beyond time to act. And I  
23 respectfully and courageously ask that this  
24 Oversight Board do so.

25 Thank you for your attention. I

1 hope you'll make that commitment collectively  
2 today. I know some of you are willing to do so,  
3 including one who is not present today.

4 Thank you.

5 (Audience applause.)

6 JUDGE HOWSIE: Roy Blankenship.

7 If you can state your name and  
8 spell your last name, it will be helpful.

9 MR. BLANKENSHIP: My name is Roy  
10 Blankenship, and that's R-O-Y  
11 B-L-A-N-K-E-N-S-H-I-P, J-R, Junior.

12 JUDGE HOWSIE: Thank you.

13 MR. BLANKENSHIP: First, I had a  
14 lot I wanted to say, but my fellow advocates in  
15 the room, they brought a lot of information to  
16 this Board. They presented a lot of viable  
17 things as far as what's happening at that jail.

18 The last time I was here, I spoke,  
19 and I also, as one of the other advocates did, I  
20 invoked (sic) that it was your duty, it's your  
21 right constitutionally to stand by these  
22 residents -- these -- of our county that are in  
23 that jail, especially the ones that haven't been  
24 convicted.

25 As we see, atrocities are still

1 going. It's been about four months. I'm not  
2 saying that the Board's not moving or doing  
3 anything, as Tim said, and I know many of you  
4 joined the Board to be able to do something to  
5 serve your community, but some others may just  
6 feel like it's a feather in their cap.

7 A human should not end up with --  
8 as a piece of cardboard that people are having to  
9 go stand in courtyards or in lobbies to say this  
10 is actually a person. This is a human life, you  
11 know? And their children, whoever, their mothers  
12 and fathers, this is what the end of their life  
13 is because of a lack of accountability on those  
14 who are supposed to oversee.

15 The Warden, as Mr. Mistick just  
16 mentioned, may be gone. He may still be here,  
17 but we do have the power, and I'm talking to all  
18 the residents and everyone in Allegheny County,  
19 that November is coming. Use your power to vote,  
20 because the next executive that sits in that seat  
21 will be someone who will take care of getting rid  
22 of anyone that's not serving the purpose of the  
23 people.

24 And I understand Mr. Mistick would  
25 probably make a great warden, but the staff at

1 the jail -- and I see that you guys need to look  
2 at this troubling issue. You have a fracturing  
3 of the whole jail system from the Warden who  
4 doesn't work with his staff. I mean, that should  
5 be alarming enough as you guys being the  
6 oversight. If you don't have your parts and  
7 pieces working together, that's not a team. And  
8 no matter what the purpose of that team, just  
9 like the Board not working together, nothing is  
10 going to get done. Mom says she wants to see  
11 something done before she goes.

12 So I implore the Board, please,  
13 stop letting our residents end up on cardboard.  
14 Thank you.

15 JUDGE HOWSIE: Will Parker.

16 MR. PARKER: Hello, everyone. My  
17 name is William Parker, W-I-L-L P-A-R-K-E-R.

18 First, like always, I like to lead  
19 with respect, so I'm here to talk first with --  
20 directly to Bethany Hallam and ask for an  
21 apology.

22 MS. HALLAM: For what, sir?

23 MR. PARKER: You don't know what I  
24 will be asking for an apology for?

25 MS. HALLAM: I do not.

1 MR. PARKER: So like I explained, I  
2 lead with respect before I go in. So I want you  
3 all to know on Juneteenth, on June 17th, I was  
4 arrested for protesting against the City's mayor.  
5 All of us have a right to express ourselves in  
6 ways that we want to. That's our freedom of  
7 speech. Everybody in here is doing the same  
8 thing that I did out there on that day, but  
9 Bethany Hallam took it upon herself to get next  
10 to me and purposely bump me multiple times  
11 intentionally. Does that ring a bell, Bethany?

12 MS. HALLAM: It does not.

13 MR. PARKER: Okay. I bet it  
14 doesn't, but this is what we deal with. We have  
15 these people who sit up here on this stage and  
16 want to acknowledge other wrongdoing but don't  
17 want to acknowledge their own. Okay, because of  
18 her wrongdoing, I was arrested. I was charged  
19 with a felony aggravated assault and multiple  
20 disorderly conducts. I was actually scheduled to  
21 have a preliminary hearing today, but those  
22 charges were withdrawn thanks to the grace of  
23 God. See, God didn't want me to go down there to  
24 hold court. He wanted me to come right here and  
25 hold court with you in the big house and hold you

1       accountable, because I don't know if you were  
2       drunk. I don't know if you were on drugs, but  
3       I'm here to ask you to never butt in -- in this  
4       case, bump in the business that a black man has  
5       with another black man, okay? I don't know how  
6       you feel. You get up here, and you do your  
7       little snarky bit, and you feel comfortable  
8       around your little groupies and imposters, but  
9       I'm not having that. You can't do that. Because  
10      of your actions, it led to my incarceration on a  
11      day that we're supposed to be celebrating  
12      freedom. I was incarcerated, and then you walked  
13      down the street and took pictures with these  
14      political, elected officials and then placed a  
15      demon emoji under their pictures. Does that ring  
16      a bell?

17                   MS. HALLAM: No, it does not.

18                   MR. PARKER: I bet it doesn't. And  
19      this is why I won't allow her to come and  
20      continue to hold people like Elliot Howsie  
21      accountable without holding yourself accountable.  
22      I will not allow you to hold Warden Harper  
23      accountable without holding yourself accountable  
24      because right now, I'm looking at you as a jail  
25      reform fraud. What are you trying to do? Make

1       sure people get a pillow after you send them down  
2       there. Is that what you're trying to do? That's  
3       because it's not right. And you should be the  
4       first one to apologize. We all have the right to  
5       express ourself and that shouldn't be taken away  
6       from anybody.

7                        Secondly, everybody likes to come  
8       down here and ridicule these people. And I'm not  
9       giving nobody up here no pass, but they're doing  
10      a difficult job. What are you doing when you  
11      leave here? Are you shopping black?

12                    AUDIENCE MEMBER: I can tell you --

13                    MR. PARKER: Hold up, hold up, hold  
14      up. I didn't speak when you were speaking. Hold  
15      up. I did not speak.

16                    AUDIENCE MEMBER: Get him out.

17                    MR. PARKER: Listen, that's right.

18                    DEPUTY: Listen, it's his time,  
19      period.

20                    MR. PARKER: That's right. Now  
21      listen, what do you do when you leave here? Are  
22      you going to shop black? Are you going to  
23      prevent these people from going down there to the  
24      Allegheny County Jail, because it seems like a  
25      lot of people like to cry once they're already in

1 there, but what are you doing to prevent them  
2 from going there in the first place? Are you  
3 shopping black? Are you supporting black-owned  
4 businesses, because that's who's down there at  
5 the Allegheny County Jail, black men and women,  
6 overpopulating. Y'all not holding up your end of  
7 the bargain.

8 Back to you, Bethany, respectfully.

9 JUDGE HOWSIE: Thank you,  
10 Mr. Parker.

11 Brad Korinski.

12 MR. KORINSKI: Brad Korinski,  
13 K-O-R-I-N-S-K-I, with \$10,000 earning interest in  
14 the bank. I think the only person that doesn't  
15 want Mr. Fitzgerald to come to the Jail Board  
16 meeting is my wife. She says he better not show  
17 up. But how ironic that in a week where  
18 Mr. Fitzgerald goes to court to prevent minimum  
19 wage to be raised to the most vulnerable of our  
20 county employees, he'll go to court for that, but  
21 he won't show up here for the most vulnerable  
22 people in Allegheny County at the jail. And why  
23 is that important? Because everything that we  
24 say about Warden Harper, everything that John K.  
25 and others have painstakingly put together and

1 read -- I mean, what an act of citizenship that  
2 was.

3 (Audience applause.)

4 MR. KORINSKI: And this Board  
5 should put in a proportionate amount of effort to  
6 fix the problems identified in that report as was  
7 put into the construction and the presentation of  
8 that report. But everything said about  
9 Warden Harper could be fixed by the man in the  
10 corner office who does nothing.

11 And Philosophy has had kind of a  
12 bad inning at this meeting, so I'm here to speak  
13 on behalf of philosophy. Maybe it holds a  
14 solution, and that's called Occam's razor, which  
15 is often the simplest explanation is the best,  
16 and this Board should employ Occam's razor to fix  
17 the problems of John K.'s report. Get a  
18 committee and call upon the licensed  
19 professionals in the jail. Get answers from  
20 those persons who hold a license and who will  
21 tell you what is actually happening and then set  
22 forth a plan of action to correct it. This Board  
23 should not be satisfied without medically  
24 licensed individuals making the medical calls.  
25 It's been a problem year after year after year,

1 and this Board should stop it with a vote.

2 Lastly, you're going to vote on the  
3 liaison position. The liaison position is a good  
4 idea. Please vote on the Memorandum of  
5 Understanding that sets forth what the liaison's  
6 duties and responsibilities are, and as well,  
7 what the office in which the liaison is being  
8 housed will do with the liaison. Don't trust the  
9 liaison to the Sheriff's Office.

10 Thank you.

11 JUDGE HOWSIE: Thank you.

12 Rachel Radke.

13 MS. RADKE: Sorry. Lost my place.

14 Okay. Rachel Radke, R-A-D-K-E.

15 JUDGE HOWSIE: Thank you.

16 MS. RADKE: So in my real life  
17 outside of the Gold Room, I am a mathematician.  
18 So as a result, I tend to look at data  
19 everywhere. I presented a lot of data to this  
20 Board over the course of this year because data  
21 is really the most objective and one of the most  
22 effective ways that we can inform policy and  
23 evaluate the ways we enact that policy.

24 So each week when we come into this  
25 meeting, we get this packet, right? It's got

1 like a lot of data in it, but it's missing some  
2 really important data. And I want to talk about  
3 the piece of data that would tell us how many  
4 overdoses happened in the jail during this month,  
5 because we know a lot. Like we know how many  
6 Jewish people are in the jail. We know how many  
7 people went to an NA meeting, but we're not  
8 finding out how many people overdose on fentanyl,  
9 and that seems wrong to me.

10           So -- I'm sorry, I lost my place.  
11 The Jail Oversight Board in Bucks County, PA,  
12 acted upon this very issue after they had their  
13 sixth in-house overdose. The Jail Oversight  
14 Board in Bucks adopted a Motion requiring the  
15 jail to notify the Board of all overdoses, fatal  
16 or not. Without tracking this piece of data from  
17 month to month, how will we ever know the true  
18 state of things inside the jail? How can we  
19 evaluate the need of the people in the jail? How  
20 can we evaluate the effectiveness of any  
21 interventions? This is a no-brainer. We need  
22 this number.

23           Along the same lines, the Delaware  
24 County Jail Oversight Board took action to  
25 address the overdose crisis in their facility.

1 They adopted a resolution calling for the  
2 expansion of MOUD at the jail to include both  
3 continuation and induction and for the jail to do  
4 so on a reasonable timeline.

5 Now, according to the PA State  
6 Legislature, this Jail Oversight Board is acting  
7 under the same statute as those Jail Oversight  
8 Boards. They're responsible for the oversight of  
9 the health and safekeeping of inmates, and so I'm  
10 calling on this Board today to take two simple  
11 actions. One, put forth a motion requiring the  
12 jail to document and provide the number of drug  
13 overdoses that occur within their population each  
14 month beginning today. We know they have the  
15 number. It can't be a secret. We need to have  
16 it.

17 Two, put forth a resolution calling  
18 for the expansion of MOUD at the ACJ and  
19 instituting a reasonable timeline for it to  
20 happen.

21 Thank you.

22 JUDGE HOWSIE: Thank you.

23 (Audience applause.)

24 JUDGE HOWSIE: Hopefully, everyone  
25 had an opportunity to review the minutes from the

1 last meeting.

2 MS. HALLAM: Judge Howsie, before  
3 we move on, I think this is the most appropriate  
4 place to do this, but as you know, I serve as  
5 President Pat Catena's designee on this Board,  
6 and since I am here as a designee, he asked if I  
7 could read a statement from him before the end of  
8 Public Comments.

9 JUDGE HOWSIE: (Nodding head.)

10 MS. HALLAM: Thank you. So  
11 President Catena is the President of County  
12 Council. He had intended on giving this letter  
13 to the County Executive would he be here today,  
14 but, you know, he wasn't. So I just would like  
15 to read it for him.

16 "I believe that all of us at this  
17 point are keenly aware of significant issues at  
18 the Allegheny County Jail. According to  
19 information recently made available to all of us,  
20 correction officers employed at the Allegheny  
21 County Jail reported a variety of disturbing  
22 trends in their responses to a survey. Over  
23 90 percent of the respondents of the survey  
24 expressed disagreement with the statement that  
25 they feel valued and respected as a member of the

1 ACJ staff, and over 59 percent of the respondents  
2 expressed this as a statement with which they  
3 strongly disagree. 92 percent indicated that  
4 they have increased concerns about their personal  
5 safety while at work. 100 percent indicated that  
6 the ACJ is not adequately staffed with correction  
7 officers. Over 76 percent indicated that they  
8 are asked to perform work outside of their job  
9 descriptions, and almost 72 percent indicated  
10 that they do not feel they have been adequately  
11 trained to perform all of the tasks that they are  
12 required to undertake. About 93 percent  
13 indicated that forced overtime has disrupted  
14 their lives and nearly 90 percent indicated that  
15 it has worsened their physical and/or mental  
16 health. Almost 90 percent indicated that ACJ  
17 management does not understand the challenges  
18 correction officers face in their jobs, and over  
19 90 percent indicated that management is not  
20 receptive to their feedback or suggestions.

21 Similarly dire options -- sorry,  
22 similarly dire opinions were expressed in the  
23 survey of healthcare workers at the ACJ, but I  
24 want to highlight a couple of results. Well over  
25 90 percent of respondents indicated that morale

1 is a major problem among staff. Over 80 percent  
2 said that they are unable to complete all of  
3 their tasks while providing quality healthcare.  
4 Almost 97 percent indicated that the ACJ's  
5 healthcare administrator is unqualified to make  
6 medical decisions about patient healthcare.  
7 100 percent indicated that there are not enough  
8 healthcare employees to fill all shifts.

9 This data is not theoretical. It  
10 comes from real individuals who are in the  
11 Allegheny County Jail daily. It is simply  
12 impossible to see this information as anything  
13 other than a damning indictment of the working  
14 environment at the Allegheny County Jail, and is  
15 a clear warning to all of us. The picture it  
16 paints is of a caustic, toxic workplace in which  
17 inadequate numbers of staff are forced to perform  
18 to the point of exhaustion tasks for which they  
19 were not trained and in which supervisory staff  
20 is unresponsive, unqualified, or both.

21 This impression is largely borne  
22 out by anecdotal evidence from the ACPEIU Safety  
23 Reports, which are replete with examples of  
24 inadequate staffing and its harmful effects upon  
25 both ACJ employees and the residents.

