(4:00 o'clock p.m.)

**WELCOME, CALL TO ORDER AND RULES**

JUDGE HOWSIE: Good afternoon, everyone. We're going to call the meeting to order. We want to start by saying that we ask that everyone -- you have an opportunity to speak. If you choose to give a public comment, you have three minutes to speak. At the conclusion of your time, you will hear this noise, so you'll know that your time is up.

(Bell ringing.)

JUDGE HOWSIE: That's the noise. I don't know if you can hear that. I don't think you can hear it. You can hear that.

All right. So that will be the noise that you'll hear whenever your time is up. So at that time, we'd ask that you stop speaking so that everyone will have an opportunity to speak.

Additionally, we want everyone to treat each other with the same respect that you would like to have, or you would expect in return. So when other people are speaking, we ask that you not speak over them or not yell from

1 the audience so everyone can be heard and given  
2 the opportunity to speak.

3 With that being said -- if you are  
4 unable to follow those rules, then obviously  
5 we'll have to ask you to leave the meeting.

6 With that being said, Judge  
7 Lazzara?

8 JUDGE LAZZARA: Is this the roll  
9 call? I'm present.

10 JUDGE HOWSIE: That's all right.

11 JUDGE LAZZARA: At least in body.  
12 I'm not sure about mind yet.

13 MR. ABASS: Present.

14 JUDGE HOWSIE: County Controller  
15 Corey O'Connor is present.

16 Rich Fitzgerald?

17 MR. PILARSKI: Steve Pilarski.

18 JUDGE HOWSIE: Sheriff Kraus?

19 SHERIFF KRAUS: Present.

20 JUDGE HOWSIE: Gayle Moss?

21 MS. MOSS: Present.

22 JUDGE HOWSIE: President of County  
23 Council, Pat Catena?

24 MS. HALLAM: Council Member Bethany  
25 Hallam.

1 JUDGE HOWSIE: It's also been  
2 brought to my attention that Terri Klein's father  
3 is ill, and he's in the hospital, so I'd ask that  
4 you keep her as well as her father in your  
5 prayers and your thoughts.

6 MS. HALLAM: Point of order,  
7 Judge Howsie?

8 JUDGE HOWSIE: Yeah.

9 MS. HALLAM: Yeah, I want to object  
10 to Mr. Pilarski participating in lieu of County  
11 Executive Fitzgerald. The State Statute is very  
12 clear that the County Executive does not get a  
13 designee on this Board, so I want that objection  
14 officially noted, please.

15 JUDGE HOWSIE: Thank you very much.

16 MS. HALLAM: Thank you.

17 JUDGE HOWSIE: With that being  
18 said, we'll now have the Community Corrections  
19 Report.

20 **COMMUNITY CORRECTIONS REPORT**

21 JUDGE HOWSIE: Passages to  
22 Recovery.

23 MR. KORDZI: Good afternoon,  
24 everybody. Kevin Kordzi with Passages to  
25 Recovery.

1           At this point, over the past month  
2 of February, we had eight admissions. Currently,  
3 we have 18 men in the program, nine women in the  
4 program in residential.

5           In transitional living, we have  
6 seven men and one woman. Over the past month,  
7 we've had one client move from residential to  
8 TLF, transitional living. We've had six people  
9 successfully complete the program. Four left  
10 against facility advice, five escaped, one  
11 revoked, one was released from the program by  
12 Court, one was detained by Court.

13           Over the past month, we've also  
14 finalized plans and procedures to be able to  
15 start bringing in clients from the Allegheny  
16 County Jail alternative housing that are on  
17 Methadone. And as of yesterday, we had four  
18 clients admitted to the program that are  
19 receiving Methadone, and we're taking over Tadiso  
20 for their dosing over there.

21           Community-based support, passes are  
22 continuing. Family-based visits are also  
23 continuing.

24           JUDGE HOWSIE: Questions?

25           MS. HALLAM: I have one.

1 JUDGE HOWSIE: Ms. Hallam.

2 MS. HALLAM: Yeah, what are the  
3 various MOUD services that you're offering? Is  
4 it just Methadone, did you say?

5 MR. KORDZI: No, we do Suboxone,  
6 Sublocade, Vivitrol, Methadone.

7 MS. HALLAM: Okay. And it all  
8 depends on like what they came in on?

9 MR. KORDZI: Right.

10 MS. HALLAM: All right. Thank you.

11 MR. KORDZI: I think the only thing  
12 at this point is that we wouldn't be able to do  
13 Methadone from someone from the community simply  
14 because their relationship with Tadiso is that  
15 they were considered guess-dosing there. So it's  
16 just a much simpler, kind of less complicated  
17 process because they don't have to provide --  
18 receive services from Tadiso other than dosing  
19 while they're there.

20 MS. HALLAM: Okay. Great. Thank  
21 you.

22 JUDGE HOWSIE: Judge Lazzara?

23 JUDGE LAZZARA: No.

24 JUDGE HOWSIE: No questions?

25 JUDGE LAZZARA: Great job.

1 JUDGE HOWSIE: Thank you very much.

2 MS. HALLAM: I'm sorry. I have one  
3 more. You mentioned something about leaving  
4 against advice versus escape, and I'm just  
5 wondering how you differentiate between the two  
6 of those things.

7 MR. KORDZI: If someone is there  
8 serving a sentence and they leave, that's an  
9 escape. If they're not serving a sentence, might  
10 be on a detainer or a self-referred client, then  
11 that would be against facility advice.

12 MS. HALLAM: And do they receive  
13 any sort of punishment if they leave against  
14 advice versus leaving as an escape?

15 MR. KORDZI: It depends. If  
16 they're there on a detainer or they're -- they  
17 might be court-ordered to complete a program,  
18 there might be a warrant issued for their arrest,  
19 but it's not necessarily a new charge like an  
20 escape.

21 MS. HALLAM: An escape charge. All  
22 right. Thank you very much.

23 MR. KORDZI: Uh-huh.

24 JUDGE HOWSIE: The Renewal Center.

25 MR. ZAK: Good afternoon,

1 everybody. Adam Zak reporting for the Renewal  
2 Center.

3 So starting off our program numbers  
4 for the past month, currently we have 81 males in  
5 our work release program, 10 females, for a total  
6 of 91 in work release.

7 For inpatient drug and alcohol  
8 program, 18 males, three females, for a total of  
9 21.

10 In the past month, we had one staff  
11 who tested positive for COVID and two reentrants  
12 positive for COVID. Currently, we have no  
13 positive cases, no one quarantined.

14 Employment percentage is currently  
15 61 percent. That is for individuals who were  
16 here over 30 days and don't have any disability,  
17 and who are not in inpatient treatment.

18 In the upcoming months, we're  
19 trying to reestablish our community service  
20 partnerships and introduce our clients to  
21 available services and community resources by  
22 weekly presentations. We are partnering with  
23 Mount Ararat Baptist Church once a month for  
24 their monthly food bank and distribution, and  
25 Project Destiny, which is a clothing distribution

1 center on the North Side, and we're going there  
2 twice a month.

3 Finally, on February 22nd, at our  
4 Boulevard of the Allies location, we had  
5 Reverend Rod Tate from the Pennsylvania  
6 Interfaith Impact Network and Ms. Carrie Spencer.  
7 They gave a presentation to our men about the  
8 Colorful Backgrounds Expo Program for  
9 ex-incarcerated individuals. This program is  
10 going to be starting up next week in the  
11 Swissvale location, and the program workshops  
12 include job readiness, basic computer skills,  
13 financial literacy, leadership skills, mental  
14 health anger management self-care, community  
15 organizing, and an expungement clinic. We had a  
16 lot of interest from our guys participating in  
17 this program, and Ms. Spencer and Reverend Tate,  
18 they are invited to come back and give  
19 presentations when more men and women come over  
20 to our program.

21 That's all I have.

22 JUDGE HOWSIE: Questions?

23 (No response.)

24 JUDGE HOWSIE: Thank you very much.

25 MR. ZAK: Thank you.

1 JUDGE HOWSIE: We'll now hear from  
2 Electronic Monitoring.

3 MR. ESWEIN: Good afternoon, Board.  
4 Steve Eswein for the Probation Office.

5 Really nothing outside of our  
6 report that -- new to bring up. Just,  
7 Judge Lazzara, we only have one person on the  
8 Soberlink, so feel free to sentence anybody else  
9 to that or put anybody else on that.

10 JUDGE LAZZARA: I will.

11 MR. ESWEIN: Just some highlights,  
12 we're about 650 individuals on the bracelet, so  
13 our numbers are back up to what we -- normal.  
14 And 67 had completed successfully.

15 So that's all.

16 JUDGE HOWSIE: Is that pretrial?

17 MR. ESWEIN: Pretrial, there is 97.

18 JUDGE HOWSIE: 97 pretrial?

19 MR. ESWEIN: Yeah.

20 JUDGE HOWSIE: The balance would  
21 have been sentenced to electronic home  
22 monitoring?

23 MR. ESWEIN: Yes, yes.

24 JUDGE HOWSIE: Are you finding most  
25 of those people are there as a result of DUIs or?

1 MR. ESWEIN: The majority of them  
2 are DUIs, yes. Probably 70 percent.

3 JUDGE HOWSIE: 70 percent DUI?

4 MR. ESWEIN: Breakdown, yeah.

5 JUDGE HOWSIE: All right. Any  
6 other questions?

7 Ms. Hallam.

8 MS. HALLAM: Yeah, so the numbers  
9 were lower before, right? That's an increase?

10 MR. ESWEIN: Yeah.

11 MS. HALLAM: So have you identified  
12 why that is?

13 MR. ESWEIN: Just what comes  
14 through. I mean, it just -- end of the year is  
15 always a little bit down and, yeah, new year  
16 stick things -- court picks back up. More people  
17 get sentenced.

18 MS. HALLAM: Okay. It happens  
19 every year?

20 MR. ESWEIN: Yeah, pretty much.  
21 Yeah.

22 MS. HALLAM: Okay. Cool. Thank  
23 you.

24 MR. ESWEIN: Thank you.

25 JUDGE HOWSIE: Any other questions?

1 (No response.)

2 JUDGE HOWSIE: Thank you. Thank  
3 you very much.

4 We will now have our public  
5 comments. In order to present a public comment,  
6 you will have -- you needed to sign up on this  
7 sheet, so I'll call the names as they appear on  
8 the sheet.

9 **PUBLIC COMMENT**

10 JUDGE HOWSIE: First on the list  
11 would be Darwin Leuba.

12 MR. LEUBA: Darwin Leuba,  
13 D-A-R-W-I-N, L-E-U-B-A, 269 Kittanning Pike,  
14 Pittsburgh, PA 15215.

15 JUDGE HOWSIE: Thank you.

16 MR. LEUBA: Today, I want to  
17 continue discussing contract enforcement,  
18 particularly in regards to the County  
19 Controller's Office. I remind everybody on this  
20 Board that the Summit Food Service contract  
21 expires in less than two months, so if we want to  
22 enforce that contract by withholding payment for  
23 contract violations, we're running out of time.  
24 Specifically, the Controller is running out of  
25 time.

1 Today, I want to talk about the  
2 Allegheny Health Network contract, particularly  
3 in light of Polly Reid Ward's report in TribLive  
4 from February 27th entitled "Experts in Lawsuit  
5 Say Mental Health Care at Allegheny County Jail  
6 is 'Grossly Inadequate.'"

7 That article states, "Brinkman said  
8 during her deposition that there are often no  
9 psychiatrists at the jail because positions  
10 remain unfilled, Kupers added." "Vacancies  
11 included ones for health services administrator,  
12 three deputy health services administrators,  
13 director of mental health programs, five mental  
14 health specialists, one psychiatric director, one  
15 psychiatrist and one psychologist. The report  
16 showed there was one psychiatrist for the  
17 facility."

18 Yet, according to the most recent  
19 AHN contract that I could find, these are the  
20 requirements for mental healthcare. "1.8  
21 full-time equivalent psychiatrists, and .5  
22 full-time equivalent psychologists. Services  
23 include behavioral healthcare from assessment to  
24 treatment."

25 Now, the per diem rate in this

1 contract for a psychiatrist is \$1,300 per diem,  
2 and for a psychologist, it's \$500 per diem. So  
3 the question I have is are we actively penalizing  
4 AHN by these per diem rates when they are not  
5 providing care per the contract, and why don't we  
6 use that money to hire additional care?

7 The psychiatrist per diem rate at  
8 260 working days in a year would bring in  
9 \$338,000 each year that AHN does not provide a  
10 full-time equivalent psychiatrist.

11 And I understand that there's a  
12 staffing audit that's been in the works at the  
13 Controller's Office, but we already have all of  
14 this information inhouse, and if we really cared  
15 about the health of incarcerated folks in the  
16 jail, we'd start contract enforcement today while  
17 taking the time to look back at historical  
18 violations, including not only healthcare  
19 capacity noncompliance, but also credentials,  
20 given the doctor they provided who had a  
21 "significant history of fraud and deception."

22 I urge the Controller to do his job  
23 and enforce these contracts today, because every  
24 day he doesn't, people aren't getting fed and  
25 they aren't getting healthcare, and it's

1 contributing to the human rights violations that  
2 we, as a county, are enabling in our jail every  
3 day.

4 I thank you for your time and I  
5 urge the Board to respect our incarcerated  
6 community members and to provide them with  
7 respect, food, and healthcare.

8 Thank you.

9 JUDGE HOWSIE: Thank you very much.

10 I forgot to state that when you  
11 come up to give your public comment, please state  
12 your full name and spell your last name for the  
13 record.

14 Next, we'll hear from -- I believe  
15 this is Rachel Radke.

16 MS. RADKE: Okay. Rachel Radke,  
17 R-A-D-K-E.

18 JUDGE HOWSIE: Thank you.

19 MS. RADKE: Okay. I am speaking  
20 today as a person in long-term recovery from  
21 substance use disorder. I'm a mom raising three  
22 sons here in Pittsburgh, and I'm a widow whose  
23 late husband was a casualty of the war on drugs.  
24 I'm here to speak about the necessity of full and  
25 open and equitable access to MOUD at the county

1 jail.

2 In the release dated November 3rd,  
3 titled County Jail Expands Methadone Services,  
4 Warden Harper sounded proud to announce that the  
5 county jail would be working with Tadiso to  
6 continue Methadone treatment for inmates who have  
7 a prescription at the time of their  
8 incarceration. He stated that we understand that  
9 many of the individuals committed to our facility  
10 have a history of substance abuse. We are  
11 committed to assisting their recovery any way we  
12 can.

13 I'm thrilled to hear that, but  
14 unfortunately, the current policies are not  
15 reflecting that. There are major issues in the  
16 current policies that are costing human life.

17 According to the same press release  
18 individuals who suffer from OUD and do not have a  
19 valid prescription receive medically supervised  
20 withdrawal treatment and are offered substance  
21 use treatment. This means that rather than being  
22 offered MOUD induction, which we now know  
23 provides the best possible outcomes for those  
24 with substance use disorder, they're forced to  
25 detox and receive other types of care.

1 Abstinance-based drug and alcohol treatment is  
2 directly linked to higher rates of overdose.  
3 According to the Health Department's report,  
4 accidental overdose deaths in Allegheny County  
5 from 2016 to 2020, nearly one in five of the  
6 individuals who dies of overdose in the county  
7 during that time had been in the county jail in  
8 the prior 12 months. That's a lot of people.

9 The jail has a unique opportunity  
10 to significantly reduce these rates in our county  
11 by implementing an effective policy.

12 The CDC, SAMHSA, and Johns Hopkins,  
13 and many other organizations have all released  
14 reports which state that compared to  
15 non-pharmacological therapies, people receiving  
16 MOUD, which is an evidence-based pharmacological  
17 treatment for OUD remain in treatment longer,  
18 have reduced illicit opioid use, and reduced  
19 prescription opioid misuse.

20 Sorry. There are stacks upon  
21 stacks of studies which have found that offering  
22 MOUD in correctional facilities significantly  
23 reduces rates of overdose and recidivism and  
24 increases lengths of remission.

25 There's an equally large stack of

1 studies which show that simply providing  
2 Naltrexone or only providing some types of MOUD  
3 do not have the same positive effects. It is not  
4 an equivalent or sufficient treatment for opioid  
5 use disorder.

6 The American Society for Addiction  
7 Medicine and the National Commission -- damn it.  
8 Okay. That's okay. Thank you.

9 JUDGE HOWSIE: All right. Thank  
10 you.

11 We will now hear from Penny  
12 McCague.

13 MS. McCAGUE: Can everyone hear me?

14 JUDGE HOWSIE: Yes.

15 MS. McCAGUE: Okay. My name is  
16 Penny, last name is M, small C, capital  
17 C-A-G-U-E.

18 JUDGE HOWSIE: Thank you.

19 MS. McCAGUE: I am speaking today  
20 to let everyone know that maybe -- most people  
21 don't know, but my aunt and I, Sally Childs, we  
22 started an organization called Lydia's Place,  
23 which we created the name from the Bible, and  
24 that was back in 2006. And I have personally  
25 seen that Lydia's Place provided a lot of what

1 the women needed inside the jail, never asking  
2 for one positive note of thanks. But I just  
3 wanted people to realize that the first thing we  
4 must do is start treating people with respect.  
5 Everyone needs to be treated with respect.  
6 And -- but I am the founder of Lydia's Place.  
7 I've also helped Tim Stevens on many projects  
8 over the years. Many of you know who I am. I  
9 let -- me last largest project was the Hillman  
10 Cancer Center, which I was able to get developed  
11 before Elsie Hillman passed, but I was determined  
12 to get a better research facility together. And  
13 I'm very proud of the Hillman Cancer Center, but  
14 people have to start understanding that you have  
15 to start speaking to people with respect.  
16 Looking people in the eye, saying hello, how are  
17 you? Hello, how are you? I don't think people  
18 know how to do that anymore. That's one of the  
19 reasons why we're having all of this violence.  
20 I've never seen anything like this. I mean,  
21 myself and my family, we have done so much for  
22 Allegheny County and for Western Pennsylvania  
23 over the years, and we've always been happy to do  
24 it. But at the same time, we really don't want  
25 to be punished because of what we have done.

1                   And I'm just here today because  
2 I've been extremely disappointed in how certain  
3 people have been treated and some of what is  
4 still going on at the Allegheny County Jail. And  
5 Mr. Warden, you knew you had my support when you  
6 initially came.

7                   So there's a lot of positive that  
8 we can do, but just like I did with the Hillman  
9 Cancer Center, we have to start using positive  
10 energy instead of all this negative, negative,  
11 negative, negative. That has to go, and that's  
12 the reason why I'm here today.

