Average wait	17.5 days	36.7 days
Median wait	14 days	28 days

Release Statistics

Total releases: 650

Average release time: 16.3 hours

The average release time concerns people released into their own custody who went through the Discharge and Release Center process. The time to release calculation begins when a clerk initiates the DRC workflow and ends when the person is released from the jail.

In December 2024, there were **650 releases from the jail** — **423** of which involved **people released into their own custody** (other types include releases to rehabilitation programs or other law enforcement agencies). There were 61 cases during December in which there was not a DRC workflow initiated between the person's commitment date and release date. This may happen if someone is released from alternative housing or under pre-trial electronic monitoring. All such cases have been excluded from this analysis.