1                   Essentially every day in June, for  
2                   example, this report indicates that there were no  
3                   medical and/or mental health professionals  
4                   present in Intake. The June report is 11 pages  
5                   long, and essentially all of it details specific  
6                   examples of problematic consequences of  
7                   inadequate staffing levels.

8                   This situation is unacceptable. We  
9                   owe our employees a safe working environment,  
10                  staffed at adequate levels to meet the needs of  
11                  the facility. In this context, employee  
12                  retention is just as vital as hiring, and a clear  
13                  plan for addressing the obvious concerns of  
14                  existing ACJ employees must be created.

15                  We also have a duty to the  
16                  individuals incarcerated at the Allegheny County  
17                  Jail, for if the goal of the criminal justice  
18                  system is rehabilitation, we must ensure that  
19                  individuals' mental and physical health needs are  
20                  adequately addressed and that the environment at  
21                  the ACJ is not so devoid of supervision that it  
22                  essentially requires the individuals conduct more  
23                  criminal activities merely in an effort to keep  
24                  themselves safe.

25                  I no longer care about assigning

1 blame. The shortcomings at the ACJ over the last  
2 decade are too many to recite, and the tangible  
3 impacts of understaffing due to those  
4 shortcomings have reached a level at which they  
5 simply must be addressed. Too many people have  
6 died in the County's custody already, and too  
7 many people are not receiving the services they  
8 require to even begin contemplating effective  
9 rehabilitation.

10           Platitudes and partial truths  
11 designed to deflect blame are useless wastes of  
12 time and effort, and whatever is necessary to  
13 remedy the staffing deficiency must be done  
14 immediately.

15           Accordingly, I have charged Ms.  
16 Hallam, my representative on this Body, to  
17 prioritize staff hiring and retention efforts in  
18 her activities. I strongly urge the Board to do  
19 the same and fervently hope that by working  
20 together, we can avoid possible outcomes like the  
21 Council conducting an investigation or holding  
22 public hearings regarding the Allegheny County  
23 Jail. Sincerely, Patrick J. Catena, President of  
24 Council."

25           Thank you.

1 JUDGE HOWSIE: Thank you.

2 With that being said, I hope  
3 everyone had an opportunity to review the minutes  
4 from the May 18th meeting and the June 8th  
5 meeting.

6 Is there a Motion?

7 JUDGE LAZZARA: So moved.

8 JUDGE HOWSIE: Is there a second?

9 MR. KRAUS: Second.

10 JUDGE HOWSIE: Anyone opposed?

11 (No response.)

12 JUDGE HOWSIE: All in favor?

13 (Chorus of ayes.)

14 JUDGE HOWSIE: All right. The  
15 Motion carries. The minutes will be approved.

16 **OLD BUSINESS**

17 JUDGE HOWSIE: Old Business, Judge  
18 Lazzara.

19 JUDGE LAZZARA: All right. So what  
20 we are trying to do is have the Jail Liaison  
21 position start. We think it will be incredibly  
22 helpful to the fact-finding mission of this Board  
23 to find out exactly what goes on in the jail.

24 The Incarcerated Individual Welfare  
25 Subcommittee was tasked with finding the jail

1 liaison and making a recommendation to this  
2 Board. We've done that. We've looked through an  
3 awful lot of resumes. We conducted interviews.  
4 We had votes amongst ourselves, and the  
5 Incarcerated Individual Welfare Subcommittee is  
6 now making a recommendation for the hiring of  
7 Ms. Karen Duffola, D-U-F-F-O-L-A, to be the Jail  
8 Oversight Board liaison.

9 So at this point in time, I would  
10 make that Motion that this Board accept the IIWF  
11 Subcommittee recommendation and that we undertake  
12 the hiring of Ms. Duffola. I mispronounce her  
13 name all the time. I'm sorry.

14 JUDGE HOWSIE: Is there a second?

15 MR. KRAUS: I second.

16 JUDGE HOWSIE: Is there any  
17 discussion?

18 MS. HALLAM: Yes, Judge Howsie.

19 JUDGE HOWSIE: Okay.

20 MS. HALLAM: Yeah, I'm trying to  
21 think of where to start. Okay. So I do have a  
22 couple of questions because I still do not think  
23 that without an MOU that this is made clear what  
24 this arrangement looks like.

25 So I guess my question, first, does

1 this liaison serve at the will of the Sheriff or  
2 at the will of this Board?

3 MR. KRAUS: The Board.

4 MS. HALLAM: The Board as a whole.  
5 So if any member decides that the person is not  
6 fulfilling their job requirements, then an  
7 individual member could Motion, and there would  
8 be a vote?

9 JUDGE LAZZARA: A vote for what?

10 MS. HALLAM: To remove the person  
11 as the liaison.

12 JUDGE LAZZARA: I would think that  
13 we would first want to have a discussion about  
14 whether they're doing that and -- but this person  
15 is only being housed in the Sheriff's Department  
16 because there needs to be a place that payroll  
17 can be done. And we've been through that a  
18 million times. I mean, this is not, you know --  
19 I'm sorry, Sheriff Kraus' -- you know, going to  
20 be the one managing. He is there to make sure  
21 that this person is housed and that they are  
22 doing their job.

23 But the Board, this person is  
24 employed by the Board.

25 MS. HALLAM: Okay. And is there a

1 reason to hire this person now before any kind of  
2 agreement has been drafted upon what the actual  
3 job will look like?

4 JUDGE LAZZARA: There is a job  
5 description that has been out there for quite a  
6 long time that we've all agreed on, that we all  
7 voted on in our subcommittee, that has the duties  
8 and responsibilities of this person. You know,  
9 if we decide as a Board that we would like to  
10 have something more, you know, detailed, we can  
11 certainly do that. But at this point, we have  
12 been trying to hire this position since COVID.

13 JUDGE HOWSIE: Before COVID.

14 JUDGE LAZZARA: Yeah, actually,  
15 before COVID. And so this is something that we  
16 need. We would like to be able to have the facts  
17 from the jail. We hear things all the time from  
18 both sides. It would be nice to have a pair of  
19 eyes and ears in the jail to be able to tell us  
20 what's going on, and it's been far too long. So  
21 we would like to get this person onboard, and  
22 then we can work on the Memorandum of  
23 Understanding after that point. But we have the  
24 job description at this point in time. Everybody  
25 agreed on it.

1 MS. HALLAM: Yes. I'm not  
2 specifically referencing the job description as  
3 much as how the position exists. Again, I have  
4 questions about who they report to. Can  
5 individual members tell the liaison to do  
6 something? Are they responsible for the  
7 information that they collect to be given to  
8 every member of the Board, or are there able to  
9 be confidential conversations between the liaison  
10 and one member of the Board? You know, I think  
11 that there's a lot of questions about how the  
12 actual position works.

13 And remember, you say that we've  
14 had a lot of conversations about this, but the  
15 public has not been privy to any of those  
16 conversations whatsoever because all of this was  
17 done outside of public meetings.

18 JUDGE LAZZARA: Right. At this  
19 point we have a job description, we have  
20 recommendation of a person, and let's get the  
21 person onboard. This person still has to give  
22 notice. There is still time that we can talk  
23 about the Memorandum of Understanding, but at  
24 this point, let's get the process rolling. It's  
25 been far too long.

1 MS. HALLAM: Okay. And so  
2 specifically about -- you said that there was a  
3 vote prior to this coming to fruition here today.  
4 Who voted and had their votes cast in the  
5 decision to pick this liaison?

6 JUDGE LAZZARA: There was a  
7 recommendation made by the IIWF Subcommittee.  
8 This entire Board was notified of that, and the  
9 recommendation was to hire Ms. Duffola.

10 MS. HALLAM: Yes, Judge Lazzara.  
11 I'm sorry. My question was specifically, who  
12 voted in that process?

13 JUDGE LAZZARA: The IIWF  
14 Subcommittee members.

15 MS. HALLAM: Okay. And who are the  
16 members of the IIWF Subcommittee?

17 JUDGE LAZZARA: Ms. Hallam, you're  
18 quite familiar with who are the members of that  
19 subcommittee. It is you. It is Terri Klein. It  
20 is me. It is the Sheriff. It is a  
21 representative from the -- I'm sorry. I'm  
22 missing words -- Mr. Fitzgerald's office and it  
23 is a rep- -- it is also Mr. O'Connor.

24 MS. HALLAM: So Mr. O'Connor's vote  
25 was cast in the vote to recommend?

1 JUDGE LAZZARA: He did not vote.  
2 He was unavailable at that point in time, and he  
3 indicated that the vote could proceed without  
4 him.

5 MS. HALLAM: Okay. And then you  
6 said a representative's vote was counted; is that  
7 correct? Can you clarify who that is?

8 JUDGE LAZZARA: It was absolutely  
9 true. It was Mr. Pilarski who has voted in all  
10 of the other ones and whose predecessor also  
11 voted in all of the other meetings in terms of  
12 even the creation of this position. There's  
13 always been a representative, and a person has  
14 always had the ability to vote.

15 MS. HALLAM: And you are saying  
16 that you believe it is not contradictory to the  
17 State statute that that person was allowed?

18 JUDGE LAZZARA: I am not making  
19 legal rulings at this point, Ms. Hallam. I am  
20 simply indicating that that has always been the  
21 precedent of this subcommittee that that person  
22 voted and that that vote was counted.

23 MS. HALLAM: Can you reference  
24 other votes that that person took?

25 JUDGE HOWSIE: Ms. Hallam, everyone

1 was present with the committee. Everyone had a  
2 role to play in the interviews. Everyone had an  
3 opportunity to vet each candidate at the end of  
4 that process, which you participated in.

5 MS. HALLAM: Correct.

6 JUDGE HOWSIE: A name was selected.  
7 That name is being presented to the Board. So at  
8 this point in time --

9 MS. HALLAM: Excuse me,  
10 Judge Howsie. I want to clarify something  
11 because I'm specifically raising an issue with  
12 the way that the vote that led to this vote today  
13 happened, because I believe that it was in direct  
14 violation of a State statute. I believe that it  
15 was done in violation of the Sunshine Act.

16 JUDGE HOWSIE: Right.

17 MS. HALLAM: I believe that there  
18 were lots of issues for how it came to be, so I'd  
19 like those issues that are currently in front of  
20 the courts to be resolved before we proceed with  
21 something that I believe violates the law.

22 JUDGE LAZZARA: This is not a  
23 discovery deposition.

24 JUDGE HOWSIE: It's not.

25 MS. HALLAM: I did not allege that

1 it was. I'm just saying we are being sued as a  
2 result of this vote. Should we maybe not try to  
3 rush it through?

4 JUDGE HOWSIE: We're not rushing  
5 it. It's been like four years.

6 With that being said, anyone else  
7 have any comments they'd like to make?

8 (No response.)

9 JUDGE HOWSIE: All right. With  
10 that being said --

11 MR. HERBINKO: Actually, yes.

12 JUDGE HOWSIE: Mr. Herbinko.

13 MR. HERBINKO: As a non-voting  
14 designee of Controller, we will be abstaining  
15 from this because we have significant concerns  
16 over the lack of discussion of the MOU. We feel  
17 that that needs to be in place before we could go  
18 any further with this.

19 JUDGE HOWSIE: Thank you.

20 All right. With that being said,  
21 is there -- we've had a Motion that's been  
22 properly seconded. All in favor.

23 (Chorus of ayes.)

24 JUDGE HOWSIE: Any opposed?

25 MS. HALLAM: Can I call for a roll

1 call vote, please?

2 JUDGE HOWSIE: Sure.

3 Mr. Abass Kamara?

4 MR. KAMARA: Aye.

5 JUDGE HOWSIE: Mr. Herbinko

6 indicated he is abstaining.

7 Ms. Liptak, abstaining.

8 JUDGE LAZZARA: Aye.

9 MR. KRAUS: Aye.

10 MS. MOSS: Aye.

11 MS. HALLAM: No.

12 JUDGE HOWSIE: All right. So with  
13 that, the ayes carry the vote. Ms. Duffola is  
14 going to be hired as the liaison position.

15 Judge Lazzara, do you have a report  
16 regarding the IIWF Subcommittee?

17 JUDGE LAZZARA: That was the main  
18 business of the IIWF Subcommittee. We have not  
19 met since that point in time other than Ms. Klein  
20 and I, and a representative of Mr. O'Connor's  
21 office did meet with the members of PIIN. We had  
22 what I felt was a very great conversation with  
23 the folks, and we are hoping to continue the  
24 dialog with them. I know they wanted to meet in  
25 July -- or in June, and I'm sorry that simply

1 wasn't about to happen given my schedule, but we  
2 are planning on having additional meetings  
3 because we think that there can be some benefit  
4 from them offering some advice and assistance for  
5 things at the jail, and for us also to explain  
6 where things are coming from. So I really  
7 thought that it was a very productive meeting,  
8 and I'm very glad the members, some of whom spoke  
9 tonight, took the time to meet with us and that  
10 we had at least a portion of our subcommittee  
11 that was available to meet. So that's the last  
12 thing that we've done in the subcommittee.

13 I also have the report on the jail  
14 population, and I was able to provide --  
15 Ms. Hallam, I wasn't sure whether we'd be able to  
16 have it for July, but we were able to get all of  
17 the information that also relates to the  
18 Behavioral Assessment Unit.

19 So the status of the jail  
20 population as of 4:30 p.m. on July 4, 2023, was  
21 as follows: There are 1,488 people in the  
22 Allegheny County Jail and 126 people in  
23 alternative housing. This excludes any people  
24 with holds by the Federal Government. Some  
25 people can be held in the jail for multiple

1 reasons, which could include probation and parole  
2 detainers, other county holds, or sentences.

3 6 percent, that is 88 of the people  
4 in the jail itself, are serving a county sentence  
5 as a result of a new conviction. 22 percent,  
6 that is 28 of 126 people in alternative housing,  
7 are serving a county sentence.

8 22 percent of the people in the  
9 jail itself, that is 327 people have a hold from  
10 an external jurisdiction, including other  
11 counties or for the State. No individuals in  
12 alternative housing have a hold from any other  
13 jurisdiction.

14 42 percent of the people, that is  
15 620 people in the Allegheny County Jail, were  
16 detained by Allegheny County Adult Probation.  
17 These individuals were detained for violating  
18 probation on a crime for which they had  
19 previously been convicted. Of those, 86 percent,  
20 that is 532, were of moderate or high risk to  
21 re-offend based on their Probation Proxy Risk  
22 Score. The remainder were being held for a  
23 variety of reasons, including violent felonies,  
24 awaiting mental health commitments or service  
25 plans, and other reasons related to their own

1 safety or the safety of the community.  
2 29 percent, that is 37 of 126 people in  
3 alternative housing, were detained by Allegheny  
4 County Probation. 84 percent of those folks,  
5 that is 31 of 37 people that were detained in  
6 alternative housing, were of moderate or high  
7 risk based on their proxy score.