13                   If any of you have any questions  
14 about what does positive energy mean, come talk  
15 to me.

16                   JUDGE HOWSIE: Thank you --

17                   MS. McCAGUE: People know how to --

18                   JUDGE HOWSIE: Thank you very much  
19 for your comments. Thank you.

20                   MS. McCAGUE: You do know what  
21 positive means.

22                   JUDGE HOWSIE: Thank you.

23                   MS. McCAGUE: Okay. Let me just  
24 pick up my papers.

25                   JUDGE HOWSIE: We will now hear

1 from Rick McCague. No? No?

2 All right. John Kenstowicz.

3 MR. KENSTOWICZ: Yeah, my name is  
4 John Kenstowicz, K-E-N-S-T-O-W-I-C-Z.

5 JUDGE HOWSIE: Thank you.

6 MR. KENSTOWICZ: The recent NCCHC  
7 Suicide Prevention Report states the following.  
8 Staff shortages are a major challenge at the  
9 jail. The jail has 148 healthcare positions  
10 budgeted. 43 percent of these positions were  
11 vacant as of 9/19/22. That's 67.5 positions.

12 Among the mental health vacant  
13 positions were five mental health specialists,  
14 three mental health nurses, and one psychiatrist  
15 part-time.

16 NCCHC said further, we observe that  
17 therapeutic programming on the mental health  
18 residential units was limited, and so a group  
19 activity with only three inmates suggested most  
20 inmates did not have access to group activity.  
21 They also said that most healthcare interviews  
22 are at cell-side.

23 Referring the board to the minutes  
24 of April 2021 in a public comment, I raised these  
25 issues as to whether most healthcare visits were

1 still at cell-side -- cell-side and questioned if  
2 there were improvements in availability of  
3 therapeutic groups and individual therapy.

4 Judge Clark asked Deputy Warden  
5 Williams these questions regarding cell-side  
6 visits and group therapy. The Deputy Warden  
7 assured Judge Clark there was improvement, but  
8 she provided an answer -- an evasive answer with  
9 no specifics. I question the authenticity of her  
10 answer because a staffing crisis was increasing,  
11 and yet she said there were improvements.

12 If one looks at the statements made  
13 by NCCHC in 2019 and 2022 in these areas, the  
14 statements are almost exactly the same regarding  
15 cell-side visits, lack of group process, and  
16 follow-up care when people leave the mental  
17 health unit.

18 A difference is that there were 37  
19 vacancies in 2019 and now there are 67.5  
20 vacancies. Both NCCHC and I very much value the  
21 need for people's privacy.

22 Based upon my 26 years working in  
23 mental health I can assure you that many people  
24 are not going to disclose thoughts about suicide  
25 or hearing voices in the presence of others on

1 the cell block.

2 A critical problem at the jail is  
3 the staffing crisis, and residents, as a result,  
4 are more vulnerable to suicide, death, and  
5 altercations with the staff.

6 One remedy is for an RFP to be  
7 initiated to bring outside, non-profit mental  
8 health providers into the jail to facilitate  
9 groups, assist with mental health visits to be  
10 done in privacy. Can I just finish this  
11 paragraph, and follow up for people leaving the  
12 mental health unit? Well, I guess that's it.

13 JUDGE HOWSIE: Thank you, sir.

14 MR. KENSTOWICZ: All right.

15 JUDGE HOWSIE: Have a good day.

16 MR. KENSTOWICZ: Thank you.

17 JUDGE HOWSIE: We'll hear from Ella  
18 Scales.

19 MS. SCALES: Good afternoon.

20 JUDGE HOWSIE: Good afternoon.

21 MS. SCALES: My name is Minister  
22 Ella Scales, and I'm the vice president of the  
23 Pennsylvania Interfaith Impact Network. Good to  
24 see you today.

25 I stand here today coming off the

1 heels of Black History Month and March being  
2 Women's History Month, and I look, and I see that  
3 history has been made. We have a black presiding  
4 Judge. We have another black man serving on the  
5 Oversight Board, and we have women serving. And  
6 so I stand here today both proud and perplexed of  
7 the progress that has been made in the faces that  
8 we see serving, and you're serving because the  
9 community have elected you. And because we have  
10 lifted up our voice and have put our trust in  
11 electing you to your positions, not only on the  
12 Oversight Board but also in different capacities  
13 that you're serving, you are public servants.  
14 And so I'm standing here today again to ask for  
15 you, our public servants, to meet with us, the  
16 community. We have, on every occasion, since  
17 September, to ask for a meeting, just a meeting  
18 where we can converse one with another, where we  
19 can use the respect that you speak of every time  
20 in your opening, and that's all we want is to be  
21 respected, to hear, so that we together and  
22 collectively can make the change that's needed.  
23 As the changes that has done in the flesh that we  
24 see, we can together make change.

25 Now the word "oversight" in the

1 jail, "Oversight Board" according to Merriam  
2 Webster, oversight means not only to have  
3 watchful and responsible care but regulatory  
4 supervision. Now oversight can also mean an  
5 inadvertent error or failure to do something.

6 Now, it seems as such that we have  
7 been majoring on the inadvertent errors and  
8 failures and not on the watchful and responsible  
9 care given at the jail. So it's the jail  
10 oversight. Your oversight is over the jail where  
11 there are inadvertent, and hopefully not  
12 intentional failures and errors.

13 And so with that in mind, we  
14 believe, we, the community, can be of assistance  
15 in helping. Every month new errors and failures  
16 are brought to the attention of this Board, and  
17 yet the oversight does not seem to be happening.  
18 And so we again ask for a meeting with you where  
19 we can help be a resolution to the ongoing  
20 problems.

21 Thank you for your time. God bless  
22 you.

23 JUDGE HOWSIE: We will now hear  
24 from Lynne Thompson.

25 MS. THOMPSON: Hello, everybody.

1 My name is Lynne Thompson, and it's spelled  
2 L-Y-N-N-E. And my last name is Thompson.

3 I'm here today because we have  
4 started an organization. It's called Fighting  
5 Back. And what we're going to do is we're going  
6 to get together and we're going to take and help  
7 correct some of this wrongness that is being done  
8 in this system. When I say "wrongness," I'm  
9 talking about detainers that are being placed on  
10 people that are off probation and are giving them  
11 detainers. We're going to try to change this  
12 restitution for people that have completed  
13 probation and they're still keeping them in the  
14 system because they haven't paid restitution.  
15 That's not what the Constitution says. The  
16 Constitution says that once you've completed your  
17 time, if you owe restitution, then it's okay. It  
18 goes to a collection agency. And the County has  
19 a credit management corporation who's supposed to  
20 be collecting for the County, and that's not  
21 what's happening. The Courts have become a  
22 collection agency, and you're not. So Fighting  
23 Back is going to come in and do some things and  
24 make some changes that need to happen.

25 And there's a lot of my friends

1 that are sitting there up today that they know  
2 that we're about ready to make some change, and I  
3 know with the organization and the things that  
4 you guys are doing, we want to stand behind you.  
5 So we're behind you.

6 So thank you very much.

7 JUDGE HOWSIE: Thank you.

8 We will now hear from Muhammad Ali  
9 Nasir.

10 MR. NASIR: My name is Muhammad Ali  
11 Nasir. I go by Man-E, and my last name is  
12 spelled N-A-S-I-R.

13 JUDGE HOWSIE: Thank you.

14 MR. NASIR: I've been up here a few  
15 times now, and I always talk about the people  
16 that I meet outside of the jail. Today I'm going  
17 to invite one of them to take up the rest of my  
18 time. But before I do that, I have to remind  
19 everybody that the majority of people in the ACJ  
20 are not convicted, all right?

21 This man that I'm talking about,  
22 his name is Glenn Stevens. He spent five years  
23 in the ACJ, subject to all the terrible,  
24 deplorable conditions that everybody always talks  
25 about before he was acquitted. I had the

1 pleasure of meeting him two weeks ago, and I  
2 asked him a few questions that I want to play  
3 now.

4 (Playing audio from telephone.)

5 "Q. Yeah, go for it.

6 A. Yeah, it's bad in there, bro.  
7 Horrible. They treat you like dogs. The food is  
8 garbage. Some of the COs are cool. Most of them  
9 are assholes. Like you get no rec.

10 Q. Oh, yeah.

11 A. Yeah, it's bad in there. Let's  
12 just say you disagree with one of them, you go to  
13 the hole. You can't even like state your opinion  
14 to none of them because it doesn't work in that  
15 place.

16 Q. Right. Right.

17 A. Yeah, other than that, I don't  
18 recommend this jail at all. I'd rather go  
19 upstate. Yeah, definitely rather be upstate.  
20 Anything else?

21 Q. You said you only get let out  
22 for like 15 minutes?

23 A. Yeah, during the pandemic. Not  
24 now. It's full right now, but that's only been  
25 maybe the last year. Before that it was 20 --

1 well, 15 minutes either shower. It's supposed to  
2 be an hour, 15 minutes to get showered or clean  
3 your cell. Other than that you're locked in for  
4 like three years straight.

5 Q. Wow.

6 A. Yeah.

7 Q. Damn.

8 A. You got no -- you got no rights  
9 in there. None.

10 Q. Yeah, that's fucked up. What  
11 about solitary confinement?

12 A. The hole, ha-ha, that's the dog  
13 kennel. Yeah. I mean, the COs up there are  
14 decent. I guess they have to because all the  
15 people who go up there are like the violent  
16 offenders, but other than that, yeah. They'll  
17 send you there for anything. You disagree with  
18 them, you're in the hole.

19 Q. Even recently, though?

20 A. Yeah, even recently. I was  
21 just in the hole a month ago for telling the CO  
22 he was an asshole.

23 Q. The reason I ask that is  
24 because there was a referendum. That was  
25 supposed to stop the solitary confinement.

1           A. No, they ain't stopped that.  
2           Just say you don't make it to your door, like  
3           they give you two minutes to check-in. If you  
4           don't get to your door in time, you're going to  
5           the hole.

6           Q. Wow.

7           A. Where you're locked in for  
8           48 hours. It's pretty bad up there.

9           Q. That's fucked up, man. Glad  
10          you're out. Five years you said?

11          A. Five years.

12          Q. Oh, you was fighting your trial  
13          that long?

14          A. Yeah, I was fighting it. But  
15          during the pandemic, they kept postponing me  
16          because the judge didn't want to take hearings or  
17          nothing, so. Other than that, yeah. I don't --  
18          they treat the men in there like dogs.

19          Q. Sorry to hear that, man. Like  
20          I said, I'm glad you're out.

21          A. Yeah, there's a lot of good men  
22          in there. Like I said, I don't recommend this  
23          place.

24          Q. Sorry.

25          A. Yeah, right here, brother. You

1       literally walk down this way and take a right.  
2       Yeah, I know where it's at if you want me to show  
3       you where it's at.

4                   Q.   Hey, I just want to say, this  
5       is going to be relayed to the Warden and  
6       everybody in the City.

7                   A.   Tell him he's the worst person  
8       ever, man. I liked the warden before him. At  
9       least he was decent with the men. This guy, he  
10      only thinks about himself."

11                   JUDGE HOWSIE:  Thank you, sir.  
12                   We will now hear from Marion  
13      Damick.

14                   MS. DAMICK:  Okay. As usual, I've  
15      got two things. One is I really -- I do hope  
16      you're looking at the staff vacancies, and  
17      particularly the nurses, which we're really down  
18      on. You've been down on them -- you budget for  
19      18, and you're missing 12. That means how many  
20      nurses; you have 6 for the jail. That's -- I  
21      want to tell you, I just think 6 nurses working  
22      at a jail of this size, it's unbelievable. And  
23      it's -- I don't -- I don't -- I can't blame them  
24      that can't do the work. Nobody could at that. I  
25      wish you really would look at all these and

1 figure -- and look at how many we're losing and  
2 why.

3           The other thing, of course, is my  
4 rats. But simply, there's a big article about  
5 rats of all things in The New York Times, Time on  
6 the War on Rats, February 28th, just a couple  
7 days ago. Actually, it -- well, I don't know if  
8 you want the tell the people who are looking, who  
9 are trying to do the work, but there are -- if we  
10 look at -- on Page E-5, it will tell you  
11 different ways of trying to catch rats, which is  
12 different entirely from how to catch mice -- cats  
13 can catch mice, cats can't do it on rats. But  
14 you got -- there are different ways. I'm not  
15 going to go into them. One of them -- I'll do  
16 very quickly. You put out traps without bait in  
17 them. That's -- the snacks is -- some people,  
18 you know, call a person a rat. Actually, you're  
19 calling someone fairly intelligent. They're not  
20 stupid. They're used for training. They really  
21 aren't stupid. But okay. You put the -- out for  
22 about a week. They get used to it. No, there  
23 weren't -- then you put the food. Then you put  
24 the food in it that you need for them to catch.  
25 Then they might do it. Otherwise, I hate to say

1 it, they're more intelligent than some people I  
2 know. It's really -- that's the way that rats  
3 behave. If you look up and study rats, nobody --  
4 well, obviously, somebody does. There are people  
5 studying rats, and it's important. The way you  
6 look at things or the way -- so when there are  
7 some news about how to kill rats, I would presume  
8 many of you read the New York Times. It's right  
9 there for everybody's information. I'd like you  
10 to take it on, please, okay?

11 JUDGE HOWSIE: Thank you very much.  
12 Thank you.

13 MS. DAMICK: Thank you.

14 JUDGE HOWSIE: We will next hear  
15 from Jodi Lincoln.

16 MS. LINCOLN: Jodi Lincoln,  
17 J-O-D-I, L-I-N-C-O-L-N.

18 JUDGE HOWSIE: Thank you.

19 MS. LINCOLN: Thank you for your  
20 time today. It's recently come to light that  
21 Dr. Stechschulte, the long-time medical director  
22 for ACJ and AHN employees, is no longer employed  
23 in that position or working at the jail. The  
24 position is currently posted online for hire by  
25 AHN.

1           First, I hope the Jail Oversight  
2 Board was aware of this significant staffing  
3 change. The medical care, if we can call it  
4 that, at the jail is one of the most egregious  
5 human rights violations that occurs inside those  
6 walls, so it's imperative that this Board is  
7 closely monitoring the staffing crisis in the  
8 Medical Department.

9           The February Warden's Report noted  
10 that out of 162 medical positions, 94 were  
11 vacant. How is that acceptable?

12           Second, I beg the Jail Oversight  
13 Board to conduct an interview with the recently  
14 departed medical director. You have been asked  
15 time and time again to conduct interviews to  
16 understand the staffing crisis of the jail, and  
17 it appears that this has been done sparingly and  
18 on whims in the past.

19           At the end of 2020, Janet Bunts  
20 left the health services administrator position  
21 only after a couple of months. She spoke  
22 publicly to the newspaper about why, describing  
23 how staff on the custody side undercut the  
24 medical staff, including the canceling outside  
25 medical appointments and an entire lack of

1 willingness to change policies and procedures  
2 that were ineffective at the jail. At the  
3 following Jail Oversight Board Meeting that year,  
4 Deputy Warden Laura Williams attacked Bunts' 26  
5 years of correctional healthcare experience,  
6 saying things are different in ACJ than prison  
7 and defended the jail's medical care system.  
8 Most of you were here at that time. I hope you  
9 remember it.

10 This departure and the publicity  
11 surrounding it led the Jail Oversight Board to  
12 commit to doing exit interviews. It's been two  
13 years, and despite the departure of Williams and  
14 the commitment from the JOB to take the staffing  
15 crisis seriously, nothing has changed. People in  
16 the jail are dying. People aren't receiving  
17 their basic medical care that they need. We hear  
18 this month after month at these meetings, in the  
19 newspaper, and directly from the people who were  
20 harmed by the jail's medical care. Talk to Dr.  
21 Stechschulte. Take this seriously. You as a  
22 Board are just as responsible as the jail and AHN  
23 for this medical staffing crisis. You've known  
24 about this for years now. What do you have to  
25 show for it?

1 Thank you.

2 JUDGE HOWSIE: Thank you.

3 Next is Beth Schongar.

4 MS. SCHONGAR: Beth Schongar,

5 S-C-H-O-N-G-A-R.

6 Last month I said traumatic  
7 practices should not be used routinely.  
8 Practices of strip searches, critical response  
9 teams, and punitive use of administrative custody  
10 need to be researched by the Jail Oversight Board  
11 by talking to people in the jail.

12 So now I ask each of you on this  
13 Board, do you know the use-of-force policies in  
14 the jail? Do you know the rules of engagement  
15 for the critical response teams of the jail? Do  
16 you know the policies governing strip searches in  
17 the jail? Do you know about the cages that are  
18 used for time out of cell to technically meet the  
19 time out-of-cell requirement of the referendum?  
20 And when you visit the jail, do you talk to  
21 people about whether they ever see the critical  
22 response teams going through the jail like a SWAT  
23 team and what impact seeing them has? Do they  
24 ever see or experience strip searches, and are  
25 they appropriate and professionally conducted,

1 given that this is a jail? Do you ask who's been  
2 in one of those cages, and can you talk to them,  
3 or can you talk to someone who's given up  
4 out-of-cell time because it would mean going in  
5 the cages?

6 Brad Hansen, a retired warden  
7 reporting for the lawsuit by the Abolitionist Law  
8 Center, concluded that there is a failure to  
9 protect -- oh boy, there's a failure to protect  
10 people being held in the jail. Do you look for  
11 this on your visits?

12 The Abolitionist Law Center suit  
13 against the jail, and the results of the Prison  
14 Society survey, show that you need to go and find  
15 out what is wrong with the policy and what is  
16 wrong with the practice.

17 JUDGE HOWSIE: Thank you.

18 I apologize. I'm not sure if this  
19 is Launa or Juana Saunders.

20 MS. SAUNDERS: Juana.

21 JUDGE HOWSIE: You're up, ma'am.

22 AUDIENCE MEMBER: Mr. Chair, I  
23 didn't know that we had to sign in to speak. So  
24 is there any way I can speak?

25 JUDGE HOWSIE: Sorry. It's too

1 late. I apologize, but it's too late at this  
2 point. Sorry.

3 MS. SAUNDERS: Hello. My name is  
4 Juana Saunders, S-A-U-N-D-E-R-S. I am the mother  
5 of Gerald Lamont Thomas Jr., who passed away in  
6 the Allegheny County Jail last year, March 6,  
7 2022. We're coming up on a year anniversary of  
8 my son's death. I still have not received any  
9 type of answers surrounding my son's death, but I  
10 do notice that my son did not receive any type of  
11 medical help that he was asking for a week  
12 leading up to his death. And what I do  
13 understand and what I've heard is that my son  
14 dragged his leg around for a whole week asking  
15 for assistance and asking for help that he did  
16 not receive.

