ACJ Population

ACJ population: 1,786

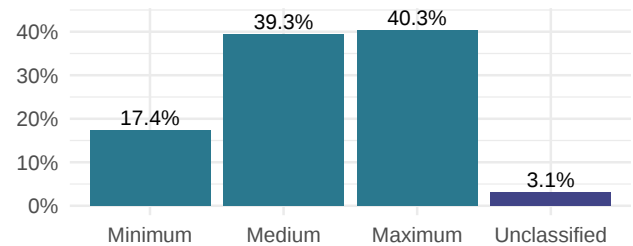

ACJ population

November 2023 to October 2024

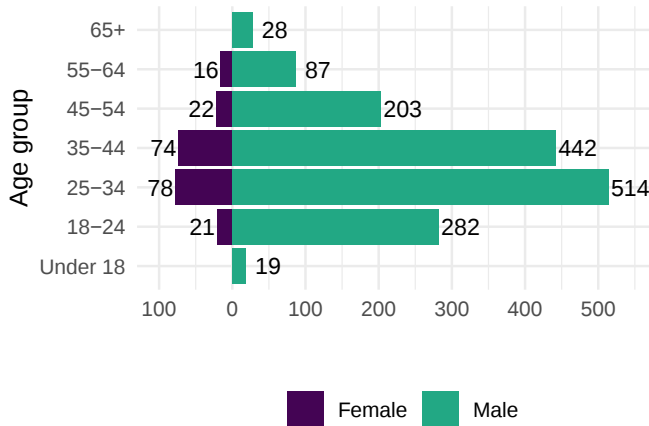

The classification, race and age and gender charts reflect the point-in-time jail population as of **October 31** when it comprised **1,767 adults** and **19 juveniles** of whom **1,575 were men** and **211 were women**. The median length-of-stay for those in the jail was **111 days**. Those labeled unclassified are new arrestees who were in the jail for fewer than 72 hours as of **October 31**.

Average wait	17.9 days	23.3 days
Median wait	15 days	18.5 days

Release Statistics

Total releases: 744

New releases from the jail by month

Average release time: 18.8 hours

The average release time concerns people released into their own custody who went through the Discharge and Release Center process. The time to release calculation begins when a clerk initiates the DRC workflow and ends when the person is released from the jail.

In October 2024, there were **744 releases from the jail** — **460** of which involved **people released into their own custody** (other types include releases to rehabilitation programs or other law enforcement agencies). There were 81 cases during October in which there was not a DRC workflow initiated between the person's commitment date and release date. This may happen if someone is released from alternative housing or under pre-trial electronic monitoring. All such cases have been excluded from this analysis.