8 22 individuals in the jail itself  
9 have been seen by the Behavioral Assessment Unit.  
10 17 are male, and 5 are female. All individuals  
11 seen by the Behavioral Assessment Unit were seen  
12 in the jail itself and not in alternative  
13 housing.

14 25 individuals in the jail itself  
15 are committed to Torrance State Hospital and  
16 awaiting admission. Additionally, 24 individuals  
17 currently at Torrance State Hospital are wards of  
18 the Allegheny County Jail. No individuals in  
19 alternative housing are awaiting Torrance State  
20 Hospital commitments.

21 27 percent of people in the jail  
22 itself were held pretrial only. That is 402,  
23 meaning they had no other reason, such as  
24 external holds or detainers keeping them in the  
25 jail. Of these people, under 2 percent screened

1 as low risk for re-offense based on the Allegheny  
2 County Locally Validated Pretrial Risk Instrument  
3 without consideration of the seriousness of the  
4 current offense.

5 13 percent, that is 17 of 126  
6 people in alternative housing, were held pretrial  
7 only. None screened as low risk for re-offense  
8 based on Allegheny County's Validated Pretrial  
9 Instrument.

10 90 individuals, approximately 6  
11 percent of the jail population, are currently  
12 being held in the Allegheny County Jail pretrial  
13 only on monetary bond. Of these individuals,  
14 only 12 screened as low risk for new criminal  
15 activity. There are currently no individuals in  
16 alternative housing held pretrial only on  
17 monetary bonds. All pretrial monetary bond cases  
18 are reviewed for possible bail modification.

19 Just so we know where we're at, the  
20 Allegheny County Jail population excluding  
21 Federal holds but including alternative housing  
22 on March 16, 2022, which was right before the  
23 pandemic and when the world stopped was 2075,  
24 including 1,859 inmates in the jail itself and  
25 216 in alternative housing facilities.

1                   As of July 4, 2023, as I've  
2                   previously read, the inmate population was 1,488,  
3                   a 20 percent decrease. And the alternative  
4                   housing population was 126, a 42 percent  
5                   decrease.

6                   The detainer population in the jail  
7                   itself on March 16, 2022, was 889, and on  
8                   July 4, 2023, was 620, which is a 30 percent  
9                   decrease.

10                   So that is the report. Yes.

11                   MS. HALLAM: Two questions. The  
12                   first one, can you e-mail this too?

13                   JUDGE LAZZARA: I did.

14                   MS. HALLAM: Oh, you did e-mail  
15                   that? I didn't see it.

16                   JUDGE LAZZARA: Yeah, I'm sorry.  
17                   I've had --

18                   MS. HALLAM: That's okay.

19                   JUDGE LAZZARA: -- cases all  
20                   after- -- into the afternoon.

21                   MS. HALLAM: I'm going through my  
22                   inbox.

23                   JUDGE LAZZARA: So it should be in  
24                   your inbox. I did it probably about -- I'm not  
25                   sure if I did it at 1 or at 3, but it should be

1 in there.

2 MS. HALLAM: Okay. Thank you.

3 JUDGE LAZZARA: It went to  
4 everybody on the Board.

5 MS. HALLAM: Thank you.

6 And then my second question is, and  
7 I know I've seen this on the report before, but  
8 all pretrial monetary bond cases are reviewed for  
9 possible bail modification?

10 JUDGE LAZZARA: Correct.

11 MS. HALLAM: What does that look  
12 like? Like how are they reviewed?

13 JUDGE LAZZARA: What happens is  
14 sometimes those monetary bails are set at the  
15 lower court level, so at the magisterial district  
16 justice level, and so pretrial services  
17 automatically flag those and brings them up to a  
18 Court of Common Pleas Judge. So those are all  
19 reviewed in Motions Court by a Court of Common  
20 Pleas Judge. Some of them are changed. Some of  
21 them are maintained, depending on what is  
22 presented to that judge.

23 MS. HALLAM: Okay. Thank you.

24 JUDGE LAZZARA: And that depends on  
25 who is doing Motions on that day.

1 MS. HALLAM: Okay. And it's -- so  
2 is it everyone who gets arraigned? I just really  
3 don't know. Is there any situation where an MDJ  
4 isn't the one setting the initial bond or is it  
5 basically every bond?

6 JUDGE LAZZARA: Generally, they're  
7 being set down below. And then if it's a  
8 monetary bond, they're automatically reviewed.  
9 That's the policy of the Pretrial Services  
10 Office.

11 MS. HALLAM: Okay. And then  
12 non-mons that are through the MDJs are also  
13 reviewed, or is it just monetaries?

14 JUDGE LAZZARA: Monetaries are  
15 automatically reviewed. The other ones can be  
16 reviewed if someone asks for the review.

17 MS. HALLAM: Okay.

18 JUDGE LAZZARA: Sometimes the  
19 review is asked for by Pretrial Services, so they  
20 will look at what was done down below and say  
21 that, hey, I think we can change this, and  
22 they'll go to Motions and ask. Sometimes it's a  
23 defense attorney on behalf of an incarcerated  
24 individual. So it all depends.

25 MS. HALLAM: So -- and that's

1 without exception, all monetary bonds are  
2 reviewed without exception?

3 JUDGE LAZZARA: It's my  
4 understanding, yes. I mean, I'm not Pretrial  
5 Services, and I don't do Motions, but that's my  
6 understanding of what we do is every one of them  
7 that's monetary gets reviewed.

8 MS. HALLAM: Okay. Cool. Thank  
9 you.

10 JUDGE LAZZARA: That doesn't mean  
11 that everyone that's monetary can get a change.

12 MS. HALLAM: Right.

13 JUDGE LAZZARA: That's not the  
14 case.

15 MS. HALLAM: Okay. Thank you.

16 JUDGE HOWSIE: I think the reason  
17 is because whenever bail is set at preliminary  
18 arraignment, there's never a recommendation of  
19 the monetary condition. So when district judges,  
20 magisterial district judges impose a monetary  
21 condition, it's always reviewed because there's  
22 never a recommendation, including a monetary  
23 condition.

24 The DA's office can also ask that a  
25 person's bond condition be changed as well.

1 JUDGE LAZZARA: And Motions are  
2 heard every single day --

3 JUDGE HOWSIE: Monday through  
4 Friday.

5 JUDGE LAZZARA: -- in the Court of  
6 Common Pleas of the Criminal Division. And so  
7 every single day's Motions are heard and dealt  
8 with.

9 MS. HALLAM: Even on the weekend  
10 and holidays?

11 JUDGE LAZZARA: Oh, no. Five days  
12 a week, Monday through Friday.

13 MS. HALLAM: All right.

14 JUDGE LAZZARA: Every day that the  
15 courts are opened.

16 JUDGE HOWSIE: Thank you.

17 With that being said, would you  
18 like to make a Motion for New Business?

19 MS. HALLAM: Oh, sure. I actually  
20 have a question about this, but I guess I'll  
21 Motion and get a Second first.

22 Motion to disburse Incarcerated  
23 Individual Welfare Fund into -- funds into the  
24 joint tablet commissary account of each  
25 incarcerated person in the Allegheny County Jail

1 based on the total population on the first day of  
2 July, August, and September 2023. Each person  
3 shall receive \$125 per month.

4 I'd like to Motion to approve and  
5 ask for a Second.

6 MR. HERBINKO: Second.

7 JUDGE LAZZARA: Second. Sorry. We  
8 had two seconds.

9 JUDGE HOWSIE: All in --

10 MS. HALLAM: Well, yeah. In  
11 discussion, I just had a quick question about  
12 this.

13 So last month, we didn't vote on  
14 this. Does that mean June they didn't get \$125?

15 JUDGE HOWSIE: They got the \$125.  
16 What that means is this month it will be delayed.

17 MS. HALLAM: It will be delayed  
18 because we're just approving it now for the July,  
19 so it won't be at the beginning?

20 JUDGE HOWSIE: Yeah.

21 MS. HALLAM: Okay. So no months  
22 will be missed?

23 JUDGE HOWSIE: Correct.

24 MS. HALLAM: Okay. Cool.

25 MR. HERBINKO: Before we vote, I

1 wanted to make a note that the Controller's  
2 Office did an analysis on this fund. We actually  
3 included it in all your packets. It's on our  
4 website if you want to take a look at it. I know  
5 there's some questions from members of this  
6 Board, and probably the general public about the  
7 fund, so we broke it down for everyone.

8 MS. HALLAM: Thank you. And  
9 Judge Howsie, I'd like a roll call vote on this,  
10 too, please.

11 JUDGE HOWSIE: All in favor?  
12 (Chorus of ayes.)

13 MS. HALLAM: Roll call vote,  
14 please.

15 JUDGE HOWSIE: I'm about to.

16 MS. HALLAM: Okay.

17 JUDGE HOWSIE: Mr. Kamara?

18 MR. KAMARA: Aye.

19 JUDGE HOWSIE: Mr. Herbinko?

20 MR. HERBINKO: Abstaining as a  
21 non-voting designee.

22 JUDGE HOWSIE: Ms. Liptak.

23 MS. LIPTAK: (Shaking head.)

24 JUDGE HOWSIE: Abstaining.

25 MS. HALLAM: I'm sorry. I didn't

1 hear Ms. Liptak's vote.

2 JUDGE HOWSIE: She's abstaining.

3 Judge Lazzara?

4 JUDGE LAZZARA: Aye.

5 JUDGE HOWSIE: Sheriff Kraus?

6 MR. KRAUS: Aye.

7 JUDGE HOWSIE: Gayle Moss?

8 MS. MOSS: Aye.

9 JUDGE HOWSIE: Bethany Hallam?

10 MS. HALLAM: I'm an aye, but for  
11 the record, Robert's Rules does require an  
12 explanation if you're abstaining, and I notice --  
13 I think she abstained from the first vote today  
14 too, and I was wondering if Ms. Liptak could give  
15 an explanation why.

16 JUDGE HOWSIE: She's abstaining.  
17 She's not voting, just like Mr. Herbinko did.

18 We'll now move on to the --

19 MS. HALLAM: Is that the reason,  
20 Ms. Liptak?

21 JUDGE HOWSIE: We'll now move on to  
22 the Warden's Report.

23 MS. LIPTAK: Address the chair.  
24 You don't address me. Address the chair.

25 JUDGE HOWSIE: Warden's Report.

1                   WARDEN HARPER: Good evening,  
2 Board.

3                   JUDGE HOWSIE: Good evening.

4                   WARDEN HARPER: Visits. The jail  
5 is continuing to host contact visits for the  
6 juveniles, incarcerated workers, veterans,  
7 program participants on designated Saturdays on  
8 each month.

9                   Chaplaincy Program. The jail has  
10 reintroduced mixing pods for services for our  
11 Protestant, Catholic, and Muslim incarcerated  
12 individuals. This means the individuals residing  
13 on different housing units are able to attend  
14 services together either on the level gym or in  
15 the chapel. Mixed pod services were temporarily  
16 postponed during the pandemic.

17                   The Chaplaincy welcomed two  
18 Catholic deacon candidates who are preparing to  
19 welcome seminary interns later in the year. The  
20 Chaplaincy is also looking to add clinical  
21 pastoral educational interns from the Pittsburgh  
22 Pastoral Institute this fall. The goal of these  
23 interns would be to provide interfaith spiritual  
24 support and pastoral care to individuals  
25 requesting chaplaincy visitation.

1                   Discharge and Release Center. The  
2 DRC assessed 349 individuals and distributed 78  
3 boxes of Narcan in May. Those totals represented  
4 the highest numbers so far this year.

5                   In June, the DRC assessed 334  
6 individuals and distributed 69 boxes of Narcan.  
7 The DRC continues to make referrals to the  
8 community partners for services and assistance  
9 and to provide resources to assist individuals  
10 upon their release.

11                   The Therapy Dog, Link. The AHN  
12 therapy dog conducted its third visit with the  
13 juvenile population on May 26th.

14                   Employee of the Month. I would  
15 like to announce that Assistant Payroll  
16 Coordinator Dawn Ruth and Licensed Practical  
17 Nurse Bertha Chinke were named employee of the  
18 month for the month of May, and Sergeant Chuck  
19 Joseph Sarver and Facilities Carpenter Joseph  
20 Jones were named ACJ employee of the month for  
21 the month of June.

22                   Now I would like to pass it over to  
23 Chief Deputy Warden Jason Beasom.

24                   CHIEF DEPUTY WARDEN BEASOM: Thank  
25 you, Warden. Good afternoon, Board.

1           The Jail Administration would like  
2 to pass on its congratulations to Ms. April  
3 Reynolds. She was promoted to the Residential  
4 Placement Manager position.

5           Under Staffing. Our training  
6 academy graduated 12 cadets to full-time  
7 corrections officers on Friday, May 26th. We  
8 began a new cadet class on Tuesday, June 20th  
9 with 9 candidates. They are scheduled to  
10 graduate on August 25th.

11           Current physical agility testing is  
12 underway for the next cadet class. We had  
13 sessions yesterday, today, and scheduled for this  
14 Saturday.

15           PA-DOC Transfers. Currently, we  
16 have 21 males, 2 females with 300 B's in the  
17 facility, 13 males, with detainers, and 12 males  
18 with open cases. The longest wait time on a 300  
19 B was received June 6th, and the shortest wait  
20 time is from June 28th.

21           Federal Inmates. We currently have  
22 33, 18 of which are United States Marshal holds,  
23 and 15 are Federal transfers for Allegheny County  
24 Court.

25           Use of Force Numbers for June of

1 2023 was 37.

2 I'll pass it on to Deputy Warden  
3 Clark to continue.

4 DEPUTY WARDEN CLARK: Good evening,  
5 Board. The residential placement services  
6 department transferred 137 individuals to  
7 alternative housing in the months of May and  
8 June.

9 Also, in May and June, the  
10 Diversion Department released 52 individuals to  
11 substance use treatment programs. In May the  
12 Diversion Program had 38 new referrals and a  
13 total of 83 total participants. And in June  
14 there were 36 new referrals and a total of 88  
15 participants.

16 In the months of May and June, the  
17 Medical Assistance Program assisted a total of  
18 247 individuals with completing Medical  
19 Assistance applications upon release from the  
20 jail.

21 Reentry Services. Through the  
22 jail's partnership with Community Kitchens of  
23 Pittsburgh, the jail is committed to ensuring  
24 that all kitchen workers obtain their Servsafe  
25 Food Handlers Certification. In May and June, a

1 total of 38 workers completed the course and  
2 passed the test to become Servsafe certified.  
3 Individuals who are Servsafe certified have  
4 demonstrated that they have the required  
5 knowledge of food handling and safety  
6 regulations. Earning this certification while  
7 incarcerated makes it easier for individuals to  
8 obtain employment in the food industry  
9 post-release.

10 Hard Reduction Education Groups for  
11 the Veteran and Reentry Population, will begin in  
12 the jail's Reentry Center on July 11th. These  
13 groups will focus on coping skills, recovery and  
14 relapse, community treatment resources, harm  
15 reduction, and overdose prevention.