17 And then the day of his dying  
18 death, he couldn't even walk. He couldn't even  
19 walk to get on a video chat to see his brand-new  
20 daughter that he just had while he was  
21 incarcerated. Upon his return back to his cell,  
22 he collapsed, and when he collapsed, he did not  
23 receive any type of medical help, assistance or  
24 anything. It was the CO that came and tried to  
25 give my son mouth-to-mouth because you guys don't

1 have any medical assistance there to help. So we  
2 don't even know if my son's life would have been  
3 spared or not, but what we do know is that he  
4 died inside the Allegheny County Jail.

5 And another thing that I want to  
6 say here is that I wish that you guys stop lying,  
7 saying that people are dying in the hospital when  
8 they're not. They're dying inside the jail.  
9 They're dying on a cold -- they're dying on a  
10 cold floor in the jail, and what your COs are  
11 trained to do is surround them so no one can see  
12 that they're dead and that they're releasing  
13 themselves. That's when you're dead. My son was  
14 dead on a cold floor.

15 And you can say that he died at  
16 Mercy Hospital all you want, but that's  
17 inaccurate. I was told by your other inmates  
18 that my son was dead, and your guards surrounded  
19 him so they could not see.

20 And I have another problem with  
21 your sergeant smacking him all in his face  
22 thinking that he was on drugs. Everyone is not  
23 on drugs. He just needed help that he was  
24 begging for for a whole week that he did not get  
25 because you guys don't have proper medical

1 staffing.

2 And of course, you guys are going  
3 to say that he died at Mercy Hospital because  
4 guess what, you'll have no doctors to declare  
5 anyone dead. How about that? So y'all need to  
6 get on y'all's job and make this man do what he  
7 needs to do because they are killing people  
8 inside that jail and are pushing the bodies out  
9 the door. And it's not fair to me. It's not  
10 fair to my family. It's not fair to all the  
11 other families of people who are dying in that  
12 jail. And y'all need to get on y'all job, every  
13 last one of y'all.

14 Thank you, Bethany, for coming and  
15 sitting in my living room, talking to me. I  
16 appreciate that. I love you for that. You,  
17 Mr. Harper, you need fired. You don't even have  
18 the decency to look at me, and I lost my son  
19 inside your jail, and still no answers. You call  
20 another family and told them that their son was  
21 dead, and it was mine. I didn't hear from you.  
22 My son died March 6th. I didn't hear from you  
23 until March 18th. You are wrong, and you need to  
24 be fired.

25 JUDGE HOWSIE: Thank you.

1                   Again, I'm not certain about the  
2                   pronunciation of your first name but it looks  
3                   like Kyna James.

4                   MR. JAMES:    "Kyna."

5                   JUDGE HOWSIE:  Kyna, my apologies.

6                   MR. JAMES:    How is everybody doing?  
7                   My name is Kyna James, last name J-A-M-E-S.

8                   I am the coalition organizer for  
9                   the Alliance for Police Accountability, also  
10                  known as APA.  I just want to start off by  
11                  directing my first statement to Warden Harper.  
12                  Your level of not caring is amazing to me.  
13                  You're sitting five feet away from me, and you  
14                  couldn't even look this mother in her face.  You  
15                  haven't looked a single person in their face and  
16                  every comment has been directed about your jail.

17                  17 people have died in Allegheny  
18                  County Jail, in Allegheny County Jail.  You don't  
19                  get to use hospitals as your scapegoat morgue.  
20                  They die in the jail.  Besides Ms. Juana, I  
21                  talked to quite a few parents who have lost their  
22                  loved ones in the jail.  Some of -- they didn't  
23                  even know their loved ones were hospitalized for  
24                  two weeks, not finding out until the day before  
25                  they died.

1 I heard the word respect a lot  
2 today. You know, we talk about respect. How can  
3 you respect a man who just doesn't care, who just  
4 does not care? People are getting served food  
5 with rat feces. There's been -- AHN has said  
6 they found black mold. I've been formerly  
7 incarcerated in there, and these people are not  
8 lying. No matter what these reports come out and  
9 say from the community that's incarcerated,  
10 Warden Harper says opposite. People incarcerated  
11 say they wait up to 85 days for medical  
12 attention. He says they wait 4 to 5. They say  
13 they don't shower for a week at a time. He says  
14 they get showers every day. People say they're  
15 not eating past 5:00. That's also a lie. I  
16 don't understand how hard it is for you to work  
17 with us, but believe if you can't work with us,  
18 we're going to fight against you.

19 Going into the solitary confinement  
20 referendum, you have done everything possible to  
21 ignore a law that the county passed. You know,  
22 no one asked for you. You were appointed, and  
23 I'm sorry if this seems disrespectful, but the  
24 way that you treat the nearly 2,000 incarcerated  
25 people in jail, the way that you treat their

1 families, you don't deserve anybody's respect.  
2 Nobody's. Like, you need to be fired. Your time  
3 is about to be up, sir.

4 Thank you.

5 JUDGE HOWSIE: Thank you.

6 Next on the list is Tanisha Long.

7 MS. LONG: Hi. My name is Tanisha  
8 Long, T-A-N-I-S-H-A, L-O-N-G. I just ask that  
9 everybody light a candle for Gerald Thomas as we  
10 come up on the first-year anniversary of his  
11 death in the Allegheny County Jail under the  
12 watch of Warden Harper, who is still somehow  
13 magically employed there.

14 As many people know, there were  
15 expert reports released about the conditions in  
16 the jail. I know you're tired of hearing from  
17 activists. I know you're even tired of hearing  
18 from people who are incarcerated. I know you're  
19 tired of hearing from the family members, but I  
20 hope you at least have respect for a 42-year -- a  
21 42-year veteran former warden. For Dr. Kupers,  
22 who is a psychiatrist, who is well renowned in  
23 his field.

24 On this the, the ann- -- on this  
25 post-Black History Month day, I would like to

1 point out some things from the report that really  
2 struck me. Several people said that there is a  
3 CO there with a lynching scene tattooed on his  
4 arm. One of the direct quotes is, there's some  
5 good COs, but some are very racist. They make  
6 fun of us for our tattoos, but one has a scene  
7 showing a lynching. Another person was more  
8 direct saying it's a lynching of a black baby.

9           When we talk about mental  
10 healthcare, a lot of the things done in that jail  
11 are punitive. One of the quotes from Dr. Kupers,  
12 patients are ignored unless they express suicidal  
13 ideation, and if they do express such thoughts,  
14 they are mocked. Officers are quick to use force  
15 against those with mental health issues. They  
16 cited a lack of privacy, a lack of training. If  
17 you want to use Warden Harper's own words in his  
18 deposition, he admits that he does not attend  
19 deescalation training annually with his officers.  
20 Is that not a problem? People who have mental  
21 health issues they're taking their 15 -- five --  
22 probably five-minute psychiatrist visits in the  
23 open air where everyone can hear it. There's no  
24 individual counseling.

25           One of the things that really

1 struck me from the report is that there's someone  
2 who was put in the green suicide gown, and the  
3 officers sang O Christmas Tree at them in their  
4 time of crisis. You have people being tased as  
5 they're trying to commit suicide. And one of the  
6 things that stuck out about the report is how the  
7 Warden is so focused on preventing suicide that  
8 he ignores all other mental health issues.  
9 Unless you're on 5-MD or the women's mental  
10 health pod, unless you're on the men's mental  
11 health pod, you're not receiving any type of  
12 mental health care. This is sadistic.

13 This is not a man. This is a  
14 person who acts as a machine, who treats people  
15 as commodities. And at this point if you have  
16 not read the expert reports, after knowing that  
17 they're reported on almost a week ago, you have a  
18 responsibility to do so, because if I can do my  
19 homework, you can do your homework.

20 And I swear to God, if I see one  
21 more person ignore Juana Saunders while she's  
22 speaking, if I see eyes roll, if I see you  
23 looking bored, I will lose what little shred of  
24 respect I have for you. This is not okay. This  
25 is embarrassing.

1 JUDGE HOWSIE: Thank you.

2 MS. LONG: Do better.

3 JUDGE HOWSIE: Thank you.

4 We have Sharon Bonavoglia.

5 MS. BONA VOGLIA: Sharon Bonavoglia,  
6 B-O-N-A-V-O-G-L-I-A, here with the Pennsylvania  
7 Interfaith Impact Network.

8 Where is the Motion Corey O'Connor  
9 mentioned at the last meeting to inform families  
10 of the incarcerated within two hours of the  
11 transport to the hospital for any reason other  
12 than scheduled appointments worded very carefully  
13 because there's so much frustration over what an  
14 emergency means? Where is that Motion? It's not  
15 on the agenda today, and we are deeply concerned  
16 about that. How long do family members need to  
17 wait for simple action to help them advocate for  
18 a loved one in the hospital?

19 In March, the month we honor  
20 Women's History, I'd encourage you to honor the  
21 women and all family contacts for all the  
22 incarcerated, placing the Motion on next month's  
23 agenda and passing it.

24 And as this is Women's History  
25 Month, I want to especially keep in mind the

1 women, one of whom is with us, who now are  
2 rewriting their own histories without the loved  
3 ones who died in the care of the Allegheny County  
4 Jail, in the care of you personally, Warden  
5 Harper. This is your county jail, your  
6 administration, on your watch.

7           So let us please take a moment to  
8 honor the women who have been left behind, the  
9 mothers, the wives, the daughters, the  
10 grandmothers, the aunts, the friends as I read  
11 through the names of the 17 people who have died:  
12 Richard Lenhart, Robert Blake, Cody Still,  
13 Daniel Pastorek, John Brady, Martin Bucek,  
14 Robert Harper, Vinckley Harris, Justin Brady,  
15 Paul Allen, Roger Millspaugh, Paul Spisak,  
16 Gerald Thomas, Jerry Lee Ross, Jr.,  
17 Victor Joseph Zilinek, Ronald Andrus,  
18 Anthony Talotta.

19 **REVIEW OF MINUTES FOR FEBRUARY 2, 2023**

20           JUDGE HOWSIE: Hopefully, everyone  
21 had an opportunity to review the minutes from the  
22 previous meeting.

23           Is there a Motion?

24           AUDIENCE MEMBER: You are fucking  
25 weird. And Warden Harper, I hope you get pink

1 eye. I'm so sorry for your loss. Fuck all  
2 y'all. Except for you. Shut up.

3 JUDGE HOWSIE: Has everyone had an  
4 opportunity to review the minutes? From the  
5 previous meeting?

6 Is there a Motion?

7 JUDGE LAZZARA: I'll make a Motion.

8 MS. HALLAM: Second.

9 JUDGE HOWSIE: All in favor?

10 (Chorus of ayes.)

11 JUDGE HOWSIE: Any opposed?

12 (No response.)

13 JUDGE HOWSIE: Motion carries.

14 Old Business, Judge Lazzara.

15 **OLD BUSINESS**

16 JUDGE LAZZARA: All right. We were  
17 very hopeful that we were going to provide a  
18 recommendation for the position of Jail Liaison  
19 today. However, we need to do some background  
20 information, and that got a little bit delayed.  
21 So we are having that proceed. This person is  
22 going to be housed in the Sheriff's Office, so  
23 there are some things that the Sheriff's Office  
24 needs to look at with our candidates that we have  
25 right now. So that is being done now. We are

1 scheduled to meet next Thursday. And as of next  
2 Thursday, we believe that we will finalize our  
3 recommendation to the Board. So we apologize for  
4 not having that done today, but we want to make  
5 sure that all three candidates are vetted in the  
6 same exact way because that's the fairest way to  
7 do things. And so that won't be done until next  
8 week, and then we will do our vote next Thursday,  
9 we are hoping, right? That's what should happen.  
10 So that's where that stands.

11 So the next meeting we are going to  
12 provide the recommendation of the Incarcerated  
13 Individuals Welfare Fund subcommittee  
14 recommendation on the Jail Liaison position and  
15 hopefully be able to get approval so that we can  
16 do the hiring at that point in time.

17 And we're very excited because we  
18 did get some really great candidates, and so no  
19 matter who we pick, we think it's going to be a  
20 pretty great person.

21 Second thing is the stats on the  
22 jail which I always provide. I'm sorry, folks,  
23 that I did not print them out, but I sent  
24 everybody an e-mail with them. They come at the  
25 last minute, and I'm sorry, but I made sure that

1 I at least got them to everybody.

2 So as of 4:30 p.m. on February 28,  
3 2023, there were 1,436 people in the Allegheny  
4 County Jail and 139 people in alternative  
5 housing, and that again excludes anybody with  
6 holds by the federal government. 6 percent or 89  
7 of the people in the jail itself are serving a  
8 county sentence as the result of a new  
9 conviction. 24 percent or 34 out of 139 people  
10 in alternative housing are serving a county  
11 sentence. 19 percent of the people in the jail,  
12 that's 271 are on a hold from an external  
13 jurisdiction, including other counties or the  
14 state. No one in alternative housing is on a  
15 hold from another jurisdiction.

16 43 percent, or 622 people in the  
17 jail were detained by the Allegheny County Adult  
18 Probation Department. These individuals were  
19 detained for violating probation on a crime for  
20 which they had been previously convicted. Of  
21 those, 86 percent, or 534 people were of moderate  
22 or high risk to re-offend based on their  
23 probation proxy score. The remainder were being  
24 held for a variety of reasons, including violent  
25 felonies, awaiting mental health commitments or

1 service plans, and other reasons related to their  
2 own safety or the safety of the community.

3 27 percent of people in alternative  
4 housing, that's 37 of 139, were detained by  
5 Allegheny County Probation. 86 percent of those,  
6 that's 32 of the 37, were detained -- were of  
7 moderate or high risk based on their proxy score.

8 27 percent, or 394 people in the  
9 jail itself, were held pretrial only, meaning  
10 that there were no other reasons, such as  
11 external holds or detainers keeping them in the  
12 jail. Of these people, less than 1 percent  
13 screened as low risk for re-offense based on the  
14 Allegheny County Locally Validated Pretrial Risk  
15 Instrument without consideration of the  
16 seriousness of their current offense. 17 percent  
17 of people in alternative housing, that's 24 of  
18 139, were held pretrial only. And again, only 1  
19 person out of that 24 screened as low risk for  
20 re-offense.

21 80 individuals, that's about 5  
22 percent of the jail population, are being held in  
23 the Allegheny County Jail pretrial only on  
24 monetary bonds. Of these individuals, only 6  
25 screened as low risk for new criminal activity,

1 and all of these individuals were facing violent  
2 charges. Only 3 of 9 -- I'm sorry, 3 of 139  
3 people in alternative housing are held on  
4 monetary bonds pretrial, and none of those  
5 screened as low risk. All pretrial monetary  
6 bonds are reviewed for possible bail  
7 modification.

8 If we again look historically,  
9 which we've been doing every month, as of  
10 March 16, 2020, the day before the world shut  
11 down, there were 2,075 people in the Allegheny  
12 County Jail, including 1,859 in the jail itself  
13 and 216 in alternative housing, and we have a  
14 23 percent decrease down to 1,436, and the  
15 alternative housing population has a 36 percent  
16 decrease down to 139.

17 The detainer population in the jail  
18 as of March 16, 2020, was 889. It is currently,  
19 as I said, 622, and that is 30 percent decrease.

20 So those are the numbers, and then  
21 everybody should have received that in your  
22 e-mails.

23 JUDGE HOWSIE: Any questions,  
24 Ms. Hallam?

25 MS. HALLAM: I do have one question

1 about it. Thank you so much for sending it by  
2 e-mail --

3 JUDGE LAZZARA: Yeah, I'm sorry.

4 MS. HALLAM: So nice to see it  
5 ahead of time instead of trying to follow the  
6 numbers in the meetings. So thank you.

7 JUDGE LAZZARA: It always comes in  
8 the last minute, so I'm sorry. But at least we  
9 have it.

10 MS. HALLAM: No, I do appreciate  
11 that. My only question was are you keeping track  
12 of the number of folks who are in the jail on BC  
13 holds? I know a lot of the folks that I talk to,  
14 that's a lot of time that they're sitting in the  
15 jail waiting for a BC hold to be lifted, and I  
16 don't see that in the report.

17 JUDGE LAZZARA: That -- that's --  
18 that is kept track of. Pretrial services  
19 certainly has those numbers, but that is not  
20 something that we reported on. If you want me to  
21 add that, I will try.

22 MS. HALLAM: Please.

23 JUDGE LAZZARA: I can't guarantee  
24 that it will be added for the next meeting,  
25 because as I told you, the guy that does these is

1 on paternity leave. He just had a baby, and I  
2 think he's just plugging in numbers now because  
3 it's an easy thing to do. I don't know whether  
4 he can do the research to get it out, but I'll  
5 ask him.

6 MS. HALLAM: Thank you very much.

7 JUDGE LAZZARA: Okay.

8 JUDGE HOWSIE: Any other questions?

9 JUDGE LAZZARA: And by BC holds,  
10 you're meaning the people that are waiting for  
11 Torrance?

12 MS. HALLAM: No, I mean, the people  
13 who are waiting to be cleared by some sort of  
14 mental health expert to get a BC hold lifted.

15 JUDGE LAZZARA: Okay. So a lot of  
16 those people will also be the Torrance folks,  
17 just so you know. I mean, that's --

18 MS. HALLAM: Right. I understand  
19 the Torrance folks will be held on BC holds, but  
20 there are also a large population of folks who  
21 have like a short BC hold, that once they get  
22 seen, it gets lifted, and then they have nothing  
23 else holding them. So I just want to keep track  
24 of that as well.

25 JUDGE LAZZARA: Okay. I will talk

1 to them because I'm quite sure pretrial services  
2 has that.

3 JUDGE HOWSIE: Any additional  
4 questions?

5 MS. HALLAM: No, but I do have  
6 another comment about the Incarcerated  
7 Individuals Welfare Fund. We had been talking a  
8 lot about paying the incarcerated workers, and so  
9 I just wanted to, while we were on this part,  
10 give an update as well.

11 So I -- me and Ms. Klein met with a  
12 benefits expert to make sure because a concern  
13 had been expressed that if we pay incarcerated  
14 workers they would somehow, or their families  
15 lose access to government assistance or other  
16 sorts of benefits. And so we met with a benefits  
17 expert. The benefits expert is working with the  
18 Pennsylvania Department of Human Services to get  
19 us a written report that we can provide to the  
20 Board and make sure that nobody would be  
21 negatively affected by the pay. But he seems to  
22 think that they wouldn't be, but we just wanted  
23 to get that in writing to provide to the rest of  
24 you.

25 And also, I'm going to be working

1 with the Controller's Office to develop a written  
2 proposal for the incarcerated workers' pay. Some  
3 folks had expressed interest in actually seeing  
4 it all in writing.

