Average wait	15 days	30.6 days
Median wait	13 days	22 days

Release Statistics

Total releases: 818

New releases from the jail by month

Average release time: 22.9 hours

The average release time concerns people released into their own custody who went through the Discharge and Release Center process. The time to release calculation begins when a clerk initiates the DRC workflow and ends when the person is released from the jail.

In March 2025, there were **818 releases from the jail** — **512** of which involved **people released into their own custody** (other types include releases to rehabilitation programs or other law enforcement agencies). There were 88 cases during March in which there was not a DRC workflow initiated between the person's commitment date and release date. This may happen if someone is released from alternative housing or under pre-trial electronic monitoring. All such cases have been excluded from this analysis.

March releases by custody