16 The jail has renewed a prior  
17 partnership with Amachi for family support  
18 programming. Amachi will provide services to  
19 individuals in the jail, as well as to their  
20 families in the community. Individuals in the  
21 jail will be receiving parenting programming that  
22 is targeted to supporting incarcerated parents.

23 Families in the community can  
24 participate in financial empowerment classes,  
25 social outings and activities at cultural and

1 recreational locations throughout the city, and  
2 they would be eligible to receive targeted  
3 support based upon the family's individual needs.

4 In May, the jail's program team  
5 members participated in a 2-1-1 training. 2-1-1  
6 is a hotline run by the United Way that provides  
7 referrals and resources for all Allegheny County  
8 residents. The purpose of the training was to  
9 inform staff of the benefits of the program so  
10 that they can better support the incarcerated  
11 population. Informational posters on 2-1-1 have  
12 been posted in the jail, and a video explaining  
13 the program has been uploaded to the tablets.

14 In an effort to expand resources to  
15 the incarcerated veteran population, the jail has  
16 coordinated services with the Peace Education  
17 Program and Revival Today Veteran's Brigade. The  
18 Peace Education program provides groups with  
19 focus on several areas of self-improvement.  
20 Those areas include inner peace, appreciation,  
21 strength, self-awareness, clarity, understanding,  
22 dignity, choice, hope, and contentment.

23 The mission of Revival Today  
24 Veteran's Brigade is to honor and support our  
25 nation's veterans by fostering spiritual growth,

1 providing resources to support their physical and  
2 emotional well-being, and empowering them to lead  
3 fulfilling lives.

4 The Educational Services Department  
5 began summer education services for the juvenile  
6 population on June 12th. Classes will run  
7 through July 14th and consist of a full class  
8 schedule from 8:30 a.m. until 2:20 p.m.

9 At the conclusion of the summer  
10 educational classes, the juveniles will be  
11 offered Servsafe training and will be afforded  
12 the opportunity to take the test to become  
13 Servsafe Certified.

14 On June 7th, we are excited to host  
15 an in-person graduation ceremony. This academic  
16 year we had a total of 12 graduates. Three of  
17 those graduates were still housed in the jail,  
18 unable to participate in the graduation ceremony.  
19 Of those graduates, two received their community  
20 high school diploma, and one received the  
21 Pennsylvania Secondary High School Diploma.  
22 Graduates were able to have loved ones present  
23 for the graduation ceremony and celebration. We  
24 look forward to hosting another graduation  
25 ceremony in December.

1                   Lastly, on June 28th, we  
2 transitioned our new food service provider,  
3 Trinity, into the facility, and that transition  
4 has gone well, and we're excited to have them  
5 onboard.

6                   That concludes this month's report  
7 for programs. Dr. Brinkman will provide the  
8 healthcare report.

9                   HSA DR. BRINKMAN: For medications  
10 for opioid use disorder and the expansion of  
11 efforts, our continuation of MAT includes the  
12 following from June. There were 25 prescribed  
13 Naltrexone, with 2 receiving their Vivitrol  
14 injection prior to release. 120 were treated  
15 with Suboxone, and 14 treated with Sublocade. Of  
16 those, 8 patients transitioned from Suboxone to  
17 Sublocade to support their recovery.

18                   Methadone continuation services  
19 have treated 42 individuals with 25 current  
20 patients. And we've achieved our next milestone  
21 in our MOUD expansion of services. In June, we  
22 expanded criteria for eligibility to recently  
23 expired orders or inactive MOUD service  
24 participation for eligibility to participate in  
25 the Buprenorphine program. This was another step

1 toward our ability to manage induction of  
2 Buprenorphine at -- Buprenorphine MAT. In order  
3 to reach this current milestone, a significant  
4 amount of collaboration with both our pharmacy  
5 and the Buprenorphine supplier that we have to  
6 ensure that we would have access to sufficient  
7 medication supply was necessary to get there.

8 For Torrance, during the month of  
9 June we had 7 patients admitted and transferred  
10 to the hospital. 6 patients were committed. 5  
11 patients had their commitment to Torrance State  
12 Hospital for competency restoration rescinded due  
13 to their clinical stabilization.

14 And currently, we have 23 patients  
15 awaiting admission to Torrance, with the longest  
16 waiting since March 31st.

17 Regarding our Tier 4 and 5's mental  
18 health data, in June one individual was  
19 identified as a Tier 5 in the mental health tier  
20 system, and 43 unique individuals were identified  
21 as Tier 4.

22 And regarding our medical  
23 appointment queues, our sick call requests had 9,  
24 by the time I left for today, with the longest  
25 waiting one day.

1                   Our mental health sick call  
2 requests had 19 patients, with their longest  
3 waiting 6 days.

4                   Our psychiatry appointments have  
5 176, with the longest waiting 45 days, and our  
6 mental health specialist appointments had 20  
7 patients waiting, with the longest waiting 2  
8 days.

9                   WARDEN HARPER: We are now prepared  
10 for any questions that you may have.

11                  MS. MOSS: This is for Chief Deputy  
12 Beasom. I didn't get the number. You said there  
13 was 12 graduate -- you had 12 that just  
14 graduated? Was that your -- did I get that  
15 right?

16                  CHIEF DEPUTY WARDEN BEASOM: For  
17 our cadets, Ms. Moss?

18                  MS. MOSS: For students. Cadets,  
19 that's what I'm saying.

20                  CHIEF DEPUTY WARDEN BEASOM: Yes,  
21 ma'am. Our training academy graduated 12 on  
22 May 26th.

23                  MS. MOSS: Okay.

24                  CHIEF DEPUTY WARDEN BEASOM:  
25 Currently, we have 9 in class right now.

1 MS. MOSS: Okay. And those are  
2 going to graduate in August?

3 CHIEF DEPUTY WARDEN BEASOM: In  
4 August. Yes, ma'am.

5 MS. MOSS: And there's 9?

6 CHIEF DEPUTY WARDEN BEASOM: Yes.

7 MS. MOSS: So that brings up our  
8 numbers to 21 -- there will be 21 new people,  
9 right?

10 CHIEF DEPUTY WARDEN BEASOM: Once  
11 we get this current class graduated, yes.

12 MS. MOSS: And they will add to the  
13 workforce.

14 CHIEF DEPUTY WARDEN BEASOM: Oh,  
15 yeah. And like I said, we're currently doing  
16 physical agility tests. We have 19 that have  
17 passed that phase of the hiring process so far,  
18 so we're going to continue on with that. Like I  
19 said, we have another session on Saturday, so  
20 hopefully, we get some -- we can keep adding to  
21 those numbers.

22 MS. MOSS: Okay. Thank you.

23 CHIEF DEPUTY WARDEN BEASOM: Yes,  
24 ma'am.

25 JUDGE HOWSIE: I wanted to ask

1 from -- when you talk about your cadet class, how  
2 many cadets can you train at one time? Like what  
3 is the maximum number of people that could be in  
4 a class?

5 CHIEF DEPUTY WARDEN BEASOM: We try  
6 to keep it in the low 20s just because our  
7 classroom session where we have the training  
8 academy, that's how many -- that's how many  
9 computer terminals we have. So when they have to  
10 take -- if they have the review policy that's on  
11 there, they have to take tests, whatever it may  
12 be -- we've gone larger, but we just have to  
13 relocate it. So we'll train as many as we have  
14 right now, Your Honor.

15 JUDGE HOWSIE: Gotcha. So another  
16 question I had is now -- anecdotally, how have  
17 the numbers changed pre-pandemic versus  
18 post-pandemic in terms of your recruitment  
19 efforts? Are you finding that your classes are  
20 much smaller? You're having more difficulty  
21 recruiting people?

22 CHIEF DEPUTY WARDEN BEASOM: I  
23 mean, we're seeing -- we're seeing a lot of  
24 applications come through, so the Jail HR  
25 Department are reaching out to these folks.

1 They're having them take the written test. Once  
2 they pass that, then they engage -- schedule them  
3 for the physical agility test. There's an  
4 interview. You know, we keep moving through the  
5 process -- you know, the medical -- the physical,  
6 all those things.

7 JUDGE HOWSIE: Okay. One more  
8 question for you.

9 CHIEF DEPUTY WARDEN BEASOM: The  
10 numbers have been -- I'm pretty confident that  
11 they're increasing right now.

12 JUDGE HOWSIE: They're increasing  
13 now?

14 CHIEF DEPUTY WARDEN BEASOM: Yes,  
15 sir.

16 JUDGE HOWSIE: Would you say that  
17 there's been a decrease post-pandemic initially?

18 CHIEF DEPUTY WARDEN BEASOM:  
19 Post-pandemic, initially, yes, sir.

20 JUDGE HOWSIE: Okay. Federal  
21 inmates. My last question for you.

22 CHIEF DEPUTY WARDEN BEASOM: Sure.

23 JUDGE HOWSIE: You indicated that  
24 you had -- I can't remember the number, but you  
25 had Federal inmates. Is it safe to assume that

1 they are in State custody with Federal detainers,  
2 or do you have inmates that are actively just  
3 involved with Federal Court being housed in the  
4 county jail?

5 CHIEF DEPUTY WARDEN BEASOM: So 18  
6 of the 33 are strictly there on a United States  
7 Marshal hold.

8 JUDGE HOWSIE: Okay.

9 CHIEF DEPUTY WARDEN BEASOM: They  
10 have Federal Court. The other 15 that are there  
11 are here for Allegheny County Court.

12 JUDGE HOWSIE: Okay. So I'm saying  
13 of the 18, is it fair to say that at some point  
14 they were State Court involved and then the Feds  
15 maybe indicted them, or do you have people that  
16 are just here, no involvement whatsoever with the  
17 county, strictly involved with Federal Court but  
18 being housed in the County Jail?

19 CHIEF DEPUTY WARDEN BEASOM: When  
20 we get the -- when we get the United States  
21 Marshal come commitments, we don't have -- we  
22 don't get the charge information or anything like  
23 that.

24 JUDGE HOWSIE: Okay.

25 CHIEF DEPUTY WARDEN BEASOM: All we

1 have is the Marshal hold.

2 JUDGE HOWSIE: Okay. So once  
3 there's a hold --

4 CHIEF DEPUTY WARDEN BEASOM: So  
5 what their court involvement was, I don't know.

6 JUDGE HOWSIE: So once there's a  
7 Federal hold by the Marshals, they're Federal  
8 custody, period?

9 CHIEF DEPUTY WARDEN BEASOM:  
10 Correct.

11 JUDGE HOWSIE: Because they can't  
12 get out regardless?

13 CHIEF DEPUTY WARDEN BEASOM: Yes,  
14 sir.

15 JUDGE HOWSIE: Understood. Last  
16 question. Can you speak to the transition with  
17 Trinity? You indicated it went fairly smooth. I  
18 wanted to know what do you think -- why was it so  
19 smooth, and what do you think the differences are  
20 regarding the food that's being served now versus  
21 the food that was previously being served? And  
22 I'm not looking to slander any companies. I  
23 think I'm just trying to understand why do we  
24 have an increase in satisfaction? If you might  
25 be able to speak to that.

1           DEPUTY WARDEN CLARK: So the  
2 transition that took place was detailed, thought  
3 out, and a lot of time and effort was put into  
4 working with Trinity and onboarding them to make  
5 sure that the transition was smooth.

6           We have received a lot of positive  
7 feedback regarding the quality and quantity of  
8 the food from the inmate population as well as  
9 employees in the facility.

10          JUDGE HOWSIE: Do you attribute  
11 that to just better cooks, better chefs? What do  
12 you -- is it just better quality of food?

13          DEPUTY WARDEN CLARK: It's a nicer  
14 quality of food. And in addition to that, we  
15 have a captain and a sergeant in the kitchen that  
16 are helping provide oversight of the kitchen.

17          JUDGE HOWSIE: Do you find that  
18 there are more food options? Is that part of it  
19 as well, or the same number of options?

20          DEPUTY WARDEN CLARK: Some of the  
21 options are different.

22          JUDGE HOWSIE: Okay.

23          DEPUTY WARDEN CLARK: But there is  
24 a variety.

25          JUDGE HOWSIE: Okay. Thank you.

1 That's my question. Thank you.

2 MS. MOSS: Since we're talking  
3 about the food, the last time that I was there,  
4 they were -- they had -- some of the residents  
5 were working in the kitchen, and so they were in  
6 there longer hours, and they were going to make a  
7 place for them to have when they had their  
8 off-time. There was going to be a room with a TV  
9 put there or whatever. And I'm wondering how far  
10 we got along with that.

11 DEPUTY WARDEN CLARK: There is a  
12 break room in the kitchen area where individuals  
13 can take a break to eat and just get away from  
14 working in the food line for that period of time.  
15 Yes, that's happened.

16 JUDGE HOWSIE: Judge Lazzara.

17 JUDGE LAZZARA: I had a question  
18 about how service providers are being able to  
19 conduct the interviews of incarcerated  
20 individuals in the jail. And I don't know who  
21 that goes to, but I mean, my understanding is,  
22 you know, before when we had a service provider  
23 from, say, an inpatient drug and alcohol provider  
24 or from a CRR, that they were able to do those  
25 interviews which they will not take anyone out of

1 the jail without the interview. They were able  
2 to do those all via video, and it was working  
3 incredibly well. And we were able to very  
4 quickly get people out.

5 And my understanding in mental  
6 health court, I hear complaints pretty much every  
7 Monday now that that's not able to happen.

8 DEPUTY WARDEN CLARK: Okay.

9 JUDGE LAZZARA: And that providers  
10 are not able to do those via video, and therefore  
11 we're having a much harder time getting people  
12 into programs because they have to have somebody  
13 from that program come down to the jail. They  
14 have to be properly credentialed to get into the  
15 jail. And so I'm hearing complaining every  
16 single week about the fact that it's changed.

17 So I want to know when it changed,  
18 why it changed, and why we can't go back to what  
19 we had before, which was working?

20 HSA DR. BRINKMAN: Well, I can talk  
21 about some of that, and we can pass it around.

22 So we had a very large influx in  
23 the last month or so of a variety of community  
24 providers who had gone through security training  
25 and submitted their credentials for security

1 clearance, and I'm seeing them on an almost daily  
2 basis throughout the jail. So I know that there  
3 were some capacity issues with all of the video  
4 complexes to be able to strictly be limited to  
5 video, but I also know from some of the people,  
6 like the supervisors from agencies, have directly  
7 come to me and asked, we want our staff back in  
8 the jail and they were asking for clearances, and  
9 that's what's happened over the past month or so  
10 is them coming back into the jail because some of  
11 the agencies were wanting them back in.