5           Again, we've checked all the boxes.  
6 We talked to everyone that anyone had expressed  
7 any concerns about issues with paying  
8 incarcerated workers, and I'm hoping that we can  
9 get that proposal to you before next month and  
10 talk about it at next month's meeting. So I just  
11 wanted to give the update.

12           JUDGE HOWSIE: Any additional  
13 questions?

14           JUDGE LAZZARA: Just one other  
15 thing on the Incarcerated Individuals Welfare  
16 Fund. We're also working on the  
17 recommendations -- not the recommendations, the  
18 results of the survey that was done by Pitt  
19 Social Work Department. We have several ideas on  
20 things that we can do to address some of the  
21 issues that are expressed there. We had had a  
22 prior conversation about those a while back, and  
23 I think because of the review of the voluminous  
24 amount of Jail Oversight Board liaison resumes,  
25 it sort of got put on the back burner,

1           unfortunately. But we had a conversation about  
2           those as well, and we're hoping to be able to  
3           provide some additional relief to the folks in  
4           there on some of the survey items that were  
5           revealed.

6                        MS. HALLAM: The only other  
7           question I have is I'm wondering who the person  
8           to ask is that actually has the breakdown of the  
9           expenditures that's coming out of the  
10          Incarcerated Individuals Welfare Fund. I love  
11          the report that we get that says the balance and  
12          the total expenditures. I'm just interested in a  
13          more line-item expenditures coming out of that  
14          account. I don't know where that would come  
15          from. Is that the Controller's Office, or is  
16          that the County or what?

17                       JUDGE LAZZARA: I would think  
18          that's the Controller's Office.

19                       MS. CARROLL: We have it.

20                       MS. HALLAM: Oh, you do have it?

21                       CONTROLLER O'CONNOR: We don't have  
22          it on me, but yeah.

23                       MS. CARROLL: We can get it.

24                       MS. HALLAM: Maybe along with this  
25          report that we get with a total balance, if we

1       could see -- because we used to -- we used to  
2       see, you know, this is what's come out of there.  
3       I know it's not just the monthly stipend that  
4       we're allocating, so I'm just wondering if we can  
5       see each month with this what has come out in the  
6       last month.

7                   MS. CARROLL:  It's only that and  
8       the vaccine.

9                   MS. HALLAM:  That's it?  Nothing  
10       else is being spent?

11                   JUDGE LAZZARA:  Right, because --

12                   MS. CARROLL:  I can double-check.

13                   MS. HALLAM:  Okay.  If you could  
14       just double-check.  I just want to keep track of  
15       if there's anything else ever coming out of it.

16                   JUDGE LAZZARA:  No, if you  
17       remember, Ms. Hallam, they used to come with  
18       Motions and ask for money to be expended out of  
19       there.

20                   MS. HALLAM:  Uh-huh.

21                   JUDGE LAZZARA:  And that has  
22       stopped.  That hasn't occurred for probably two  
23       years now maybe.

24                   MS. HALLAM:  At least, yeah.

25                   JUDGE LAZZARA:  So I think the only

1 thing that's coming out of there is the vaccine;  
2 when they get vaccinated, they get their money,  
3 and then the money that's provided on the tablet  
4 and the commissary.

5 MS. HALLAM: Yeah. I wasn't sure  
6 if it stopped happening or if we just stopped  
7 getting reports. That's the only reason I was  
8 asking.

9 Okay. Thank you, guys.

10 JUDGE HOWSIE: Anything else?

11 (No response.)

12 **NEW BUSINESS**

13 JUDGE HOWSIE: So New Business.

14 There was a concern expressed last  
15 meeting about the delay in having the  
16 incarcerated individuals paid their \$125. I  
17 spoke with the jail, and they informed me of the  
18 issues related to the delay. And to that end,  
19 I've drafted a Motion to request money from the  
20 Incarcerated Individuals Welfare Fund to be put  
21 on the joint tablet commissary accounts for each  
22 incarcerated individual in the ACJ based on the  
23 total population on the first day of the month  
24 for April, May, and June. Each person will  
25 receive \$125 to be calculated and paid monthly.

1 MS. HALLAM: I second that Motion.

2 JUDGE HOWSIE: Any opposed?

3 (No response.)

4 JUDGE HOWSIE: All in favor?

5 (Chorus of ayes.)

6 MS. HALLAM: Can I ask one  
7 question, though, about it? I'm very much an  
8 aye, but I just want to ask a question. What was  
9 the holdup because I thought that's what we did  
10 in January was we voted to do it quarterly, and  
11 we approved it for three months at a time so that  
12 there wouldn't be any holdup. And then I talked  
13 to folks in the jail, and they were receiving  
14 payments almost an entire month behind and then  
15 two and a half weeks behind.

16 JUDGE HOWSIE: My understanding --

17 MR. PILARSKI: Deputy Toma can  
18 speak to it probably better than I can, but the  
19 delay was in that first month, I think, to get it  
20 put through the contract laws and all that stuff.  
21 To go through -- so every quarter, they would  
22 have to go do that.

23 MS. HALLAM: Right.

24 MR. PILARSKI: But by doing it this  
25 way, it's happening now, so there will be no

1 delay in April, May, or June.

2 MS. HALLAM: Right. I understand.  
3 But that's what we did in January, if you  
4 remember, and in February, it was delayed too.

5 DEPUTY WARDEN TOMA: No,  
6 February's -- I mean, February was delayed by a  
7 couple of days because checks are only cut on  
8 Tuesdays and Thursdays within the County. So  
9 February's check has already been deposited.

10 MS. HALLAM: I know it has by now  
11 on March 2nd, but it was not deposited in the  
12 first week of February. It was deposited on  
13 February 15th.

14 DEPUTY WARDEN TOMA: I would have  
15 to check as to what the deposit date was for  
16 that. I do know that it -- whether or not -- I  
17 can't speak to what the date is off the top of my  
18 head, but we've submitted after the Jail  
19 Oversight Board -- after the first of the month,  
20 we submit the voucher. It goes through the  
21 process, and then we have to wait until Tuesday  
22 or Thursday for the check. As soon as we get it  
23 in hand, it's deposited, then applied.

24 MS. HALLAM: Okay. I guess I'm  
25 just trying to understand why that didn't happen

1 for the first three months. Like when will  
2 March's go in, because you shouldn't have had to  
3 wait for the meeting to request it, right?

4 DEPUTY WARDEN TOMA: No, we have to  
5 wait until the first of the month to get the  
6 values and stats, what we base it on, and then we  
7 get the check. We have to request the check. We  
8 have to go through the normal purchasing process  
9 for it, and the check has to be cut by the  
10 Treasurer's Office. Once we get that check, then  
11 it's deposited, and then my staff has to manually  
12 add that to every person's account.

13 There are some individuals at the  
14 time the check is deposited are on release, so if  
15 they're at the -- if they're out for court, they  
16 don't show as being in the facility, so once they  
17 are back, then we have to manually add those to  
18 those individuals. So there could be some delay  
19 from those people versus the other ones that got  
20 it because they weren't out on temp releases.

21 MS. HALLAM: Okay. I have folks  
22 keeping track of the dates that it's deposited,  
23 so I just want to try to give a timeline. Are  
24 you thinking like a week into the first -- after  
25 the first of the month this time.

1 DEPUTY WARDEN TOMA: We have done  
2 our process of it. We have submitted the invoice  
3 for the request. It has to go through the other  
4 departments for approval and then for the check  
5 to be cut. So we expect the check to be cut  
6 Tuesday or Thursday of next week, and then once  
7 we get it, we will deposit it.

8 MS. HALLAM: Okay. All right.  
9 Thank you.

10 JUDGE HOWSIE: All right. All  
11 right. With that being said, we will now have  
12 the Warden's Report.

13 **WARDEN'S REPORT.**

14 WARDEN HARPER: Good afternoon,  
15 Board, and good afternoon to everybody in  
16 attendance.

17 Reentry Services at Allegheny  
18 County Jail. The Jail's Reentry Service  
19 Department worked with the inmate programs to  
20 bring back the contact visits for our juvenile  
21 population. The first visits took place on  
22 February 18th, where six incarcerated juveniles  
23 visited their loved ones. The contact visits  
24 lasted for an hour, and families were able to  
25 visit, play cards, and play board games and take

1 family photos that are available for the families  
2 to take home and for the juveniles to view on  
3 their tablets. Tentatively contact visits for  
4 the juvenile population will continue on the  
5 third Saturday of each month going forward.

6 The latest set of reentry classes  
7 concluded on February 17th, as 84 individuals  
8 completed the Thinking for Change class.  
9 Thinking for Change is an evidence-based program  
10 that includes structured cognitive behavior  
11 treatment designed to help clients manage stress  
12 and develop new ways of thinking. The next cycle  
13 of reentry classes will be -- or began on  
14 February 28th and lasts for six weeks. All  
15 incarcerated individuals are eligible to take  
16 classes based on availability, and classes are  
17 taught by instructors from the Pittsburgh Mercy  
18 Health System.

19 Inmate Programs. The Inmate  
20 Programs Department facilitated voting for  
21 February's special election. Three individuals  
22 voted in the election that filled empty seats in  
23 the Pennsylvania State Districts 32, 34, and 35.

24 Information about voting rights and  
25 procedures remain permanently on the tablet. The

1 video that we placed on the tablets last fall  
2 remains accessible to the incarcerated population  
3 and fully outlines all rights and procedures for  
4 registering and requesting an absentee ballot.  
5 The Inmates Program Department will again provide  
6 information via posters and the pod television as  
7 we near the dates for the May municipal primary.

8 Reintegrative Services. During  
9 February, the jail transported 41 individuals to  
10 alternative housing and 18 individuals for  
11 release to inpatient treatment through our  
12 diversion program. A total of 81 individuals  
13 were assisted in completing Medical Assistance  
14 applications to ensure that they have health  
15 insurance upon release from the facility.

16 Visits. The jail resumed  
17 contactless visits for all incarcerated  
18 individuals and approved visitors regardless of  
19 COVID-19 vaccination status on February 13th.

20 Juveniles. The juvenile population  
21 last week was moved from Level 5-M to Level 6.  
22 The non-regulation basketball hoop installed on  
23 the previous juvenile pod gym had to be  
24 reinstalled several times as it was torn out of  
25 the wall. This move to a larger housing unit

1 gives them access to more space and a larger pod  
2 gym with a regulation basketball hoop. We hope  
3 that this move ends the property destruction and  
4 needs for repair.

5 Training. A total of 540 staff  
6 members have completed training in verbal  
7 de-escalation and interpersonal communication.  
8 This training is in addition to and serves to  
9 reinforce the mandatory instructions that all  
10 front-line staff, including correctional  
11 officers, must undergo during job training.  
12 Training has included mental health first aid,  
13 suicide prevention and mental health disorders,  
14 CPR and first aid, interpersonal communication,  
15 professionalism and ethics, drug awareness, and  
16 the legal aspect of corrections, amongst other  
17 trainings, that are taught.

18 Once initially trained, additional  
19 classes, including recertification for CPR and  
20 first aid, are offered on a rotating basis.

21 Chaplaincy Department. The  
22 Chaplain's Department continues preparation for  
23 Ramadan, which begins in late March. With more  
24 than 300 Muslim inmates, this takes a tremendous  
25 amount of teamwork, planning and coordination

1 with multiple departments to make this religious  
2 observation possible.

3 Prerelease Services. The  
4 Foundation of Hope Prerelease Program held its  
5 recent graduation on February 3rd. The men's  
6 class graduated 13 individuals who participated  
7 in 40 hours of evidence-based classes on anger  
8 management, Confronting Stinking Thinking,  
9 trauma, parenting, spiritual formation, and  
10 addiction and recovery. Yoga and 12-step  
11 programs are also offered but not required.

12 The women's program, which resumed  
13 in January saw 22 women complete the anger  
14 management classes on February 3rd. Addiction  
15 and recovery and trauma classes began on the  
16 women's pod in mid-February and are ongoing.

17 Discharge and Release Center. The  
18 Discharge and Release Center assessed 267  
19 individuals in February. The DRC continues to  
20 make referrals to our community partners for  
21 services and assistance, and to provide resources  
22 to assist individuals upon their release.

23 And lastly the employee of the  
24 month, we would like to congratulate Nikki  
25 Fraulic for being the employee of the month for

1 the month of February.

2 Now, I'll pass it over to Chief  
3 Deputy Warden Beasom.

4 CHIEF DEPUTY WARDEN BEASOM: Thank  
5 you, sir. Good afternoon, Board.

6 JUDGE HOWSIE: Good afternoon.

7 CHIEF DEPUTY WARDEN BEASOM: Good  
8 afternoon to everyone in attendance.

9 Staffing. There's been no recent  
10 promotions under jail operations for the month of  
11 February. The jail is currently completing  
12 psychological testing for the next cadet class,  
13 which is scheduled to begin on Monday, March  
14 27th.

15 State Transfers. We currently have  
16 17 males, zero females with 300B's, four males  
17 with detainers, and nine males with open cases.

18 The longest wait time on the 300 B  
19 was received on February 2nd, and the shortest  
20 wait time is from March 2nd. We have scheduled  
21 transports in the next coming weeks.

22 Federal Inmate Numbers. Currently  
23 are 57. 35 of those are United States Marshall  
24 holds, and 12 are federal transfers from  
25 Allegheny County Court.

1                   And the Use of Force Numbers for  
2                   February 2023 was 32.

3                   I'll pass it on to Deputy Warden  
4                   Toma for the -- to continue the report.

5                   DEPUTY WARDEN TOMA: Hello. For  
6                   the month of February, due to a scheduling  
7                   conflict, the Book Review Committee did not meet.  
8                   However, we did distribute the agenda items. The  
9                   continuing ongoing status update on those items  
10                  to include distributing them to Ms. Moss, who  
11                  joined the committee as of last month per Motion  
12                  of the Board.

13                  The electronic receipt submission  
14                  procedure that we are working on with  
15                  administrative services and the Department of  
16                  Information Technology is still in the process of  
17                  process mapping. We've expanded this electronic  
18                  receipt submission procedure to include the  
19                  ability for communication, to do follow-up and  
20                  monitoring the submission of books, as well as  
21                  for the appeal process for outside entities and  
22                  continued communication with them.

23                  As a short-term solution, the  
24                  e-mail address of  
25                  ACJBookOrders@alleghenycounty.us has been

1 established for the submission of electronic  
2 receipts to address this issue and is  
3 communicated to those individuals who receive  
4 books that lack receipts and will also be  
5 distributed via facilities messages so that  
6 they're aware of this in advance. So if they  
7 choose to proactively submit electronic receipts,  
8 we can have that in advance of those books being  
9 delivered.

10 The library is -- we have purchased  
11 our furniture, and it should be delivered next  
12 week for installation. This library not only  
13 includes the expansion of increasing capacity by  
14 two times as much as it previously did, but also  
15 provides space for a permanent location for  
16 individuals to work who are managing the library,  
17 curating, as well as hopefully, when we  
18 reestablish volunteers, they have a permanent  
19 home which wasn't previously available with the  
20 previous library setup.

21 Book nights continue to be on every  
22 Wednesday with cards being circulated between the  
23 pods, as well as a full replacement occurring  
24 every fifth week.

25 Book requests, we are still

1 receiving on average about 100 book requests each  
2 week. These are not only for curation of the pod  
3 library carts but also for consideration of books  
4 to be added to the e-library. Those books are  
5 still placed before -- at least the e-library  
6 books are put before committee to make sure that  
7 they are appropriate because the e-library is  
8 available to the juvenile population. And we  
9 continue to increase that catalog every month.

10 And we have had no books under  
11 review for content that were distributed to the  
12 book review committee for the month.

13 In regards to the food RFP, that  
14 was distributed to the Jail Oversight Board today  
15 when it was made publicly available at 9 o'clock.  
16 The RFP will come down on April 5th at 12 noon.  
17 As stated in the RFP, we have two site visits for  
18 prospective ap -- proposers for the dietary food  
19 contract.

20 And passing off to Dr. Brinkman.

21 HSA DR. BRINKMAN: Hello, everyone.

22 JUDGE HOWSIE: Hello.

23 HSA DR. BRINKMAN: So for our  
24 COVID-19 update, our incarcerated individuals,  
25 currently we have ten who are positive within the

1 facility and zero hospitalized. And the total  
2 amount of incarcerated individuals tested for  
3 COVID-19 during February was 1,276. Of those, 32  
4 or 2.5 percent, were found to be positive.

5 For vaccination updates, currently  
6 563 of our incarcerated individuals have  
7 completed a full series of the vaccine, which is  
8 about 37.4 percent.

9 For medications for opioid use  
10 disorder and the expansion efforts, for the month  
11 of February, there were 12 individuals prescribed  
12 oral Naltrexone with one receiving the Vivitrol  
13 injection prior to community release. 76 were  
14 treated with Suboxone, and 13 were treated with  
15 Sublocade. Of these, 6 patients were  
16 transitioned from Suboxone to Sublocade for  
17 their -- to support their recovery.

18 Methadone continuation services  
19 have treated 33 individuals with 21 currently  
20 enrolled.

21 For Torrance commitments and  
22 admissions during February, five patients were  
23 admitted and transferred to Torrance. Ten  
24 patients were committed to Torrance State  
25 Hospital. Five had their commitments to Torrance

1 for competency restoration rescinded due to  
2 clinical stabilization, and currently, 25 are  
3 awaiting admission to Torrance State Hospital  
4 with the longest waiting since December 2nd.

5 MS. KLEIN: What was the date?

6 HSA DR. BRINKMAN: December 2nd.

7 For Tiers 4 and 5 in the month of  
8 February, four were identified as Tier 5, and  
9 20 were identified as Tier 4 through the Tier  
10 System.

11 For some of our healthcare waiting  
12 times and appointment queues, our sick call  
13 requests for medical has 14 as of today, with the  
14 longest waiting of two days.

15 For sick calls to reach mental  
16 health staff, we have 13 patients waiting with  
17 the longest waiting one day. For psychiatrists,  
18 we have 66 with the longest waiting seven days,  
19 and for mental health specialists, we have 12  
20 with the longest waiting two days.

21 I did want to provide a little bit  
22 of an update regarding staffing to complete the  
23 full healthcare staffing picture. In the  
24 Warden's Report, you're only seeing county staff  
25 and permanent AHN staff, so that equals a vacancy

1 rate of about 54 percent. With the  
2 supplementation of all of our contractors, our  
3 actual vacancy rate is 23 percent when you  
4 consider in how many we have from staffing  
5 agencies to support all job classifications.