12 I don't know if that's true across  
13 the board, but I can tell you --

14 JUDGE LAZZARA: Yeah, yeah. I  
15 mean, all I can tell you is that this has gone on  
16 for more than the past month because I was going  
17 to ask it at last month's meeting when we did  
18 not -- were not able to continue with our  
19 meeting. And so it was happening enough before  
20 that that I know there was a problem. And I know  
21 that some of the places are complaining that they  
22 certainly can't get people credentialed to be  
23 able to get them in. So I mean, you know, I have  
24 people in my mental health court that are waiting  
25 to be assessed by programs who would like to take

1       them, who have beds available to take them, and  
2       they're being delayed in getting out because we  
3       can't get them assessed.

4                   HSA DR. BRINKMAN: Any that came  
5       through the Healthcare Department because there's  
6       an affiliation with our mental health programs  
7       have gone through the security training. And if  
8       there are any that had issues going through any  
9       of those, I'm happy to field those too.

10                   JUDGE HOWSIE: Warden, there was a  
11       comment about AA and NA meetings. I know in the  
12       past, there was an issue with parties not being  
13       able to conduct the NA meetings. Did you ever  
14       have that -- were you able to resolve that issue?  
15       The gentleman came to a meeting, and he indicated  
16       he was unable to come in and do NA meetings in  
17       the jail. There was concern about his background  
18       check, and I was just -- was there ever any  
19       movement on that issue?

20                   WARDEN HARPER: Yes, sir. We did  
21       have one of our program administrators contact  
22       those individuals to ask them to put their  
23       clearances in, and they never provided their  
24       clearance information. But as soon as they  
25       provide the clearance information, we can run it,

1 but they've never provided the information to us.

2 JUDGE HOWSIE: So there's no NA  
3 meetings now being held?

4 WARDEN HARPER: We do have NA  
5 meetings for HOPE. So you want to talk a little  
6 bit about that?

7 DEPUTY WARDEN CLARK: Yes,  
8 Your Honor. They are doing 12-step meetings with  
9 the HOPE population as well as the substance  
10 abuse population. Those happen several times  
11 throughout the week.

12 JUDGE HOWSIE: Okay. So I mean, is  
13 that the entire facility?

14 DEPUTY WARDEN CLARK: It's not the  
15 entire facility.

16 JUDGE HOWSIE: Okay.

17 DEPUTY WARDEN CLARK: It was  
18 targeted to those programs. Those are the  
19 targeted programs with substance use individuals  
20 in there, so we've streamlined the resources for  
21 those.

22 JUDGE HOWSIE: So to get to  
23 participate, you'd have to be involved in one of  
24 those programs is the point. All right. Thank  
25 you.

1 JUDGE LAZZARA: And those programs  
2 are limited, right? There's a limited number of  
3 people, and then there's also limits on if you  
4 have certain classifications, you can't  
5 participate in HOPE and substance abuse, right?

6 DEPUTY WARDEN CLARK: Yes, that's  
7 correct.

8 JUDGE LAZZARA: So we need to get  
9 the NA and AA back in the jail. I mean, that  
10 just --

11 JUDGE HOWSIE: Is there a way we  
12 can do that?

13 MS. HALLAM: Can I just interject  
14 to say, if you remember, the issue was that they  
15 had changed the requirements, the restrictions on  
16 what prior convictions you could have. So prior,  
17 when the man who I think you're referencing was  
18 coming in here and asking about meetings, it was  
19 that they had changed the policy about his  
20 record. His record hasn't changed, so I know  
21 when the Warden is saying submit your  
22 clearances -- what is that -- when he was saying  
23 some of your clearances, the issue was that he  
24 knew he couldn't get the clearances. He had  
25 never had them but yet was allowed to bring

1 meetings into their prior.

2 JUDGE LAZZARA: But there's got to  
3 be other people -- sorry. I mean, there have to  
4 be other members of NA and AA who would be able  
5 to meet the clearance requirements that we should  
6 be able to bring in, because it would be nice to  
7 have that available --

8 JUDGE HOWSIE: To everyone --

9 JUDGE LAZZARA: -- to people not  
10 just on the HOPE and substance abuse pods,  
11 because those are limited pods.

12 MS. HALLAM: Agree.

13 JUDGE HOWSIE: Mr. Herbinko, it  
14 looks like you have a question.

15 MR. HERBINKO: Yeah, I did. This  
16 is for the Warden. The Controller's Office, both  
17 myself and the actual Controller, have asked for  
18 a written report from you based on the changes  
19 you made from the NCCHC review. What is the  
20 status of that report?

21 WARDEN HARPER: That report came  
22 from the Manager's Office.

23 MR. HERBINKO: Okay.

24 WARDEN HARPER: So that would have  
25 to -- the request would have to go through the

1       Manager's Office.

2                   MR. HERBINKO:   Okay.   Great.   Thank  
3       you.

4                   JUDGE HOWSIE:   Anyone else?

5                   (No response.)

6                   JUDGE HOWSIE:   Ms. Hallam.

7                   MS. HALLAM:    Ryan, I think the  
8       manager is sitting right next to you if you want  
9       to get that.

10                  MR. HERBINKO:   I'm sure we can talk  
11       later.

12                  MS. HALLAM:   Thank you.   Thank you.  
13       I do have a few questions.   I'm actually going to  
14       say I like this like joint Warden/Deputy Warden's  
15       Report because then I don't have to guess who my  
16       questions are for.   So thank you for putting that  
17       all together in one.

18                  Okay.   So I want to start off by  
19       talking about, you know, we've heard a report  
20       about a correction officer breaking Aaron  
21       Tipton's arm.   And so I want to know what are --  
22       what does like reprimand look like for an  
23       employee who was involved in a situation like  
24       that, even if you can speak specifically to this  
25       employee?   I think they said it was D. Angelo is

1 the name.

2 WARDEN HARPER: Ms. Hallam, you  
3 know I can't get into specific detail about these  
4 personnel issues. But I will say this, every use  
5 of force that occurs at the Allegheny County Jail  
6 has a review at the Captain's level, Major's  
7 level, Deputy Warden's level, and Internal  
8 Affairs. If Internal Affairs feel that there is  
9 a need for criminal prosecution, they will send  
10 it to the courts to make that determination. So  
11 that is the process for all uses of force at the  
12 jail. And Internal Affairs, our police, will  
13 make the determination from the course of the DAs  
14 whether to press charges or whether to recommend  
15 discipline for individuals that may have violated  
16 our policies and procedures.

17 MS. HALLAM: Okay. And then, you  
18 know, is there any outside of the county  
19 independent entity that reviews maybe severe uses  
20 of force such as when -- I mean, I saw some  
21 pictures in this document that we were given of  
22 what looks like a rod in Mr. Tipton's arm as a  
23 result of this, so I guess I'm just wondering who  
24 other than the people you listed who work for the  
25 jail and then IA, who I know is county police,

1 reviews this?

2 WARDEN HARPER: That's it, ma'am.

3 MS. HALLAM: That's it. So no one  
4 outside of the county? No independent authority?  
5 Okay. Thank you for that.

6 Next, I would like to know about --  
7 it was referenced that people who work in the  
8 kitchen get breaks but not how frequently or how  
9 long the breaks are. So could you speak to those  
10 breaks?

11 DEPUTY WARDEN CLARK: I don't have  
12 that information with me. I would have to check  
13 with our sergeant and captain in the kitchen and  
14 provide that to you.

15 MS. HALLAM: Does anyone here know  
16 how the breaks work for people who work? So  
17 these are incarcerated individuals, who I think  
18 last time I was there, they said they are now  
19 working like 10- to 12-hour shifts. Is that  
20 still the case? They were working longer shifts  
21 for a period?

22 CHIEF DEPUTY WARDEN BEASOM: For a  
23 period of time. They were doing what was called  
24 an A and B schedule. They would work a day; they  
25 would have the next day off. And then we would

1 leapfrog like that through the week. They're  
2 back to the traditional schedule we had in place  
3 before then --

4 MS. HALLAM: A.m., p.m.?

5 CHIEF DEPUTY WARDEN BEASOM: Before  
6 that, yeah, correct.

7 MS. HALLAM: Okay. And -- yeah, so  
8 the breaks though, no matter if you work a  
9 morning shift or an evening shift, no matter how  
10 long your shift is, you still -- everybody gets  
11 the opportunity for a break?

12 CHIEF DEPUTY WARDEN BEASOM:  
13 Absolutely.

14 MS. HALLAM: Okay. Cool. Yeah, I  
15 would really like to know how long those are,  
16 what that looks like.

17 The other thing is you talked about  
18 the new food service being Trinity. Why do I  
19 remember that name? Were we in contract with  
20 Trinity before?

21 DEPUTY WARDEN TOMA: Correct.  
22 Trinity was the service provider, prior to  
23 Summit.

24 MS. HALLAM: Okay. So we didn't  
25 get a new service provider. We just got one that

1 we had before prior to Summit.

2 DEPUTY WARDEN TOMA: It's a  
3 new-awarded contract, correct.

4 MS. HALLAM: The next thing is --  
5 oh, yeah. So I went for a visit, I don't know,  
6 an inspection, what was that, a week ago? Maybe  
7 for the weekend of 4th of July, something like  
8 that, and it was the third time now -- I'm not  
9 going to give my report because I didn't write it  
10 up yet and I know you're going to say something  
11 about that so before you do, I'm not going to  
12 give my whole report. I just want to  
13 specifically say this is now the third time in a  
14 row that I have went for a surprise, unannounced  
15 inspection, and I was forced to wait an hour in  
16 the staff entrance.

17 JUDGE HOWSIE: Are you going to  
18 write up that report?

19 MS. HALLAM: Yeah, uh-huh.

20 JUDGE HOWSIE: When?

21 MS. HALLAM: Soon.

22 JUDGE HOWSIE: I just want to be  
23 able to expect that to be posted to the website.

24 MS. HALLAM: I'll work on that,  
25 Judge Howsie.

1 I'm just specifically asking this  
2 question right now because it has been a  
3 detriment, and the statute is very clear. I have  
4 it here for you.

5 JUDGE HOWSIE: The statute is very  
6 clear about your obligation to write the report,  
7 too, Ms. Hallam. So if you are going to do  
8 visits --

9 MS. HALLAM: I have like ten  
10 reports in the works for you, Judge Howsie.  
11 You're going to be so happy when all of this is  
12 officially in the record of all the illegal  
13 things the jail is doing.

14 JUDGE HOWSIE: The report going  
15 back from years --

16 MS. HALLAM: But please, this is my  
17 time, Judge Howsie.

18 JUDGE HOWSIE: So what I was saying  
19 was, it's also in the statute that you have to do  
20 a report. The members of our community have a  
21 right to expect to be able to review your report  
22 on the website just like everyone else. So I'd  
23 ask that if you're going to the jail --

24 MS. HALLAM: Absolutely.

25 JUDGE HOWSIE: -- and you're going

1 to do a visit, and you're going to talk about  
2 what you observed in the jail, please follow the  
3 rule and document it by way of a report.

4 MS. HALLAM: I will absolutely work  
5 on that. But specifically, I just want to talk  
6 about this because it does say that it shall at  
7 all times be available for inspection by the  
8 Board. Three times in a row now. And I'm not  
9 talking 10 or 15 minutes. I'm saying they sit  
10 there, and they make me wait in the employee  
11 entrance for -- I think the past couple times,  
12 it's been Beasom and the Warden to show up to  
13 drive from their homes. They make me sit in the  
14 employee entrance. So who knows what's happening  
15 in that hour in the jail that I am not able to do  
16 a surprise inspection because of it? So  
17 Warden Harper, could you please speak to why  
18 you've been doing that to me?

19 WARDEN HARPER: Ms. Hallam, one of  
20 the things I want to assure the Board is that  
21 we're going to give you complete access to the  
22 jail when you come to the jail, but I'm not going  
23 to assign a captain to escort a member of the  
24 Board around, taking away from their duties where  
25 they may be the only captain on shift. That's

1       why you had to wait these couple of times because  
2       I did not have appropriate supervisory staffing  
3       to escort you around alone. So that would go for  
4       any Board member.

5                       So I need to provide supervision of  
6       that jail, and that's why the Deputy Warden and  
7       the Warden come to the jail to escort you around  
8       so that my supervisors can manage the jail.

9                       JUDGE HOWSIE: And if you were  
10       asking, because you gave me a look, yes, I had to  
11       wait as well and so did --

12                      MS. HALLAM: I wasn't asking.

13                      JUDGE HOWSIE: Well, we both had to  
14       wait as well.

15                      MS. HALLAM: Okay. But that's not  
16       okay. The whole point of a surprise, unannounced  
17       inspection is that they don't know you're coming.  
18       When they can hold me -- it's bad enough I drive  
19       like -- I hide my car and creep down the ramp, so  
20       nobody sees me until I get to the door, but then  
21       once I get there, I'm waiting an hour every time.  
22       And I know that there are staff members who are  
23       available to take me around. I know that for a  
24       fact because I've been offered it, but yet  
25       they've received specific orders from you that I

1 have to wait for you guys to come from your  
2 homes. I don't mind making you come in on your  
3 day off, but I don't want Beasom to have to drive  
4 in on his day off to have to walk me around. And  
5 this time, I was very clear I was going to one  
6 place. It was to investigate a specific  
7 incident. And I said I wasn't -- I even said,  
8 I'm not going to be any trouble. I'm not  
9 creeping around. Just let me go, and they made  
10 me wait an hour.

11 So if none of my colleagues on this  
12 Board have any issue with that, I guess I'll move  
13 on to my next thing. Okay. But I just want to  
14 let you know that will be in my lawsuit.

15 So the next question I want to ask  
16 is I heard something about like forty -- a 45-day  
17 wait for psychiatry, and there was like  
18 100-and-some people on that wait list. Can you  
19 repeat those numbers again?

20 HSA DR. BRINKMAN: 176 and the  
21 longest waiting 45 days.

22 MS. HALLAM: Okay. And that's for  
23 psychiatry. So that's a problem.

24 HSA DR. BRINKMAN: Those are mostly  
25 follow-ups. They're not new evaluations. So

1 it's the ongoing maintenance that the patients  
2 would be receiving.

3 MS. HALLAM: Is that less  
4 important?

5 HSA DR. BRINKMAN: No, I'm not  
6 saying it's less important, but it is intended --  
7 in the community, you would have free -- a more  
8 frequent -- sorry, a more infrequent visit after  
9 your first evaluation because they want to give  
10 time for the medications to start working. They  
11 want to see how you're managing that medication  
12 adjustment that they've given.

13 MS. HALLAM: But that's not really  
14 what it -- how I understand a 45-day wait. A  
15 45-day wait for me means like I need an  
16 appointment, and I have to wait 45 days to get  
17 it. You're just saying that there's 45 people  
18 under the care of psychiatry who could be looking  
19 for follow-ups?

20 HSA DR. BRINKMAN: No. I'm saying  
21 there are 176 patients that they're managing  
22 right now, which is -- we're seeing a population  
23 increase, and the providers themselves are  
24 scheduling their follow-ups for when they feel  
25 the treatment plan is necessary to follow them

1 up.

2 MS. HALLAM: So it's not 176 people  
3 on a waitlist? It's a total. Only 176 people  
4 are being cared for by a psychiatrist in the  
5 jail?