6 Also, related to staffing, I did  
7 want to alert you to a leadership change we had  
8 regarding our medical director who is provided by  
9 our AHN partner. It was decided for our existing  
10 director to be transitioned outside of ACJ.  
11 During this transition time, AHN leadership is  
12 collaborating with us to ensure onsite providers  
13 are supported and ultimately patients are  
14 receiving excellent care.

15 And for healthcare successes, we  
16 have our 340B program, which is a federal drug  
17 pricing program. We have officially begun  
18 participating in this. That supports a variety  
19 of health conditions impacting public health,  
20 largely sexually transmitted infections, that  
21 will fund medications. This has taken an  
22 extraordinary amount of research, implementation,  
23 planning, and effort from multiple county  
24 departments to initiate. And participating in  
25 this program will allow eligible medication costs

1 to be diverted from our medication budget as  
2 they're repriced at a reduced rate.

3 In regards to a variety of  
4 prevention efforts, I wanted to raise a  
5 particular incident that we had had. Our  
6 healthcare and public safety staff professionals  
7 work routinely -- their work routinely includes  
8 interventions that prevent major incident. When  
9 prevention occurs, it's often minimized because  
10 professionals identify their actions as part of  
11 the job, so when I have the opportunity, I want  
12 to recognize these instances.

13 Recently we had a young man come  
14 into the facility who had previously been seen at  
15 the hospital. A part of our processes are to  
16 complete a body scan, which showed an  
17 unidentified object. Upon healthcare assessment  
18 and coordination with custody staff, the team  
19 escalated his care to the hospital. And  
20 ultimately the patient received life-saving  
21 measures and care, saving the patient's life, who  
22 is now stable and continuing through his legal  
23 processes. Had these staff not practiced with  
24 the urgency and expertise that they did, we would  
25 have seen a very different outcome. We most

1 often talk about the tragedies, particularly  
2 today, having reviewed the mortality review  
3 earlier, and these teams -- team members need to  
4 be commended and their work publicly recognized.

5 WARDEN HARPER: And I also want to  
6 comment on this because my staff don't get a lot  
7 of praise for the work that they do, and this is  
8 just one example of the many lives that we saved  
9 at the jail. So I want to thank every employee,  
10 every contractor, every volunteer for the work  
11 that they do in saving the lives that you save.  
12 And this is just one example of the life that was  
13 saved. Thank you.

14 HSA DR. BRINKMAN: So the last  
15 thing I wanted to present to everyone was that we  
16 had expanded our mental health acute beds within  
17 our mental health housing units. So with the  
18 ability to relocate the juveniles within the  
19 facility, the team was able to expand mental  
20 health housing to support the increased number of  
21 patients experiencing higher levels of acute  
22 mental illness. This week healthcare and custody  
23 collaborated on a housing expansion to allow for  
24 two housing units to be dedicated to our male  
25 acute mental health patients and moving what was

1 our subacute population to the 5-MC Unit. This  
2 allows for decreased waiting times for those male  
3 patients who require admission to the acute  
4 mental health unit. Ultimately better clinical  
5 outcomes as they will have less barriers to their  
6 treatment beginning.

7 And that's all I have this  
8 afternoon.

9 MS. MOSS: I have a question. Back  
10 when you were talking about the staffing from  
11 agencies.

12 HSA DR. BRINKMAN: Uh-huh.

13 MS. MOSS: What was the number that  
14 you gave, how many agencies that are taking up  
15 some of the slots that are --

16 HSA DR. BRINKMAN: Right. It  
17 reduced our vacancies from 54 percent to 23  
18 percent.

19 MS. MOSS: So we're still 23  
20 percent short?

21 HSA DR. BRINKMAN: Correct.

22 MS. MOSS: Okay. Thank you.

23 JUDGE HOWSIE: Any additional  
24 questions?

25 Controller O'Connor.

1                   CONTROLLER O'CONNOR: Thank you.  
2                   Sorry. So a couple of questions. From last  
3                   month, and this is actually from 2021, there was  
4                   that RFP 8611. It was a de-escalation on use of  
5                   force. It was supposed to be fulfilled, but I've  
6                   asked that a couple of times; if we can get an  
7                   answer on that RFP, that would be very, very  
8                   helpful.

9                   A couple things that we saw -- oh.

10                  DEPUTY WARDEN TOMA: I can respond  
11                  to that. So RFP 8611 was for the Correctional  
12                  Incident Response Program Development and  
13                  Training. The RFP was posted on 10/7/2021, and  
14                  it was closed on November 3, 2021. No one  
15                  applied for it in part or in whole, submitting a  
16                  proposal. As a result, the Allegheny County Jail  
17                  developed an in-house training for our  
18                  Correctional Incident Response Unit as well as  
19                  collaborated with the Department of Human  
20                  Services to provide additional training in  
21                  de-escalation. What was the other one, Chief?

22                  WARDEN HARPER: Mental health.

23                  DEPUTY WARDEN TOMA: Mental health  
24                  first aid, and we continue to work with DHS to  
25                  provide that training.

1                   CONTROLLER O'CONNOR: Do you have  
2 like a copy of what that training is? Is there  
3 like a manual that --

4                   DEPUTY WARDEN TOMA: Yeah, it's --

5                   CONTROLLER O'CONNOR: -- you guys  
6 put together, or it's just sort of you guys are  
7 all working together on that.

8                   DEPUTY WARDEN TOMA: Yeah. We've  
9 identified it as the topic. There is some  
10 guidelines as to what's proposed in the training.  
11 There is some PowerPoints, and obviously we --

12                   CONTROLLER O'CONNOR: Yeah. That  
13 would be great to get that, yeah, because I've  
14 asked --

15                   DEPUTY WARDEN TOMA: I will consult  
16 with DHS as they are the ones providing the  
17 training.

18                   CONTROLLER O'CONNOR: -- that  
19 question a few times, so.

20                   HSA DR. BRINKMAN: The training  
21 curriculum is proprietary. It's not ours. It's  
22 a curriculum that we're -- we're using, and we  
23 have trained the trainers from places like WPIC.

24                   CONTROLLER O'CONNOR: So you're  
25 using -- so it would be like, and I'm being vague

1 with this, but it's something like, okay, I don't  
2 have that in my office. I found something  
3 online. I'm using that as a form of training.

4 HSA DR. BRINKMAN: No, we had  
5 multiple staff that were trained as trainers by  
6 these other --

7 CONTROLLER O'CONNOR: Right. So  
8 I'm just asking where were -- can you provide  
9 where they were trained?

10 HSA DR. BRINKMAN: Oh, you mean  
11 like the loc- -- the physical location that they  
12 were trained?

13 CONTROLLER O'CONNOR: Or whatever  
14 sort of curriculum they went through for the  
15 training. That seems like that's --

16 HSA DR. BRINKMAN: Yeah. We'll  
17 talk with DHS and get the vendor information.

18 CONTROLLER O'CONNOR: Yeah. I  
19 mean, that answers that question. But yeah, that  
20 would be information that we should have, yeah.

21 On the tablets, I know I've asked  
22 this before, and I know there was some  
23 discussion, you know, a couple weeks ago, whether  
24 our minutes were up or not, and I know we've  
25 asked to have our website linked to the tablets

1 as soon as we can. And I know we've been working  
2 on that. Just because our site has the  
3 Inspections, Warden Report, the minutes can go up  
4 a lot faster. So I don't know where we are on  
5 that. I just wanted to make mention of that.

6 DEPUTY WARDEN TOMA: So the tablets  
7 are requiring the Controller's Office to  
8 interface with the vendor, Viapath, because  
9 the -- it's a proprietary software on that. That  
10 requires an application, so that must be  
11 developed.

12 Additionally, the website that it  
13 is linking to must meet certain security  
14 guidelines as well as the documents that are on  
15 that website must meet secu- -- specific security  
16 guidelines.

17 CONTROLLER O'CONNOR: So we can  
18 reach out to them to do that?

19 DEPUTY WARDEN TOMA: That would be  
20 with Viapath.

21 CONTROLLER O'CONNOR: Okay. Can  
22 you just get me who that contact is? We'll be  
23 glad to go through that process. That's perfect.

24 There were a couple other  
25 questions. So on -- we saw this on pest control.

1 I've seen contracts come in, and we go through  
2 them before we approve them, but I know Fort Pitt  
3 on pest control, it's more exterminators, but  
4 have we done anything -- you know, obviously  
5 extermination is one, but have we put any capital  
6 funds to -- you know, outside issues for pests  
7 coming in? Like are we filling up walls? Are we  
8 spending money on our own facility? You know,  
9 these are more extermination contracts that we  
10 see but are there any capital requests that are  
11 going to seal up about the rats and things like  
12 that, yeah.

13 DEPUTY WARDEN TOMA: So those would  
14 be through facilities management. We use the  
15 City Works, and we put those work order requests.  
16 One major project as part of our pest mitigation  
17 was addressing the garage and our compactor. We  
18 actually filled the gaps and placed steel beams  
19 in there so that the concrete would not wear  
20 away, so it was longer lasting and would not  
21 create entry points.

22 CONTROLLER O'CONNOR: Okay. When  
23 did we do those capital? Recently?

24 DEPUTY WARDEN TOMA: Yeah, it would  
25 have been sometime last year.

1                   CONTROLLER O'CONNOR:   Okay.

2                   DEPUTY WARDEN TOMA:   For that  
3                   project.

4                   CONTROLLER O'CONNOR:   Okay.   And  
5                   then I know you mentioned the RFP, and I do want  
6                   to thank you for putting those quality assurances  
7                   that we put in.   I mean, I think, you know, when  
8                   you're looking at food, it shouldn't just be  
9                   calories.   It should be quality.   So I want to  
10                  thank you for taking our recommendations on  
11                  federal guidelines and putting them in the RFP  
12                  that I saw that was going out.

13                  And then a couple of things.   We  
14                  did our DHS -- DHS audit was finalized where, you  
15                  know, we saw last year that 12,000 kids were  
16                  impacted by having a caregiver spend time at the  
17                  jail.   So, you know, and moving forward, I know  
18                  we've reached out to your office as well as DHS  
19                  on getting more information to caregivers at the  
20                  jail.   I know we've been talking about posters,  
21                  hopefully putting something on tablets for  
22                  organizations that they can reach out to.   We  
23                  already sat down internally in my office with the  
24                  food bank to hopefully provide those families  
25                  with much-needed care as well.   So after we

1 follow up with them, we'll have another meeting.  
2 Hopefully, you guys can attend and talk to us  
3 about how the food bank can get involved in that  
4 process as well.

5           And then I know it was asked about  
6 our Motion and the MOU. I know we're in the  
7 process of hiring a liaison, so I would just  
8 ask -- Board Members, I know we've got a couple  
9 responses on the Motion that we're talking about,  
10 but if anybody has issues, please let us know as  
11 quick as we can. So if we have to make  
12 amendments, we have to do a pilot for a couple  
13 months. Let's work on moving that Motion forward  
14 as best we all can for the next meeting. So I  
15 know I want to thank, I believe, Terri and  
16 Bethany and actually I think Kevin also responded  
17 to it as well. So if anybody has any edits to  
18 those Motions, I think we should take those up.  
19 I understand the MOU can come after we find the  
20 liaison, but that's something that's also really  
21 important.

22           So those are all the questions that  
23 I have for right now but thank you.

24           JUDGE HOWSIE: Ms. Hallam.

25           MS. HALLAM: Thank you so much.

1 First of all, I just wanted to clarify. There's  
2 the MOU and then there is the notification for  
3 the families of people who died or were  
4 hospitalized in the jail. And Controller  
5 O'Connor, I thought that we were going to do that  
6 today. I know you had sent it. I had it in  
7 advance, meeting the deadline that was set to get  
8 something on the agenda, but yet, I didn't see  
9 anything on the agenda. So I'm just wondering if  
10 you could speak to that.

11           CONTROLLER O'CONNOR: Yeah. That's  
12 where, you know, we've asked members for  
13 responses on that. And as I just mentioned,  
14 we've got limited response. So that's why, you  
15 know, we'll take another crack at it. I know  
16 there were issues with the Motion and the  
17 amendment -- or the Motion, so we ask again,  
18 please, before next month's meeting, let's have a  
19 full discussion on that. If there are issues,  
20 you know, I'm tempted to just vote it down, but I  
21 don't think that's the right thing to do. I  
22 think, you know, we're getting your amendments.  
23 We're getting other amendments from members of  
24 the Board. If we can get everybody's thoughts on  
25 it, if it's good, great. If there's something we

1 need to tweak, let's have those discussions  
2 before we come back to next month's meeting. But  
3 something has to move forward in that discussion.  
4 That's our point.

5 MS. HALLAM: Will it be -- is your  
6 intention for it to be on next month's agenda?

7 CONTROLLER O'CONNOR: I would hope  
8 so.

9 MS. HALLAM: Okay. Mine too. I  
10 just want to make sure.

11 Okay. Awesome. So I do have a  
12 couple questions for some of the folks up here.  
13 First of all -- and this is kind of a -- more of  
14 a, like, administrative thing, but whenever we  
15 get the agenda, we get all the different topics  
16 that -- from the Chief Deputy Warden's Reports  
17 that are organized really clearly so we know  
18 what's going to be talked about. But for the  
19 Warden's Report it seems from the notes that he  
20 reads every month that he has categories. So I  
21 don't know if that's -- if that's putting  
22 together the agenda or if this is information  
23 that comes from the jail, but I'm just wondering  
24 if we could get a more detailed bullet point  
25 under the Warden's Report on each agenda like we

1 get on the Chief Deputy Warden's Report.

2 JUDGE HOWSIE: The reason why the  
3 agenda is done in that manner is because by  
4 telling the Warden what he'll report on by way of  
5 the County Controller's Office, it limits him,  
6 and it restricts him in information he intends to  
7 report. The things under the Chief Deputy  
8 Warden's Report are things that we have agreed  
9 that we're going to discuss at every meeting. So  
10 we found it's been more restrictive when we limit  
11 his discussion to things that have been brought  
12 up in previous meetings versus allowing him to  
13 report on the things that he thinks are  
14 noteworthy. If there's something you feel that  
15 is -- merits additional concern or question or  
16 discussion, feel free to bring it up in old  
17 business at the next meeting.

18 MS. HALLAM: Okay. Yeah. I  
19 wouldn't want to limit. I just feel like a lot  
20 of the same things are reported every month and  
21 so it would be nice if we could see a list here  
22 just to keep track. But all right. I'll move  
23 on.

24 So the next thing is I appreciate  
25 that we got the RFP for the food service

1 provider. I have a couple questions on it, but  
2 mainly my number one is we've asked for this over  
3 and over again. We have asked for it in previous  
4 jail board meetings. We have -- I submitted  
5 written requests via e-mail, giving it a  
6 timeline, even adding an extra week by which we  
7 wanted this. We get it -- we got it at the same  
8 time that it was public. And I just want to  
9 remind the jail administration that the statute  
10 that authorizes our work here on the jail board  
11 says that we have access to this throughout  
12 drafting before it's published. And so, like, I  
13 guess, you had told us last month you'd look into  
14 providing it for us, and then we didn't get it  
15 until 9 o'clock this morning on the day of the  
16 jail board meeting, and I'm just wondering if  
17 there's any response to that? Why?

18 DEPUTY WARDEN TOMA: It was  
19 provided at the same time that it was made public  
20 due to our fair and our procurement procedure.  
21 We do not make drafts available because it may or  
22 may not give unfair advantage to those  
23 candidates, so we do not release drafts of the  
24 documents prior to being publicly posted for the  
25 entire -- the procurement process is through the

1 Purchasing Department. They own the record. So  
2 that is where we produce it at the time that it  
3 is made public.

4 MS. HALLAM: Okay. Do you  
5 understand that the state statute that authorizes  
6 this jail board gives us access to all documents  
7 at all times, including drafts, including  
8 pre-published RFPs?

9 DEPUTY WARDEN TOMA: The records  
10 can be reviewed as the Warden has previously  
11 stated at the Allegheny County Jail. He has also  
12 offered that we will come with those documents  
13 for you to review prior to it, but I will not be  
14 releasing any drafts of documents that are the  
15 ownership of another processor procurement  
16 process of the Allegheny County. It protects the  
17 County from unfair bidding or proposal practices  
18 for their procurement process.

19 MS. HALLAM: Do you understand that  
20 the statute doesn't say anything about us having  
21 to go meet with the Warden or us having to go to  
22 the jail to review the documents? It actually  
23 says "shall have access to all documents at all  
24 times."

25 DEPUTY WARDEN TOMA: And I will

1 make myself available, Ms. Hallam, to the Board  
2 as a whole or as so described by the Chair of the  
3 Board for you to review those documents. But  
4 again, I state, I will not be releasing any  
5 drafts of documents, but we will make them  
6 available for review as you've stated prior to  
7 its public, official release.

8 MS. HALLAM: All right. So I do  
9 just want to remind you again what the statute  
10 says. And legal opinions have disputed your view  
11 of what the statute gives us access to. And I  
12 just want to remind you, if I have to sue the  
13 jail administration in a Mandamus lawsuit to  
14 compel you to provide those documents, I would do  
15 that. I would like to avoid that, but that's --  
16 I will do that, and I just want to make sure  
17 you're aware of that, and I'm giving you notice  
18 now that we have asked for many documents over  
19 and over again, not just these ones.

20 Specifically, at the last meeting, also job  
21 descriptions for the new jobs that were created  
22 under the new food service contract; I haven't  
23 received those either. So I just want to give  
24 you notice that I will take appropriate action if  
25 this continues, okay?

1 All right. And so going along  
2 those lines, right, so there's some other things  
3 that we asked for that I waited until all of you  
4 gave your reports, and I've asked for this over  
5 and over and over again and still haven't  
6 received, so I don't know if anyone has the  
7 information with them they want to speak to.

8 I requested a use-of-force  
9 breakdown by pod at multiple meetings.

10 CHIEF DEPUTY WARDEN BEASOM: I  
11 provided that to the Chair today.

12 JUDGE HOWSIE: I apologize. I was  
13 in court. If you -- I didn't see any e-mails, so  
14 I apologize. If you did provide it to me, I did  
15 not see it, so I apologize.

16 MS. HALLAM: Okay. And I want to  
17 make it very clear, we are all equal members of  
18 this Board, except for Mr. Pilarski, but the rest  
19 of us are equal members of this Board, and I  
20 would really appreciate if we didn't have that  
21 funnel breakdown of the Chair being the only  
22 person who gets the information because of  
23 instances like that. It would have been really  
24 nice to review that information ahead of time.  
25 So please, any communications that you're

1 directing about the business of the Jail  
2 Oversight Board, can you please forward them to  
3 each member of the Board?