6 HSA DR. BRINKMAN: That's how many  
7 have a wait right now for their follow-ups and  
8 those types of things. So that's the longest.  
9 The most frequent that I saw while I was pulling  
10 numbers was well under a month.

11 MS. HALLAM: Okay. But there are  
12 176 people waiting for appointments right now?

13 HSA DR. BRINKMAN: Yes.

14 MS. HALLAM: Okay. I just haven't  
15 seen a number that high since we've been getting  
16 these stats, and so I'm --

17 HSA DR. BRINKMAN: I think last --  
18 hold on. Scratched it out. It was over 100 for  
19 the last time also.

20 MS. HALLAM: Okay. So there's a  
21 trend of this many people waiting for  
22 appointments, okay.

23 HSA DR. BRINKMAN: Uh-huh.

24 MS. HALLAM: The next thing is do  
25 you guys think that like we as a Board could take

1 the cadet test, the written test and the physical  
2 test to like see what it's like?

3 CHIEF DEPUTY WARDEN BEASOM: That's  
4 administered through a vendor, so we would have  
5 to --

6 MS. HALLAM: Would yinz be down to  
7 do it just to kind of see -- I know we've been  
8 asking a lot about staffing and the cadet  
9 classes. Would you guys be interested in like  
10 team-building kind of thing we could do?

11 JUDGE HOWSIE: I'm honestly not  
12 interested in being a cadet in the jail.  
13 However, I would love for you to take the test  
14 and apply for a job and get a job to work in the  
15 jail.

16 MS. HALLAM: I'm actually  
17 conflicted out. I can't be on County Council and  
18 work in the jail. I've thought about it.

19 JUDGE HOWSIE: So wish you could be  
20 the warden for a month.

21 MS. HALLAM: Forever, yeah.

22 JUDGE HOWSIE: Yeah, it would be  
23 awesome.

24 MS. HALLAM: It would be actually  
25 awesome. I agree. I would answer your questions

1       though, of the Board whenever I sat in front of  
2       you as the warden.

3                   JUDGE HOWSIE:   You wouldn't have  
4       any answers.

5                   MS. HALLAM:    I would.   We wouldn't  
6       be in the situation we're in now.   But I will  
7       proceed.

8                   I think the lack of respect is kind  
9       of trending to the -- over the line at this point  
10      from you, so if we could -- I'm trying to really  
11      keep this focused and on task.

12                   JUDGE HOWSIE:   Go ahead.

13                   MS. HALLAM:    Okay.   So the next  
14      question I have is it was spoke of 43 individuals  
15      who identified on -- who are on Tier 4 of the  
16      mental health categorization unit or however you  
17      call it.   And so I've been having some issues  
18      with this because the past few months, we've been  
19      going back and forth, and it seems getting  
20      different answers each month about rec time  
21      received for people who are on Tier 4.   So I know  
22      originally in a previous meeting Warden Harper  
23      had said there were -- there were -- Tier 4 and 5  
24      did not get any rec.   Brinkman, I know that you  
25      had said that they did get it, but then I had

1 received an internal e-mail from the jail that  
2 says, "And we know Tier 4, 5 inmates do not  
3 receive out-of-cell rec during their time under  
4 that status." So I'm just wondering if we could  
5 like, once and for all, just figure out what is  
6 the truth about people on Tier 4 and 5 and  
7 whether they receive rec. You had told us it was  
8 individualized, but yet it seems that the staff  
9 at the jail believe that it is a blanket by  
10 default denial of rec time.

11 HSA DR. BRINKMAN: So we didn't get  
12 to talk about this before. I think it's been two  
13 meetings since we did talk about it. I genuinely  
14 did not understand your question, and I  
15 mistakenly answered it.

16 MS. HALLAM: Cool. I understand.

17 HSA DR. BRINKMAN: So correct.  
18 Tiers 4 and 5 do not have the rec because they  
19 had been assessed by a psychiatrist to require  
20 that emergency status. So whether it's because  
21 of suicidal thoughts that have suicide  
22 precautions in place or something along those  
23 lines, there wouldn't be rec.

24 MS. HALLAM: Okay. But it's --  
25 doesn't the ADA require individualized

1 determinations for that?

2 HSA DR. BRINKMAN: That's -- that's  
3 what was assessed by those providers. So some of  
4 the criteria are going to be like their ability  
5 or potential for them to harm themselves or harm  
6 other people, and we're going to limit the access  
7 that they have to that -- to that. For example,  
8 I've seen in other hospital settings where  
9 somebody may not even have access to phone calls  
10 for a certain amount of time during that initial  
11 period.

12 MS. HALLAM: Okay. Yeah. I know  
13 one of the pods that I visited this past weekend  
14 was 5-D, which was, I think, people who are on  
15 the higher tier of the mental health status?

16 HSA DR. BRINKMAN: There's a  
17 variety.

18 MS. HALLAM: Yeah. And that's what  
19 I was interested in, and like how they got access  
20 to tablets and phone calls. They don't get any  
21 visits, right?

22 HSA DR. BRINKMAN: Nuh-uh.

23 MS. HALLAM: And then in what tiers  
24 is that that they don't get any visits? Is it  
25 certain pods, or is it --

1 HSA DR. BRINKMAN: It's tiers. And  
2 I don't have that in front of me to give you  
3 correct answers because each of them are  
4 progressive based on the stability of the  
5 patient.

6 MS. HALLAM: Okay. So is it  
7 possible somebody could be a Tier 3 and not get  
8 visits?

9 HSA DR. BRINKMAN: I believe so,  
10 but I don't want to be misquoted.

11 MS. HALLAM: Okay. Next question  
12 is about -- you know, I heard it from public  
13 commenters, but you know, I wanted to kind of  
14 elaborate on it a little further because we  
15 had -- get this super detailed data sheet about  
16 healthcare services, right, and I swear I could  
17 tell you a lot about what people are being  
18 diagnosed with in the jail, but yet this last  
19 time it says Substance Use Services DNA, number  
20 of new admissions and the various numbers that  
21 are listed for that. Can you explain like what  
22 those services are because the numbers aren't the  
23 same as the people who you're listing on MOUD.  
24 So what is Substance Use Services?

25 HSA DR. BRINKMAN: So those are --

1 that's our program that has been in place for  
2 many, many years before we even did any MAT. So  
3 it's your classic residential psychoeducation  
4 treatment with a therapist and things like that.  
5 So it's a completely separate type of program.  
6 That's why it gets a little confusing now that we  
7 have MAT.

8 MS. HALLAM: Because this used to  
9 be all there was, and now there's something else,  
10 so this is from before?

11 HSA DR. BRINKMAN: Right.

12 MS. HALLAM: Okay. And then what  
13 about overdose numbers? I mean, I can tell you  
14 how many people have an STD, but there's no  
15 number on here about how many people overdose?  
16 Is there a reason for that?

17 HSA DR. BRINKMAN: Those are just  
18 old data points that were requested that we  
19 report.

20 MS. HALLAM: Okay. So it wouldn't  
21 be difficult to include overdoses on this report  
22 if we, as a Board, requested it?

23 HSA DR. BRINKMAN: I would have to  
24 find a way to tally it.

25 MS. HALLAM: But you do track that?

1 HSA DR. BRINKMAN: Not actively  
2 track it, but I would have to find a way to tally  
3 it.

4 MS. HALLAM: Okay. You don't have  
5 to -- you don't track overdoses that happen  
6 inside the jail?

7 HSA DR. BRINKMAN: Not in a  
8 concentrated place. So I don't know how to give  
9 you an answer that you're happy with right now.

10 MS. HALLAM: I mean, you know that  
11 from 5/16 to 6/15, 12 people tested positive for  
12 STDs. You don't know that like 12 people  
13 overdosed? It just seems weird to me.

14 HSA DR. BRINKMAN: I'm sorry that  
15 it's weird to you. I don't know how to better  
16 answer your question.

17 MS. HALLAM: Do other jails keep  
18 track of overdoses?

19 HSA DR. BRINKMAN: I don't work at  
20 the other jails. I don't know.

21 MS. HALLAM: Okay. Because I know  
22 a public commenter mentioned another jail in  
23 Pennsylvania that actually required the jail to  
24 let them know of overdoses. So maybe I would be  
25 interested in drafting that if anyone else is

1 interested in knowing when people overdose.

2 Yeah, okay? I will draft that for  
3 the next meeting.

4 Next question is, I know,  
5 unfortunately, Ms. Klein couldn't be here today,  
6 but she had referenced since the last meeting  
7 talking with a member of your team about intake  
8 questions. Was that you, Ms. Toma, that she was  
9 working with? Can you give us a status update on  
10 the questions she was looking to add to the  
11 intake?

12 DEPUTY WARDEN TOMA: Yes, Ms. Klein  
13 did reach out to me regarding some of the  
14 questions. I'm going to defer to Dr. Brinkman  
15 since that is a healthcare matter.

16 MS. HALLAM: Okay.

17 HSA DR. BRINKMAN: So the people  
18 that she had spoken with were not people who work  
19 inside the jail on a regular basis. So I don't  
20 know that those people have -- were aware of what  
21 things are already in place in our intake  
22 processes. So what we learned from Ms. Klein,  
23 the information she was recommending we add are  
24 things that we do already collect as a part of  
25 our screening process.

1 MS. HALLAM: Oh, so everything she  
2 asked for is already in there?

3 HSA DR. BRINKMAN: Uh-huh.

4 MS. HALLAM: Okay. Cool. Thank  
5 you. The next question I want to ask is, again,  
6 a result of a public comment. I do not know what  
7 a PICC line is, but somebody said PICC lines were  
8 being done at the jail. Can you tell us what  
9 that is and if those are being done at the jail?

10 HSA DR. BRINKMAN: It's a mechanism  
11 to be able to give IV drugs. So it's pretty  
12 common to be able to do those in other places  
13 outside of hospitals. We have the staff and the  
14 supplies onsite to do that.

15 MS. HALLAM: Okay. So you do --  
16 you do those there --

17 HSA DR. BRINKMAN: Uh-huh.

18 MS. HALLAM: -- whenever, what,  
19 somebody needs an IV?

20 HSA DR. BRINKMAN: If necessary.

21 MS. HALLAM: For medication?

22 HSA DR. BRINKMAN: Uh-huh.

23 MS. HALLAM: And then someone else  
24 was speaking about -- you know, I've heard this  
25 complaint but more generally about specific drugs

1 that people maybe are prescribed for 20 years,  
2 and then they come in the jail, and they're not  
3 allowed to be on those anymore. And so we  
4 heard -- I think it was about Mr. Tipton as well,  
5 about Gabapentin. And I am familiar with that  
6 drug, and I'm wondering if it's something that is  
7 not allowed in the jail?

8 HSA DR. BRINKMAN: It's very common  
9 in correctional facilities for Gabapentin due to  
10 its abusive nature --

11 MS. HALLAM: Because people can  
12 abuse it?

13 HSA DR. BRINKMAN: They can be --  
14 they can be abusing. They may not have addictive  
15 properties, but they can be abused, and  
16 particularly is a common thing to be found abused  
17 in correctional facilities. So it's very common  
18 in correctional medicine for that to be limited.

19 MS. HALLAM: Oh, like you do not  
20 give it to people. I'm sorry. I think I  
21 misunderstood you originally. You're saying that  
22 it is common that it is not allowed in  
23 correctional facilities?

24 HSA DR. BRINKMAN: Right.

25 MS. HALLAM: And is it allowed in

1 the Allegheny County Jail?

2 HSA DR. BRINKMAN: On a very rare,  
3 with exception basis. We have an entire policy  
4 about it.

5 MS. HALLAM: Okay. All right. And  
6 so what medications does the jail allow for  
7 people with chronic pain?

8 HSA DR. BRINKMAN: Almost every  
9 other one. I can't think of one off the top of  
10 my head that we would prohibit.

11 MS. HALLAM: So people get like  
12 Oxycontin and Percocet and Vicodin in the jail?

13 HSA DR. BRINKMAN: On a limited  
14 basis.

15 MS. HALLAM: Okay. And what is the  
16 limited basis? Who decides? Their prescriber?

17 HSA DR. BRINKMAN: If the  
18 physicians are -- the physicians are making the  
19 treatment plans, yes. And then we will make some  
20 other safeguards to make sure that that's not  
21 something that could be divertible.

22 MS. HALLAM: Okay. And in -- I  
23 know we heard about someone who was given it  
24 before and then had it taken away. Why would  
25 that happen? Like they were receiving a

1 medication in the jail prescribed by a doctor and  
2 then it was discontinued?

3 HSA DR. BRINKMAN: Potent- -- I  
4 don't know the specific instance.

5 MS. HALLAM: I'm just saying  
6 generally.

7 HSA DR. BRINKMAN: Generally  
8 speaking, that could happen because someone had  
9 violated the prescribing policy.

10 MS. HALLAM: Okay. Is there any  
11 other violations that would result in you, you  
12 know, not receiving certain medication anymore,  
13 or it would have to be specifically diverting  
14 your prescription?

15 HSA DR. BRINKMAN: Um, off the top  
16 of my -- I can't recall all the possible  
17 instances.

18 MS. HALLAM: Okay. So it has to be  
19 something involving that medication?

20 HSA DR. BRINKMAN: Uh-huh.

21 MS. HALLAM: Okay. The next  
22 question I have -- I kind of want to get into a  
23 little bit on some of the staff reports that  
24 we've gotten lately because they've been a lot,  
25 and I actually really want to -- John K., I mean,

1 awesome job dude. Like really, really, really  
2 informative reports, thorough. I love the  
3 graphs, so I can see, in addition to read. I  
4 love that you did the COs and the healthcare.  
5 Just awesome job. I mean, I wish you could do  
6 this all the time. So in case anybody hasn't  
7 thanked you, I thank you. It is put into a  
8 really clear picture what I think we've been  
9 hearing from lots of staff members who have come  
10 in front of us, at least during my tenure on the  
11 Board.

12 And so, I know Warden Harper, I  
13 wanted to ask you a couple questions about it  
14 just so -- you know, you heard the letter from  
15 President Catena earlier, and he has instructed  
16 me to work with the Board members to try to --  
17 whether it's form a subcommittee or whatever that  
18 may be to address the staffing issues at the  
19 jail. And so I think it's important to kind of  
20 get your input on why do you believe that staff  
21 morale is so bad at the jail?

22 WARDEN HARPER: I have no idea as  
23 to why morale is bad, ma'am.

24 MS. HALLAM: Okay. Why do you  
25 believe that the staff feels disrespected by the

1 administration?

2 WARDEN HARPER: Ms. Hallam, you're  
3 asking me questions from a survey that we just  
4 got yesterday. So I'm not prepared to even  
5 answer a lot of these questions that you're  
6 asking me right now.

7 MS. HALLAM: So was it a surprise  
8 to you that staff morale was so low in the jail?

9 WARDEN HARPER: I've had some  
10 knowledge that employees say that morale is low,  
11 yes.

12 MS. HALLAM: Okay. Do you plan to  
13 analyze and respond to the concerns that were  
14 presented in both of the staff surveys?

15 WARDEN HARPER: I plan on reviewing  
16 the survey with my team and see if there's  
17 anything that we can do, yes.

18 MS. HALLAM: Okay. Yeah, I'd love  
19 to talk to you about like, down the road, too,  
20 and just kind of see what did come as a result,  
21 because this is definitely the most exhaustive  
22 info that I have gotten -- picture that I have  
23 gotten of the jail since I've been here. So I'll  
24 follow up with you on that.

25 You know, one of the things that

1 I'm really concerned about in regards to the  
2 newest report -- I mean, and remember, I only got  
3 it when you did, that staff believes that  
4 administrative decisions are putting their  
5 licenses at risk, specifically medical licenses.  
6 Is that a concern that has been brought to your  
7 attention before?

8 WARDEN HARPER: Ms. Hallam, we just  
9 got the survey yesterday. Like I just spoke to  
10 you, we're going to talk to the team about the  
11 results of the survey, so I'm not prepared to  
12 talk about the survey at this time.

13 MS. HALLAM: Okay. I will not ask  
14 any more questions about the survey. But has it  
15 ever been brought to your attention that a  
16 medical staff with a license of whatever kind,  
17 that the administration they felt was making them  
18 make decisions that could threaten that license?

19 WARDEN HARPER: Absolutely not.

20 MS. HALLAM: Never?

21 WARDEN HARPER: Absolutely not.

22 MS. HALLAM: Okay. Thank you very  
23 much.

24 All right. And now, next question,  
25 because this is another thing, I know we said we

1 were going to talk about in committee, but we  
2 haven't, is the recommendations from the NCCHC.  
3 Two specifically that I want to point out and see  
4 if they have been addressed.

5           They title it JE02 receiving  
6 screening, and they say that this is essential.  
7 The amount of time an individual is kept in  
8 Intake exceeds most jail practices and places  
9 inmates at risk for not being treated or  
10 identified as requiring additional care. This  
11 practice falls short of the NCCHC standard. They  
12 talk about this being about the bifurcation of  
13 the intake process, that there is a two-tiered  
14 system between those who will remain in custody  
15 and those who will bail out.

16           So my question is what have you  
17 done to address the bifurcation of the intake  
18 process?

19           WARDEN HARPER: Ms. Hallam, we're  
20 looking at everything that the NCCHC recommended.  
21 We're in the process of looking at our intake  
22 process to see how we can better improve the  
23 process. We are not going to be able to  
24 accommodate everything with the NCCHC results  
25 just like that. It's going to take time. But we

1 are looking at the intake process to improve the  
2 process.

3 So right now, can I give you a  
4 definite answer as to what we're doing. I'm  
5 talking to my team to develop a strategy how to  
6 improve processes.

7 MS. HALLAM: Have you ever  
8 completed the results of the NCCHC suicide  
9 prevention report? I know that has been going on  
10 for quite some time now and has it been  
11 completed?

12 WARDEN HARPER: And we've reported  
13 out to the Board that all of the abatements from  
14 their review has been done except for physical  
15 structures.

16 MS. HALLAM: I remember that. I'm  
17 just saying do you foresee that you're in  
18 compliance with the NCCHC Mortality Review will  
19 take as long as it has taken for you to work on  
20 the ones on the suicide prevention?

21 WARDEN HARPER: It will take some  
22 time, ma'am. Yes, ma'am.

23 MS. HALLAM: Okay. The next thing  
24 from that report is about the medically  
25 supervised withdrawal and treatment. It says

1 that the facility has a detox nurse only Monday  
2 through Friday day shift. Sporadically time  
3 assessment is inadequate for the management of  
4 these patients. A review identified multiple  
5 patients whose detox was poorly managed.

6 Have you done anything to address  
7 the detox procedures?

8 WARDEN HARPER: We're looking at  
9 all the recommendations to include our detox  
10 protocol. So I don't have an answer for you  
11 right now, but we will have a solution to every  
12 recommendation from the Mortality Review.

13 MS. HALLAM: Okay. Next, we had  
14 talked at the April and May meeting -- I know we  
15 didn't get to talk at the last one, about bills  
16 and invoices for emergency room runs and hospital  
17 stays. Anybody?

18 (No response.)

19 MS. HALLAM: Okay. All right.  
20 Next, I want to ask specifically about the  
21 solitary confinement referendum because on the  
22 June Segregated Housing Report, there's some  
23 things that are listed. And if you need this  
24 statute about the solitary confinement ban, I  
25 have it here for your reference. Do you want me

1 to give it to you?

2 WARDEN HARPER: No, ma'am. I have  
3 it here also.

4 MS. HALLAM: Awesome. Thank you  
5 for bringing that.

6 Okay. So now I want to go to  
7 205-31, Subsection -- it looks like BB, and it  
8 lists the exceptions to the -- it basically says  
9 under these conditions you can hold somebody in  
10 solitary confinement. Do you see that?

11 WARDEN HARPER: No. What page?

12 MS. HALLAM: It's only one page  
13 that I have. It's 205-31. Section 205-31 under  
14 B and then B.

15 WARDEN HARPER: Okay. Got it.

16 MS. HALLAM: Okay. So it says, "No  
17 person may be held in emergency or short-term  
18 solitary confinement unless" and it lists the  
19 three. I'm not going to say them because I know  
20 I say them every single meeting. I'm trying to  
21 cut back.

22 So on the June Segregated Housing  
23 Report, I notice that you added three new  
24 exceptions, transfers to restricted housing,  
25 court appearances, and behavioral reasons. Can

1 you show me where in this subsection any of those  
2 three reasons are?

3 WARDEN HARPER: Ms. Hallam, I'm not  
4 going to try to show you where it is in Chapter  
5 205. There was lapse in the operations at the  
6 jail as to why those individuals did not get  
7 their 4 hours of out-of-cell time. We made  
8 changes to the operations to ensure that we don't  
9 run into those issues again. So we were  
10 transparent, and we put those -- that information  
11 on the report. I met with my team to make sure  
12 that we come up with a plan so that we don't have  
13 this going forward.

14 So no, I cannot show you that on  
15 205. We made a mistake. We're going to correct  
16 the mistake.

17 MS. HALLAM: Great. Thank you.

18 WARDEN HARPER: Thank you.

19 MS. HALLAM: I appreciate that. So  
20 can -- so you said that it's more like operations  
21 issues. Have these operation issues ever come  
22 into effect since this bill has been law? Like,  
23 have you ever had to do any of these for any of  
24 these reasons before?

25 WARDEN HARPER: We just ran into

1 these issues recently.

2 MS. HALLAM: Okay. It's a new  
3 problem.

4 WARDEN HARPER: It's a new problem.

5 MS. HALLAM: Okay. But you do  
6 acknowledge the three exceptions that are listed  
7 in the referendum?

8 WARDEN HARPER: We're going to  
9 follow Chapter 205 to the letter, Ms. Hallam.

10 MS. HALLAM: Okay. So then  
11 speaking of that specifically, I have a breakdown  
12 kind of of April, May, and June's reports that  
13 you gave. I see each time it talks about a  
14 partial-day lockdown. So can you talk about what  
15 that means? Does a person get 4 hours  
16 out-of-cell time on a partial-day lockdown?

17 WARDEN HARPER: So a partial-day  
18 lockdown is basically due to searches being done  
19 on the pod. So say, for an example, we come on  
20 the pod, and we have to search Pod 3 Charlie.  
21 That pod is locked down for that time period so  
22 that we can properly search that pod to ensure  
23 the safety of the pod. So that pod is partially  
24 locked down for that day. So that's basically  
25 what we're talking about.

1 MS. HALLAM: So do the folks on  
2 that pod get 4 hours out-of-cell on that day?

3 WARDEN HARPER: Sometimes they may.  
4 Sometimes they may not.

5 MS. HALLAM: So how do you think  
6 that is shown in Chapter 205? Can you show me  
7 where that allows -- where you're allowed to do  
8 that?

9 WARDEN HARPER: If you look at  
10 205-C, Reporting, A, it says "The dates and  
11 reasons for any lockdown of the jail or any  
12 section of the jail."

13 MS. HALLAM: Uh-huh.

14 WARDEN HARPER: So a pod is a  
15 section of the jail.

16 MS. HALLAM: But you understand the  
17 lockdown means that folks aren't allowed out of  
18 the jail. How do you believe that this specific  
19 explanation of a partial-day lockdown is  
20 transparent about how many people are not  
21 receiving out-of-cell time on that day?

22 WARDEN HARPER: It's only reported  
23 if they're not getting the 4 hours out-of-cell  
24 time, Ms. Hallam. So if we reported, they didn't  
25 get the 4 hours out-of-cell time.

1 MS. HALLAM: But what I'm trying to  
2 understand is who on that pod -- when you put a  
3 partial lockdown, who on that pod is not getting?  
4 Is there 10 people? Is there 30 people?

5 WARDEN HARPER: If there's 30  
6 people on the pod, then it's 30 people.

7 MS. HALLAM: Okay. So you're using  
8 partial lockdown to reference a full pod  
9 lockdown?

10 CHIEF DEPUTY WARDEN BEASOM: That's  
11 exactly what he's referencing. If we lock a pod  
12 down, say in the morning until 10 a.m., that's  
13 listed on the report as a partial lockdown. The  
14 rest of the facility is under normal operations.  
15 But because of the referendum, we have to report  
16 that because they may not get to that 4-hour  
17 threshold because we had to keep them secure for  
18 whatever reason it may be.

19 MS. HALLAM: But you also have pod  
20 lockdowns and it's a different number than  
21 partial-day lockdowns. So for example, I'm  
22 looking at June. It says there was 20 total  
23 facility-wide/pod lockdowns; 15 times there was a  
24 partial-day lockdown; 13 facility-wide lockdowns;  
25 7 pod lockdowns; so that facility-wide plus pod,

1       which the number of pod is not allowed, but 13  
2       plus 7 equals 20, but there was 15 partial days.  
3       So that's in addition?

4                   CHIEF DEPUTY WARDEN BEASOM:   So  
5       you're asking for the difference between a  
6       partial and a pod lockdown?

7                   MS. HALLAM:   Sure.

8                   CHIEF DEPUTY WARDEN BEASOM:   So I  
9       mean, there could be -- there's a myriad of  
10      reasons why we would lock down the jail for a  
11      partial segment of the day.  It could be  
12      facilities reasons, could be security reasons.  
13      We may have lost elevators or something like  
14      that, so for safety reasons, we have to lock them  
15      down until those issues are fixed.  If that makes  
16      sense.

17                   So the pod lockdowns specifically  
18      are more than likely because of a search that had  
19      to be completed.  The partial lockdown is because  
20      of something else that happened during that day  
21      that we had to keep the whole facility locked  
22      down just until whatever issue was present was  
23      fixed.

24                   MS. HALLAM:   Okay.  And then again,  
25      you mentioned like the safety and security, but I

1 do not see that language in this Chapter 205.  
2 So, you know, it specifically says, "The Facility  
3 Warden shall document specific reasons why any  
4 lockdown is necessary while less restrictive  
5 interventions are insufficient."

6 I don't know if I'm just not seeing  
7 the specific reasons on the report, but I've been  
8 asking for them every month. And if you are  
9 following 205 as excited as you seem to be to  
10 follow it, where is that?

11 WARDEN HARPER: Well, Ms. Hallam, I  
12 don't think you're going to agree with any  
13 explanation that we give, but safety and security  
14 is just what it is. We're going to make sure  
15 that the pod and the section of the jail is safe  
16 for all of our employees and inmates. So that's  
17 why we put safety and security. I mean, that's  
18 it. I mean, we're complying to Chapter 205  
19 except for what you saw in the report, and we own  
20 up to that.

21 MS. HALLAM: Where are the pod-wide  
22 lockdowns? The only exception I see is A,  
23 facility-wide lockdowns. Where do you see the  
24 exception for the pod-wide lockdowns? I just  
25 don't see that in the law.

1           WARDEN HARPER: In the -- I just  
2 read you where it says section of the jail.

3           MS. HALLAM: No, you read from  
4 reporting. You did not read from exception to  
5 the rule against solitary confinement. It says  
6 facility-wide lockdowns, emergency use of  
7 short-term solitary confinement, and request for  
8 protective custody. It says nothing about a  
9 partial lockdown, nothing about a pod lockdown.

10           WARDEN HARPER: Well, Ms. Hallam,  
11 we're not going to come to an agreement here. I  
12 believe under Chapter C, A, sections of the jail,  
13 I can lock it down to do whatever searches that I  
14 need to do. And it's clear here on Page 2, C, A.

15           MS. HALLAM: And where is the  
16 specific reasons as required by the law for doing  
17 that?

18           MS. LIPTAK: Point of order. May  
19 I, Judge Howsie?

20           MS. HALLAM: Please. A non-member  
21 of the Board is not allowed to interrupt me while  
22 I'm asking questions respectfully and calmly.  
23 You are not a member of this Board. Please do  
24 not disrespect me. I have been respectful this  
25 entire meeting.

1 MS. LIPTAK: No, you haven't, but  
2 this is not an interrogation of the staff. The  
3 staff is answering the questions, but he's not  
4 going to be able to make a legal interpretation  
5 of what the statute says. The jail provides this  
6 report. They post it publicly. They indicate  
7 the reasons. That is the requirement that  
8 applies under 205.

9 MS. HALLAM: Point of order.  
10 Judge Howsie, can you please let it be known that  
11 the people who are not members of this Board are  
12 not allowed to speak in this meeting?

13 JUDGE HOWSIE: She can make a  
14 statement.

15 MS. HALLAM: No. It's not allowed.  
16 There is no designee per statute. I'm not going  
17 to rehash that law right now.

18 JUDGE HOWSIE: They may speak.  
19 They may speak.

20 MS. HALLAM: Okay. My next  
21 question is specifically about folks who are  
22 listed as -- this is going back to April, all  
23 right? 100 individuals kept in solitary  
24 confinement because of their mental health  
25 condition. And again, I'm asking where the

1 individualized determinations of the necessity  
2 for that is, because it's not in the report, and  
3 it's very clear in the law that that is to be  
4 provided, documented, and individualized  
5 determination of the necessity for that person's  
6 confinement.

7 HSA DR. BRINKMAN: Can you direct  
8 us to what section you're talking about? I'm  
9 sorry.

10 MS. HALLAM: You mean where it says  
11 that? Oh, okay. Exception to the rule against  
12 solitary confinement. It says, "No person may be  
13 held in emergency or short-term solitary  
14 confinement unless." It's Subsection B, the  
15 first point. The Warden has made and documented  
16 an individualized determination of the necessity  
17 for that person's confinement.

18 JUDGE LAZZARA: Wouldn't that be  
19 contained in the file? You don't want to have a  
20 medical documentation in a public report.