4 CHIEF DEPUTY WARDEN BEASOM: I'll  
5 forward them to the Chair, and he can distribute  
6 it as he deems appropriate.

7 MS. HALLAM: Who is the Chair of  
8 this Board?

9 CHIEF DEPUTY WARDEN BEASOM: Judge  
10 Howsie.

11 MS. HALLAM: And why do you believe  
12 that he is the Chair of this Board?

13 CHIEF DEPUTY WARDEN BEASOM: He's  
14 not -- he's on here because Judge Clark put him  
15 on the Board.

16 MS. HALLAM: I do not dispute that,  
17 but why do you believe he's the Chair of this  
18 Board?

19 CHIEF DEPUTY WARDEN BEASOM: Does  
20 he not run this meeting?

21 MS. HALLAM: I asked why you  
22 believe he's the Chair of this Board.

23 JUDGE HOWSIE: Do you have another  
24 question, Ms. Hallam?

25 MS. HALLAM: Is that not a fair

1 question?

2 JUDGE HOWSIE: It is not. Do you  
3 have another question?

4 MS. HALLAM: I do have many more  
5 questions.

6 Okay. Additionally, other  
7 documents that I had asked for in the past and  
8 have not gotten, logs of when meals are served to  
9 the various pods. Did you provide that to the  
10 Chair this morning as well?

11 "Chair?"

12 DEPUTY WARDEN TOMA: No.

13 MS. HALLAM: Okay. The logs of  
14 recreation that are given for the individuals in  
15 various pods of the jail, did you provide that to  
16 any member of the Board, rec logs? We had asked  
17 for that as well.

18 Additionally, I -- I was wondering  
19 if anybody could speak to recent allegations of  
20 altering of rec logs? Has anyone in the jail  
21 administration been made aware of any allegations  
22 of recreation logs being altered?

23 AUDIENCE MEMBER: That's a fair  
24 question.

25 WARDEN HARPER: That's something

1 that I would like to talk to the Board offline,  
2 not in this public setting.

3 MS. HALLAM: Okay.

4 JUDGE HOWSIE: The public has to  
5 quit yelling out. It's inappropriate.

6 MS. HALLAM: I would like to ask  
7 what is your justification for withholding that  
8 from a public setting? I don't believe that it  
9 meets any of the exceptions under the Sunshine  
10 Act, personnel matters, safety, security? Which  
11 one are you alleging that this -- discussing this  
12 now would be --

13 WARDEN HARPER: I don't think it's  
14 just the appropriate time to discuss that in this  
15 setting, Ms. Hallam. So I'll be more than happy  
16 to talk to you about this in a private executive  
17 session, but not in this setting.

18 MS. HALLAM: But do you understand  
19 the breadth of the Sunshine Act that gives  
20 specific exceptions to things that you don't have  
21 to discuss in public meetings? Are you aware of  
22 that Act?

23 WARDEN HARPER: I'm aware of the  
24 Act, ma'am. Yes, ma'am.

25 MS. HALLAM: And so I would ask

1 once again, what exception do you believe this  
2 falls under, why you do not have to talk about it  
3 in a public meeting?

4 WARDEN HARPER: I don't know what  
5 exception, Ms. Hallam, but again, I will be more  
6 than willing to discuss this with you in an  
7 executive session.

8 MS. HALLAM: So the answer is not  
9 no?

10 WARDEN HARPER: I'll be happy to  
11 discuss this in an executive session, ma'am.

12 MS. HALLAM: That is plenty of an  
13 answer. Okay. Thank you very much.

14 Next, what about the providing us  
15 meal logs and rec logs? Are we going to get  
16 those at the next meeting, or are you all  
17 preparing a way to provide those to us? We've  
18 asked for them at numerous meetings now.

19 CHIEF DEPUTY WARDEN BEASOM: The  
20 addition of food logs was just started by the  
21 vendor recently, within the last couple of weeks.  
22 So I can -- I can try and compile those before  
23 the meeting.

24 MS. HALLAM: So prior to a few  
25 weeks ago the jail was not keeping track of when

1 meals were served to each pod?

2 CHIEF DEPUTY WARDEN BEASOM: The  
3 vendor is tracking whenever the food carts exit  
4 the kitchen being sent upstairs. Other than  
5 that, like I said in previous meetings, the only  
6 thing that was -- the only thing that was being  
7 tracked was when the corrections officer on the  
8 housing unit would put it in the individual  
9 logbook on that housing unit when the cart  
10 arrived.

11 MS. HALLAM: Right. And I had  
12 asked for documentation of those logs.

13 CHIEF DEPUTY WARDEN BEASOM: Yes.

14 MS. HALLAM: Did you provide them?

15 CHIEF DEPUTY WARDEN BEASOM: I did  
16 not.

17 MS. HALLAM: Is there a reason why  
18 they weren't provided?

19 CHIEF DEPUTY WARDEN BEASOM: I  
20 believe at that meeting I said that it was too  
21 burdensome.

22 MS. HALLAM: But you do admit that  
23 the logs exist?

24 CHIEF DEPUTY WARDEN BEASOM: As a  
25 log -- in the housing unit, yes.

1 MS. HALLAM: And will they be  
2 provided to us at the next meeting and going  
3 forward now that the --

4 CHIEF DEPUTY WARDEN BEASOM: We can  
5 get the logs from the vendor as they -- they fill  
6 them out each day, each meal period, with the  
7 times that each cart going to the particular  
8 housing unit leaves it. So I can get those logs,  
9 yes.

10 MS. HALLAM: Okay. And that  
11 started a few weeks ago, but can I ask why you  
12 didn't bring them today?

13 CHIEF DEPUTY WARDEN BEASOM: I  
14 didn't have them.

15 MS. HALLAM: Okay. And my  
16 understanding is that incarcerated individuals  
17 from the kitchen are serving the food to the  
18 various pods. Is that true? Is that true?

19 CHIEF DEPUTY WARDEN BEASOM: I'm  
20 not sure what you're asking.

21 MS. HALLAM: Who serves the food to  
22 the individuals on the pod?

23 CHIEF DEPUTY WARDEN BEASOM: Once  
24 it arrives on the pod?

25 MS. HALLAM: Yeah. Who delivers it

1 to the pod?

2 CHIEF DEPUTY WARDEN BEASOM: The  
3 workers in the hallways.

4 MS. HALLAM: So are you -- I just  
5 want to understand correctly. Are you saying  
6 that we haven't been tracking incarcerated  
7 individuals as they move through the jail to  
8 deliver those carts to the various pods?

9 CHIEF DEPUTY WARDEN BEASOM: The  
10 carts are put onto the housing units. Once  
11 they're in the housing units, the trays are then  
12 delivered to the individuals living on that  
13 housing unit by other individuals who live on  
14 that unit.

15 MS. HALLAM: Right. But  
16 incarcerated individuals are moving throughout  
17 the jail to the various pods to deliver those  
18 carts from the kitchen.

19 CHIEF DEPUTY WARDEN BEASOM: No.  
20 No, the carts are sent from the ground floor on  
21 an elevator up to the particular level, where  
22 they're picked up by a hall worker and then put  
23 into the appropriate housing unit.

24 MS. HALLAM: Right. But who is  
25 sending them up the elevator? Who is taking them

1 up the elevator?

2 CHIEF DEPUTY WARDEN BEASOM: They  
3 get sent up two carts at a time. There's no  
4 individuals on the elevator with the cart.

5 MS. HALLAM: No people, just ghost  
6 carts?

7 CHIEF DEPUTY WARDEN BEASOM: The  
8 carts are placed on an elevator. Nobody else is  
9 on there.

10 MS. HALLAM: The hall worker goes  
11 to the elevator and grabs them. Okay. So are  
12 you keeping track of those individuals as they're  
13 moving the carts? I'm just -- I'm just confused,  
14 I guess, and maybe I'm not expressing it clearly  
15 enough, how we don't know the times that meals  
16 are being delivered to the pods when there are  
17 workers who are receiving them, who are putting  
18 them on the elevator. I'm just wondering why, up  
19 until this point, there was no way of keeping  
20 track of that?

21 CHIEF DEPUTY WARDEN BEASOM: They  
22 were keeping track in the individual units.

23 MS. HALLAM: Okay. And we have not  
24 been provided with that information?

25 CHIEF DEPUTY WARDEN BEASOM:

1 Correct.

2 MS. HALLAM: Okay. Next question  
3 is, oh, the meeting minutes. So I know there  
4 have been some discussion with the Controller's  
5 Office about whether it was syncing up with the  
6 website or whatever that is, but we approved  
7 these meeting minutes for the previous month,  
8 right? So January's meeting minutes that we  
9 approved in February should have arrived on the  
10 tablets shortly after that meeting. And as of  
11 the end of February, they had not been on there.  
12 So can I ask what is the delay? What is the  
13 hang-up on once we approved them and the  
14 Controller's Office sends them over, getting them  
15 on the tablets?

16 DEPUTY WARDEN TOMA: The meetings  
17 were posted on the tablets sent via facilities  
18 message. I believe I reached out to the  
19 Controller's Office. They sent me the meeting  
20 minutes because I'm not on the distribution, so  
21 they gave it to me, and they were posted. If you  
22 give me a minute, I can find the exact date. But  
23 they were posted -- the January minutes at the  
24 beginning of February.

25 MS. HALLAM: Okay. I spoke to

1 multiple individuals -- wasn't within the past  
2 few days -- probably about a week ago, and the  
3 January meeting minutes were still not on the  
4 tablets. And these were separate individuals on  
5 separate pods.

6 DEPUTY WARDEN TOMA: I can state  
7 when they were posted through facilities  
8 messages. I have the record as to when --

9 MS. HALLAM: Sure.

10 DEPUTY WARDEN TOMA: -- I sent out  
11 the message. As to whether or not they were  
12 looking in the appropriate place, I would have to  
13 know who those individuals are to look at the  
14 tablets and how they're accessing the tablets to  
15 confirm if they're looking in the correct place.

16 MS. HALLAM: Sure. The date of the  
17 message would be helpful.

18 DEPUTY WARDEN TOMA: Okay. It's  
19 going to take me a minute, so you can continue  
20 with your questions.

21 MS. HALLAM: Okay. My next  
22 question is it was mentioned about contact visits  
23 and kids in the jail getting contact visits. Can  
24 I ask who all gets contact visits in the jail?

25 WARDEN HARPER: Right now, it's

1 just the juveniles. We are looking to expand it  
2 to our kitchen workers, and then we're going to  
3 slowly bring it back to our program and inmates.  
4 So the next group will be our kitchen workers and  
5 then we're going to look at providing it to our  
6 program inmates.

7 MS. HALLAM: Okay. And is everyone  
8 or just the kids only getting one contact visit a  
9 month?

10 WARDEN HARPER: Just the juveniles  
11 right now.

12 MS. HALLAM: Okay. The adults get  
13 more frequent contact visits?

14 WARDEN HARPER: When we start with  
15 the kitchen, it would be one contact visit a  
16 month, just like the juveniles.

17 MS. HALLAM: Okay. And why are the  
18 children in the jail only afforded one contact  
19 visit a month?

20 WARDEN HARPER: Because we wanted  
21 to start slow. We just don't want to open it up  
22 three or four times a month. That's something we  
23 can look at in the future, and that's what we  
24 have done in the past. So we can look at maybe  
25 providing more, but I would have to talk to my

1 team about that.

2 MS. HALLAM: Okay. What are the  
3 logistical barriers to more frequent contact for  
4 children in the jail?

5 WARDEN HARPER: I don't know what  
6 logistical barriers, but I would like to talk to  
7 my team to see if they feel that it's  
8 appropriate. And we can get back to you,  
9 Ms. Hallam, about that.

10 MS. HALLAM: Yes, please do, along  
11 with the list of other things that you're going  
12 to get back to me on. I would really, really  
13 appreciate that.

14 Next thing is the medication for  
15 opioid use disorder timeline for induction.  
16 Again, I hear a lot about people who come into  
17 the jail on existing prescriptions for MOUD, but  
18 as we know, that's not the majority of the people  
19 who would be -- having -- you know, benefit from  
20 getting MOUD. A lot of these people are coming  
21 in actively using drugs, and we've heard month  
22 after month, even before you were here when Laura  
23 Williams was sitting there, we had heard that  
24 induction was happening. What is a realistic  
25 timeline for that? What is the hold up?

1 HSA DR. BRINKMAN: I don't have the  
2 timeline right now.

3 MS. HALLAM: Okay. How long would  
4 you say this has been in the process, starting  
5 induction?

6 HSA DR. BRINKMAN: I'm not sure I  
7 clearly understand. What part of the process are  
8 you talking about? Like what --

9 MS. HALLAM: An induction for  
10 people to get medications for opioid use  
11 disorder.

12 HSA DR. BRINKMAN: I understand  
13 that.

14 MS. HALLAM: We have been talking  
15 about it for it feels like a couple years now.

16 HSA DR. BRINKMAN: Uh-huh.

17 MS. HALLAM: And it still isn't  
18 happening. And so I'm wondering if you are aware  
19 of how long we have been talking about it and  
20 being promised that it was coming?

21 HSA DR. BRINKMAN: I understand  
22 that it was something that we have wanted to move  
23 toward. I do not have the timeline on when that  
24 will happen.

25 MS. HALLAM: Can you fill us in on

1 the time of the most recent steps that were taken  
2 toward that happening?

3 HSA DR. BRINKMAN: Reviewing  
4 what -- what needs we would have for moving in  
5 that direction.

6 MS. HALLAM: As in number of people  
7 that would need it or what?

8 HSA DR. BRINKMAN: I don't have any  
9 more details right now, Ms. Hallam.

10 MS. HALLAM: So it's just not  
11 really moving? Is that what's happening, because  
12 that's just what it seems like to us that every  
13 month it's, oh, it's coming, oh, it's coming, oh,  
14 it's coming, but it really isn't?

15 AUDIENCE MEMBER: People are dying.

16 MS. HALLAM: People are dying.

17 AUDIENCE MEMBER: People are dying.

18 HSA DR. BRINKMAN: I don't have any  
19 more information I can share right now.

20 MS. HALLAM: Okay. Well, will you  
21 please bring us an accurate timeline to the next  
22 meeting of a realistic implementation of MOUD  
23 induction?

24 HSA DR. BRINKMAN: I can find out  
25 if my team can figure out what the timeline could

1 look like.

2 MS. HALLAM: Yeah, and I would like  
3 to include like what are the steps that are in  
4 process, or you're waiting for. I just don't  
5 understand -- I mean, we've seen, you know,  
6 Methadone centers open like from construction to  
7 implementation in lesser time than the jail just  
8 starting new people on a prescription takes. I  
9 just don't understand.

10 Okay. So please bring that at the  
11 next meeting along with the other things that  
12 we've talked about today.

13 HSA DR. BRINKMAN: I will do my  
14 best.

15 MS. HALLAM: Thank you. Please do  
16 it.

17 Next, you know, we talked about  
18 books. And so -- and a library which obviously  
19 thrilled about the library. Is there any intent  
20 to hire a librarian to make those books in that  
21 library more accessible to the people in the jail  
22 outside of the book carts?

23 DEPUTY WARDEN TOMA: Hire a  
24 librarian?

25 MS. HALLAM: Uh-huh.

1 DEPUTY WARDEN TOMA: No, not at  
2 this time.

3 MS. HALLAM: Okay. Has there ever  
4 been a librarian at the jail?

5 DEPUTY WARDEN TOMA: Not to my  
6 knowledge.

7 MS. HALLAM: And is there a reason  
8 that we think we can operate a successful library  
9 without a librarian?

10 DEPUTY WARDEN TOMA: I have no  
11 response to the question at this time. The Book  
12 Review Committee and Ms. Moss, I'm sure that will  
13 be something that we'll be discussing, and it  
14 will be on the agenda, so she's on the Book  
15 Review Committee. Again, a lot of things are  
16 being discussed within that group.

17 And to answer your other question.

18 MS. HALLAM: Yes.

19 DEPUTY WARDEN TOMA: February 8th  
20 was when the facilities message was sent out with  
21 the January meeting minutes.

22 MS. HALLAM: Okay. Okay. And I  
23 want to clarify something. I thought the Book  
24 Review Committee that Ms. Moss was sitting on was  
25 specifically about reviewing books that are being

1 banned for content. I didn't understand that the  
2 Book Review Committee is doing all of the  
3 policies and procedures related to books.

4 DEPUTY WARDEN TOMA: At previous  
5 meetings, I have reported that our Book Review  
6 Committee is not only the committee which gets  
7 the books that are under content review, but they  
8 are the ones who are addressing the curation of  
9 the e-library. We also get all the requests for  
10 the books for the curation of the carts.  
11 Anything to do with books passes before the  
12 committee, regarding the policies or anything  
13 moving forward, as well as they're involved in  
14 the process of improvement as I spoke to the  
15 development of the e-library receipts. So it is  
16 just not one topic. We have expanded that to  
17 include that group to be everything under that  
18 topic.

19 MS. HALLAM: Okay. So then why  
20 didn't that committee meet? I thought the reason  
21 that book committee hadn't met was because there  
22 was no books to review for content.

23 DEPUTY WARDEN TOMA: No, I reported  
24 that the February meeting did not occur due to  
25 logistical reasons and scheduling.

1 MS. HALLAM: And scheduling, okay.  
2 So I guess my question is then who all is on that  
3 committee currently?

4 DEPUTY WARDEN TOMA: As I  
5 previously stated at the meeting -- the -- there  
6 are -- there's the committee who meets regarding  
7 the book review, and then there's those  
8 individuals that would be the ones who would  
9 review the books for content exception.

10 MS. HALLAM: Okay.

11 DEPUTY WARDEN TOMA: As far as the  
12 whole book committee, it would be myself, the  
13 inmate programs director, representation from  
14 chaplaincy, so it's not a single person. They  
15 send whom they designate to that, representation  
16 from the school and the adult program, as well as  
17 the juvenile program, so that would be two  
18 representatives from AIU, and then as well as  
19 Ms. Moss.

20 MS. HALLAM: Okay. So it is not  
21 the same people all the time? It fluctuates who  
22 comes from each entity?

23 MS. MOSS: Just the chaplaincy.  
24 Just from chaplaincy.

25 MS. HALLAM: Okay. The

1 representatives from AIU are -- sorry, you said  
2 the schooling and the adult programs, that's  
3 always the same people?

4 DEPUTY WARDEN TOMA: We ask them to  
5 send representa- -- representatives. It has been  
6 consistent, but if those people aren't there, we  
7 ask that somebody from that organization be  
8 present for those discussions.

9 MS. HALLAM: Okay. Great. Thank  
10 you. My next --

11 MS. MOSS: Can I say something?

12 MS. HALLAM: Yeah, please.

13 MS. MOSS: On the web is the  
14 report. I put a report on the web. I think it  
15 was put on today on the meeting. And a lot of  
16 the things you're asking, and if you go on the  
17 web and the people in the audience, you'll see  
18 the report from the meetings that Ms. Toma and I  
19 had.

20 MS. HALLAM: When you say the web,  
21 where?

22 MS. MOSS: Where -- the website.  
23 My report is on there. I wrote about -- a  
24 complete report on the visits and what's taking  
25 place.

1 MS. HALLAM: Oh, awesome. From  
2 your work on the Book Review Committee?

3 MS. MOSS: Yeah.

4 MS. HALLAM: Sure. Can you send  
5 that along to us all when you compile those as  
6 well?

7 MS. MOSS: Well, I can.

8 MS. HALLAM: Awesome. That would  
9 be super helpful.

10 MS. MOSS: But I just wanted it on  
11 the website, so it will be there for this time.  
12 There will be more.

13 MS. HALLAM: Thank you very much.  
14 I appreciate that, Ms. Moss. And thank you for  
15 your work on that committee. I'm glad we have  
16 representation on there.

17 Okay. The next thing I want to ask  
18 about is I've been getting reports from  
19 individuals that I'm speaking with in the jail  
20 about a petition going around due to smaller  
21 portions on the trays that incarcerated  
22 individuals have been noticing lately. Is that  
23 something any of you have heard reports about  
24 from incarcerated individuals?

25 MS. MOSS: Can I say something

1 about that? I happened to be there for lunch.

2 MS. HALLAM: Uh-huh.

3 MS. MOSS: And there were not small  
4 portions. I was there for almost two hours the  
5 other day, and I did review the cafeteria. I  
6 spoke to some of the inmates -- I don't like to  
7 say inmates, residents, and to the people that  
8 are running the cafeteria. And the time that I  
9 was there, there were -- they had just had  
10 extermination people who were checking out, you  
11 know, about the cleanliness. They're doing a  
12 really good job. I was very impressed with what  
13 you're trying to do, plus they had set up quite a  
14 few things for the residents that are working the  
15 two shifts there. They made a lounge for them.  
16 They've also activated the phones down there so  
17 when they're away all those hours they can still  
18 talk to people at home and have visitors, and  
19 they're putting TVs in so that they can have an  
20 area to when they take their break and eat. And  
21 they fixed them up a nice place to eat.

22 So if you read the report, you will  
23 see that.

24 MS. HALLAM: I will. Thank you.

25 MS. MOSS: And I did talk to

1 everyone down there, and then I reviewed the book  
2 and the library and all of that.

3 MS. HALLAM: Okay. And who did you  
4 meet with when you went there?

5 MS. MOSS: A few people.

6 MS. HALLAM: Was this a planned  
7 visit, like you had planned to go there?

8 MS. MOSS: No, I stopped in on  
9 Tuesday. I don't know -- the 28th.

10 MS. HALLAM: Okay.

11 MS. MOSS: But they -- you know,  
12 they were kind enough to take me to the places I  
13 asked, and then I sat, and I talked to everybody.

14 MS. HALLAM: Great. I appreciate  
15 you doing that.

16 MS. MOSS: Then I asked questions.

17 MS. HALLAM: Yeah.

18 MS. MOSS: So it's in good hands.

19 MS. HALLAM: What is?

20 MS. MOSS: Me going there, it will  
21 be in good hands.

22 MS. HALLAM: I trust you. Thank  
23 you.

24 I have -- you made me think of  
25 something, actually, Ms. Moss, so thank you for

1 that. So incarcerated individuals who are  
2 working in the kitchen, they get breaks, I guess?  
3 How long are those breaks?

4 WARDEN HARPER: We don't have that  
5 information readily available, but we can get it  
6 for you for the next meeting.

7 MS. MOSS: They're 12-hour  
8 schedules.

9 WARDEN HARPER: But she asked about  
10 how long the breaks are. We'll get that for the  
11 next meeting.

12 MS. HALLAM: Okay. And how many  
13 hours a day are folks working in the kitchen?

14 WARDEN HARPER: Right now, they're  
15 on a 12-hour schedule. We have an AB team, and  
16 they have a day off. So they'll work a day and  
17 they're off a day.

18 MS. HALLAM: Okay. And when did  
19 the 12-hour shifts start?

20 WARDEN HARPER: I don't know the  
21 exact date. We can get that to you next meeting  
22 also.

23 MS. HALLAM: Did the 12-hour shift  
24 start since the last meeting, the last Jail  
25 Oversight Board meeting?

1 DEPUTY WARDEN TOMA: Yes.

2 MS. HALLAM: And what was the  
3 reason for the change in shifts?

4 WARDEN HARPER: We felt that is  
5 a -- that is a better operation for our  
6 incarcerated individuals.

7 MS. HALLAM: To work 12-hour days  
8 without pay?

9 WARDEN HARPER: And have a day off,  
10 yes, ma'am.

11 MS. HALLAM: Okay. And so they get  
12 how many days off a week? You said it's every  
13 other day?

14 WARDEN HARPER: They work every  
15 other day, ma'am.

16 MS. HALLAM: Okay. And so that  
17 still seems like a shorter shift, though, than  
18 was being worked before, right? So before, we  
19 had two shifts of folks working 7, 8 hours a day,  
20 and now they're just doing 12-hour shifts. So  
21 are the shifts -- is the kitchen operating for  
22 fewer hours per day than it was before?

23 DEPUTY WARDEN TOMA: So prior to  
24 the 12-hour shifts, when we transitioned between  
25 the morning crew and the afternoon crew, there's

1 a lot of security procedures that have to go into  
2 place. So by having the 12-hour shifts, it  
3 actually makes the operation of the kitchen more  
4 efficient because we're not swapping out and  
5 bringing new individuals in and having to do all  
6 those measures. So we can be more efficient with  
7 a smaller amount of time with our service.

8 MS. HALLAM: Okay. And what time  
9 does a shift start for a kitchen worker?

10 DEPUTY WARDEN TOMA: I do not have  
11 that information available for me right now, but  
12 we can provide it at the next meeting.

13 MS. HALLAM: Does anyone know what  
14 time all of those workers are leaving their pod  
15 to go to the kitchen?

16 CHIEF DEPUTY WARDEN BEASOM: It  
17 depends on what the individuals do. We send the  
18 folks that are -- the cooks, so on and so forth,  
19 if they have specialized jobs, they go down  
20 earlier. Then everybody else comes down later.  
21 So like Dep Toma described, the same work is  
22 getting done, but it's done in a more efficient  
23 manner. So, you know, if we have -- if we have  
24 workers come down at a later time, then they'll  
25 work through dinner if that makes sense.

1 MS. HALLAM: Okay. And what time  
2 is dinner? What time does this 12-hour shift  
3 end?

4 CHIEF DEPUTY WARDEN BEASOM: We're  
5 usually done by 7 p.m., before 8:00, somewhere in  
6 there.

7 MS. HALLAM: Okay. And what time  
8 is breakfast served?

9 CHIEF DEPUTY WARDEN BEASOM: We  
10 start -- kitchen carts go out about -- the first  
11 ones go around 6 a.m.

12 MS. HALLAM: Okay. So if somebody  
13 has to be there to prepare the 6 a.m. breakfast,  
14 they would be there before 6 a.m. and then the  
15 kitchen shifts end around 7, 8. That's more than  
16 12 hours. I'm just wondering -- so some people  
17 start at 6 and are done by 6?

18 CHIEF DEPUTY WARDEN BEASOM:  
19 Correct.

20 MS. HALLAM: Some people start at 5  
21 and are done by 5?

22 CHIEF DEPUTY WARDEN BEASOM: I  
23 don't have the breakdown with me, but I'm  
24 assuming it's on a rotating basis.

25 MS. HALLAM: Okay.

1 CHIEF DEPUTY WARDEN BEASOM: As  
2 folks go down there, they're the first to come  
3 out.

4 MS. HALLAM: Sure. And how do you  
5 manage the logistics of that having a bunch of  
6 different groups going down for different start  
7 times as opposed to just two chunks for a.m. and  
8 p.m.?

9 CHIEF DEPUTY WARDEN BEASOM:  
10 They're on the same housing unit, so the officers  
11 working there have a list of who needs to be down  
12 there at what times, and they get them -- they  
13 get them ready and send them down.

14 MS. HALLAM: Okay. I appreciate  
15 that. Yeah, I would very much appreciate when  
16 you give us the meal logs for next month, I would  
17 like to see an accurate log, and I think it would  
18 be helpful for our incarcerated worker initiative  
19 as well; what time the shifts are starting, what  
20 time they're ending, how long they are, how many  
21 people are doing each shift. That would be  
22 really, really helpful for us to get our proposal  
23 together.

24 I know when the County Council  
25 Office had requested that information a little

1 over a year ago, year and a half ago, when we  
2 started this project of paying incarcerated  
3 workers, we were given very vague numbers about  
4 the jobs people were doing. It said that  
5 everybody was working seven days a week, eight  
6 hours a day. So if you could get that, that  
7 would be super helpful.

8 Also, are incarcerated individuals  
9 on these 12-hour shifts, are they still working  
10 on Sundays and holidays?

11 CHIEF DEPUTY WARDEN BEASOM: Yes.

12 MS. HALLAM: Yes. Okay. And you  
13 understand that is in direct violation of the  
14 law.

15 CHIEF DEPUTY WARDEN BEASOM: I  
16 understand that's what you're saying.

17 MS. HALLAM: Would it be helpful if  
18 I sent you the law where it says that?

19 CHIEF DEPUTY WARDEN BEASOM: You  
20 can send that to me.

21 MS. HALLAM: Okay. And then I will  
22 follow up at the next meeting to see if you  
23 understand it, okay? Okay. Thank you very much.

24 The next question I have, I'm  
25 super, super concerned about the firing of the

1 medical director, all right? I do not think I am  
2 the only person here who is concerned about that.

3 So, you know, who is acting as  
4 medical director right now?

5 HSA DR. BRINKMAN: Currently, it's  
6 Dr. Bill Johnjulio at AHN.

7 MS. HALLAM: Can you say that name  
8 again? I'm sorry.

9 HSA DR. BRINKMAN: Bill Johnjulio.  
10 And to clarify, our medical director was not  
11 fired.

12 MS. HALLAM: Okay. I had received  
13 reports from staff members who work with Dr. S,  
14 and I don't want to say his name because I'll  
15 mess it up, Stechschulte.

16 HSA DR. BRINKMAN: "Stechschulte."

17 MS. HALLAM: Stechschulte. Thank  
18 you. I'm sorry. I've been trying to learn it  
19 for a while, but anyways, I had received reports  
20 that he was -- that he -- hold on, let me get it  
21 here -- that he was called in again -- this is a  
22 quote from the person -- the person that I spoke  
23 to verified by multiple other staff members and  
24 medical at the jail, specified that "He was  
25 called in by the AHN head and told that Ashley

1 Brinkman said his services were no longer  
2 needed." The staff was all shocked and extremely  
3 upset. They were completely blindsided by such a  
4 drastic and unexpected decision.

5 And then yesterday in a  
6 subcommittee meeting, Mr. Pilarski, only after  
7 being asked directly about it, said that AHN  
8 decided to reassign Stechschulte.

9 So you are saying that no one at  
10 the jail made any indication that his services  
11 were no longer needed or wanted or that he was --  
12 you were "going in a different direction"?

13 HSA DR. BRINKMAN: I cannot discuss  
14 personnel matters, especially considering that  
15 this is not our employee.

16 WARDEN HARPER: So I do want to  
17 comment. And, you know, Allegheny Health Network  
18 is one of our partners. And we were notified of  
19 their intention to reassign Dr. Stechschulte.  
20 Now, we appreciate all the leadership and all the  
21 guidance that he provided us for all of these  
22 years, but Dr. Stechschulte is an AHN employee,  
23 and we have nothing to do with what AHN does with  
24 their employees.

25 But like I said, he was a valuable

1 employee to us, and we appreciate everything that  
2 he provided to us. So that's an AHN  
3 responsibility, not a jail's responsibility.

4 MS. HALLAM: So are you saying that  
5 if the jail has a reason to discontinue service  
6 with a provider that AHN provides to the jail,  
7 the jail has no say in that whatsoever?

8 WARDEN HARPER: AHN makes all  
9 decisions pertaining to AHN employees, and we're  
10 going to -- that's all I can say about that issue  
11 right there, Ms. Hallam.

12 MS. HALLAM: I'm sorry. I'm not  
13 talking about the issue anymore. I mean, more  
14 generally, if you or someone in the jail  
15 administration wants a -- someone who AHN has  
16 placed in the jail to no longer be in the jail,  
17 do you have authority to tell AHN that, that you  
18 no longer want this specific service provider in  
19 the jail?

20 WARDEN HARPER: I think that if we  
21 have any issues with any vendor, we would be able  
22 to say our piece. I think that's a  
23 responsibility of any vendor at our jail,  
24 Ms. Hallam.

25 MS. HALLAM: But you ultimately do

1 not have final say over -- somebody could  
2 continue operating inside the jail after you had  
3 repeatedly asked them not to?

4 JUDGE HOWSIE: But, Ms. Hallam, I  
5 think the question is whether or not they  
6 terminated the doctor or if they asked to have  
7 him transferred. And the answer was no. They  
8 said they did not do that. It was a decision  
9 made by AHN.

10 Do you have another question?

11 MS. HALLAM: I was looking for an  
12 answer to my broader question that if the jail  
13 wanted somebody reassigned from the jail, could  
14 you make that happen?

15 WARDEN HARPER: Again, Ms. Hallam.

16 MS. HALLAM: I think your lawyer  
17 wants to talk. He keeps putting his hand up.

18 JUDGE HOWSIE: Because you're  
19 getting into personnel matters that should not be  
20 discussed in this forum.

21 MS. HALLAM: So in the AHN contract  
22 that they have with the county and with the jail,  
23 does it allow any provision for the jail to  
24 request the removal of an employee from AHN?

25 WARDEN HARPER: AHN is responsible

1 for making the determination who works and who  
2 does not work at our jail, Ms. Hallam.

3 MS. HALLAM: Okay. I have multiple  
4 accounts conflicting that and the smirk on your  
5 face tells me that you know that as well.

6 Next question. So when was -- when  
7 was the jail notified about Dr. Stechschulte  
8 being reassigned?

9 HSA DR. BRINKMAN: I learned on  
10 Tuesday.

11 MS. HALLAM: What was that, the  
12 28th, Tuesday? Okay. So did you learn the same  
13 day that Dr. Stechschulte learned?

14 HSA DR. BRINKMAN: Yes.

15 MS. HALLAM: And when was his last  
16 day of work?

17 HSA DR. BRINKMAN: Yesterday.

18 MS. HALLAM: Okay. And is there a  
19 reason why the Jail Oversight Board was not  
20 notified of this change in what I would argue is  
21 kind of like the most important position at the  
22 jail?

23 WARDEN HARPER: We had a plan.  
24 When the decision was made for Dr. Stechschulte,  
25 we had a plan, and we just didn't feel that it

1 was an emergent situation to notify the Jail  
2 Oversight Board.

3 MS. HALLAM: I'm sorry. I just  
4 want to make sure I heard that right. You didn't  
5 think it was a situation that the Jail Oversight  
6 Board should be notified about that the medical  
7 director was leaving?

8 WARDEN HARPER: We did not. No, I  
9 did not, no, ma'am.

10 MS. HALLAM: And you state that you  
11 had a plan. How did you know to develop that  
12 plan?

13 WARDEN HARPER: We developed the  
14 plan when we found out about it, Ms. Hallam.

15 MS. HALLAM: The same day?

16 WARDEN HARPER: Yes, ma'am.

17 MS. HALLAM: Okay. Can we see that  
18 plan, what you're going to do now that we don't  
19 have a --

20 WARDEN HARPER: It's not in  
21 writing, ma'am.

22 MS. HALLAM: Is it -- where is it?

23 WARDEN HARPER: It's conversations.

24 MS. HALLAM: Okay. No  
25 documentation whatsoever of a plan for us not

1 having a medical director?

2 WARDEN HARPER: No, ma'am.

3 MS. HALLAM: Okay. That's a shame,  
4 but I appreciate that information very much.

5 Okay. Next question -- I would  
6 agree that we should definitely do an exit  
7 interview, so if someone could get that contact  
8 information, that's definitely -- when we did it  
9 with Ms. Bunts, Dr. Bunts, it was very, very  
10 informative, and I think we should do that again.  
11 So if anybody wants to take the charge of that.

12 Next question that I have is  
13 about -- oh, how could I forget. So I have these  
14 expert reports that we were all e-mailed -- did  
15 everyone on the jail board see these expert  
16 reports that were in your inbox? Did anybody get  
17 a chance to look through them?

18 MS. MOSS: No.

19 MS. KLEIN: No.

20 CONTROLLER O'CONNOR: When did we  
21 get them?

22 MS. HALLAM: Maybe yesterday. So  
23 if I could just ask that every member of the jail  
24 board please read through these expert reports.  
25 They are -- I mean, we hear some stuff here,

1 right? But this is beyond anything I've ever  
2 seen. And these are by experts in the field of  
3 corrections, in the field of mental health, a  
4 former warden, and what is -- a doctor, Dr.  
5 Kupers, and Bradford Hansen. He is the former --  
6 a former warden.

7 And so this is in regards to a  
8 lawsuit that -- Howard versus Laura Williams.  
9 Named Defendants in the case are Laura Williams,  
10 Former Chief Deputy Warden of Healthcare  
11 Services; Orlando Harper, Warden of the Allegheny  
12 County Jail; Michael Barfield, Mental Health  
13 Director, Allegheny County.

14 And so there was a Tribune-Review  
15 article that was written on Monday. Did anyone  
16 on the Board get to read this?

17 (No response.)

18 MS. HALLAM: Jail administration,  
19 have you seen this article?

20 (No response.)

21 MS. HALLAM: No. Okay. I'll fill  
22 you in on it. Okay. So this article is titled  
23 'Experts in Lawsuit say Mental Healthcare at  
24 Allegheny County Jail is Grossly Inadequate.'

25 And again, this is all public

1 information, accessible, you know, because it is  
2 part of a pending lawsuit. And so I just want to  
3 ask, you know, just some opinions from the  
4 administration, anybody who is willing to speak  
5 about this -- some of the, you know, quotations  
6 from this.

7           So these were filed this month in  
8 Federal Court. They address problems including a  
9 shortage in medical staffing, a lack of training  
10 for both medical and correctional staff, a lack  
11 of privacy for discussions involving mental  
12 health concerns, punishment for incarcerated  
13 individuals seeking mental health treatment, and  
14 continued overuse of solitary confinement, which  
15 had been banned through a countywide referendum  
16 in 2021. Okay? So those are some of the  
17 overarching concerns here.