21 MS. HALLAM: I'm just telling you  
22 what the law says.

23 JUDGE LAZZARA: It's going to  
24 violate HIPAA. It says that they have to  
25 document it. It doesn't say that he has to put

1 it in that individual's mental health issue in a  
2 report for the public to see. Like that's a  
3 total violation of HIPAA.

4 MS. HALLAM: It's literally not.  
5 The number of times any person has been subjected  
6 to temporary solitary confinement with the  
7 duration and reason for each confinement, as well  
8 as the number of instances the person has been  
9 held in solitary confinement more than once.

10 JUDGE LAZZARA: Bethany, I'm sure  
11 it's in the file.

12 MS. HALLAM: But no. I'm actually  
13 reading from the reporting bullet point at this  
14 point. So we're talking specifically about the  
15 reporting. There are three different sections.  
16 In here, the first one defining what it is, the  
17 second one talking about what the exceptions are,  
18 and the third one being reporting mechanism.  
19 That actually -- I just read that from the  
20 reporting section.

21 WARDEN HARPER: So Ms. Hallam, if  
22 you look at Page 7 of the report -- do you have  
23 Page 7 there?

24 MS. HALLAM: Uh-huh. Yeah.

25 WARDEN HARPER: And it actually has

1 each individual that was not provided out-of-cell  
2 time for medical reasons or the asterisks, what  
3 their age, ethnicity, race, sex, gender,  
4 everything that's in compliance to Chapter 205.

5 MS. HALLAM: I would -- I agree  
6 with those other things. What I'm talking about  
7 is the reasons.

8 WARDEN HARPER: Medical reasons.  
9 It says it right there. The reason, medical.  
10 Reason, assessment. It says it right there.

11 MS. HALLAM: And I'm going to, you  
12 know, redo again, that the Warden shall document  
13 specific reasons. Medical is a very --

14 WARDEN HARPER: That's my specific  
15 reason, medical or assessment. It says it right  
16 there on Page 7.

17 MS. HALLAM: So you're saying that  
18 documentation of the individual's specific reason  
19 exists somewhere? You're just not reporting it?

20 WARDEN HARPER: If you look at  
21 Page 7, it says, Reason and we give the reason in  
22 compliance to Chapter 205.

23 MS. HALLAM: I'm sorry,  
24 Warden Harper. I think you're misunderstanding.  
25 I'm asking if these individualized determination

1 of the necessity for their confinement, if you  
2 document that somewhere?

3 WARDEN HARPER: It's going to be in  
4 the medical record or the EHR. Yes, it's going  
5 to be documented somewhere. Yes, ma'am.

6 MS. HALLAM: You have documented,  
7 and you're just refusing to share with us?

8 WARDEN HARPER: We're not going  
9 to --

10 JUDGE HOWSIE: Yes, because it's --  
11 you can't share someone's medical information.  
12 Come on.

13 MS. HALLAM: Go back to the statute  
14 that is very clear that --

15 JUDGE LAZZARA: HIPAA is a federal  
16 law.

17 MS. HALLAM: The books, papers, and  
18 records of the prison, including but not limited  
19 to the papers and records of the warden, and  
20 those relating to individual inmates shall at all  
21 times be available for inspection by the Board.  
22 It says nothing about except for the ones that  
23 the Warden thinks he shouldn't share.

24 JUDGE HOWSIE: And it is available  
25 for inspection. If you want to go down to the

1 jail and inspect it, you can. But to put that  
2 detailed information about someone's medical  
3 information in a report would violate HIPAA. Do  
4 you have --

5 MS. HALLAM: Well, that's what I'm  
6 asking. If I go down -- if you're saying that if  
7 I come to the jail, I can see individualized  
8 determinations for why each of those 100  
9 individuals were kept in solitary?

10 JUDGE LAZZARA: No.

11 JUDGE HOWSIE: No.

12 MS. HALLAM: You just said that.

13 JUDGE HOWSIE: I'm not saying --  
14 I'm saying the information is detailed and -- the  
15 information is detailed. The manner and way in  
16 which you think it should be, though, does not  
17 make it unlawful or improper for them to detail  
18 in the manner that they do.

19 So with that being said, we're  
20 going to continue to disagree. You don't agree  
21 with what he's saying. He doesn't agree with  
22 what you're saying. He's offered you an  
23 explanation. He documented in the report.

24 Do you have another question?

25 MS. HALLAM: I have plenty of

1 questions.

2 JUDGE HOWSIE: Okay. Let's get to  
3 your next question.

4 MS. HALLAM: Thank you very much.  
5 So I know we had mentioned before making sure  
6 that there was a copy of the solitary confinement  
7 referendum on the tablet. Has that happened yet?

8 DEPUTY WARDEN TOMA: That was  
9 posted.

10 MS. HALLAM: It was posted.  
11 Awesome. Thank you.

12 When I was there this past weekend,  
13 I had, you know, encountered people who were  
14 concerned about not being able to file  
15 grievances, specifically people who do not have  
16 access to tablets. Has that been remedied? I  
17 know I had talked to the CO at least on that pod,  
18 but there are definitely people on pods who are  
19 not able to file grievances.

20 CHIEF DEPUTY WARDEN BEASOM: Anyone  
21 that does not have access to tablets has access  
22 to a caseworker who can file a grievance for that  
23 person if they're deemed not safe to have a  
24 writing implement.

25 MS. HALLAM: Okay. And they

1 receive a copy of that grievance whenever it's  
2 filed with their caseworker?

3 CHIEF DEPUTY WARDEN BEASOM: We  
4 would put that copy in their property when  
5 they're released from whatever tier they're on.  
6 When they're deemed safe, they can have a copy of  
7 it.

8 MS. HALLAM: They just don't have  
9 access to it while they're in the jail when they  
10 need it.

11 CHIEF DEPUTY WARDEN BEASOM: I  
12 don't know what you mean.

13 MS. HALLAM: A copy of the  
14 grievance that they filed, any proof, any, you  
15 know, paper trail, documentation that the  
16 grievance was filed and received?

17 CHIEF DEPUTY WARDEN BEASOM: No.  
18 Our grievance -- our paper grievances are carbon  
19 copies.

20 MS. HALLAM: Uh-huh.

21 CHIEF DEPUTY WARDEN BEASOM: Okay.  
22 The pink copy --

23 MS. HALLAM: I seen them.

24 CHIEF DEPUTY WARDEN BEASOM: -- is  
25 their copy. What I'm saying is is we have to

1 have somebody fill it out for them. We'll take  
2 that carbon paper. We'll put it in their  
3 property. Whenever they're able to access it,  
4 we'll give it to them.

5 MS. HALLAM: Okay. So they can  
6 access it. Just they have to ask permission?

7 CHIEF DEPUTY WARDEN BEASOM: Just  
8 not at that time because I can't give them those  
9 things until they're safe to have them.

10 MS. HALLAM: Okay. I mean, but  
11 this is also people who have had their tablet  
12 taken away because they broke it. I mean, why  
13 are they not safe to have a piece of paper?

14 CHIEF DEPUTY WARDEN BEASOM: Why  
15 would we give somebody that just broke a tablet  
16 another tablet to break?

17 MS. HALLAM: I'm not asking for a  
18 tablet. I'm saying like a physical -- the paper.  
19 The piece of paper, the carbon copy? Because  
20 what's happening is it's kind of seeming like a  
21 catch-22, right? The people who are able to file  
22 grievances on the tablets who have access to the  
23 tablet, they want -- they can't get a paper copy  
24 of it, right?

25 CHIEF DEPUTY WARDEN BEASOM: Sure

1 they can.

2 MS. HALLAM: A paper copy of the  
3 tablet?

4 CHIEF DEPUTY WARDEN BEASOM: You're  
5 saying of the complaint that was filed through  
6 the tablet?

7 MS. HALLAM: Correct.

8 CHIEF DEPUTY WARDEN BEASOM:  
9 Correct. They do not get that.

10 MS. HALLAM: Okay. So once they  
11 lose access to a tablet, they cannot see a paper  
12 filing that exists?

13 CHIEF DEPUTY WARDEN BEASOM: It's  
14 considered jail records, so unless we would get a  
15 subpoena to release that, that's our property.

16 MS. HALLAM: And then the people  
17 who don't have access to a tablet for a variety  
18 of reasons, I have seen now on multiple  
19 inspections of the jail, paper grievances were  
20 not available on their floor. Because in  
21 previous meetings, I was definitely told that  
22 people who didn't have access to tablets --

23 CHIEF DEPUTY WARDEN BEASOM: Do you  
24 remember which specific areas you were in?

25 MS. HALLAM: Yeah. I'll give you a

1 list.

2 CHIEF DEPUTY WARDEN BEASOM:

3 Please.

4 MS. HALLAM: Do you want me to  
5 e-mail you a list?

6 CHIEF DEPUTY WARDEN BEASOM: Yes.

7 MS. HALLAM: Okay. So I think you  
8 answered this question. It's the caseworker who  
9 they should contact to get a hard copy of their  
10 grievances that they submitted via tablet. So I  
11 want a piece of paper of a grievance that I filed  
12 via my tablet. Who is the person in the jail  
13 that I contact to get that?

14 CHIEF DEPUTY WARDEN BEASOM: You're  
15 asking once we would receive a subpoena?

16 MS. HALLAM: No. I'm just saying  
17 I'm incarcerated in the jail. I filed a  
18 grievance on a tablet. I want a paper copy of  
19 that grievance. How do I get that? I can't get  
20 that while I'm in jail?

21 CHIEF DEPUTY WARDEN BEASOM: No. I  
22 just said you have to send a subpoena to the jail  
23 for the record.

24 MS. HALLAM: That is the only way  
25 you will give somebody a copy of a grievance is

1 through a subpoena?

2 CHIEF DEPUTY WARDEN BEASOM: Yes.

3 MS. HALLAM: Okay. And how long of  
4 a process is that?

5 CHIEF DEPUTY WARDEN BEASOM: When  
6 we receive it.

7 MS. HALLAM: I know we had asked  
8 before about a dentist. Is the dentist coming?

9 HSA DR. BRINKMAN: As I mentioned  
10 before, they would like your --

11 MS. HALLAM: Questions ahead of  
12 time?

13 HSA DR. BRINKMAN: -- questions in  
14 writing so they can be prepared.

15 MS. HALLAM: Right. But they will  
16 come and answer them in person?

17 HSA DR. BRINKMAN: I don't know  
18 that because they are not a local vendor.

19 MS. HALLAM: Well, I mean, the  
20 person who actually does the dental stuff has to  
21 be local, right, because he --

22 HSA DR. BRINKMAN: The dentist is,  
23 but that would not be who the vendor would  
24 probably want to come. They would be choosing  
25 who they would want to talk with you.

1 MS. HALLAM: Well, we specifically  
2 want to ask -- we said we want to talk to like  
3 the people who are actually providing, not some  
4 CO of some corporation.

5 HSA DR. BRINKMAN: We also don't  
6 know what kind of questions you want to ask.  
7 That's why they asked me to find out what the  
8 topic of discussion is.

9 MS. HALLAM: Okay. All right.

10 Next, I want to just ask a little  
11 bit about the books. Is there an update on the  
12 library? I know we had talked before about how  
13 many pods have been permitted to visit the  
14 library monthly. Can you speak to that?

15 DEPUTY WARDEN TOMA: Well, pods  
16 don't visit the physical library. Book carts are  
17 taken to them. And Ms. Moss actually posted a  
18 report last month prior to the JOB meeting of the  
19 outcomes of those meetings. So a lot of your  
20 questions were addressed in writing in her report  
21 from those meetings.

22 MS. HALLAM: Right. But I didn't  
23 get to ask you any questions. That's why I'm  
24 asking you now.

25 DEPUTY WARDEN TOMA: No. So I'm

1 just informing you of that. But in regards to  
2 your question, you asked do they come down to the  
3 library. No, all book carts are taken up to the  
4 physical pod.

5 MS. HALLAM: And that is going to  
6 be that way forever? I thought we were maybe  
7 waiting to get to the point where people could go  
8 to the library. That's never going to happen?

9 DEPUTY WARDEN TOMA: Movement to  
10 the library is not something that is currently in  
11 the works. What we are focusing on is the  
12 movement of those physical books to the pods to  
13 the point where we have met with the Allegheny  
14 County Library Association to address our  
15 inventory issues and also to identify best  
16 practices for how to manage that inventory to be  
17 able to send it up to the pods, and then also to  
18 inventory it coming back.

19 MS. HALLAM: Okay. And then what  
20 about the licenses for the books through the  
21 E-Books? What happens if people want the same  
22 title at the same time? How many licenses do we  
23 have for each book that they have available on  
24 the tablet?

25 DEPUTY WARDEN TOMA: So yeah. So

1 we prio- -- during COVID, we met with the  
2 Carnegie Library. They advised us to use a  
3 seven-to-one ratio as far as the holds go, so we  
4 have -- depending on how the books are licensed.  
5 So we may have a simultaneous user license on a  
6 book, and that is completely controlled by the  
7 publisher. Some books we have to purchase  
8 outright.

9           So again, based on those seven  
10 holds, if there's seven holds, we would look to  
11 purchase additional books or additional copies of  
12 that book. We also have multi check-outs, so it  
13 varies depending on the interest.

14           We also look to see how frequently  
15 that book is requested as well as if those holds  
16 are still currently within the facility and how  
17 long those holds have existed.

18           MS. HALLAM: So it really varies  
19 based on the title?

20           DEPUTY WARDEN TOMA: Uh-huh.

21           MS. MOSS: And it's also on the  
22 report.

23           MS. HALLAM: How many for each --  
24 I'm looking more for like individual titles, like  
25 certain books. Is there more licenses for

1 certain books than other books?

2 MS. MOSS: Yeah. This is --

3 MS. HALLAM: This was the total.

4 MS. MOSS: This was the total.

5 MS. HALLAM: Yeah, those were the  
6 totals.

7 MS. MOSS: Yeah, those were the  
8 totals for April and May.

9 MS. HALLAM: Okay. I believe that  
10 is the end of my questions, but I do want to say  
11 before we adjourn, can we please go into  
12 executive session to discuss pending litigation  
13 that this Board has been named in? I read an  
14 article saying that Mr. Bacharach is representing  
15 us as the Board in a lawsuit, and I was never  
16 consulted about that. And so I was just  
17 wondering -- I know it's more of an executive  
18 session kind of thing. Can we go into one before  
19 we adjourn the meeting to discuss?

20 JUDGE HOWSIE: We'll talk about  
21 that after we adjourn.

22 Anything else? Any other questions  
23 from anyone else?

24 (No response.)

25 JUDGE HOWSIE: No questions? No

1 questions? Sheriff.

2 MR. KRAUS: Motion to adjourn.

3 JUDGE HOWSIE: Anyone seconding  
4 that Motion?

5 MR. KAMARA: Second.

6 JUDGE HOWSIE: Second. Meeting is  
7 adjourned.

8 (Whereupon, the hearing was  
9 concluded at 7:10 p.m.)