18           And I just want to, you know, get  
19 this into the record and also get some response  
20 because it says that the jail's mental healthcare  
21 is "shocking substandard." That is a direct  
22 quote from an expert in this case. And again,  
23 these are people who have tons of corrections  
24 experts, and they're saying that compared to  
25 other jails and prisons throughout the nation,

1 that the mental healthcare at our jail, the one  
2 that we have the oversight of, the ones that yinz  
3 run, is "shockingly substandard."

4 They also said that "the  
5 overutilization of use of force and solitary  
6 confinement diminishes rather than enhances the  
7 success of offenders' reintegration into  
8 society." They allege a "gross failure on the  
9 part of the jail to care for those with mental  
10 illness." They say that "meaningful mental  
11 health treatment is not provided at the jail  
12 until symptoms are so acute that the person is  
13 'imminently suicidal.'" They say that "Patients  
14 are ignored unless they express suicidal  
15 ideation, and if they do express such thoughts,  
16 they are mocked. And officers are quick to use  
17 force against prisoners with mental illness."

18 They say that "most interaction  
19 with mental health staff for incarcerated  
20 individuals occur at the front of jail cells  
21 where there is no privacy." They say that  
22 universally for incarcerated individuals at the  
23 Allegheny County Jail "there are long delays, a  
24 lack of follow-up, and they can be beaten or  
25 tased for even asking to meet with mental health

1 staff." And you know, when I'm reading the  
2 expert reports, there's some direct quotations  
3 from individuals who have experienced this  
4 themselves.

5           They again said that "staffing is  
6 grossly inadequate," and I think we see that by  
7 looking at the vacancies. As of the 17th of  
8 February, there were 88 vacancies, and only five  
9 of those are AHN vacancies. 83 of those 88  
10 vacancies for healthcare staffing are county  
11 employees. You know, we always talk about the  
12 AHN services here, but I want to remind folks  
13 that the overwhelming majority of them are county  
14 employees, not contracted through AHN.

15           Additionally, they said that there  
16 are often -- Dr. Brinkman actually said this  
17 herself in her deposition "that there are often  
18 no psychiatrists at the jail," and also "that  
19 75 percent of the jail's population is prescribed  
20 at least one psychotropic medication." So 75  
21 percent of the people are prescribed at least one  
22 psychotropic medication, but that there are often  
23 no psychiatrists at the jail at all.

24           You know, of course, they also  
25 said -- they talked about, you know, what we have

1 brought up over and over and over again about the  
2 jail being in violation of the solitary  
3 confinement ban, and you know, a referendum by  
4 this board where we said no shock guns in the  
5 jail, if yinz remember that, right? That they  
6 stopped using the restraint chair. They were  
7 required to stop using the restraint chair, but  
8 they have instead "replaced it by officers with  
9 long guns that loudly shoot rubber or wooden  
10 blocks, and their use terrifies incarcerated  
11 individuals with mental illness and has other  
12 harmful effects." Even though they got rid of  
13 the restraint chair "they have replaced it with  
14 another practice designed to intimidate." And  
15 we're talking about folks with mental health  
16 diagnoses, right? Folks that we are  
17 constitutionally required to provide healthcare  
18 to. It is not happening in -- you know, this is  
19 from some of your own words in your deposition.

20 They also talked about "cages" so  
21 that incarcerated individuals "can be moved out  
22 of their cell for four hours a day" with the jail  
23 thinking that that's in compliance with the  
24 referendum ban. It is not.

25 An exact quote was "systemic and

1 gross deficiencies."

2 The second expert report by a  
3 retired warden who spent 42 years working in  
4 corrections -- do any of the jail administration  
5 have 42 years' experience in corrections?

6 (No response.)

7 MS. HALLAM: Okay. So then this is  
8 our expert on the matter, right? He concluded  
9 that there was a "pattern of policy violations  
10 and failure to protect people held in the jail; a  
11 failure to train staff in alternatives to use of  
12 force; and evidence that jail staff used force  
13 against mentally ill inmates, placing them in  
14 segregated confinement against national  
15 standards."

16 He notes that "these violations  
17 were based on system and gross deficiencies which  
18 should have been obvious to any jail  
19 administrator."

20 He also was pretty critical of  
21 Warden Harper in here. He says that "Warden  
22 Harper's lack of understanding of the  
23 use-of-force policy, which includes the restraint  
24 chair, is alarming." This is coming from a guy  
25 with 42 years of experience in jail

1 administration. He wrote that in a deposition  
2 which Warden Harper and a training sergeant gave  
3 that an incarcerated individual "could be placed  
4 in the restraint chair if they simply refused a  
5 direct order." He says that this "completely  
6 violates policy on the use of force of restraint  
7 chairs and national standard."

8 And also, again, I just want to  
9 remind folks that this is the Allegheny County  
10 Jail. We're not just talking broadly about  
11 jails. This is our jail. Our use of force was  
12 higher than any other jail in the state.

13 So, you know, hearing that, and I  
14 just wanted to make sure that everybody who  
15 hadn't had an opportunity to read it now knows  
16 about it. I have it here if anybody wants me to  
17 pass it around.

18 Controller O'Connor, do you want to  
19 say something about it?

20 CONTROLLER O'CONNOR: Just to  
21 clarify, that's the doctor -- that's the  
22 California doctor, is that correct? Because we  
23 already reached out --

24 JUDGE HOWSIE: No.

25 CONTROLLER O'CONNOR: -- to the

1 individual. That's a different --

2 JUDGE HOWSIE: That's the report.

3 CONTROLLER O'CONNOR: Okay. Sorry.

4 MS. HALLAM: Which one are you  
5 talking about?

6 CONTROLLER O'CONNOR: Dr. Craig --

7 MS. HALLAM: Where is he from?

8 Like where is he --

9 CONTROLLER O'CONNOR: California.  
10 Haney. We actually reached out to him. He's a  
11 psychological center. I thought that's who you  
12 were quoting in there, but different doctor --

13 MS. HALLAM: No, these -- yeah,  
14 different doctor.

15 CONTROLLER O'CONNOR: -- than we've  
16 already contacted about that, yeah.

17 MS. HALLAM: Yeah. These are from  
18 the expert reports that were sent to us yesterday  
19 from Howard versus Laura Williams, a case in the  
20 U.S. District Court for the Western District of  
21 Pennsylvania. So again, those are in our  
22 e-mails. I implore everyone on this board to  
23 read them ahead of the next meeting so that we  
24 can have a more thorough discussion about them.  
25 This is very, very concerning.

1           And so, you know, specifically, I'm  
2 just wondering if the jail has any comment on  
3 these statements that were in here and what you  
4 can tell us, if any of these things have changed  
5 since the deposition.

6           JUDGE HOWSIE: Let me try to make  
7 sure we understand what you just did. You are  
8 quoting an expert that represents one party in a  
9 lawsuit and their opinions about the jail and  
10 asking the other party to respond who is in  
11 litigation. That's what you're asking them to  
12 do.

13           MS. HALLAM: The only person who is  
14 sitting here from the jail administration who is  
15 currently in litigation is Warden Orlando Harper.  
16 There are three other jail administrators here.

17           JUDGE HOWSIE: The jail is in  
18 litigation.

19           MS. HALLAM: I understand.

20           JUDGE HOWSIE: And you are quoting  
21 the expert for the other party as if everything  
22 in that report is factually true --

23           MS. HALLAM: I am not alleging  
24 everything is factually true.

25           JUDGE HOWSIE: Let me finish. Let

1 me finish. I didn't interrupt you.

2 MS. HALLAM: Go ahead.

3 JUDGE HOWSIE: Finish. You're  
4 quoting an expert for a party in a lawsuit and  
5 asking the Defendant to comment on a report while  
6 litigation is pending.

7 MS. HALLAM: I am --

8 JUDGE HOWSIE: It's extremely  
9 inappropriate. I'm encouraging you not to  
10 answer. They shouldn't answer. They're in the  
11 middle of a trial. And, of course, one party's  
12 expert is going to say things, just like their  
13 expert is going to say other things.

14 So I'll ask, do you have another  
15 question that does not revolve around that report  
16 or the litigation that is currently ongoing?  
17 What else do you want to ask?

18 MS. HALLAM: Yeah. Sure. So I'm  
19 actually quoting directly from a TribLive article  
20 is what I'm --

21 JUDGE HOWSIE: Sure. Regarding  
22 litigation.

23 MS. HALLAM: Correct.

24 JUDGE HOWSIE: An expert who gave  
25 an expert report and opinion in litigation.

1                   What's your next question?

2                   MS. HALLAM:   Correct.  My next  
3 question is if the jail has done anything over  
4 the past year to remedy gross deficiencies  
5 regarding mental health.

6                   JUDGE HOWSIE:  Next question.  
7 They're in the middle of litigation and an expert  
8 opinion in litigation, they cannot respond to  
9 that question, and you know that.

10                   Next question.

11                   MS. HALLAM:  I just thought it was  
12 fair to give both sides an opportunity --

13                   JUDGE HOWSIE:  It's not fair.  It's  
14 not fair.

15                   MS. HALLAM:  -- to talk about it.

16                   Okay.  My next question is about --  
17 sorry, I'm losing my place here.  Oh, just if  
18 the -- if the Jail Oversight Board could get  
19 notification when the jail administration  
20 receives notification that a lawsuit is filed  
21 against the jail, if the Jail Oversight Board  
22 could please be made aware of that litigation,  
23 because we don't hear about it and like the  
24 hunting --

25                   JUDGE HOWSIE:  It's a public

1 record. It's public record.

2 MS. HALLAM: Right. But as we have  
3 noted in previous meetings, such as when  
4 Allegheny County Health Department inspections  
5 are conducted and other things that are also  
6 public record, that instead of us having to  
7 monitor legal databases for lawsuits that we be  
8 made aware of them.

9 JUDGE HOWSIE: You actually got an  
10 expert opinion from a lawsuit that was pending  
11 that's public record.

12 MS. HALLAM: Yes.

13 JUDGE HOWSIE: Now you're saying  
14 you don't know about their report.

15 MS. HALLAM: Because I was made  
16 aware of it through an e-mail that was sent to  
17 the entire board. That's how I found out about  
18 it. I would just like us, going forward, before  
19 the news hears about it, we brought this up many  
20 times, if we could please hear about it.

21 JUDGE HOWSIE: Okay.

22 MS. HALLAM: I would appreciate  
23 that. So is that something that you guys would  
24 be able to do, or is there another entity in the  
25 county who could make us aware any time

1 litigation was filed against the county jail?

2 MR. BACHARACH: That would be the  
3 Law Department that would get notice of that.  
4 And we don't always know before the paper does.

5 MS. HALLAM: But a quote was given  
6 actually from the jail to this paper that I just  
7 read from. Yeah, so, Jesse -- "Jail spokesman  
8 Jesse Geleynse said he could not comment, but in  
9 a written statement addressed the issue of mental  
10 health treatment in correctional systems."

11 MR. BACHARACH: You asked about  
12 whether the lawsuit -- whether you could be  
13 apprised of lawsuits, new lawsuits.

14 MS. HALLAM: Right. So the  
15 spokesman --

16 MR. BACHARACH: It's not the jail.  
17 The jail wouldn't do that.

18 MS. HALLAM: Okay. That was my  
19 question. Who can advise us when litigation is  
20 filed against the jail since we are the Oversight  
21 Board?

22 MR. BACHARACH: It's public record.

23 MS. HALLAM: Okay. Who would be  
24 the entity in the county that I can submit that  
25 request to to keep the board informed of these

1 things? You know, because it -- it -- my  
2 understanding is if a lawsuit is settled or if  
3 some sort of damages are paid out, it's the  
4 taxpayers of Allegheny County who are paying  
5 those lawsuits, correct? Who pays out lawsuits  
6 against the jail?

7 MR. BACHARACH: The county.

8 MS. HALLAM: County taxpayers. So  
9 we are the Jail Oversight Board. I'm just  
10 wondering why you think we do not need to be made  
11 aware of lawsuits that have the potential for  
12 paying out taxpayer money.

13 MR. BACHARACH: I didn't say that.

14 MS. HALLAM: Okay. So who is the  
15 person that I should request this from?

16 MR. BACHARACH: You can request it.

17 MS. HALLAM: From?

18 MR. BACHARACH: You can request it  
19 from the Law Department or anyone else.

20 MS. HALLAM: From the County's Law  
21 Department. Okay.

22 So just to clarify one more time,  
23 does the jail have a Law Department or a  
24 solicitor or anything like that is separate from  
25 the general county legal department?

1 MR. BACHARACH: No.

2 MS. HALLAM: Okay. So they are one  
3 and the same, the jail's legal team and the  
4 county's legal team are one and the same?

5 MR. BACHARACH: The jail -- the  
6 jail doesn't have a legal department. The county  
7 has a legal department.

8 MS. HALLAM: And the county's legal  
9 department handles all jail-related things?

10 MR. BACHARACH: Yes.

11 MS. HALLAM: Okay. Thank you very  
12 much for that clarification.

13 That's all the questions I have.

14 JUDGE HOWSIE: Any additional  
15 questions?

16 Oh, I'm sorry. Ms. Klein.

17 MS. KLEIN: Can you talk about if  
18 there are any standards for permissible tattoos  
19 for correctional officers?

20 JUDGE HOWSIE: Great question.

21 MS. KLEIN: In relation to the  
22 public testimony that we heard about an offensive  
23 tattoo.

24 WARDEN HARPER: I don't know if  
25 there's any written standards, but to me, if I

1 saw a tattoo that was inappropriate, you know  
2 what, we would talk about the inappropriate  
3 tattoo, consult with our law department to see if  
4 there's anything that we can do. But I don't --  
5 we don't have any standardized standards that we  
6 utilize.

7 MR. PILARSKI: Terri, if I can,  
8 there was a similar situation when I worked at  
9 the Medical Examiner's Office. Somebody had an  
10 inappropriate tattoo. They were -- while  
11 obviously they can do what they want there, but  
12 we required them to wear long sleeves year-round.  
13 So they couldn't go to someone else's house with  
14 the tattoo they had, which people might find  
15 offensive when you were picking up their loved  
16 one or something like that. It was an  
17 investigator, someone who would go to the homes.  
18 So we made them long -- after consulting with the  
19 law department on what to do, obviously, we made  
20 them wear long sleeves year-round, so the tattoo  
21 was always covered.

22 I mean, that's somewhat of a  
23 similar situation. So again, like the Warden  
24 said, he'll talk to the law department. That  
25 happened for us. We discussed with the law

1 department and just came up with the policy that  
2 that person would always have to wear long  
3 sleeves to cover the tattoo while at work.

4 JUDGE HOWSIE: Any additional  
5 questions?

6 MS. HALLAM: Yeah.

7 JUDGE HOWSIE: Yes.

8 MS. HALLAM: So is long sleeves to  
9 cover tattoos the policy of the jail?

10 WARDEN HARPER: Like I said,  
11 I'll -- I would have to know about it first. My  
12 team would have to know about it, and we will  
13 consult with the law department to come up with a  
14 plan as to how to deal with that.

15 MR. PILARSKI: Again, in our case,  
16 the tattoo was like on the upper arm that would  
17 show if it was short sleeves, so it was easily  
18 rectifiable with long sleeves. I don't know,  
19 obviously, that tattoo is hideous if somebody  
20 puts it on their body, but that's just my  
21 opinion.

22 But depending on where it was. If  
23 it was on a hand, maybe the law department would  
24 say they have to wear gloves. I don't know. I  
25 mean, depending on where it was at.

1           In the particular case I'm speaking  
2 of, it was on the biceps down to the arm. You  
3 could see it was inappropriate, so it was just an  
4 easy -- you know, had to wear long sleeves all  
5 the time would cover the tattoo while at work at  
6 all times. I don't know if that would be  
7 something here. Again, they would have to  
8 consult with the law department -- that was  
9 something, a similar situation, and that's how we  
10 rectified it.

11           MS. KLEIN: I think it would be  
12 helpful to get an opinion from the law department  
13 about what a response would be to a tattoo.

14           JUDGE HOWSIE: I can probably help  
15 with this one. So as reprehensible as that  
16 tattoo would be, the one that was previously  
17 mentioned about the noose, reprehensible.

18           MS. KLEIN: Absolutely.

19           JUDGE HOWSIE: But every person,  
20 even that person, has a First Amendment right to  
21 Freedom of Speech. And so they're permitted to  
22 wear whatever they want on their body. You  
23 cannot terminate a person because they choose to  
24 put an inappropriate tattoo on their body. You  
25 cannot terminate them for that. The only thing

1 you can do is require them to cover it up.

2 MS. KLEIN: Exactly.

3 JUDGE HOWSIE: If you terminate  
4 them for that, you violate their constitutional  
5 rights. You can't do that.

6 MS. KLEIN: But could it be  
7 required -- some kind of requirement more than a  
8 long sleeve?

9 JUDGE HOWSIE: Sure. Absolutely.

10 MS. KLEIN: Like an Ace Wrap.

11 JUDGE HOWSIE: Band-aid or cover it  
12 up. Absolutely. That could be required, but you  
13 can't require them to leave the employment  
14 because of a tattoo, not based on my  
15 understanding of the Constitution.

16 MS. KLEIN: Okay.

17 JUDGE HOWSIE: No.

18 MS. HALLAM: I have a question.  
19 Was anyone in the jail administration aware of  
20 the tattoo in reference before the public comment  
21 tonight?

22 WARDEN HARPER: No.

23 MS. HALLAM: No. Have you ever  
24 received reports in the past about inappropriate  
25 tattoos on jail staff?

1 WARDEN HARPER: No.

2 MS. HALLAM: Never. Okay. And  
3 then I just had one more question that I thought  
4 about induction for MOUD. Didn't you tell us a  
5 couple months ago there was a person who was  
6 hired specifically to be like the induction  
7 person?

8 HSA DR. BRINKMAN: I said that we  
9 hired an addiction specialist. It's not limited  
10 to just induction.

11 MS. HALLAM: Okay. That's the  
12 person. I forget her name even, the name that  
13 you gave us a couple months ago.

14 HSA DR. BRINKMAN: Uh-huh.

15 MS. HALLAM: She wasn't hired to  
16 assist with the implementation of MOUD induction?

17 HSA DR. BRINKMAN: She can assist  
18 with that, but that's one aspect of addiction  
19 treatment in the facility.

20 MS. HALLAM: Okay. I would love to  
21 talk to her if you could bring her here for the  
22 next meeting. That would be great. So just so  
23 we can have somebody here who can actually give  
24 us information about that process.

25 So thank you very much for that.

1 And that is all my questions.

2 JUDGE HOWSIE: Any other questions?

3 SHERIFF KRAUS: I'll make a Motion  
4 to adjourn.
